A Xerox copy of each motel registration has been made by the Jackson Division, and copies of these registrations are being maintained in the bulky exhibit file of Jackson File 157-9586.

It is noted on the registrations that there is registration from Saskatchewan, Canada, at the Round-Town Motel, and a registration from Winnipeg, Manitoba, Canada, at the Holiday Inn, during the pertinent period. It is being left to the discretion of Memphis, the Office of Origin, as to whether appropriate LHM should be submitted to the Bureau to have these individuals identified in Canada.

The names of those individuals appearing on the motel registrations who reside within the Jackson Division are being identified through indices check in the Jackson Office and appropriate credit and criminal being conducted within the cities in which they indicate they reside.

LEADS:

ALL RECEIVING OFFICES

All offices receiving copies of this communication will review the FD-302s which they have received for names of those individuals who reside within their respective divisions and will review the names through the appropriate office indices and will identify the individual through appropriate credit and criminal check, and if deemed advisable, will interview the individual if there is a possibility of any association with JAMES EARL RAY.

By airtel dated 4/27/68, the Bureau advised that in a third "Look" magazine article, WILLIAM BRADFORD HUIE stated that JAMES EARL RAY had spent the night of 4/2/68 in a motel near Corinth, Miss. The Bureau instructed Jackson to review motel records in and around Corinth to determine the identities of individuals registered there during the period 3/29/68 to 4/3/68. By airtel dated 4/28/68, the Jackson Office advised the Bureau that motel records at Corinth, Miss., had been reviewed under the subject's true name and aliases and had been reviewed for subject's Alabama license number. Nothing identifiable with the subject was found.

ME 44-1987

By airtel dated 5/7/69, copies of which were not furnished the Bureau, the Jackson Office set out leads for those offices to whom copies of this communication are designated. These offices have been requested to interview several hundred persons who spent the night in motels at Corinth, Miss., on or about 4/2/68.

In view of the fact that more than a year has passed since these persons stayed over night at Corinth, and since similar investigation of this type in this case has previously been unproductive, and since HUIE has admitted that RAY frequently is untruthful in statements to him, and further since it is not believed that it is of any particular importance to establish whether or not JAMES EARL RAY stayed over night at Corinth on 4/2/68, all offices will disregard the leads set out in Jackson airtel dated 5/7/69, unless specifically advised by the Bureau to cover same.

ReTPlet to JK, 5/18/76.

On 5/26/76, CARL FRANK DELVIC, Patient, Forensic Unit, Florida State Hospital, Tallahassee, Fla., was interviewed and provided the following information:

DELVIC advised that he has a small "microscopic electronic device implanted in his brain." The device enables DELVIC to determine what other people are thinking and also gives him extra sensitive hearing. DELVIC advised that this device was implanted in his brain through his ear canal while he was sleeping. He awoke shortly after the device was implanted and witnessed an unknown individual exiting through his bedroom window.

DELVIC advised that the purpose of this device is so that "they" will be able to determine what he is thinking; however, inasmuch as the device was put in backwards, it has a reverse effect and he is able to determine what other persons are thinking.

DELVIC further advised that it was through this device that he overheard a conversation at Florida State Hospital between unknown persons advising that the FBI was involved in the assassination of Dr. MARTIN LUTHER KING.

DELVIC was furnished a Standard Authority To Release Information Form (FD-406) which was read to him. DELVIC advised that he understood the form and signed a release statement.

SUSAN LA FEHR, Staff Psychologist, reviewed DELVIC's ward chart and advised that he was committed by Hillsborough County on 3/19/76. She advised
