MINUTEMEN

The following information was received from a source who claims to be familiar with activities and plans of the Minutemen:

The Minutemen had a general plan to foment civil strife by killing Negro Leaders, Martin Luther King, Rap Brown, and Stokely Carmichael and, therefore, seize power in the confusion. No specific time table set and Carmichael had least priority because he was already fomenting civil strife himself.

The Minutemen also planned to kill New York Attorney General Louis Lefkowitz and to kidnap and kill the United States Attorney in Kansas City, Missouri, for prosecution against the Minutemen and Robert B. DePugh, and Alcohol, Tobacco and Tax Unit Agents James Moore and Frank Belliki of Kansas City, Missouri, and FBI Investigator of the Minutemen in Kansas City whom they described as elderly, short and with gray hair.

They planned to place a bomb at the door of the FBI Office in New Haven, Connecticut, after working hours, not to injure people but to cause confusion.

From time to time, the Minutemen have conducted surveillances of individuals in their offices concerning these plans. The Minutemen members in Connecticut are identified as Doctor Convard, Optometrist, Bridgeport, Connecticut, George Brown, Fire Department, Waterbury, Connecticut, Thomas Hart, Bridgeport, Connecticut, Joseph Fabiano, 27 1/2 Wall Street, Waterbury, Connecticut. The meetings are held on a farm in Naugatuck, Connecticut. DePugh has standing orders to blow up the courtroom or court house rather than let himself be tried and convicted.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

APPENDIX"MINUTEMEN"

The "Minutemen" was organized in June, 1960. Its present headquarters are Norborne, Missouri. Robert B. DePugh, Norborne, Missouri, has been publicly identified as the National Coordinator of the organization. DePugh has stated the membership of the "Minutemen" to be in excess of 35,000 members, however, confidential sources state this figure is greatly exaggerated and that a more true estimate would be between 800 and 2,000 members. Statements by DePugh and literature distributed by the organization indicate its purpose to be the resistance to, and exposure of, the spread of Communist influence within the United States; for the formation of a guerrilla or underground organization to combat the troops of any foreign powers which might eventually occupy this country; and resist passage of laws which would regulate private ownership of firearms.

The Kansas City Star newspaper has on numerous occasions contained articles concerning the "Minutemen", wherein it was stated that members of the organization participate in maneuvers utilizing guerrilla tactics with machine guns, mortars, grenades, and other firearms. DePugh has publicly stated the "Minutemen" as an organization does not buy or store arms or ammunition; however, individual members are urged to maintain arms and ammunition, which is their constitutional right. "Minutemen" has given instructions in the use of explosive compounds from such readily accessible ingredients as common fertilizer, ammonium nitrate. Robert DePugh, along with his close associate Walter Patrick Peyson and Troy Haughton, West Coast Regional Coordinator, were convicted in U. S. District Court of violation of the Federal Firearms Act. All were sentenced to prison and all are free on bond pending their appeals to the 8th Circuit Court of Appeals, St. Louis, Missouri.

On October 30, 1966, the New York City Police Department arrested 19 members of the "Minutemen", charging them with "conspiracy to commit arson", and "Illegal possession of firearms". An inventory of firearms seized as a result of these arrests included 115 rifles, 26 handguns, 8 automatic weapons, 3 bazookas, 2 mortars, 1 anti-tank gun and an unknown quantity of ammunition.

"MINUTEMEN"

In April, 1966, DePugh stated the "Minutemen" organization was then dividing itself into two bodies: one group to be members who have been able to maintain their identity in complete secrecy from the public and government investigative agencies, and the other group to be made up of members who have been publicly identified and who will become active in the Patriotic Party. The first group will go completely underground and will continue to emphasize intelligence activities and resistance warfare training programs. The first national convention of the Patriotic Party was held July 3 and 4, 1966, at Kansas City, Missouri, with DePugh acting as chairman. About 300 individuals attended this convention. The second annual convention of the Patriotic Party was held July 2, 3, & 4, 1967, Kansas City, Kansas, with approximately 240 persons attending. DePugh resigned as National Chairman at the convention, however, he stated he would continue in an advisory capacity. The delegates, at DePugh's urging, endorsed former Governor of Alabama, George Wallace, and William Penn Patrick, millionaire cosmetics manufacturer of San Rafael, California, as presidential and vice-presidential candidates in the 1968 elections.

DATE: 4/11/68

FROM :SA GEORGE C. SCRUGGS, JR.

SUBJECT:MURKIN

LARRY GODDARD, Manager, Shakey's Pizza Parlor, Springfield, Missouri, advised 4/11/68 that approximately 9:30 pm on 4/4/68 a white male, approximately 35 years of age, tall, slender, with a sharp nose, appeared at the pizza parlor, ordered two pizzas and drove away without receiving or paying for the pizzas. GODDARD stated the individual drove a 1967 Pontiac, black over white, believed to be bearing Illinois 1967 license WB 2892.

GODDARD believed it remotely possible the individual driving this car could be connected with this investigation, but could furnish no basis, other than the individual left the pizza parlor without waiting or paying for the pizza and appeared to be nervous and in a hurry.

It is noted that if the assailant of KING was in Memphis at 6:00 it would be hardly possible to drive to Springfield, Missouri, by 9:30 pm.

This office was telephonically contacted at 5:25 P.M. 4/11/68, by SA THOMAS RENAGHAN of the Atlanta Division who requested that the TWA ticket office, Baltimore Ave., Kansas City, Mo., telephone GR 1-4400, Ext. 6300, be contacted re TWA flights from Atlanta to St. Louis April 5 and 6, 1968, to ascertain if ERIC STARVO GALT, HARVEY LOWMEYER, JOHN WILLARD, JAY WALLACE VERNON, or JEROME WALLACE VERNON had purchased tickets. He advised that this number had been given by TWA officials in Atlanta as the number for the Passenger Sales Accounting Office of TWA.

Mr. RENAGHAN was advised that a curfew was going into effect for the entire Kansas City Metropolitan area and it was felt this information could probably not be obtained but an attempt would be made to get this information immediately.

After numerous attempts to contact someone at TWA, Mr. JOHN DORRIS, TWA supervisor, St. Louis, Mo., was contacted, and he advised that a Special Agent from Atlanta had contacted him regarding the checking of four names against passenger lists of TWA flights from Atlanta to St. Louis. He stated the information re who purchased the tickets would have to be obtained from the Passenger Sales Accounting Office in Kansas City, Mo.; however, all employees had already been dismissed in view of the impending all-night curfew in Kansas City's metropolitan area.
