KANSAS CITY HAS PREVIOUSLY INDICATED THE AVAILABILITY OF A LIVE INFORMANT WHO CAN BE USED IN A FIELD DIVISION OTHER THAN KANSAS CITY. IT IS SUGGESTED THAT KANSAS CITY AND ST. LOUIS CONSIDER THE ADVISABILITY AND MAKE APPROPRIATE RECOMMENDATIONS TO THE BUREAU REGARDING HAVING THIS INFORMANT MAKE CONTACT WITH THE SUBJECT'S BROTHER, JOHN LARRY RAY, WHO OPERATES A TAVERN AT ST. IT IS NOTED JOHN LARRY RAY VISITED THE SUBJECT IN PRISON ON APRIL TWENTY TWO, NINETEEN SIXTY SEVEN, THE DAY BEFORE THE SUBJECT'S ESCAPE, AND IT IS FELT JOHN LARRY RAY HAS NOT BEEN ENTIRELY COOPERATIVE.

Due to RHODES' apparent mental condition it was not possible to interview him thoroughly. It was noted that only ppints of physical resemblance with RAY appeared to be a small scar on the forehead and a rather long pointed nose.

RHODES fingerprints were compared with those of RAY set out in I.O. 4182, and no similiarities were noted. Partial classification by Chief GERALD PONTON, JCPD, was negative. RHODES' prints are being sent to the Identification Division by JCPD.

FBI File No. 44-38861

Lab. No. D-561775 JK

Specimens received 4/29/68

K211 Various documents comprising thirty-four pieces of paper bearing purported known handwriting and hand printing of JAMES EARL RAY, obtained from his file at Missouri State Penitentiary

Result of examination:

It was concluded that the questioned hand printing appearing on items attributed to Eric S. Galt was prepared by JAMES EARL RAY, K171 and K211.

Because of the presence of characteristics which cannot be explained on the basis of the known handwriting of JAMES EARL RAY, it cannot be definitely determined whether the "Harvey Lowmyer" signature on Q72 was prepared by this individual; however, significant handwriting similarities were noted.

Specimen K211 has been photographed and is temporarily retained.

ADMINISTRATIVE

On April 19, 1968, the Washington Field Office initiated a check of files of the Passport Office, United States Department of State, concerning JAMES EARL RAY, and nothing identifiable with RAY was located. A further check is underway at the Washington National Record Center at Suitland, Maryland, in retired passport files.

In order to cover the possibility that subject RAY may have recently been issued a passport and the record thereof had not been received in Washington, Mr. EDWARD STOKEN, Passport Office, sent a teletype message to all passport agencies. The Passport Office in Honolulu was checked telephonically with negative results. On April 19, 1968, Mr. ROBERT D. JOHNSON, Acting Director, Passport Office, telephonically advised SA KENNETH HASER that all passport agencies had teletyped Washington that their records are negative concerning RAY.

Mr. JOHNSON further advised that he had issued instructions whereby the Duty Officer of the Passport Office was alerted concerning RAY and instructions were made to all passport agencies to refer immediately to the nearest FBI office any information concerning RAY and his intended travel.

The period of this report precedes the last period date of the last report, as this report contains investigation which for reasons of brevity were not included in the last report.

Leads for other offices continue to be set out by more expeditious means than by report, and it would serve no purpose to list such leads in this report.

It should be noted that in the interviews with persons who were at Jim's Grill, 418 South Main Street, on the night of 4/4/68 at about the time of the murder, they report seeing a white Mustang parked almost in front of Jim's Grill. The owner of this Mustang has not been located and has not voluntarily come forth. It is not believed that this Mustang is pertinent to this investigation and should not be confused with the Mustang that was parked just south of Canipe Amusement Company, 424 South Main Street, in which car it is believed the subject fled from the scene. The crime scene diagram on page 4 of referenced Memphis report indicates the positions, or what is believed to be the approximate positions, of the two white Mustangs as mentioned above.

INFORMANTS

All offices have been requested to maintain contact in this matter with criminal, security, and racial informants.

The Memphis Office has maintained contact with informants, none of whom have been able to furnish any positive information regarding the subject or his whereabouts.

FEDERAL BUREAU OF INVESTIGATION

1Date April 25, 1968

Photographs of JAMES EARL RAY taken in 1955, 1960, and 1966, and of the bedspread recovered at Memphis on April 4, 1968, were shown to Mr. CHARLIE QUITMAN STEPHENS, Apartment 6B, 422½ South Main Street, Memphis, Tennessee. STEPHENS said the 1955 and 1960 photographs of RAY were not familiar to him, but he advised the 1966 profile photograph of RAY appearing in Wanted Flyer 442-A, April 19, 1968, and Identification Order 4182 dated April 20, 1968, looked like the man he saw in Apartment 5B on April 4, 1968, talking to Mrs. BESSIE BREWER. STEPHENS said he only saw the man's profile in the boarding house and as a result could only say the profile photograph of RAY in 1966 looked very much like the above mentioned man in Room 5B.

STEPHENS said he had never seen the bedspread or any similar bedspread either at the rooming house or anywhere else.

He advised none of the men in the photographs were familiar to him and that he would not be able to identify the man he saw running down the hall on April 4, 1968, in the late afternoon after hearing the noise which he thought was a shot, as the man was covering his face with his arm as he ran down the hall.

Photographs of JAMES EARL RAY taken 1955, 1960, and 1966, and of the bedspread recovered at Memphis, April 4, 1968, were shown to Mrs. BESSIE RUTH BREWER, Room No. 2, 422½ South Main Street, Memphis, Tennessee. She said she had looked at the bedspread on April 4, 1968, when it was displayed to her after being recovered by the Memphis Police. She said the bedspread did not come from her rooming house and in fact she had never seen one like it before in her life. Mrs. BREWER said none of the men in the photographs shown her were familiar to her. She further advised that she did not believe she would recognize the man using the name JOHN WILLARD if he were to "walk up and say hello to me right now." She said she did not look at the man called WILLARD "squarely in the face" and as a result, does not think she will be able to identify him.
