Re Chicago airtel to Newark dated 5/6/68.

On 5/9/68, PCI MARJORIE LOUISE ETTERS, 2420 Arnold Street, Camden, N.J., telephone number 609-364-4923, advised SA JOHN E. OTTO at about 3:00 p.m. on 5/8/68, JERRY RAY telephonically contacted her at her residence. He said he was calling from St. Louis, Missouri.

He stated he had telephonically contacted his employer at the Northbrook, Illinois, Country Club. His employer advised him to return to work on 5/9/68 or soon thereafter and arrangements would be made for him to begin residing in an apartment away from the club. He said his employer thought such a move could possibly avert the type of attention that was attracted to JERRY RAY by news media when they recently learned he is the subject's brother.

JERRY RAY asked PCI if it would be readily possible for him to obtain employment in the Camden, N.J., area if he decided to come there to live. He said he is strongly thinking of making such a move so he could be closer to PCI. PCI apprised him of various major industries in the South Jersey area and JERRY RAY appeared to her to be favorably impressed. JERRY RAY mentioned he had learned he would be able to receive about \$44 a week in unemployment benefits until he obtained a job should he terminate his present position at the Country Club in Illinois.

For the information of Chicago, JERRY RAY said in a letter he sent to PCI, which was postmarked on 4/29/68 at Wheeling, Illinois, he owns a 1960 DeSoto and a 1961 Plymouth. In a previous telephone conversation with PCI, he said he keeps the Plymouth at his father's farm in Centerville, Missouri.

On 5/8/68, PCI's telephone conversation with JERRY RAY was disconnected. About a half hour later, he called her at her residence again and they completed their conversation.

PCI further advised that JERRY RAY said he is going to send her \$25 enclosed in a letter or to be sent by a wire to reach her by 5/11/68. It is noted he sent PCI a \$25 money order enclosed in the described letter postmarked 4/29/68.

PCI said JERRY RAY told her he would telephonically contact her next on 5/11/68. He commented he would rather talk to her on the telephone than write her. He did not further explain this statement.

PCI again stated under no circumstances does she want her cooperation with the FBI in connection with this matter to ever become known outside of the FBI. She again also said it is a special concern to her that JERRY RAY never know of her assistance to the Bureau.

LEAD

Confidential source, whose reliability has not been established, advised that he was received in the Missouri State Penitentiary during September, 1965, and was immediately placed in quarantine for a thirty-day observation period which is required of all new prisoners and thereafter he was assigned to Cell 188, Tier #8, J Hall, and scheduled to work in the carpenter shop. In this connection, the source stated that there is only one inmate to a cell and that the Missouri State Penitentiary has five halls within the prison wall which house prisoners.

The source said that while in J. Hall, during November, 1965, he first became acquainted with JAMES EARL RAY, who was already assigned to J Hall and who worked daily in J Hall as a "Walk Boy." The source explained that the duties of JAMES EARL RAY as a "Walk Boy" were to take orders for cigarettes, gum, candy, etc., which could be purchased within the prison and to bring hot water for shaving and instant coffee to the inmates. The source added that JAMES EARL RAY was the only "Walk Boy" in J Hall and further that he was free to contact any inmate and could move throughout the hall freely. He pointed out that this was RAY's only duty in the hall and that he could remain inside during working hours, having no other assignments.

The source said that his first conversation with RAY took place when RAY observed him reading a Birmingham, Alabama "Post-Herald" newspaper which he had a subscription to while in prison. The source advised that RAY asked him on this occasion if he was from the State of Alabama to which he replied he was from Walker County, Alabama. RAY said to the source that he knew where Walker County, Alabama, was located and further that this was a dry county, serving no alcoholic beverages, which gave the source the impression that RAY knew what he was talking about, especially since he mentioned beer joints like the All State Tavern, another beer joint which source believed was Rose's Place and Riverview Cafe.

RAY said that he had visited or stayed in the Birmingham, Alabama, area in the past; however, RAY never mentioned any associates, acquaintances, friends, relatives or employments in the State of Alabama. The source advised that this conversation ended with RAY asking him if he could have his Birmingham, Alabama, "Post-Herald" newspaper when he finished reading them each day, which was agreeable to source. The source advised thereafter RAY would come by his cell each evening and pick up his newspaper which he would place between the cell bars.

The source said that RAY never discussed his family nor did he ever indicate from which part of the United States he came from, but the source believed that RAY was from the southern part of the United States only because RAY never indicated where he was from, coupled with his interest in a southern newspaper.

The source stated that he personally gave RAY his present home address and telephone number on one occasion, telling RAY to stop by his home sometime if and when he ever got released from prison and they would have a drink or two together. The source pointed out that RAY did not ask him for his address or telephone number and that he merely furnished this to RAY knowing that he was doing a 20 year prison sentence and more than likely he would never again see RAY after he left prison. He stated that when he gave RAY his address and telephone number, RAY replied "Don't be surprised if I call you up sometime" and thereafter placed this piece of paper in his pocket.

The source said that RAY was a very quiet individual, soft spoken, calm, clean, never laughed or enjoyed a good story, solemn face, and remained to himself most of the time. The source advised that he would often see RAY in the prison yard and on occasion attempted to strike up a conversation with RAY, but he never appeared interested so the source gave up trying to make conversation with RAY.

The source said that the only topic which would arouse RAY's interest was the subject of money. The source

stated that on one occasion during a conversation with RAY, RAY said "One of these days if I ever get out of here I am going to make myself a bunch of money." When source asked how he intended doing this, RAY replied he had contacts and there are more ways of making money than robbing banks. Source then asked RAY what his plan was, to which RAY replied "The Businessmen's Association has offered \$100,000.00 for killing MARTIN LUTHER KING and he's five years past due." The source stated he then asked RAY what the Businessmen's Association was, to which RAY replied "I don't know but I will find out." The source added that this was the first and last time RAY ever mentioned MARTIN LUTHER KING nor did he ever again mention the Businessmen's Association in his presence.

The source said that RAY told him that he always worked alone and therefore limited the possibility of being caught and said "I have got a place picked out where I can hide," never mentioning where the place was located.

The source stated there was a prison cigarette lottery going on almost daily in J Hall and that RAY was involved in this lottery, delivering wagering tickets as well as picking these up and would deliver the winnings to inmates each night. He said there were two separate lotteries in J Hall. One lottery was run by two inmates named JOHNNY VALENTI and another individual from St. Louis, Missouri, name unknown. The source described this individual as a white male, Italian, age 43 to 46, dark complexion with gunshot wound in face and nicknamed "Dago." The source said the other lottery in J Hall was run by an individual nicknamed "Boston," who was doing a 20 year sentence and described him as a white male, 45 years of age, very short and occupied either cell 23, 24 or 25 on the flag in J Hall, meaning the first floor.

The source said that he did not like VALENTI's wagering odds so he always placed his wagers with the individual nicknamed "Boston." The source stated that

4  
BH 44-1740

RAY would always handle the wagers since he could talk to any inmates in the cellblock and was reimbursed by JOHNNY VALENTI and "Boston" for this service. Source estimated that there were approximately two dozen lotteries being operated in the Missouri State Penitentiary, which consisted of five separate halls housing the prisoners.

The source advised that he never saw RAY run narcotics or handle contraband at any time and on one occasion RAY showed him his arms to prove that he had never been addicted to narcotics. The source added that he never observed RAY with any large sums of money.

The source advised that there was an organization being operated at the Missouri State Penitentiary by the inmates and this organization was called "Cooley's Organization." The source said that this was a protection and enforcer organization and that while en route to the Missouri State Penitentiary he first became aware that such an organization existed. The source advised that he was at one time lodged at the County Jail in Springfield, Missouri, for several months and became acquainted with a prisoner, (FNU) CRAIG, whom he described as a "four time loser." The source said that CRAIG has a brother who is a detective on the Springfield Police Department and that CRAIG had previously served time at Missouri State Penitentiary and was being returned to this penitentiary. The source said that when CRAIG learned that he also was en route to the Missouri State Penitentiary, CRAIG advised him to join the Cooley's Organization at the Missouri State Penitentiary since he would need to get along with other prisoners and be being a member of this organization, he would obtain "special favors." The source said that CRAIG informed him that the Cooley's Organization would settle any grievances he may have while at Missouri State Penitentiary against other prisoners and that this was a very powerful organization, having influence with guards and could even, for a price, arrange "a murder."

The source advised that after his release from quarantine, he again observed CRAIG, who was then working in the mess hall at the Missouri State Penitentiary. The source advised that he then approached CRAIG and told CRAIG that he desired to join the Cooley's Organization and at this time gave him a \$10.00 canteen book, pointing out that the membership fee to join the Cooley's Organization was \$10.00 and that this membership fee would make an inmate a paid up member as long as he was in prison. The source advised that CRAIG told him that he would obtain his membership for him and the same night JAMES EARL RAY came to his cell and gave him a card saying "Here is your card," and nothing else, and therefore he always felt that RAY was a member of the Cooley's Organization since he was so trusted. However, RAY never said to him that he was a member nor did he ever ask him.

The source said that his membership card was type written with his name on it and had the heading "Membership Cooley's Club." The source said that this membership card was like a credit card and it could get an inmate credit on purchases of candy and other sundries but could not be used for credit purposes on lotteries.

The source advised that he had two or three differences with prisoners over wagers while in J Hall and upon getting no satisfaction, he personally contacted CRAIG in the mess hall at which time he displayed to CRAIG his membership card and filed his grievance with CRAIG. The source stated that CRAIG informed him that he would handle this complaint; however, the fee for handling his grievance was 50% of what was due a prisoner. The source added that subsequently RAY appeared at his cell in J Hall with his share of the cigarettes collected from his grievance.

The source stated that CRAIG was later transferred from the mess hall to the Church Farm, which is located outside the prison wall at Missouri State Penitentiary. The source said that prior to CRAIG's departure, CRAIG

contacted him and instructed him who to see in the future to take complaints should he have any additional grievances. At this point, the source pointed out that most grievances would be placed either at the mess hall or the prison yard, noting that only during these periods of time all the inmates from different halls could talk with each other. The source added that he was unable to furnish any description of name of the individual he was instructed to contact in the mess hall after the departure of CRAIG since he had no further complaints and was subsequently transferred to the Renz Farm, which is also located outside the prison.

The source stated that the Cooley's Organization was operating when he arrived at the Missouri State Penitentiary and was still doing business when he departed and he felt that this operation had been started and maintained by old cons who are now trustees and who reside in A Hall, which is the trustees' barracks. He added that he personally feared the power of the Cooley's Organization as did other inmates and in his opinion, he personally felt they could render retaliation regarding him if they became aware that he gave information concerning their organization.

The source said that during the time RAY was assigned to J Hall, he had attempted an escape which was unsuccessful and thereafter he never saw RAY again since RAY was not returned to J Hall and he later went to Renz Farm. He said that while at Renz Farm he did hear that RAY successfully escaped from the Missouri State Penitentiary by hiding himself in a bread truck.

The source was asked if there ever circulated at Missouri State Penitentiary a rumor concerning the killing of three Negro inmates and if RAY's name was ever mentioned as a suspect or being involved in these killings. The source said that he did learn that when prison authorities first tried to integrate the prisoners, four white men with pillowcases over their heads waited

for five Negro prisoners to enter the shower room on one occasion and stabbed three of the Negroes to death, wounded a fourth and the fifth escaped. He said that at no time did he hear any rumor that RAY was involved in these killings.

The source said that the inmates located in J Hall at the time he was also lodged there and who could possibly furnish additional information concerning RAY were (FNU) SPRATT, cell 187, and GENE (LNU), cell 190, who escaped by overpowering a guard and taking his uniform; however, this individual was successfully apprehended and returned to Missouri State Penitentiary. Source advised that another inmate, name unknown, who occupied cell 190, was a lottery player. Another inmate, name unknown, nicknamed "Cowboy," was a hall tender in charge of convicts in J Hall.

This source was displayed numerous photographs of JAMES EARL RAY and advised that all photographs bear a close resemblance to RAY; however, he specifically identified the photograph of JAMES EARL RAY taken at the Missouri State Penitentiary during the time he was incarcerated. The source said that he would have no difficulty in identifying RAY should he ever see him again, even if he attempted to disguise his identity; giving as his reasons that RAY was definitely "slough-footed" and his toes pointed out noticeably when he walked causing his heels and soles to wear down on the outside edges. He has a prominent cleft on his chin, which is noticeable and remarked that RAY liked his booze and that he had the impression from talking with him that he was a heavy drinker. The source also added that in his opinion from his knowledge of RAY in prison that he thought RAY had a normal sex life.

The source advised that the only other person that he knew that RAY might have been closely associated when in prison was a full-blooded Indian prisoner who was the barber in J Hall but whose name he could not recall. The source stated that he definitely had not been contacted by RAY since he has been released from prison, which was May 3, 1967, and stated that he would notify the Birmingham FBI Office if RAY ever attempted to contact him in any way or manner in the future.

Re Kansas City airtel to Bureau 5/8/68 regarding the interview with **CECIL CLAYTON LILLIBRIDGE**.

Memphis desires that your interviews with **LILLIBRIDGE** develop all possible background information concerning the subject, with particular attention to any plans he might have had to leave this country to go either to Mexico or Canada, and any plans he might have had to leave either of these countries in order to migrate to still a third country. As you are aware, subject left the U. S. following his escape from the Missouri State Penitentiary, and for a time was known to be at Montreal, Canada. Investigation has discovered that subject corresponded with an individual at Washington, D. C., regarding the possibility of migrating to Rhodesia. Your interview should develop all possible information regarding any prison rumors regarding escape routes through Canada to Rhodesia or to other countries where extradition might be resisted.

You are requested to obtain any possible information regarding subject's smuggling activities while in Mexico and to determine whether or not **LILLIBRIDGE** thinks the subject was truthful or was merely engaging in conversation when discussing the possibility of smuggling.

In view of the fact that the subject is known to have had at least \$2,000 during late August 1967, you should fully explore any knowledge the subject might have had regarding narcotics smuggling or any plans he might have had for pulling an armed robbery of a place that might have on hand a considerable sum of money, such as a supermarket, loan company, payroll, etc.

You should keep in mind that we have no idea at present where this subject may be hiding and any information in the possession of LILLIBRIDGE, no matter how trivial, may be of extreme importance. Consequently you should not limit your investigation to those items listed above, but should fully explore LILLIBRIDGE's knowledge and memory concerning the subject.

# Memorandum

TO : FILE (44-760)

DATE: 5/13/68

FROM : SAC

SUBJECT: MURKIN

On Saturday evening, 5/11/68, at 9:00 p.m., a Bureau supervisor telephonically contacted the SAC at home and advised as follows:

CLOVIS ZIRNSTIEN, 871 West 5th Avenue, Emporia, Kansas, telephone DI 2-8587, telephonically contacted FBI headquarters to report an incident which occurred on 4/28/68. While traveling in his personal car on that date in the vicinity of Highway 71 and Carthage, Missouri, he picked up a hitchhiker by the name of BILL MAGEE. BILL MAGEE was described as age 47, 5 feet 9 inches, 175 pounds, curly hair. He claimed that a brother CHARLES MAGEE was a prominent Fort Scott, Kansas, resident and that his mother lived at Fort Scott. He also spoke of having worked as a construction laborer for Midwest Construction in Sultan, Kansas, and claimed to be an expert in karating. ZIRNSTIEN stated that MAGEE did not desire to be taken to his mother's residence, but insisted on being let out at the railroad tracks at Fort Scott. Although he does not resemble the photograph of JAMES EARL RAY, ZIRNSTIEN felt that possibly MAGEE should be eliminated in view of his strange behavior.

On 5/12/68 officer JESS WAGONER, Fort Scott Police Department, advised that WILLIAM RAY MAGEE, better known as BILL MAGEE, is a well known police character in Fort Scott. He has been arrested approximately ninety times for everything from vagrancy to resisting arrest. He is described as DOB [redacted] Deerfield, Missouri, 5 feet 9 inches, 180 pounds, brown hair, blue eyes, ruddy complexion, heavy build.

Officer WAGONER advised SA RADFORD that MAGEE has no resemblance to JAMES EARL RAY and is definitely not identical.

Re Telephone Number 913-989-4468

On May 7, 1968, it was ascertained that the above telephone number was the number of Mrs. FLOYD HONTZ, Route 1, Wathena, Kansas.

On May 7, 1968, Mrs. FLOYD HONTZ, Route 1, Wathena, Kansas, advised she resides at this address with her children, the oldest of whom is a senior in high school. She said she has had telephone number 989-4468 since May, 1967, and this is currently her number.

The following investigation was conducted by  
SA THOMAS H. WEAVER:

AT COLUMBIA, MISSOURI:

On May 3, 1968, Chief of Police PAUL CHEAVENS (NA), Columbia Police Department, was telephonically advised by SA WEAVER of the statement from a witness in St. Louis, Missouri, that one individual driving a 1964 Chevrolet bearing a license issued to RICHARD L. BREY, 1505 West Worley, Columbia, resembled the subject. Chief CHEAVENS said that he would cause investigation to be conducted to determine if the person driving the above-described car could be identical with subject.

On May 3, 1968, Chief CHEAVENS advised SA ROWEN B. AYERS that RICHARD L. BREY, 1505 West Worley, Apartment 2, taught school at Hickman High School in Columbia until about March 1968. He said that he thought BREY was fired, and indications were that he had gone to Mexico, Missouri. He stated it was thought that BREY was single and had come from around Springfield, Missouri, and apparently not much was known about him among teachers at the high school, but there was no indication of any remote possibility that he would be identical with JAMES EARL RAY.
