SUBJECT: MURKIN

RE: ERIC STARVO GALT

Information has been received that GALT reportedly signed up for a one year dancing course in New Orleans in 1964, took dancing lessons for several weeks in Birmingham beginning in September, 1967, and took a \$429 dancing course from December, 1967 to February, 1968 at Long Beach, Calif.

ERIC STARVO GALT is described as 5'11"; 175 pounds; blue eyes; brown hair; born [redacted], place not given.

One dance instructor has stated that GALT is "crazy" about dancing but a poor dancer and difficult to teach because he does not remember instructions. He was described as an introvert who volunteers no information and replies with yes or no answers when asked; did not mingle with other students and made no efforts to make friends or converse with anyone.

Another dance instructor stated GALT is a good dancer, displayed slight southern accent, rural characteristics of language and diction, teeth straight and clean, fingernails clean and neatly trimmed; wore gold ring with dark stone; always neatly dressed with suit and shiny slip-on type black alligator shoes with thin soles, black hose and wore tie tack and cuff links. He smoked filter cigarettes and had nervous habit of occasionally pulling at ear lobe. Owner of studio states GALT spoke of Alabama, said he was a merchant seaman; spoke of being in Mexico but did not speak Spanish and spoke English badly; was socially inept, an introvert and a poor dancer because he would not loosen up. He smiled rarely and when he did it was a nervous crooked smile. He paid cash for lessons taking a wad of bills from his pocket.

In an effort to assist in handling administratively the reams of material being submitted to Memphis Division as office of origin, it is requested all offices in submission of messages use caption which will aid in handling paper. For example, should your office have investigation to report in connection with a specific suspect it would aid if, before entering into the body of text, you would utilize sub-heading after reference, such as "SUSPECT - JOHN ALLEN DOE," or another appropriate caption might be "LAUNDRY CHECKS."

Suitable sub-headings on communications will greatly facilitate the handling of material. Please comply.

OO Memphis.

At approximately 3:50 AM today a collect telephone call was received from an individual giving name as LEONARD CURTIS THURMAN who advised the following information.

THURMAN stated formerly resided at 1258 Green St., Augusta, Ga. with two individuals named TONY HARRISON and JOHN DILLON. HARRISON and DILLON had told THURMAN that they "would not put up with the kind of stuff that KING was doing in Tennessee." He said that HARRISON and DILLON had pistol, type unknown, in apt. and that when he returned to the apt. Friday evening, March 29 last, TONY HARRISON had left. HARRISON had previously run DILLON off from the apt. as he was always drunk. HARRISON believed to have been born in Memphis.

THURMAN states HARRISON described as kinky dark brown hair, 5'10", dark complexion. Stated that he fitted desc. of KING's killer. He could give no other reasons for suspecting HARRISON of KING's murder other than his description and his statements re KING.

THURMAN advised that he is employed at HARRIES restaurant, 1182 West Peachtree St., Atlanta Ga. He said was generally in a travel status and that the person who would always know his location was his sister, Mrs. R.C. LONG, 706 East Brookwood Drive, Valdosta, Ga. telephone Cherry 2-3823.

THURMAN stated in Chattanooga for "AA" meeting, would be at meeting until 10:00 AM April 6, instant, then return to Georgia. He was calling from the Bus terminal in Chattanooga, telephone no. 266-9504.
