FEDERAL BUREAU OF INVESTIGATION

Date April 16, 19681

At approximately 4:04 p.m., April 11, 1968, a white Ford Mustang, two door, subsequently determined to be a 1966 model was observed in the following location. This vehicle was located in parking area number nine of Capitol Homes, a public housing project in the City of Atlanta, Georgia. Parking area number nine is entered west off of Connally Street between Memorial Drive and Woodward Avenue. Above vehicle was backed into a position about six parking squares on the left from the front entrance of the parking area.

FEDERAL BUREAU OF INVESTIGATION

Date April 16, 1968

Detective R. L. DAVIS, Auto Theft Squad, Atlanta, Georgia Police Department, advised that he and Detective P. S. MC CRAVY, also assigned to the Atlanta Police Department Auto Theft Squad, were in a radio car on April 11, 1968, and at approximately 2:00 p.m., on that date received a radio message to proceed to Connally Street and Memorial Drive to meet a person. They proceeded to this intersection and on arriving there met KENNETH JONES and IKE POWELL who indicated to them they were ministers in a local church. Mr. JONES informed them that a female member of their church by the name of LORENE, last name unrecalled, had told them that a white Mustang automobile bearing an Alabama license was parked in a parking area of Capitol Homes and in view of the recent publicity concerning the killing of MARTIN LUTHER KING, she suspected that this vehicle might have some connection with this matter. This car reportedly had been parked in the same location since the previous Friday and was not known to belong to anyone living in the Capitol Homes public housing project.

Detective DAVIS said he and Detective MC CRAVY proceeded to the parking area of the Capitol Homes which had an entrance off of Connally Street just south of Memorial Drive. In this parking area, they located a 1966 Ford Mustang which was backed into a parking space on the left side of the parking area. He said they noted that this car was a two door model, white in color, and bore 1968 Alabama license 1-33993. Further, they observed a 1967 Alabama license 1A-33354 lying on the deck above the rear seat of this car. They noted that this car was locked and in order to further determine ownership of same, they unlocked the left front door and from the serial plate on this vehicle determined that it bore Vehicle Identification Number 6T07C190647. Detective DAVIS advised that while obtaining this identification number, he observed a small metal key lying on the floorboard of the car between the two front seats. Detective DAVIS said he took custody of this key and marked same with

his initials and also dated same. He stated that it was about one and three quarters inches long and was made out of thin, flat metal of a silver color. He stated he did not observe any numbers or markings on the key when he located same.

Detective DAVIS said that in order to determine ownership of this car, he sent the information concerning the license plates and the Vehicle Identification Number to the National Crime Information Center but subsequently determined that one digit was either deleted or incorrectly sent in this message. He said that he also had a message sent to the State Police in Montgomery, Alabama, concerning the license plates described above and the Vehicle Identification Number to which message a reply was received indicating that the Alabama State Police had received a reply from the National Crime Information Center concerning this vehicle relating to one ERIC STARVO GALT but no stolen information was received.

Mrs. MARY L. BRIDGES, Apartment 550, Capitol Homes, located off Memorial Drive, recalled that at about 8:30 AM on Friday, April 5, 1968, she had just gotten her children off to school and was alone in her home. She stated she remembered looking out of the window and observing a white automobile pull up in the parking lot directly across from the door to her apartment. She stated that at that time the parking lot was almost deserted, having very few cars in it, and she thought that the person driving the automobile was one of many people who utilize the parking area at Capitol Homes as a parking lot on their way to work.

Mrs. BRIDGES stated that the car pulled up and parked just to the left of her door and that it was backed into the parking spot. She recalled noticing that the car had an out-of-state license plate and upon further inspection stated it was an Alabama plate. She stated that she observed the lone male occupant of the automobile get out of the car and begin to walk across the parking lot in a direction away from her apartment and toward Memorial Drive. She stated that when he reached the other side of the parking lot, he approached Memorial Drive by the left hand lane between two of the apartment buildings directly to the front of her apartment. She stated that this man continued to walk toward Memorial Drive but because her apartment is slightly to the right of the two above apartment buildings, she lost sight of him prior to his arrival at Memorial Drive and therefore was unaware of what direction he took upon arriving at Memorial Drive and was also uncertain as to whether he had entered an apartment further down the street beyond her view.

Mrs. BRIDGES stated that this individual was alone and that she did not observe him locking his automobile. She described the unknown male as being about 30-35 years of age, 5'10" to 6', 165 pounds, medium build, wearing a navy blue suit

and a white shirt. She stated that he was dark headed but was unable to furnish any further descriptive data re the above individual because she stated that her observation of him was from a rear view and that she never saw this man's face.

She was certain, however, that he was wearing a navy blue suit and appeared to be well-dressed, but she could not recall if he was wearing a tie and could furnish no other information concerning any peculiarities about this individual as regards his gait or attire.

Mrs. BRIDGES advised that the white automobile which he drove into the parking lot remained in her parking lot until April 11, 1968, when it was towed away. She stated that to the best of her knowledge no one had access to that automobile until that time. She also stated that when this unknown male left the parking lot, she thought that he may have been an insurance salesman but was certain that he had no luggage, was carrying nothing in his hand, was bare headed, and without glasses. She could offer no further information in this matter.

FEDERAL BUREAU OF INVESTIGATION

Date April 18, 19681

Mrs. MARY L. BRIDGES, 170 Woodward Avenue, Apartment 550, was exhibited seven photographs including two of ERIC STARVO GALT. Mrs. BRIDGES could not identify any of the photographs. She explained that, in regard to the man who had parked the 1966 Mustang near her apartment, she had never seen his face. She advised she had only seen the back of his head, and she did not believe she could identify him.

Mrs. LUCY CAYTON, Apartment 490, Capitol Homes Apartment Building, Memorial Drive, advised that she had gotten her children off to school at about 8:15 AM on April 5, 1968, and her husband normally leaves for work at about 8:00. She stated that it is her normal routine to begin cleaning her apartment, and she stated that she had cleaned almost the entire apartment, including the upstairs bedrooms, and while she was sweeping her front stoop, she noticed a white male about 5'8" - 5'9", approaching her apartment from the parking lot which is to the left of her front door. She advised that her front door faces from the opposite direction from the parking lot as does Mrs. PAYNE and Mrs. BRIDGES.

Mrs. CAYTON stated that she did not observe this white male exit from the white Mustang located in the parking lot, but saw him as he approached the Memorial Drive side of the parking lot and he began to walk toward her apartment which is to the left of the end of the parking lot. She stated that this man then came to the back yard area of the two apartment buildings immediately to her left and after stopping at the beginning of the lane to the back yards as if he was attempting to gain his bearings, he then proceeded toward Memorial Drive through the back yard area at which time she lost sight of him. She was unable to determine as to where he journeyed or if he entered an apartment. She stated her first impression was that he was a salesman or an insurance agent looking for an apartment.

It should be noted that the buildings referred to by Mrs. CAYTON are not the same buildings referred to by Mrs. BRIDGES or Mrs. PAYNE in that PAYNE and BRIDGES state that the white male journeyed up the left lane of the front of the apartment building referred to by Mrs. CAYTON whereas she states that the white male proceeded toward Memorial Drive through the back yard lane.

Mrs. CAYTON stated that this occurred somewhere between 8:15 and approximately 9:30 and she was unable to state a definite time for this incident.

Mrs. CAYTON described the individual she observed leaving the parking lot as being in his late 20s or early 30s, about 5'8"-9", black wavy hair, white male, wearing dark blue suit, white shirt, and a conservative type tie, color and description unrecalled. She stated that she observed this individual to be carrying a small notebook with a piece of paper hanging out of the edges of the notebook resembling an insurance salesman's policy. She stated that he had no glasses and was not wearing a hat. She could offer no further information in this matter.

Mrs. EARNEST PAYNE, a resident of Apartment 551, 166 Woodward Avenue, S.E., advised that at about 8:30 or 9:00 a.m., the morning of April 5, 1968, she observed a white automobile drive into the parking area which is located adjacent to her apartment. She said that her particular attention was brought to this automobile as she noted that it had an Alabama license plate on it. She made a remark concerning this to her husband.

She continued to watch the automobile and the driver seemed to be familiar with the surrounding territory in that he made no hesitency in the parking of the automobile. When he got out of the car he proceeded north on the walkway between the two apartment buildings located near the parking area toward Memorial Drive. She does not know in which direction this individual might have gone when he reached Memorial Drive as she is unable to see this particular street from her apartment.

She described this individual as a white male, approximately 25 - 30 years of age, who was wearing a sport coat with dark colored trousers with sandy hair, weighing approximately 160 pounds, and possibly 5' 10" in height. She further described him as a nice, clean looking individual with sandy hair, dressed as though he were a businessman and carrying a small pad of some type in his hand. She estimated this pad to be approximately five inches wide and possibly ten to twelve inches in length. He impressed her as being a type of insurance man and after he got out of the automobile, he locked it and proceeded up the path as previously noted.

She does not recall every having seen this individual in the area before, neither does she recall having seen an automobile such as the one that was parked near her apartment bearing an Alabama plate being parked in this area before. She could furnish no further information concerning the automobile nor the individual that got out of it.

Mr. THAD PERDUE, LeMaster Retread Equipment

tire is design WT/771-X, wide track and retread manufactured

the number 601 appears on the recap portion of the tire and
stated the manufacturer should be able to identify the

He suggested that the tread on the two rear tires

leads him to believe tires possibly had been in California and cracking due to Ozone in atmosphere, as this is a common condition in that area. PERDUE is acquainted with tire recap business in Southeastern states and stated both treads are foreign to this area of the United States, which is further substantiated by other investigation in the Atlanta area. Wear on each tire is difficult to estimate inasmuch as original tread unknown, but estimated to exceed five thousand miles on each tire.

Miss ROBBIE LEE GARNER, Apartment D-8, 1295 Donnelly Avenue, S. W., furnished the following information:

She is the only sister of JIMMIE D. GARNER who operates rooming houses at 107 and 113 - 14th Street. She has a key to GARNER's room at 107 S 14th Street and visits him occasionally. On Saturday, April 13, 1968, she visited his room about Noon. GARNER was not in his room and she stayed for only a brief time. In looking about the room she observed the name "GALT" written in dark blue ink on a piece of paper, size about 2" x 4". The paper was either white or light blue in color. She was not positive if the paper was a separate slip or the back of an envelope. She believes it was located on a table near the phone.

She had heard of the name GALT in connection with the murder of MARTIN LUTHER KING, JR.

About 8:00 P.M., April 13, 1968, she again visited her brother. He was in bed and appeared to be very drowsy and tired. She did not enter the room but merely opened the door and attempted to converse with him. She mentioned that she had seen the name "GALT" written on a paper in his room, but this did not cause any particular reaction, as GARNER seemed to be about half asleep. He did say something about the name GALT being a common name.

She said her brother does not keep up on current affairs and may not have even been aware of the news about GALT. She said that in addition to running the rooming houses, he also runs GARNER's cafeteria on Northside Drive. She stated he gets up about 4:00 A.M. and works about a 16-hour day. She advised that GARNER attended Mississippi Southern and was an Army officer during World War II. She stated her brother is in very poor financial condition. She stated she never heard of her brother belonging to any kind of organizations or clubs and she does not believe he has any political interests or motivations. She said she was certain that GARNER would not assist nor shield anyone involved in any criminal activity.

Miss GARNER advised she is a teacher at Sandtown School on Campbellton Road.

Mrs. ESTELLE PETERS, Manager, Piedmont Laundry, Pick-Up Station, 1168 Peachtree, Northeast, home residence 1033 Milam Terrace Apartments, Clarkston, Georgia, home telephone number 433-4024, business telephone number 892-1467, advised that on April 1, 1968 shortly before 10 a.m. a white male came into the laundry and placed four undershirts, three underdrawers, one pair of socks, one wash cloth, as well as dry cleaning consisting of one pair of trousers, one coat and one tie and gave her the name ERIC GALT. She stated that she asked him if he spelled ERIC as ERIC and he replied yes and proceeded to spell his last name as GALT.

Mrs. PETERS described the dry cleaning and the coat as being a black checked coat with small check blocks and being an ordinary man's suit coat. She said it was not a sport coat or blazer, but an ordinary suit coat.

She described the trousers as a gray on the darker side and the tie as being black with tan and brown diagonal stripes.

She stated that GALT told her that he did not want any starch in his laundry and wanted the laundry folded.

An artist's sketch of GALT was exhibited to Mrs. PETERS and she advised that she could not say whether or not the sketch resembled GALT. She said she would not be in a position to state whether she could identify GALT if she were to see him again.

Mrs. PETERS continued that she recalled GALT as being in his thirties and slightly taller than Special Agent KANE, who is six feet in height and approximately the same weight as Special Agents KANE and ROSE whose weights are approximately 185 pounds.

GALT was clean shaven, neat with ordinary complexion. She failed to notice any particular regional accent and did not notice any peculiar marks or clothing characteristics. She did not recall his attire at the time the laundry and dry cleaning was placed April 1, 1968.

Mrs. PETERS advised from her ledger maintained by her in the usual course of business, the laundry and dry cleaning of GALT was picked up between 9 and 10 a.m. possibly closer to 9 a.m., on April 5, 1968 by the same individual who placed the laundry on April 1, 1968. She did recall that he was one of the earlier customers in the day and was of the opinion that he picked the laundry up earlier than he deposited the cleaning and laundry. To the best of her recollection, GALT entered the laundry and stated that he was there to pick up the laundry and cleaning of ERIC GALT.

At the time he obtained the completed laundry and dry cleaning, he was abrupt and short in his manner of speech giving her the impression that he was in a hurry or had a car parked in an area where he should not have parked. He appeared impatient while waiting for her to locate his laundry and cleaning. GALT paid for the laundry and cleaning in cash and she was of the opinion that he walked North on Peachtree Street toward Fourteenth Street after leaving the Laundry. She was unable to furnish his mode of dress on April 5, 1968 other than to stated that he did appear to be well shaven and neatly attired. Mrs. PETERS explained that the only area visible to her on Peachtree Street has prohibited parking and that his car, if he had one, would not have been parked immediately in front of the Laundry. Both times GALT was observed he appeared to be alone and she did not associate any other person with GALT. She did not obtain the impression that GALT was depositing cleaning and laundry for anyone other than himself although she did not assign or mark the laundry. She did assign the dry cleaning

items and was of the opinion that they would have been his clothing.

Mrs. PETERS produced a laundry slip from her transactions of April 5, 1968 indicating that ERIC GALT on April 1, 1968 deposited nine items of laundry described as three drawers, four undershirts, one pair of socks and one wash cloth. The notation appeared on the laundry slip "No Starch and Folded", indicating that the laundry would have been placed in a small rectangular stapled package. The laundry mark EGC83 would have been affixed in indelible black pencil in all the laundry items at the main plant of the Piedmont Laundry prior to laundering. She explained that the EG would indicate the customer as ERIC GALT and the C83 is the designation for her pick-up station. In addition, the laundry slip indicates the marker as A Lot 10 which she explained as being the laundry designation and the lot number. A 19-30 appears on the laundry slip and she explained this as meaning the ledger and entry number utilized by her in her bookkeeping system. The total amount of the laundry was \$1.16.

In addition, she furnished a green dry cleaning slip dated April 1, 1968 bearing the name ERIC GALT which has the dry cleaning tag 8 over 755 stapled to the slip. She explained that this tag 8 over 755 would have been placed in each dry cleaning item by staples and this is the laundry's designation to identify the dry cleaning. The dry cleaning slip reflects one coat, black check; one pair of trousers, gray and one tie, black with tan and brown stripes were deposited on April and claimed on April 5, 1968 by GALT at a total cost of \$1.55.

Mrs. PETERS furnished the above described laundry and dry cleaning slips indicating they were prepared by her April 1, 1968.

Mrs. PETERS explained that no laundry slips are issued to the customer by the laundry and the laundry and the customer would not have been issued a slip to claim his laundry

and dry cleaning as all of these items are handled by the laundry personnel only.

Mrs. PETERS recalled that GALT made no other remarks or any conversation giving her any other impression. She had no recollection of any prior transactions with GALT.

Mrs. ESTELLE PETERS, Manager, Piedmont Laundry, Pick-Up Station, 1163 Peachtree, Northeast, Atlanta, furnished the following information:

Upon viewing photographs of ERIC STARVO GALT, one photograph with the eyes open and the other furnished with eyes closed, stated that she could not positively identify him by these photographs. She noted that when GALT came into the laundry that his eyes were open and she did state that the photograph with the eyes open looked a good deal more like him than the artist's conception previously exhibited to her.

She further advised that she felt she could tell more concerning an identification of GALT by hearing him talk. She pointed out that the hair in the photograph looks very much like GALT's hair but she could not say that the photograph of GALT is the man who came into her laundry April 1 and April 5, 1968.

Mrs. PETERS advised that she would have to see him in person and hear him speak before she could honestly make a positive identification.

FEDERAL BUREAU OF INVESTIGATION

1

Date 4/14/68

JIMMIE DELTON GARNER, 107 - 14th Street, N.E., Atlanta, Georgia, was contacted at 10:37 P.M., April 14, 1968, at which time he furnished the following information:

GARNER made available a record book maintained by him concerning persons who rent rooms at both 107 and 113 - 14th Street, N.E., rooming houses operated by him on a lease basis. A review of this record book failed to disclose any registration in the name GALT. It should be noted this book contains only a record of roomers for the period beginning January 1, 1968.

Upon being questioned concerning individuals renting at these addresses who might have checked out prior to the completion of the period for which they had paid, or others who for any reason might not be recorded in this record book, GARNER named, among others, an individual named (First Name Unknown) GALT. On being questioned concerning GALT, he said this individual was first seen by him on the afternoon of April 5, 1968, between the hours of 5:00 and 6:00 P.M. He explained that another roomer, FRED C. JONES, who occupies room #1 at 113 - 14th Street, N.E., had been sitting in front of this building and was approached by GALT, who inquired concerning the availability of a room. GARNER joined the pair and GALT indicated to GARNER he was interested in obtaining a single, quiet room. Having no such room available, GARNER told GALT he would put him in Room #3, at 107 - 14th Street, which room was a double room and that he would be moved to a single room as soon as one became available. GARNER said he noted GALT was driving a black car, probably a Ford, bearing an out-of-state license plate (state of registration not recalled), and that the car was possibly a 1962 or 1963 model.

GALT accepted this arrangement and paid GARNER while outside the dwelling and he believes he received a \$10 bill and a \$1 bill in payment. The cost of the room was \$10.50 per week and a \$.50 key deposit. During the conversation, GALT indicated he was a welder and originally came from "The Carolinas." He explained that he had a tag for a different state on the Ford because he had been working in another state.

2.

At this point GARNER indicated that possibly the tag on the Ford was a Tennessee tag, but he was not at all certain of this.

GARNER described GALT as being a white male, 32 - 35 years of age, 5' 11", 190 pounds, dark brown or black hair worn in a brush cut, blue eyes, medium "outdoor" complexion and having a southern accent. He noted no distinguishing features or characteristics and had no recollection of any ring or other jewelry. His dress was casual, specifically described as a shirt and slacks.

GALT moved into Room #5 at 107 - 14th Street, N.E., where he remained until Sunday, April 7, 1968. On this day GALT was moved to Room #6 at 113 - 14th Street, N.E. On this occasion, GARNER observed GALT move his possessions and noted that he had no luggage and all of his possessions were either moved in a paper bag or box.

On April 7, 1968, HAROLD G. ANDERSON, an employee of the Albert Pick Motel, 14th and Spring Streets, N.E., Atlanta, was brought to the rooming house by FRED C. JONES, who is also employed by this hotel. GARNER assigned ANDERSON Room #2 at 113 - 14th Street, N.E., and noted that the individual he believed to be GALT and ANDERSON became friendly.

On April 9, 1968, at approximately 9:00 P.M., GALT and ANDERSON came to GARNER's room at 107 - 14th Street, N.E., at which time GALT advised GARNER that both he and ANDERSON were checking out. He said both men appeared to have been drinking. During the conversation, GALT advised he had received a telephone call from a friend in Michigan and had learned that welders were receiving a higher hourly wage there. For this reason, he had decided to go to Michigan to seek work. ANDERSON, who was a motel employee, indicated he was going to Michigan with GALT and hoped to obtain employment as a welder's helper. GARNER recalled he refunded approximately \$17 to ANDERSON, who had paid two weeks in advance on registering on April 7. GALT did not ask for a refund, although he was paid through April 11, but did receive the return of his \$150 deposit for the key.

48

Thereafter, GARNER accompanied GALT and ANDERSON to ANDERSON's room where he secured the room keys from both GALT and ANDERSON. At this time he noted several beer bottles in the room and presumed GALT and ANDERSON had been drinking together. GARNER did not actually observe the departure of GALT and ANDERSON, but noted both were gone on the morning of April 10, 1968, as was the previously-described black Ford auto.

GARNER made available the registration for HAROLD G. ANDERSON. This registration does not reflect an address for ANDERSON, but indicates that his father is G. F. ANDERSON, Duluth, Georgia, telephone number 448-4672. GARNER explained that he always attempts to obtain the name and address for a next of kin for his roomers.

GARNER provided the following physical description of HAROLD G. ANDERSON:

Race	White
Sex	Male
Age	40
Height	5' 9"
Weight	155 - 160 pounds
Hair	Light brown, parted on side
Complexion	Medium
Eyes	Unknown
Distinguishing Characteristics	None noted
Dress	Casual, shirt and slacks

GARNER identified other tenants who resided at 113 - 14th Street, N.E., during the same period that GALT was a roomer there.

GARNER said he was unable to recall GALT's first name, but advised he had observed mail on the hall table of the rooming house at 113 - 14th Street, N.E., which mail was

AT 44-2386

addressed to GALT. At this point, GARNER accompanied the interviewing Agents to 113 - 14th Street, N.E., where it was observed that there were two letters and a package on the hall table addressed to ERIC S. or E. GALT. The package was postmarked 4/1/68, and the letters were postmarked 4/9 and 4/19/68. GARNER advised his sister, ROBBIE LEE GARNER, a school teacher who resides in the Dixieland Apartments, 1295 Donnelly Avenue, S.W., Atlanta, had visited him on either Friday or Saturday night, April 12 or 13, 1968. At this time his sister had thumbed through the mail on the table at the 113 - 14th Street address and upon noticing the mail addressed to ERIC GALT, she commented to GARNER that this was the same name as the individual who, according to newspaper publicity, was a suspect in the murder of Dr. MARTIN LUTHER KING, JR. GARNER stated that he did not feel there was any likelihood that the GALT who had stayed at 113 - 14th Street, N.E., was identical with this suspect, stating many people have the same name.

GARNER stated that he had neither seen nor heard of GALT prior to April 5, 1968, and that during GALT's stay at his rooming house he saw nothing to indicate that GALT had any connection with any other tenant at this address prior to his arrival there. GARNER was asked whether he had any explanation for the fact that GALT had mail postmarked 4/1/68 addressed to him at 113 - 14th Street, N.E., and according to GARNER, GALT did not arrive at this location until April 5, 1968. GALT said he was unable to explain this, and had no idea how this could occur.

GARNER was also questioned concerning the possibility that GALT or any other roomers had left material with him in storage or for safekeeping. He assured that this was not so. He did report that Rooms #4 and #5 at 113 - 14th Street, N.E., both of which it was noted were fastened with hasps and padlocks, were storage rooms. He stated they contained only linens and possibly a few items of no value left behind by roomers.

50

AT 44-2386

5

With regard to Room #5 at 107 - 14th Street, N.E., GARNER said that this room had not been occupied by anyone since GALT was transferred from this room on April 7, 1968. He noted, however, that the maid, PERRY LEE ZACHRY or her helper, identity unknown, would have changed the sheets in Room #5 after GALT was moved.

With regard to Room #6 at 113 - 14th Street, N.E., this room remained vacant until April 13, 1968, when it was rented to DAVID O'DONNELL, 12 Andover Drive, Syossett, New York. He described O'DONNELL as a very young man who is also employed at the Albert Pick Motel and who was brought to the rooming house by FRED C. JONES. He said he does not believe this room was made up prior to its being rented to O'DONNELL, but advised he had given O'DONNELL clean sheets so that he could change the linens himself.

GARNER said he did not know of any association between GALT and other roomers at either of the rooming houses except the association with HAROLD G. ANDERSON, as previously described.

In explanation for the failure of the name "GALT" to appear on the rooming house records, GARNER said that he can only explain this by saying he received payment for the room while away from the place where he maintains his records and had inadvertently failed to record the name when he returned to his room.

The interview of GARNER concluded at 1:38 AM, April 15, 1968.

FEDERAL BUREAU OF INVESTIGATION

Date 4/16/68

During the interview of JIMMIE DELTON GARNER, he asked the question, "How are you coming on the King murder?" He was then asked by interviewing Agent if he had heard or read much concerning this and he stated he had read quite a bit in the newspapers and seen a lot on television. GARNER then indicated that he knew this was why we were asking about GALT.

At 2:30 a.m. JIMMIE DELTON GARNER telephonically contacted the Atlanta Office of the Federal Bureau of Investigation at which time he provided the following information:

Since providing the information concerning ERIC GALT during a personal interview by agents, he has rechecked his records and now believes that the individual whom he knew as GALT actually was registered at the rooming house under the name of WILLIAM LEE, Route 1, Gastonia, North Carolina. GARNER said his records do not reflect the room number to which LEE was assigned but noted that the records do show LEE arrived April 5, 1968, and paid through April 12, 1968. When renting the room, LEE supplied the name Miss BETTY REYERMAN, 1952 Waltz Street, Warren, Michigan, as the individual to be notified in case of emergency. GARNER said all information provided during the prior interview was accurate except that he now feels certain that WILLIAM LEE's registration pertains to ERIC GALT.

GARNER was questioned as to how he determined this man's name to be GALT when the registration was in the name of LEE. GARNER was unable to satisfactorily explain this except to say that he feels that he concluded that LEE was GALT when GARNER's sister called his attention to the mail at the rooming house which was directed to ERIC GALT.
