CIVIL RIGHTS (OO: ME)

Re Albany airtels 4/10/68 and 4/11/68, setting forth concerns who purchased Thermo-Seal marking machines, and Bureau teletype to Memphis, 4/12/68.

The FBI Laboratory advised that pillowcase and bed sheet were found in trunk of 1966 white Mustang registered to ERIC STARVO GALT, which was located at Atlanta 4/11/68. These items contain Thermo-Seal laundry tapes of approximately same size as tapes on items previously recovered, but are yellow in color and contain code, "20R-3." In opinion of Textile Marking Machine Company, Syracuse, New York, the tapes were produced by a different machine than previous tapes since the first three characters are 15 point type and the last two characters are 18 point type.

The Textile Marking Machine Company suggests the twenty in above code would be the lot number, the R may mean that this was a return of a batch of laundry, and the three is the bundle number.

At about 6 p.m. on 4/4/68, while standing on the second floor balcony outside Room 306 of the Lorraine Motel, 406 Mulberry Street, Memphis, Tonnessee, Dr. Martin Lutter King, JR. was struck in the right side of the face by a single bullet fired from a 30-06 rifle. The bullet severed King's spinal cord and death was almost instantaneous. This investigation, predicated upon a specific request from the Attorney General of the United States, disclosed that the fatal shot had been fired from the bathroom of a cheap rooming house located at 422 South Main Street, Memphis, which bathroom was located at the rear of the rooming house, and had a window overlooking the Lorraine Motel. At about 3 p.m. on 4/4/68, an individual using the name JOHN WILLARD had rented Room 5-B in the rooming house at 422? South Main Street and had paid one week's rent. After hearing the rifle shot at about 6 p.m. on that same day, other tenants in the rooming house observed a man presumably identical with WILLARD, fleeing from the rooming house carrying a large package which was subsequently abandoned by him on the sidewalk in front of the Canipe Amusement Co., 424 South Main Street, Memphis. A neighborhood investigation in the wichnity of 424 South Main Street disclosed that the subject had flad from the scene in a white Mustang. sold to one HARVEY LOWMEYER on 3/30/68 by Aeromarine Supply Co., Birmingham. Alabama.

Investigation at Memphis disclosed that an individual had purchased a set of binoculars at the York Arms Company in Memphis on 4/4/68. These binoculars were among the material abandoned with the rifle and recovered in Memphis. Also recovered was a brown and green herringbone bedspread. The items abandoned in Memphis were all wrapped in this bedspread. The blue bag which was inside the bedspread contained numerous items, among which were the binoculars and a set of underwear consisting of a T-shirt and shorts. The T-shirt and shorts are those on which appears the laundry mark which has been a matter of interest in this case.

A search of motel records in the Memphis area disclosed that an individual using the name ERIC S. GALT had spent the night of 4/3/68 at the Rebel Motel, Memphis, Tennessee, and was driving a 1966 white Mustang bearing Alabama License 1-38993.

Investigation at Birmngham disclosed that this automobile had been purchased by ERIC S. GALT on August 30, 1968, from a private person in response to a newspaper ad. He paid a total of \$1995 cash. While in Birmingham he furnished the address of 2608 South Highland Avenue, Birmingham. This is also the address which appeared on a driver's license issued to him by the State of Alabama. The driver's license identifying data listed his birth date as his height as 5'll", his weight as 170 and his eyes blue and hair brown.

The automobile in question, the white Mustang bearing the Alabama tags mentioned above, was recovered in Atlanta on 4/11/68 and determined to have been abandoned there prior to 9 a.m. on 4/5/68.

In connection with the evidence submitted by Atlanta, Birmingham, and Memphis, identifiable latent prints were recovered. It was on the basis of these latents that identification was made of JAMES EARL RAY. In handling future leads, all offices should be particularly interested in securing an identifying number, military, police, or FBI, in connection with suspects so that the necessary check can be made through the Identification Division.

On 4/17/68, AUSA R. MACEY TAYLOR, Birmingham, authorized the filing of a complaint charging ERIC STARVO GALT with a conspiracy to violate Section 241, Title 18, U. S. Code, and

ME 44-1987

recommended bond in the amount \$50,000. On that same date, SAC JOSEPH B. GAMBLE filed a complaint before USC MILDRED F. SPRAGUE, Birmingham, and warrant was issued that same date.

For further information re JAMES EARL RAY, all offices are directed to press release furnished them by the Bureau on 4/19/68.

SUE FLIKEID has had no contact with LOU TOMENY subsequent to their arrest in April, 1967. The identity of the customers who were furnished to SUE FLIKEID by LOU TOMENY are as follows:

Los Angeles may desire to interview LOU TOMENY as to when she became acquainted with the foregoing. However, in view of RAY's incarceration, until Paprilly 23, 1967. The likelihood of any of the foregoing being identical with subject is remote.

All of the people listed in the address book were obtained from other contacts who were acquainted with the dates for approximately a year. For this reason, and as previously set forth, SUE FLIKEID doubts if any of the above list would have been known to TOMENY fprior to April 23, 1967.

In view of the cooperative attitude of SUE and TOM FLIKEID, Los Angeles might want to consider further contacts for development under the informant program. They were advised to contact the Los Angeles Office upon arrival.
