The following investigation was conducted at New Orleans, Louisiana, by SA KEVIN J. HARRIGAN on April 30, 1968, and May 1, 1968:

A review of New Orleans City and Suburban Directories and current New Orleans Telephone Book failed to contain a listing for a Wanda's Seven Seas Restaurant in New Orleans; however, listed was a Wanda's Seven Seas Bar, 608 Iberville.

WANDA LORMAND, owner, Wanda's Seven Seas Bar, 608 Iberville, advised that she recalls no disturbance at her place of business during December, 1967 involving an argument over a dog brought into her bar. She also advised she does not recall any arrests being made at her bar during the past six months. She viewed photographs of JAMES EARL RAY but with negative results.

ANN UHLICH, 1819 Cleveland, and who is employed as a night barmaid at Wanda's Seven Seas Bar, advised that she does not recall any disturbance at that bar in December, 1967 involving an argument over a dog brought into the bar. She advised that sometime during December, four or five persons were arrested outside the bar one night for fighting. However, she stated she could recall no specific details regarding this incident. She advised after viewing photographs of JAMES EARL RAY that he was unknown to her by either name or photograph.

BONNIE (LAST NAME UNKNOWN), who declined to furnish her last name or address and who is employed as a barmaid at Wanda's Seven Seas Bar, advised after viewing photographs of JAMES EARL RAY that she is certain this person has never been served at that bar. She also advised she does not recall any incident occurring during December, 1967 in which arrests were made following an argument involving a dog brought into the bar.

BILL KILEEN, Manager, Marian's Bar, 615 Iberville, was contacted and subject's photograph displayed. KILEEN advised photographs of RAY unknown to him, and he is certain this person had never been observed by him either at his own bar or at any of the other bars he frequents on Iberville Street.

DANA BARGER, who frequents on a regular basis Wanda's Seven Seas Bar, and who is currently employed at Handy-Dandy Labor Agency, and who has been known to SA HARRIGAN for two years, advised after viewing photographs of JAMES EARL RAY that he is certain he has never observed this person at Wanda's Seven Seas Bar.

CHARLES TAYLOR, also known as Cookie, who frequents Wanda's Seven Seas Bar on a daily basis and who resides at 803 St. Charles and who also has been known to SA HARRIGAN for over a year, advised after viewing photographs of JAMES EARL RAY that he is certain he had never observed RAY at either Wanda's Seven Seas Bar or at any of the other bars he frequents in the 600 block of Iberville Street.

Detective LARRY VIGUERIE, Robbery Detail, New Orleans Police Department, advised that he can recall no incident involving several arrests at Wanda's Seven Seas Bar in December, 1967. He advised he would discuss the matter with other detectives, and if any persons contacted could recall the incident he would immediately advise the Federal Bureau of Investigation. Detective VIGUERIE further advised that the New Orleans Police Department maintains on a daily basis a master list of all complaints received and arrests made in the New Orleans area. This list would contain the address at which an arrest was made or from which a complaint was received, the date this occurred, and the New Orleans police item regarding the incident. He advised that these usually number several hundred each day, and for the month of December, 1967 would total approximately five thousand. He advised he would have one of his detectives check this list for any arrests made during December, 1967 at Wanda's Seven Seas Bar.

This information was listed under Item #12 544-67. Detective EISENMANN further advised that the arrest involved three white males and one Negro male who were all released the same day on bond. None of the arrested persons were photographed or fingerprinted.

A check of records at the Record Room, New Orleans Police Department, under Item #L 12 554-67, showed that the following persons were arrested on December 17, 1963, at 9:53 PM outside of Wanda's Seven Seas Bar, 608 Iberville:

He advised that a fight occurred between a white and Negro male outside the bar and that two other white males attempted to interfere. All these persons were arrested and charged with fighting, and in addition one of the white men was charged with firing a pen gun and resisting arrest. FLEMING viewed photographs of JAMES EARL RAY but with negative results. However, he advised he is certain none of the persons arrested by him on that date was RAY or even resembled him.

RONNIE CAMPBELL, Tactical Unit, New Orleans Police Department, advised that he recalls making an arrest in December, 1967 involving three white males and one Negro male who were charged with fighting outside of Wanda's Seven Seas Bar. Re: Investigation Concerning
ROBERT HOOD STRADER, who Alleged
KING Assassination Plot in Baton
Rouge, Louisiana, area in
Summer of 1967

On May 6, 1968, information was received from the Springfield Office of the Federal Bureau of Investigation that ROBERT HOOD STRADER, of Lexington, Illinois, alleged that he had previously been informed during the Summer of 1967, by RAYMOND STARNES, of Baton Rouge, Louisiana, that a group of ~~businessmen~~ in the Baton Rouge, Louisiana, area had taken up a collection to obtain money to have KING assassinated.

The following investigation was conducted by
SA EDWARD J. CARNEY, JR.:

RAYMOND HENRY STARNES was interviewed at his residence, King David Apartments, Apartment F, 2816 David Drive, Metairie, Louisiana, on May 9, 1968. STARNES, who stated his business address is Suite 120, Courtland Plaza, 3900 Veterans Highway, Jefferson Parish, Louisiana, advised as follows:

STARNES is a native of Denham Springs, Louisiana, and is currently associated in a business partnership with EARNEST C. DONNELL, Owner of the Earnest C. Donnell Construction Company, at Denham Springs, Louisiana. Denham Springs is located nine miles distant from Baton Rouge, Louisiana.

STARNES is well acquainted in Denham Springs and knows nearly all of the businessmen in that community, including those who are reportedly members of the Ku Klux Klan and who are considered to be strong segregationists.

STARNES was in Denham Springs in the Summer of 1967, at which time there was considerable racial strife taking place, including marches by Negro groups and opposition being presented to these marches by those individuals with strong segregation beliefs. STARNES stated that he himself is a liberal in his view towards Negroes and that he did not participate in any of the activities that took place in Denham Springs in the Summer of 1967. He stated, however, that he did frequently converse with individuals whom he considered to be members of the Ku Klux Klan, these persons having been individuals that he grew up with in Denham Springs.

STARNES stated that at no time during this period did any information come to his attention that there were businessmen in Denham Springs, Louisiana, or in Baton Rouge,

Louisiana, who were taking up a collection to obtain money to have MARTIN LUTHER KING, JR., assassinated. STARNs does not recall of having heard the name of KING even mentioned during the Summer of 1967, nor does he recall any information which would indicate there was a plot to kill any particular Negro or any individual of any race for that matter.

STARNs is against violence and if any information such as a plot to kill anyone had come to his attention, he would promptly notify an appropriate law enforcement agency.

During the Fall of 1967, STARNs recalls that an individual subsequently known to him as ROBERT STRADER appeared at the Earnest C. Donnell Construction Company in Denham Springs making claims to EARNEST DONNELL that he could obtain considerable financing from a SHAPIRO family in Miami, Florida. DONNELL became interested in STRADER's proposition and ordered STARNs to accompany STRADER to Miami, Florida, which he did and at which time he and STRADER met with a Mr. and Mrs. SHAPIRO. It developed, however, that STRADER did not previously know the SHAPIRO family and further that STRADER actually had no contacts or was not in a position to obtain financing for the Donnell Construction Company.

It was during the trip to Miami, Florida, that STARNs realized that STRADER had an apparent mental problem. STARNs recalled that while staying in motels in Florida, STRADER at times became most irrational and envisioned that he was being followed by Federal Agents.

After the Florida trip, STRADER continued to hang around the Donnell Company in Denham Springs, Louisiana, at which time STRADER's wife was also present. In STARNs' opinion, STRADER's wife is also an irrational person.

NO 157-10673

On one occasion, STRADER, who was doing some work for the Donnell Company, took STARN'S' personally owned vehicle with the permission of STARN'S on a business trip. STRADER's wife accompanied STRADER on this trip and they did not return as scheduled. The vehicle was subsequently located in Mississippi in an abandoned position. Also at this same time, STARN'S and EARNEST DONNELL discovered that STRADER had stolen some property from the company, such as a portable electric typewriter, a brief case full of valuable engineering fittings, a telephone credit card and other miscellaneous items. Also taken from the STARN'S vehicle was a .38 Police Special Revolver which was a sentimental keepsake which had been given to STARN'S by his father.

The theft of these items was reported to law enforcement agencies but DONNELL subsequently decided not to press charges. The revolver has never been recovered by STARN'S and he does not presently know its whereabouts.

STARN'S heard from some unrecalled source several months ago that STRADER either was or is presently confined to a mental institution. He has not seen STRADER since late Fall of 1967.

STRADER was a braggart by nature, frequently announced his animosity towards Negroes but was never known to STARN'S to have specifically mentioned MARTIN LUTHER KING or any other particular Negro. STRADER frequently bragged that he had contacts with the underworld but never specifically mentioned anyone by name.

STARN'S concluded that he is at a loss to explain why it is alleged that he possessed information concerning a plot to raise money to kill MARTIN KING. He stated that he wanted to cooperate fully with the FBI, which agency he admires considerably and that if any further recollection

110

NO 157-10673

concerning the Summer of 1967 in Denham Springs came to him, he would promptly advise the New Orleans Office.

STARNS described STRADER as a white male, six feet two inches tall, 36 years of age and possessing blonde wavy hair. During the Summer of 1967, STARNS personally owned a 1967 Oldsmobile, white over black, bearing Texas license KLX or K LW 491.

DETAILS:

HO 44-1509

This investigation is predicated on the murder of Dr. MARTIN LUTHER KING, April 4, 1968 at Memphis, Tennessee.

On April 5, 1968 at approximately 12:05 AM, J.W. FARRIS, a Yellow Cab Company driver, Memphis, Tennessee, advised the FBI that he made a pickup of a white male at the William Len Hotel. FARRIS was directed to go in the first instance to West Memphis, Arkansas. Shortly thereafter he was re-directed by his passenger to drive to the Memphis Municipal Airport. Upon arriving at the airport, FARRIS was told by his passenger to wait while the passenger checked flight departure schedules. According to FARRIS, this passenger also made an inspection of the inside and immediate area outside the airport terminal. FARRIS then was directed by his passenger to return to the William Len Hotel and there to wait for the passenger. Shortly thereafter the passenger returned accompanied by another white male and FARRIS was directed to take them to the Memphis Municipal Airport.

Investigation by the FBI determined the following:

Records of the William Len Hotel revealed that a VINCENT WALKER, 449 Steiner Street, San Francisco and a LAWRENCE RAND, or REND, 2532 Polk, Kansas City, Kansas, checked into that hotel at 2:38 PM, April 4, 1968 and checked out at approximately 12:10 AM, April 5, 1968.

Investigation by the FBI has determined that WALKER and RAND, or REND, were identical to the individuals that Yellow Cab Driver J.W. FARRIS transported to the Memphis Municipal Airport.

Inquiry at Delta Airlines, Memphis, determined that two individuals utilizing the names W. DAVIS and B. CHIDLAW departed Memphis at 1:47 AM, April 5, 1968 via Delta Airlines enroute, Houston, Texas. These individuals had no reservations for that flight.

Mr. GLEN PARNELL, Reservations Manager, Delta Airlines, Houston, Texas on April 5, 1968 advised that the names of W. DAVIS and B. CHIDLAW had been computered into Delta Airlines records at 1:55 PM, April 4, 1968 which indicates their tickets were purchased shortly before that time and they were booked as a party of two. They traveled on Flight 157 non-stop, Memphis to Houston.

HO 44-1509

They departed Memphis at 1:30 AM, April 5, 1968 and arrived at 2:50 AM, April 5, 1968. Their names were added to the manifest and no addresses were listed.

On April 5, 1968 Miss SUSAN KRAUSE, one of two stewardesses aboard Delta Flight No. 157, Memphis to Houston, referred to above, advised as follows. She stated that her flight was late in arriving at Memphis. She had gone to the operations division to pick up forms and upon her return to the plane she went about her normal business. Miss KRAUSE advised that the names of passengers aboard the plane are not taken and the only thing she looks for is the envelope of the passenger that contains the ticket showing the passenger's class of travel. Because of the late hour of the departure of the flight from Memphis, the lights inside the cabin were turned down for the convenience of the majority of the passengers and she was not able to get a close look at anyone and was unable to recall the passengers W. DAVIS and B. CHIDLAW.

On April 5, 1968, VICKIE MC LUCAS, Delta stewardess for Delta Flight 157, Memphis to Houston, Texas, referred to above, advised as follows: While Flight 157 was at the Memphis Airport several passengers came aboard and the lights were turned down low for the convenience of other passengers; consequently, she did not pay any specific attention to any of the passengers coming aboard. Miss LUCAS advised that she was unable to recall passengers named W. DAVIS and B. CHIDLAW as members of the passenger list, Flight 157, Memphis to Houston, April 5, 1968.

On April 8, 1968 JIM HAYDEN, Limousine Service, which service handles the Houston Municipal Airport, advised that his records disclose LUPY DELAO who is currently working for Delta Airlines at the Houston Municipal Airport was on duty at the airport when the Delta Flight arrived at 2:50 AM and his records disclosed that DELAO had six persons whom he transported in his limousine to downtown Houston, which persons presumably were from the Delta flight mentioned above.

LUPY DELAO, 1815 Louis, telephone CA 8-6119 advised that he did in fact transport passengers from the Delta flight which arrived at 2:50 AM and he recalled that there were six adult white males who requested transportation in his limousine. He stated he dropped three of the men at the Sheraton Lincoln Hotel in downtown Houston, two of the men were dropped at

the Rice Hotel in downtown Houston and one man was dropped at the Downtowner Motel in Houston, Texas. DELAO advised that the two men he dropped at the Rice Hotel indicated at first that they intended to be dropped at the Downtowner Motel however when getting in the vicinity of the Rice Hotel changed their minds and asked to be dropped off at the Rice Hotel. DELAO stated that these two men had very little luggage and each one carried only a small handbag. DELAO stated he could not furnish any descriptive data regarding the two men he dropped off at the Rice Hotel and did not in fact know if they actually stayed at the Rice Hotel or one of the other hotels in the area. DELAO stated that he would have arrived at the Rice Hotel at approximately 3:30 AM as this is the amount of time it normally takes to drive to the Rice Hotel from the airport via the route he took.

On April 8, 1968, Mr. JOHNNY RAGLEY, Credit Manager, Rice Hotel, personally checked all available logical records in an effort to identify two individuals who may have checked in the Rice Hotel approximately 3:30 AM on April 5, 1968. Further all available records were checked for the following names:

JOHN WILLIARD
VINCENT WALKER
LAWRENCE RAND or REND
W. DAVIS
B. CHIDLAW

No records were located which could possibly be identified with the two individuals possibly identical with the suspects who reportedly flew from Memphis to Houston, Texas on the morning of April 5, 1968.

Similar record checks were made at the Milby Hotel which is located across the street from the Rice Hotel and at the Downtowner Motel also in the vicinity of the Rice Hotel and the results of the checks were negative.

Records of the Houston Police Department, Harris County Sheriff's Office, Houston Credit Bureau and Houston street and telephone directories checked for any information for the above listed individuals were negative.

Houston Division

On April 18, 1968 Mrs. ITASKA WEINSTEIN, 5503 Yacht Club Drive, Dickinson, Texas, operator of the Itaska Dance Studio, Highway 3, League City, Texas, furnished the following information. Mrs. ITASKA WEINSTEIN had been contacted on April 16, 1967 regarding any information she might have in her records indicating that ERIC STARVO GALT, also known as, might have been a student at her dance studio.

On April 18, 1968 Mrs. WEINSTEIN stated that she had researched her records and located a 3 x 5 card bearing the name of JOHN WILLARD, no address or description. She stated that the card had been completed by herself and merely shows that a man named JOHN WILLARD appeared for four dancing lessons, three lessons being on a Wednesday and one on a Friday, month and date not indicated. Mrs. WEINSTEIN does recall that these lessons for JOHN WILLARD were given before her annual recital which is held in May, and to the best of her recollection this person took the dancing lessons during April, 1967. She stated she has no other record pertaining to a JOHN WILLARD and was unable to locate any record which could contain his signature or handwriting.

Her overall impression of JOHN WILLARD as best

she can recall was that he was not neat, lacking in personality and was an extremely poor dancer. She recalls him as being quiet and difficult to teach because he had poor balance. No one else at her studio at the present time would know him. She stated that it was possible that SHIRLEY CARROLL formerly a bookkeeper for Mrs. WEINSTEIN at the studio might have had contacts with JOHN WILLARD when he came for lessons and may have conversed with him. She stated that SHIRLEY CARROLL resides at an address in care of J.L. HOECK, Patton Road, Box 81A, Forest Hill, Maryland. Mrs. WEINSTEIN was shown photographs of ERIC GALT, also known as James Earl Ray, and she commented that the photograph of GALT with his eyes closed most closely resembled the JOHN WILLARD that she vaguely recalls. She stated the eyes drawn into the photograph do not resemble those of the man who took lessons from her. In addition the hair of the JOHN WILLARD that she knew was not as dark as that in the photograph and his complexion was olive, not fair.

During their very limited conversations WILLARD stated he worked "at NASA" and did not get off from work until 5:30 PM. He also stated that he was called back to work on overtime on occasion. She stated that he did not appear to be a highly educated man, definitely not the "engineering type". WILLARD had remarked to Mrs. WEINSTEIN that he went from work to his apartment or room, took a shower, changed clothes and then came for his dancing lesson. She recalled that he usually wore a white shirt and dark pants but on one or two occasions wore a suit. At no time did Mrs. WEINSTEIN observe a badge or identification tag with WILLARD's photograph on it as do all employees working at NASA possess. WILLARD had stated to Mrs. WEINSTEIN that he owned a record player and he once borrowed one of her records. He had mentioned that he had bought a record of Fred Astaire Dance Instructions which he said he purchased at the NASA Bay Shopping Center, Webster, Texas. Mrs. WEINSTEIN recalled that she told JOHN WILLARD that she would not dance with him while teaching him ballroom dancing as it was against her policy. On at least two occasions JOHN WILLARD brought with him a woman who acted as his partner while he took lessons. This woman was described as name "LOU", age in her 40s and definitely older than JOHN WILLARD, height 5'4", average build, dressed in ordinary cotton dresses, not slacks, with hair being dark with a reddish cast and had a poor personality. To the recollection of Mrs. WEINSTEIN, WILLARD's dancing partner supposedly worked as a waitress, cafe or establishment unknown.

According to Mrs. WEINSTEIN, WILLARD told her that he, after having taken this woman to a lesson or two, would not be able to bring her back with him because she worked too late and she wanted him to pick her up after work. Mrs. WEINSTEIN although not ever seeing WILLARD drive a car was confident that he had one but she was unable to describe it other than to say it must have been an older car. Although she is not certain she thinks that perhaps on the last time that she gave him a lesson WILLARD told her he was going to "visit his mother". She can recall no further information regarding JOHN WILLARD. Mrs. WEINSTEIN further furnished the following descriptive data concerning JOHN WILLARD:
