JAMES EARL RAY

James Earl Ray, a Missouri prison escapee who has been sought under the alias Eric Starvo Galt in connection with the gunshot slaying of civil rights leader Dr. Martin Luther King, Jr., is one of the FBI's "Ten Most Wanted Fugitives."

FBI Director J. Edgar Hoover ordered the special addition of Ray to the "Ten Most Wanted Fugitives" list, which already contains ten fugitives, to insure the widest possible dissemination of Ray's photograph and description to help effect his prompt location. Ray has been the subject of a massive search since the gunshot slaying of Dr. King on April 4, 1968, as he stood on the balcony of a Memphis, Tennessee, motel.

An exhaustive FBI fingerprint search, comparing latent fingerprints uncovered in the Dr. King case against fingerprints of over 53,000 persons on whom FBI wanted notices have been posted determined that Galt and Ray are identical.

A Federal warrant, issued at Birmingham, Alabama, on April 17, 1968, charges Ray, under the alias Eric Starvo Galt, with conspiring to interfere with a Constitutional Right of a United States citizen. Ray, who escaped on April 23, 1967, from the Missouri State Penitentiary, is also sought for unlawful interstate flight to avoid confinement after conviction for armed robbery.

Possessing an arrest record dating back to 1949, Ray has been convicted of burglary, armed robbery and forging United States Postal Money Orders.

A 40-year-old white male, reportedly born in Illinois on March 10, 1928, Ray is approximately 5'10" tall, weighs from 163 to 174 pounds, has blue eyes and short brown hair. He has a nervous habit of tugging at an ear lobe and his left ear protrudes noticeably.

Described as a "loner and "drifter," with a "rural" quality in his speech, Ray has worked as a baker, laborer and color matcher. He has taken dancing lessons and completed a course at a school of bartending.

Consider Ray armed and extremely dangerous. Report any information concerning him to the nearest FBI office.

FUGITIVE

CIVIL RIGHTS - CONSPIRACY;
INTERSTATE FLIGHT - ARMED ROBBERY

"TEN MOST WANTED FUGITIVES" PROGRAM

James Earl Ray, a Missouri prison escapee who has been sought under the alias Eric Starvo Galt in connection with the gunshot slaying of civil rights leader Dr. Martin Luther King, Jr., has been added to the FBI's list of "Ten Most Wanted Fugitives."

FBI Director J. Edgar Hoover ordered the special addition of Ray to the "Ten Most Wanted Fugitives" list, which already contains ten fugitives, to insure the widest possible dissemination of Ray's photograph and description to help effect his earliest possible location.

Ray has been the subject of a massive and intensive search since the brutal gunshot slaying of Dr. King on April 4, 1968, as he stood on the balcony of a Memphis, Tennessee, motel. One rifle bullet, believed fired from the window of a nearby rooming house, felled the victim.

An exhaustive FBI fingerprint search, comparing latent fingerprints uncovered in the Dr. King case against fingerprints of over 53,000 persons on whom wanted notices have been posted in the FBI's Identification Division, succeeded in determining that Galt and Ray are identical.

A Federal warrant, issued at Birmingham, Alabama, on April 17, 1968, charges Ray, under the alias Eric Starvo Galt, with conspiring to interfere with a Constitutional Right of a United States citizen. Ray is also sought for unlawful interstate flight to avoid confinement after conviction for armed robbery, based on a Federal warrant issued on July 20, 1967, at Jefferson City, Missouri. He had been confined at the Missouri State Penitentiary, Jefferson City, Missouri, in March, 1960, with a 20-year sentence following conviction for armed robbery and operating a motor vehicle without permission of the owner. In September, 1966, while serving the sentence, he was confined for a time in the maximum security ward at the State Hospital, Fulton, Missouri. He was reported missing from the Missouri State Penitentiary since April 23, 1967.

Ray, who has an arrest record dating back to 1949 and has been convicted of burglary, armed robbery and forging United States Postal Money Orders, has also been confined in the Los Angeles County Jail, the Joliet and Pontiac, Illinois, State Prisons and the United States Penitentiary, Leavenworth, Kansas.

He served in the Army between February, 1946, and December, 1948, received a three-month sentence at hard labor for being drunk and breaking arrest and was given a General Discharge due to ineptness and lack of adaptability for military service.

Ray is a 40-year-old white male, reportedly born in Illinois on March 10, 1928. He is approximately 5'10" inches tall, weighs from 163 to 174 pounds, has blue eyes and brown hair which he has worn cut short. He has a small scar on the center of his forehead and a scar on the palm of his right hand. He has been described as having a straight, narrow nose and straight and even teeth and to have a nervous habit of occasionally tugging at an ear lobe. His left ear protrudes noticeably.

Acquaintances describe him as a "loner" and "drifter" whose language and diction reflect a "rural" quality and indicate he has had limited education.

He is reportedly a fan of western and country music, drinks vodka and beer, dresses neatly and claims past employment as a merchant seaman and cook on Mississippi River vessels. He is known to have worked as a baker, laborer and color matcher.

He is known as an avid dancer who has taken dancing lessons. He also completed a course at a school of bartending in the Los Angeles area early in 1968.

Ray should be considered armed and extremely dangerous. Anyone with information concerning this fugitive is requested to immediately contact the nearest office of the FBI, the telephone number of which may be found on the first page of local telephone directories.

On 4/11/68 Dr. IRVING HALL, 712 39th Street N., Bradenton, Fla., telephonically advised the Sarasota RA that between the hours of approximately 8:00 and 10:00 p.m. 4/7/68 he and his wife viewed a television program over channel 3, educational television station WEDU-TV, Tampa, Florida. HALL stated the program was a panel-type discussion concerning the study of the march on Washington that was to be lead by Rev. MARTIN LUTHER KING in the Spring of 1968. HALL stated a white male who was a member of the panel who was sitting on the floor near a Negro who was standing and who was the moderator made several comments that dealt with KING leading the march. The white male, according to HALL, reportedly made a comment to the effect, "If KING leads the march on Washington the march will be a Negro march and the poor white people will be getting screwed."

HALL stated that upon viewing the artist's conception of the assassin of KING and comparing the description that had been set forth in local newspapers regarding the assassin, he believes the white male on the above television program who made remarks critical of KING's leadership appeared a similar description to the artist's conception of the assassin.

Mr. R. LEROY LASTINGER, General Manager, WEDU-TV, Educational Television Channel 3, 908 South 20th Street, Tampa, on 4/12/68 advised from approximately 8:30 to 10:30 p.m.

on 4/7/68 his channel experienced a live interconnection which was broadcast in the Tampa area under the auspices of Public Broadcast Laboratory which program originates from New York City and which the local station would not have any record of on radio or TV tape. He said that all he could say was the FBI would have to contact "AV" WESTIN, Director, Public Broadcast Laboratory, 342 Madison Avenue, New York City, and they would have the film. He volunteered the information that he recalled Public Broadcast Laboratory sent a crew along with Dr. MARTIN LUTHER KING some time in the past sort of following his career and were closely following any plans to march on Washington. He said he personally had no way of even knowing in what cities or where the panel discussion took place that was broadcast on the night of 4/7/68 through his Channel 3 station.

Enclosed for Atlanta is one copy of referenced airtel and two photographs developed from questioned television tape.

"AV" WESTIN, Director, Public Broadcast Laboratory (PBL), 342 Madison Avenue, NYC, on 4/19/68, advised that an assistant would aid the FBI in making available tape on questioned broadcast of 4/7/68. He stated that PBL has had employees following the developments leading up to the "poor people's march on Washington" which was to have been led by Rev. MARTIN LUTHER KING in the Spring of 1968. He stated that the questioned portion of the broadcast was produced by GREG SHUKER of PBL.

On 4/19/68, PBL made available two film excerpts from the broadcast of 4/7/68 which shows two white males in

background of photograph, either of which could represent the person referred to by Dr. IRVING HALL of Bradenton, Florida. It is further noted, however, that others in the room made similar remarks about the "poor white people getting screwed" if KING led the march.

It is noted that one individual, which according to the tape was located in the area of, or next to, the Negro moderator, who was HOSEA WILLIAMS, seemed to be pulling at his left ear lobe as depicted in the enclosed excerpt from the film.

GREG SHUKER, Producer, PBL, stated he was in the room during the filming of this sequence of events and identified the location as Paschal's Hotel, located on Hunter Street, Atlanta, Georgia. He stated he personally recalls most of the participants in the discussion other than the man with his hand up to his ear. He stated that the Southern Christian Leadership Conference Headquarters (SCLC) in Atlanta is believed to have a list of all persons attending this discussion. He stated that the events took place on 3/14/68 and that BILL RUTHERFORD, Executive Director, and TOM OFFENDERG, Public Relations, SCLC, Office # (404)-522-1420, possibly could furnish names of all persons in the room. RUTHERFORD's home number was given as 523-3381 and that of OFFENDERG, who is Director of the March as 522-1425.

SHUKER stated that other groups and races of people were meeting at the time in the same motel in connection with the upcoming march, but indicated that the group in question was basically white and that HOSEA WILLIAMS came in late only to answer their questions and to convince them that KING would lead and speak for all the poor people, regardless of race, in the March on Washington.

SHUKER is in the process of preparing a copy of the entire tape for the FBI which is to be made available to the NYO possibly today, 4/22/68.

It has been requested by PBL that above excerpts from the tape as well as the other material to be made

available, be used solely by the FBI for their investigative purposes. The film is still being used by PDL and no publication otherwise should be made.

Atlanta, through appropriate officials of SCLC, obtain list of persons in attendance of white group discussion at Paschal's Hotel on or about 3/14/68 in order to identify persons appearing in attached photographs and further tie in with individuals referred to by Dr. IRVINGTON HALL in referenced communication.

NYO will obtain complete tape from PBL.

SLAYER OF DR. KING STILL ELUDES FBI OFFICERS

It is disappointing that the man who murdered Dr. Martin Luther King on April 4 has not been apprehended. There is every indication that the Federal Bureau of Investigation has been making a diligent effort to solve the mystery but the man with the trigger finger continues to elude law officers.

It seemed that progress was being made when it was announced that a fugitive warrant had been issued for the arrest of a man named "Eric Starvo Galt." Two days later the FBI identified "Galt" as James Earl Ray, who escaped from a Missouri prison April 23, 1967.

The thoroughness of the FBI in its search for the wanted man is indicated by the fact that 53,000 sets of finger prints in FBI files were examined before prints were found that are identical with those of the man named Galt.

The prestige of the FBI is at stake and will most likely be sustained eventually. It will be fortunate if the murderer may be taken alive and his guilt clearly established. This would prevent speculation as to identity of the guilty person and avert such uncertainty as surrounded the assassination of President Kennedy.
