In connection with the captioned case there has been speculation that James Earl Ray concocted the alias of Eric Starvo Galt by combining the names of characters from books by Ian Fleming and from a book "Atlas Shrugged" by Ayn Rand. This speculation is based on the fact that in the James Bond books by Ian Fleming there is a character named Ernst Stavro Blofield and in "Atlas Shrugged" there is a character named John Galt, as well as one named Eric Starnes. Ernst Stavro Blofield is a formidable person, John Galt is a "social drop out" and Eric Starnes is described in the book as a "whiner" from a low-class family.

In view of the above and in order that Agents handling this investigation can be alert to the possibility of Ray's utilizing an alias based on characters in Fleming's books, there is set out as an attachment to this airtel a list of various characters in those books for your assistance.

In order to cover the possibility that subject may have died since commission of the crime, the U. S. Census Bureau and Department of Health, Education and Welfare were contacted and they advised that no central records of unidentified deceased are maintained by those agencies. It was suggested that each state may maintain such a record in their Bureau of Vital Statistics or similar agency.

There is no known Federal law requiring the maintenance of such information; and it is possible that if any record of unidentified dead is maintained, it would only be maintained at local police departments, morgues, medical facilities, or the like.

Each office covering state capitals should check to ascertain if such records are maintained, and if so, should check records for the period from 4-5-68, to date, for any information which might possibly identify subject Ray with unidentified deceased person over that period.

If there is no central record repository maintained in the various states or nationally in the case of Mexico and Canada, you should, in connection with your contacts with law enforcement agencies on this case or other Bureau matters, make appropriate inquiries relative to

In order to cover the possibility that subject may have died since commission of the crime, the U. S. Census Bureau and Department of Health, Education and Welfare were contacted and they advised that no central records of unidentified deceased are maintained by those agencies. It was suggested that each state may maintain such a record in their Bureau of Vital Statistics or similar agency.

There is no known Federal law requiring the maintenance of such information; and it is possible that if any record of unidentified dead is maintained, it would only be maintained at local police departments, morgues, medical facilities, or the like.

Each office covering state capitals should check to ascertain if such records are maintained, and if so, should check records for the period from 4-5-68, to date, for any information which might possibly identify subject Ray with unidentified deceased person over that period.

If there is no central record repository maintained in the various states or nationally in the case of Mexico and Canada, you should, in connection with your contacts with law enforcement agencies on this case or other Bureau matters, make appropriate inquiries relative to

LOMAX POLL AND TRIBUNE

A Monthly Poll of Negro Opinion

Mr. Lloyd Johnson
Federal Bureau of Investigation
1340 W. 6th Street
Los Angeles 90017

Dear Mr. Johnson:

Following this note are the names and addresses of whites, subscribers to my publication whom I thought might bear checking out in the case of the slaying of Dr. Martin Luther King.

If you don't mind a theory, you might consider the slaying in the same light as the bombing of the church in Birmingham in 1962, or '63. That was done for a purpose, to intimidate the Negroes bent on integrating the schools of Alabama that year, as a prelude to Gov. Wallace's standing in the schoolhouse door. Neither the church nor the children was the primary target, but the resolve of the Negroes.

There must have been many times when Dr. King could have been more, or as, conveniently killed. I have no doubt that the purpose was achieved when the Negroes rioted after the assassination. The only question in my mind is who wanted the riots this time, the Wallace-ites, the leftwing, or even ambitious people in between.

In the event you think it was a "racist", or rightwing political killing, Montgomery, Mobile, and the small towns of Alabama might be a good place to look for Gault or Ray. Gault, by the way, rings a bell in my memory as a fairly common Alabama name. I have traveled and lived in Alabama the best part of the past 10 years. I know Mobile, Montgomery, Barbour County, Macon County and all the surrounding counties very well. Alabama probably has the highest per capita White Citizens Council membership in the country, people who would bomb a church, burn a school, kill one or several people to make their point.

The Tuskegee names I am giving you I know to be white and in the Main Council members, people who intended to get me, I have been told, had I continued publishing in Tuskegee, people who were almost equally guilty with that Segrest man who shot and killed Sammy Younge, Jr. in Tuskegee the year after I left and after he had taken up the cudgel -- with a lot less finesse. Unfortunately after I left. The others I just think are white.

I also have a number of white liberal southerners, including the usual run of white leftwing southerners and a number of those on the Coast. I don't know whether I should list them or not. The left pretended to great devotion

Mr. Lloyd Johnson, 2

to Dr. King and raised money for him and gave to him liberally; but when it comes to whatever it is they want, a shift of power to themselves, to change the system, etc., I wouldn't trust them behind the shadow of a broomstick. I think they have made it very clear that they have a vested interest in the Negro riots.

Copies were sent to Atlanta, Birmingham, and Memphis. Mrs. LOMAX's letter advised she had published a "little magazine" entitled the "Tuskegee Tribune" in 1964 and 1965 while residing in Tuskegee. She believed a large number of white people, described by Negroes in the area as being members of the White Citizens Council or "Kluxer types", subscribed to the Tribune, and inferred the possibility existed some of these individuals might be implicated in, or have knowledge of the assassination of MARTIN LUTHER KING, JR.

On 4/29/68, Mrs. LOMAX was contacted concerning the above individuals and stated she had had "second thoughts" and believed her theory that the above individuals might have had something to do with KING's assassination was a far-fetched idea. Mrs. LOMAX agreed to furnish a list of white subscribers.

On 5/10/68, the Los Angeles Office received a Special Delivery letter from Mrs. LOMAX, copies of which are enclosed for the Bureau and each office, in which she listed the names of people she believed or knew to be white, taken from the subscription list of the "Tuskegee Tribune".

There were no references known identical in the indices of the Los Angeles Office to any of the individuals in Alabama or the individual residing in Tucson, Arizona.

For the information of the Bureau, the following listed individuals residing in Los Angeles are on the Security Index of the Los Angeles Office.

HUGH DE LACY (Bufile 100-47062)

JOHN T. MC TERNAN (Bufile 77-29135)

The following individuals listed by Mrs. LOMAX are on the Reserve Index - B of the Los Angeles Office:

MADELYNE GERLACH (Bufile 100-378387)

SYLVIA P. MILLER (Bufile 100-393768)

HENRY BLANKFORT, listed by Mrs. LOMAX, has been the subject of a security investigation by the Los Angeles Office (Bufile 100-262025).

LA 4401574

There were no references in the Los Angeles indices concerning one EWING G. PORTER; however, a check of the Cross Directory, Pacific Telephone Company, reflects one PORTER EWING resides at 7370 Rosewood Avenue, Los Angeles. EWING has not been the subject of an investigation by the Los Angeles Office; however, a review of references concerning him reflects his name was maintained on a card index by JOHN WESLEY HARRIS, JR., a member of the Executive Committee of the Los Angeles Progressive Labor Party, which card reflected EWING was a history professor at Los Angeles City College (LACC), was a sponsor of the Civil Rights Club on that campus, and was "friendly to PL".

The addresses of all the above individuals in the files of the Los Angeles Office were identical to the addresses furnished by Mrs. LOMAX.

Because the above individuals are on the Security Index, Reserve Index - B or have been the subject of a security investigation, and because PORTER EWING is a professor at LACC, no interviews of these individuals will be conducted by the Los Angeles Office, UACB, in the light of the remote nature of the allegation made by Mrs. LOMAX, and the possibility of embarrassment to the Bureau.

No further investigation is contemplated by the Los Angeles Office concerning Mrs. LOMAX' complaint, and any further information received from her will be promptly furnished to the Bureau.
