Re Bureau airtel to Memphis dated 4/17/68.

Referenced communication concerns an anonymous letter received at the Bureau which was postmarked 4/13/68 at Chicago, Illinois. The letter is dated 4/12/68 and indicates in part "about the murder of MARTIN LUTHER KING, it is not a white man (person). It was a colored person who is now hiding out at Hall of Motels in Memphis, Tennessee, on Fealder Street."

A review of a street guide for the Memphis metropolitan area does not list a street named Fealder. A review of a list of all the motels in the Memphis metropolitan area does not list a motel by the name of Hall of Motels.

A review of a street guide does not indicate a street in the Memphis metropolitan area that is similar in spelling or pronunciation to Fealder. The list of motels does not indicate a name anywhere similar to that of the Hall of Motels. None of the motels listed are located on a street with a name anywhere similar to that of Fealder.

Inasmuch as no information was developed as to the existence of a motel named Hall of Motels nor a street named Fealder, no further investigation is being conducted.

At 9:15 PM above date Mrs Huelon Finnie, Route 3, Box 7, Somerville, phone 465-3398 phoned the Memphis Office. She advised as follows;

She works at the East Street Cafe in Somerville. A man who fits the description of the killer in the Murkin case and whor esembles the photos came into the cafe yesterday. He wanted to leave his suit-cases at the cafe. This man mentioned that he plans to put up a chicken shack across the street from the cafe.

This man is a white man with a big nose and his height, weight and appearance resemble the killer. She did not know his name, or the name he was using. As of this date this man was working at Chenault's Liberty Grocery Store in Somerville.

Re BA tel to Bureau and ME, 4/11/68, (Sub E-119).

On 4/24/68, JOHN HOOTEN, owner, Hooten's Texaco Service Station, 5071 Summer Avenue, Memphis, Tennessee, advised SA BAUER that JAMES GANN had been employed by him on and off for approximately 3 weeks starting sometime in the last week of March until April 11, 1968. HOOTEN stated that while GANN was working for him he lived somewhere on Wilburn Avenue in Memphis, and that GANN stated that he was originally from Marked Tree, Arkansas. He stated that GANN did not look anything like the photographs of JAMES EARL RAY and could not have been involved in the KING killing because he was working at the service station on 4/4/68 up until 6:00 p.m.

HOOTEN stated that on 4/11/68, GANN came around to the service station with his wife and their car loaded with their family possessions and filled the car with gas and stated that he was going to St. Louis. HOOTEN added that this was GANN's second wife and that he had been previously married and divorced and was having some type of problem with his first wife over either alimony or child support payments.

A check of Memphis PD and Shelby County SO records do not reflect a record for the name of JAMES GANTS, JAMES GANTZ or JAMES GANN.

SUBJECT: MURKIN;

On 4/16/68 Mr. WILLARD H. RUNDQUIST, Vice-President, Wabash, Inc., 1217 Florida, Memphis, Tenn., was contacted in regard to a letter which he had given to a friend of his, Mr. FRED GATTAS, owner, FRED T. GATTAS Distributing Company, Inc., 387 South Main St., Memphis, Tenn., and which letter was later turned over to the FBI. He stated that he had written this letter and in it he had mentioned the name of a former employee of WABASH who he thought might possibly be involved in the assassination of Dr. MARTIN LUTHER KING, JR. He stated that he furnished this information to Mr. GATTAS because he, himself, had no connections with local authorities but Mr. GATTAS was well known in Memphis and might know what should be done with it.

Mr. RUNDQUIST stated that neither he nor GATTAS felt this information had much value but he felt it should be brought to the attention of the persons investigating the death of Dr. KING. He stated that his only reason to suspect JERRY PAUL MC CARTER is because he believes that MC CARTER drives a cream-colored Mustang and that he has heard MC CARTER on a number of occasions speak against Negro people. He stated this is not unusual, however, because he has heard many other Southerners say such similar things. Mr. RUNDQUIST made available the personnel file on JERRY PAUL MC CARTER, which reflected that his home address while employed at Wabash was 4085 Palm St., Memphis, Tenn., Social Security No. [redacted], date of birth [redacted] place of birth - Corinth, Miss., height - 5'11", weight - 178 lbs., married, no children. RUNDQUIST stated that he did not believe MC CARTER had ever served in the Armed Forces because he had overheard him mentioning the possibility of being drafted shortly prior to his departing Wabash.

On 4/17/68 Mr. PAUL MC CARTER, 2152 Layton Ave., Memphis, Tenn., was contacted at his home and he advised that he has been employed for the past nine weeks with the Triangle Distributors, Inc., Tupelo, Miss., as a salesman working the Memphis, Tenn., area. Mr. MC CARTER stated that on Thursday,

He stated that he has never made any statements in regard to Dr. KING which could be construed as threatening statements and that he would never kill anyone, regardless of his personal feelings. Mr. MC CARTER advised that he and his wife own two automobiles and that one of them is a 1966 Ford Mustang. At 3:50 P. M., 4/24/68, an individual identifying himself as CARROL WYLIE, TV Sales, Telephone 275-2381, telephonically contacted the Memphis Office and advised he desired to furnish the following information as being possibly of value in the investigation of the shooting of MARTIN LUTHER KING:

WISTER J. HAYES, aka DUB HAYES, white male, age 45, 6', 185 lbs., currently employed as salesman for Zayres on Summer Avenue and believed residing on Paulus, was formerly employed by WYLIE. HAYES is originally from Louisiana and was formerly employed by Goodyear or Goodrich in the Lake Charles, La., area but has been in Memphis for the past three and one-half years. HAYES hates Negroes, is a member of the Klan and a "radical" who is always "causing controversy." WYLIE said HAYES is an "extremist" and a "psycho," whom he did not believe would shoot anyone, but who would be sympathetic to and assist anyone who might shoot a Negro. WYLIE said sometime ago HAYES was trying to raise money for the defense of the white men involved in the "Civil Rights Case," and made several trips in his efforts.

Efforts were made to obtain more specifics concerning the information furnished but WYLIE repeatedly said he had no such information and repeated he had no knowledge HAYES was involved in the shooting of KING but thought the FBI should be made aware of HAYES.

A review of the current Memphis City Directory discloses the following pertinent listings:

SUBJECT: MURKIN

The following investigation was conducted at Nashville, Tennessee, by SA LAWRENCE J. OLSON, SR:

On 4/25/68, unsuccessful efforts were made to locate HENRY O'NEILL, Manager, American Airlines, Nashville, Tennessee. At American Airlines, Nashville, it was ascertained that Mr. O'NEILL was not working that date; however, he would return to work the following morning.

On 4/26/68, Mr. O'NEILL was contacted, at which time he advised that during the period 2/19-21/68, he was attending an American Airlines conference in Tulsa, Oklahoma, and one evening during the conference, and during the cocktail hour, the conversation turned to the possible racial situation in the U. S. during the summer of 1968. Mr. O'NEILL advised at that time he was rather pessimistic relative to renewed rioting breaking out during the coming summer at various places in the U. S. He said he had stated at that time that it was almost certain that Chicago would have difficulty this summer, in his opinion. Another person at the party took exception to this statement and a \$5 wager was made, with O'NEILL wagering that a riot would break out in Chicago the summer of 1968.

As the party went on, the conversation continued along this line and ROBERT ROULSTON of American Airlines, Washington, D. C., indicated he felt that the racial situation was deteriorating and that chances are that MARTIN LUTHER KING would be killed sometime prior to May 1, 1968. He, O'NEILL, took exception to this remark and a \$100 wager was made. He bet that MARTIN LUTHER KING would not be killed before May 1, 1968, and ROULSTON bet that KING would be killed.

O'NEILL said the conversation was rather a frivolous one at the time the wager was made and he did not take the conversation seriously and is sure ROULSTON did not either; however, on 4-4-68 while en route to vacation in Panama City, Florida, he learned that MARTIN LUTHER KING had been assassinated. He was quite shocked and felt obliged to fill out a check in the amount \$100, remembering the wager. He sent this to ROULSTON who replied by note indicating that

the check had been torn up as he felt it was a "bad bet" and he felt quite badly about having even suggested a wager along these particular lines.

Re Minneapolis teletype to Memphis dated 4/17/68  
regarding EDWARD GEORGE WILSON.

Referenced communication concerns a letter received in Minneapolis indicating that ED WILSON of Memphis, Tenn., previously worked in Excelsior, Minn., but returned to Memphis two years ago and presently works on a ship on the Mississippi River. On the day of KING's death, a JEROME JOHNSON of Excelsior and former partner of ED WILSON, was overheard telling his mother, "I'll bet ED did that."

Mrs. JOHN ATWELL, 1363 Whitewater Road, Memphis, advised on 4/23/68 when finally located that her son, GEORGE E. WILSON, of this address is employed as a deck hand for an unrecalled firm on a boat on the Mississippi River. Mrs. ATWELL stated that her son left approximately two weeks ago and will be gone at least another two weeks. She stated that he obtained his employment through the National Maritime Union at Paducah, Ky., and the NMU will know her son's current whereabouts. She said that she did not recall where her son was during the early part of April, 1968.

A review of the Memphis City Directories indicate that GEORGE E. WILSON is employed by the Mississippi Valley Barge Line.

On 4/24/68 Mr. DON AUBREY, General Manager for the Mississippi Valley Barge Line, 1836 Dock Street, Memphis, Tenn., advised that the name GEORGE E. WILSON is not familiar to him. He stated that he will check with the main office in St. Louis, Mo., to determine if WILSON is employed by this firm.

TO : FILE (44-1987)

DATE: 5/3/68

FROM : SAC ROBERT G. JENSEN

SUBJECT: MURKIN

At approximately 9 a.m. on 4/29/68, I discussed the evidence I had on hand with Director of Fire and Police FRANK C. HOLLOMAN, Memphis, Tennessee. HOLLOMAN stated that since he had not received the letter from the FBI Laboratory as yet he would appreciate the FBI holding the evidence until such time as the letter was received by the Memphis PD.

On the afternoon of 5/2/68, Inspector N. E. ZACHARY, Memphis Police Department, telephonically contacted me and advised that the Memphis Police Department had received the transmittal letter from the FBI Laboratory regarding the evidence in this case. I asked him if he would be interested in coming and picking up the evidence on that afternoon. He requested the evidence be held and stated he would be over to secure the evidence on the morning of Friday, 5/3/68.

As of 9 a.m., 5/3/68, the nine boxes, unopened, were delivered into the custody of Inspector ZACHARY. I told Inspector ZACHARY that there was a possibility that a request might be made later for additional examinations in connection with the evidence. Inspector ZACHARY said he was aware of this and as a result thereof he planned to deliver all evidence to the office of the State Attorney General and that the State Attorney General would assume custody of the evidence and place it under lock and key.

Inspector ZACHARY also stated it was at this time the intention of the State Attorney General to present the material to a Grand Jury on May 7, 1968. Inspector ZACHARY stated they anticipate requesting a first degree murder warrant for JAMES EARL RAY. He also said there is a possibility the State Attorney General's Office might want a representative of the FBI to testify in connection with this evidence.

The above information was furnished to Assistant Director ROSEN on 5/3/68.

JEWELL J. WILLIAMS, Moss Alley, Savannah, Tennessee, advised that he was released from the Federal Penitentiary in Springfield, Missouri, in July 1967. He returned to Savannah, Tennessee, where his mother ANNIE DOWNING operates a used clothing store at 913 Clay Street.

WILLIAMS stated that in September 1967 at approximately 8:00 p.m., an individual who strongly resembles JAMES EARL RAY came to his residence, 912 Clay Street, located directly across the street from the above-mentioned used clothing store. This individual wanted to know who owned the store and if he could buy some used clothing.

WILLIAMS advised that he told this man the store was closed but he would open the store for him. This individual told WILLIAMS that he was an FBI man and he was investigating gun running between Tennessee and Mississippi and needed used clothing to assist him in his work. He advised that he sold this individual two shirts and two pair of pants for 50 cents each and that this person changed from a sport shirt and pants into the old clothes. WILLIAMS advised that he laughed at this individual and told him he looked like "a local hillbilly." He added that the individual got mad at him and began berating him for making fun of him.

Mr. WILLIAMS further advised that he knew the man was not an FBI Agent because he had been in too many prisons to be fooled by such a story. He stated that he was suspicious of this individual and memorized the license number of the car he was driving. He stated he later wrote this information on the wall of the house where he was living. He recalled that this person was driving a 1965, 1966, or 1967 white Chevrolet bearing either Alabama or Mississippi license. He recalled that he attempted to charge this man \$1 apiece for the shirts and pants but they became engaged in an argument and the
