MER Husband had called her at approximately 6 PM from work at the Glen Allen Co at 300 Poplar and stated at the time that he would be home shortly, that he had a service call to make to Ceasars on Poplar where he had just installed some sound equipment. This was not unusual as it is customary that he call every evening and ask or see if she needs anything at the home that he can pick up on his way home. When asked how she based her time she stated that she got off work at Mr. J. Robert Stagner's Atty, and arrives home at approximately 5:30PM and is usually sitting at the table when he calls, yesterday was no exception.

Mrs Link stated that her husband was a CB fan and that he usually called or talked to several people on the way home and that two of these people were Jessie Johnson and Charles Smith, who works at the firestation #22 on Kimball, and he uses the call letters KOM 4314, and the skip name of Dr. Pepper, and stands by on Channel 3 and 13.

While at Ceasars yesterday afternoon he had called Mr. Don Odell, mgr of Glen Allens after learning of the rioting conditions up town and decided to go back down to Glen allens and stay inside in for protection to the place. After leaving Ceasars he had been contact with Charles Smith and when he arrived at Glen Allens he told Smith that there was some kind of trouble and that he would call him back. That is the last time that anyone has heard from Mr. Link. When Mr. Link did not call Mr. Smith back he began trying to raise him and when he could not he called Mrs Link and that is when she became concerned. She called Don Odell on the Morning of 4/5/68 and learned that he had talked to him later and that he was supposed to have gone to the airport to pick up some radios that were coming in but they did not arrive and that Rodney has not shown up all day she then alerted the police.

Mrs. Link stated that when she was talking to her husband at 6 PM, he was talking to a customer all the time that he was talking to her and it was also confirmed today when she talked to Mr. Odell and he stated that Glen had worked till closing time.
