## FREE RESERVATIONS

Thru our Reservation System, all members will make a guaranteed reservation at another good Best Western or Best Eastern motel. No commission or fee of any kind is charged to you, and there will be no charge for the telephone call if made by other members, and the call is made at the proper time.

You will be given a Standard Receipt indicating your room has been paid for, and the room will be held until you arrive, regardless of the hour.

By using our Reservation System, you may sightsee, or have dinner along the way, and arrive at your convenience, with the assurance you will have a good room in a first class motel.

The better motels fill as early as 4 p.m. during the season and are often filled at other times, due to conventions, county or state fairs, sport attractions, etc. Don't take the chance of not obtaining first class accommodations, but be assured of the best, by making a guaranteed reservation. Ask the manager of any member motel for further details.

## CREDIT CARDS ACCEPTED

All members will accept American Express, Diners and Carte Blanche Credit Cards. Most members honor Air Travel Credit Cards, and members in California accept Bank of America Credit Cards.

## ALWAYS THE BEST

All member motels must meet certain high standards to be eligible for membership, and for that reason a full description of each motel is not shown in their listing. In other words, no "flowery" descriptions, such as "finest," etc. All member motels are inspected at regular intervals and you will find them the very best in the area—not always the largest, or with the most neon signs, but all things considered, the best. All rooms are fully carpeted, best of beds and pillows, room phones, TV's, good heating, air conditioning where needed, swimming pools unless otherwise shown, and all rooms have private baths. Our motto: "Nation's friendliest motels."

## COMMERCIAL TRAVELERS

Most all member motels cater to Commercial Travelers and have the necessary conveniences to serve them—show rooms, etc., and a special reservation system.

### HOW TO READ THIS GUIDE

This Guide is designed to aid the traveler in planning his trip, to follow and pinpoint his progress, without referring to an unwieldy road map. Let's suppose you are leaving Chicago, over US66, and planned to drive 500 miles per day. By referring to pages 14 and 15, you will note the numbers on the left side of the page are the distances from Chicago, and that Springfield, Mo., is 512 miles from Chicago. For your second day's drive of 500 miles, the numbers on the left indicate Groom, Texas, is 1022 miles from Chicago. Deducting your first day's drive of 512 miles, from 1022 miles, the distance for your second day will be 510 miles.

The numbers on the right side of the page are the distances from Los Angeles.

The distances between towns are plainly shown, such as "Chicago - La Grange, 14 mi.," eliminating continual referral to road maps. Many member motels are not located on routes shown, but are easily determined by referring to the Alphabetical Index, pages 6-13 inclusive.

## MAKE YOUR RESERVATIONS IN ADVANCE

**. . . via Holiday Inns' HOLIDEX reservation system—the most advanced reservation system in the world!**

All you have to do is call any Holiday Inn or Holiday Inn Sales Office (Sales Offices are listed on the inside front cover of this directory). Reservation by HOLIDEX advance reservation system is a *FREE* service to Holiday Inn guests. NOTE: Because of this location, the Holiday Inn of Honolulu, Hawaii, cannot make reservations through HOLIDEX reservation system. Advance reservations from this location can be made by airmail.

**HOLD UNTIL 6:00.** All Holiday Inns (excluding the exceptions listed) will hold your reservation without guarantee until 6 P.M. including resort locations. Inns designated as resort locations require prepayments on reservations arriving after 6 P.M.

*Table Rock Lake, Missouri; Key West, Florida; Dauphin Island, Alabama; Riviera Beach, Florida; San Juan, Puerto Rico; Lake Ozark, Missouri; Freeport, Grand Bahama Island and Honolulu, Hawaii,* because of their unusual locations hold non-guarantee reservations until 4 P.M. only.

If you expect to arrive after 6:00 P.M., you can guarantee your reservation in one of the following ways:

**GUARANTEED PAYMENT TIME OF ARRIVAL . . .** If you expect to arrive late, you can guarantee your room on approximate time of arrival. For example, if you expect to arrive at a guaranteed time of 9 P.M., please state this in your reservation request. If you do not arrive by 9:00, your room may be sold to another guest. In this case, you would not be responsible for payment. However, if the room is *not sold*, you would be billed on your guarantee.

**HOLD FOR LATE ARRIVAL . . .** When you guarantee payment a Holiday Inn reservation "hold for late arrival" with no time of arrival given, your room will be held all night. If you do not arrive, you will be billed on your guarantee.

A guaranteed reservation of either type may be made on your good credit by providing us with your business address and by giving us your home address.

In prepaying a reservation, you simply give the Holiday Inn where you make your reservation (or the Holiday Inn Sales Office) a check for the amount of the room, or you

can charge it against any Gulf, British American Oil Co. Ltd., American Express or Diners Credit Card. Your payment will be forwarded to the Holiday Inn where your reservation has been placed.

**CANCELING OF RESERVATIONS . . .** If you find that you are unable to use your reservation, please call any Holiday Inn or Sales Office and they will be pleased to cancel it at no charge. Guaranteed reservations must be canceled before 6 P.M.
