SHERI BLAIR

Dear [unclear],

Thank you so much for giving me such a good interview yesterday. It turned out very well.

Now I want to ask you a special favor. Will you come down to the station Friday afternoon at 2:30 and tell your story to Du Kuperus for his kid's show? It would be broadcast on Saturday night at the usual time. I want you to do this because you are a very good interview and because I really believe that anything you say can only help you better. We will take care of your expenses, of course. 215

By the way, I have been promised to do it by other stations for your address - but I will keep my promise to you. No one will know where you live.

Please call me if you have any questions, and if I'm out on an assignment, leave some name or number where I can reach you. Look forward to seeing you soon.

Regards,
Sheri
