Description: ☒ Original notes re interview of  
Frank Dean Elliott, Penitentiary of  
New Mexico # 42954.

William Mc Reynolds, Chief of Case Mgt. Housing U. 2 H.

AQ 44-0  
ME 44-1987

3/17/94 Frank Dean Elliott, WMA, [redacted] Shawnee, OK

6'10", 150, Red, Green, [redacted]  
PNM 42954. Term from Oklahoma State Pen since 10/23/93.  
Sentenced 4/1/91 at Shawnee, OK. 2 life sentences  
convicted for 1st degree murder & poss of weapon (knife)  
by inmate in a County jail.

Last summer while at OSP, was forced with  
Vernon Ruge <sup>TP informant</sup> featured a program about James Earl Ray  
& the killing of Martin Luther King which prompted & in  
Ruge to talk to him since thought would be housed together homestead.

Ruge said Oct or Nov 1967 he & Pat Early  
robbed some business men at a poker game in Memphis.  
Ruge said was at a fish fry & Pat's watch stolen.  
Was later interviewed by FBI in custody in Dallas, TX.

In 2/68 TP & PE went to ~~Memphis~~ to gun shop  
on west side of river in Memphis, TN  
bought 30.06 & 30 cal rifle. (PE now in  
det pen in AZ.) Ruge wanted to live with to kill  
MLK. TP to plan <sup>the</sup> & PE as the sharpshooter because of  
shooting experience.

Persons wanted killing Robert Kennedy in  
Memphis, TN. Reason was that local Blacks were boycotting  
local business of white merchants due to civil rights movement  
& MLK was involved in movement. Then hired the  
mgt of Jerry Lee Cowan who was father of Lewis' Boys old  
cousin the mother, name not told TP. TP was fam w/ this  
person since TP per committed other crimes for this person.

This mgt then hired TP & PE who then bought the  
guns. Both then thought about a few days & TP feared  
FBI would be prevented in solving & would be big deal.  
Told the mgt & a get around so very careful.

James Earl Ray's bro, name not given. Bro said his bro (JER) would to since just got out of the pen.

After killing, JER was located in another country w/ a 30.06, \$10,000 & couple of handguns. (TP never told him what happened to the 2 weapons he & PE purchased prev.)

Elliott asked TP where TP was at when killing occurred & got angry & said ~~not~~ wouldn't tell Elliott anything that would implicate him. TP didn't say if was in Memphis area at time.

Only thing JER knows directly is who paid him is JER's bro but gives FBI phony name to protect his brother.

He feels TP was telling truth. Main motive that justice is done. Why ask others tell to Gov. please inform. Why would want small amount of money to go to his mother if his information is accurate and used by media.
