Captain Wilborn A. Ray, Instructor, Army ROTC, East Tennessee State University, Johnson City, Tennessee, advised that in about September, 1966, while stationed at Fort Eustis, Virginia, he and Army Major Henry McAden, a Negro now in Vietnam, were discussing racial problems when Dr. Martin Luther King's name came up. Ray continued he told McAden if Dr. King ever appeared in Memphis, Tennessee, he would be murdered. Captain Ray stated that he further told Major McAden that Dr. King would be shot while standing on a motel balcony, away from his friends, either looking over the area or praying. He said that he also told Major McAden that Dr. King's assassin would be aiming at his head but would hit him in the throat or high in the chest.

Captain Ray explained that later in either January or February, 1967, he and Major McAden were drinking in a club at Fort Eustis when McAden again brought up the subject of Dr. King's possible murder in Memphis, Tennessee. He stated that Major McAden asked him if he knew who would shoot Dr. King. He said that he replied that the man who would assassinate Dr. King was Eric Starvo Galt.

Ray stated he cannot explain why he was able to come forth with the above information and especially the name Eric Starvo Galt since he never knew anyone by

that name, in fact, had never heard the name until after the assassination of Dr. King. He said, however, in the past on several occasions he had been able to predict future events.

Captain Ray requested that the information furnished in this matter be kept confidential since he is aware that it makes him appear a mental case, but he wants the information a matter of record since he feels that when Major McAden receives the details of Dr. King's death, he will recall their previous conversation concerning Dr. King's assassination in Memphis and will report it to military authorities.

On April 17, 1968, Agent Jerry Thurlow, Military Intelligence, Johnson City, Tennessee, advised that Captain Wilborn A. Ray, ROTC Instructor, East Tennessee State University, has an above average IQ, an excellent Army record, and is considered an above average instructor at East Tennessee State University. Thurlow added that Colonel Richard Krueger, Captain Ray's Commanding Officer at East Tennessee State University, has advised that at the time of Dr. King's death in Memphis, Tennessee, he and Captain Ray with other members of a bowling team were bowling in Johnson City, Tennessee.

On 4/18/68, SAS of the NYO while conducting investigation at Time, Inc., New York, New York, were advised of the following information by GEORGE HUNT, Managing Editor:

An AP teletype just off the wire with dateline of Kansas City, disclosed that the United States Attorney's Office reported that an informant told the Federal Government some time ago that Dr. MARTIN LUTHER KING was among persons ordered assassinated if ROBERT BOLIVAR DE PUGH ever went to jail. DE PUGH is the leader of the Minutemen Organization, Militant Right Wing Organization. It was stated that DE PUGH had issued orders to other Minutemen that if he went to jail, certain persons connected with this prosecution, and others, were to be assassinated, including Dr. KING.

DE PUGH and WALTER PATRICK PEYSON are appealing a 1966 conviction in Kansas City for national firearms violation. DE PUGH and PEYSON are wanted on a Federal Grand Jury indictment accusing them of conspiracy to rob banks in Seattle in January.

HUNT advised that the aforementioned information with respect to the Minutemen recalled an article done by "LIFE" in about October, 1961 with regard to hate groups. In this connection photographs were taken in October, 1961 in Shiloh, state unknown, and in Collinsville, Illinois of certain Minutemen, some identified and some unidentified. DE PUGH was one of the individuals identified by name, but under restrictions imposed upon the photographer, identity of others by name was withheld.

The reporter for the article was WILL JARVIS, last known address and telephone number, Bronxville, New York, PE 8-0715. The photographer was CARL IWASAKI, 1465 Monroe Street, Denver, Colorado, telephone #Dexter 3-1290.

HUNT made available three 11"x14" photographs, one of which is DE PUGH and the other two photographs of an unidentified individual who somewhat resembles ERIC STARVO GALT. Both shots of this second individual apparently were taken about the same time. In one of these photographs the unknown individual is sitting with his eyes shut like in the GALT picture released to the public.

One of the other photographs in the group was an individual believed by Chief of Police REESE DOBSON, St. Clair County, Illinois, to be SA JACK ROBERTS, Belleville. ROBERTS, believed to be working undercover, was thought by DOBSON to have once worked on the COORS kidnapping case.

Los Angeles may desire to interview LOU TOMENY as to when she became acquainted with the foregoing. However, in view of RAY's incarceration, until ~~February~~ ^{February} 23, 1967. The likelihood of any of the foregoing being identical with subject is remote.

All of the people listed in the address book were obtained from other contacts who were acquainted with the dates for approximately a year. For this reason, and as previously set forth, SUE FLIKEID doubts if any of the above list would have been known to TOMENY prior to April 23, 1967.

In view of the cooperative attitude of SUE and TOM FLIKEID, Los Angeles might want to consider further contacts for development under the informant program. They were advised to contact the Los Angeles Office upon arrival.

ARMED AND DANGEROUS.
