J. Edgar Hoover.

Dear Sir,-

I just can't
quote the exact time but
this year while I was at
the National Maritime Union
Hall. A young man came
in the Hall at Seattle, Wash.
carrying a small bag. And
he asked about getting into
Union & naturally was broke.
I don't remember the date
but I do remember I cashed
a couple of checks Traveler
Checks for \$20. in a bank
there. And passed over \$30.00
to him. Also gave him a
an envelope with my
address on it. We had
dinner together. Date 44-1987-Sub B 323

2 / went down to Union
Hall and paid in entry
fee. Then he told me he
had been sailing on Rivers
and home was in St. Louis
mo. Of course lots of men
help each other. So
he had to go to Court House
to get his papers. Or rather
his Marriage Document
validated for security.
But he claimed his wife
was suing him for divorce.
Of course he was broke.
So he claimed he was a
River man. Said he was an
idler. So he got a ship job.
Well, I didn't see him
for a month or so. But
when he saw me in the
hall again. He forgot to pay
back the loan I had given
him

3/ That he had to get a lawyer.

Now I read in Fort Worth newspaper. That this trial on the Dr. Martin Luther King Jr. murder is a suspect. And also that your suspect was a river man and a merchant seaman.

Now I am a disabled merchant mariner and have filed for a U. M. W. pension. And living in a hotel here at Longshore. Texas. I didn't get this man's name. But you could find out his name etc. from U. S. Coast Guard at Dallas. I won't say his this or that but age etc would be about right. As I had a peculiar

4 / experience when I was
at Savannah, Georgia.
I was sent to S. S. Pan Florida
on 3-18-1947. where the
Electrician jumped ship. I
was sent to the Pan Florida
while I was taken out of
U.S. Public Health Hospital
ship was going to Tampico,
Mexico and return to
Savannah, Georgia. But
when we came back the
electrician that jumped ship
came back. I gave him his
job back. But I also noticed
one of your flyers in
Savannah Post Office and
I let the Postmaster there
gave him the "flyer" and
he said he'd give information
then to an F. B. I. Agent
That was where a man
was wanted for murder.

5/ from Houston, Texas. and
the ship was going back
to Houston, Texas. So I
figured in this case that
possibly you'd wanted
man was an S.I.U. man
as they have ships tied
up at Savannah, Georgia.
Maybe the seaman that
borrowed \$30.00 from me
to get in M.M.V. is the
fellow you want.
You know Seamus, got
around. And I hope any
information is right that
you get the man.

With best of wishes,

Richard H. Phillips

3/ He was white, slim
and wore a cap. and
carried a short white river

five dollar bill for a room
And as I remember he got
a ship on the open board.
He was lucky but on his
return I really thought
he'd pay back his loan.
But as he didn't why I
felt he was ^{an} honest
river man.
