

on or about March 21, 1955 forged a stolen U. S. Postal Money Order. This money order was one of sixty-six such orders stolen in a burglary of the U. S. Post Office, Kellerville, Illinois on March 7, 1955. Defendant emphatically denies the burglary of the post office. He states that his companion, in the instant offense, Walter T. Rife, whom he met at a bar in Quincy, Illinois, suggested that he accompany Rife and cash the money orders which Rife reportedly had purchased from an unknown person. Defendant states that he purchased for \$1 the identification he and Rife used in uttering these stolen orders in various states. When arrested for the instant offense defendant was in possession of thirty-four money orders which had been stolen from the Kellerville, Illinois Post Office. He admits the forgery and uttering of fourteen money orders. His companion, Rife, has admitted the forgery and uttering or attempting to utter eighteen of the stolen money orders.

Approximately one year before becoming involved in the instant offense defendant was released from service of a sentence of one to two years for armed robbery in the Illinois State Penitentiary. In August of 1954 he burglarized a cleaning establishment in East Alton, Illinois. Although he admittedly was charged with burglary he apparently has never been before the appropriate court and apparently is not presently wanted on this charge. In 1949 in Los Angeles, California he was convicted of burglary and sentenced to eight months in the county jail. After serving ninety days of this sentence he was released on probation for a period of two years.

Defendant shows absolutely no remorse at this time. He anticipates receiving a substantial sentence for the instant offense. In writer's opinion he is a confirmed criminal and a menace to society when in the free world.

Respectfully submitted,

Edward H. Murray
U. S. Probation Officer

On 4/21/68, Mrs. **ERNEST PATTON**, Jervey Road, Greenville, S. C., confidentially furnished the following information to SA **JACK C. WARD**:

On 4/17/68, Mr. and Mrs. **ERNEST PATTON** were at the Sheraton-Maui Hotel on Maui Island, Hawaii. About 1:00 PM they went to the hotel dining area to have their lunch. As Mr. and Mrs. **PATTON** were seated, Mrs. **PATTON** noticed an individual seated alone at a table near theirs. It was the opinion of Mrs. **PATTON** that this individual bore a marked resemblance to the pictures of the subject that she had seen in newspapers. As the table of the individual was quite near their own table and, as her husband had his back to the individual, Mrs. **PATTON** wrote a note to her husband indicating the resemblance.

She noted that the individual was drinking beer, seemed to be left handed, had on all new clothes, was wearing cotton blue trousers and a cream color pull-over sweater.

Before the PATTONs completed their meal the individual left his table. Mrs. PATTON had no idea where he went, if he was known to anyone else, if he was a guest at the hotel, or if he had a car.

Att: Walter Winchell

Dear Mr. Winchell:

I am a New York City cab driver, Hack License
[REDACTED]

About two months ago I picked up Dr. Martin
Luther King, his aide and a very attractive
white woman at the International Hotel at
Kennedy Airport.

I drove King and his aide to LaGuardia Airport.
When we arrived, Dr. King and his aide left the
cab with two bags and departed, leaving the
white woman in the cab for me to drive her to
a midtown townhouse, (the address which I can't
recall now, but can be verified on my trip sheet.)
When Dr. King left my cab both he and the woman
fondly embraced, and kissed. (not fatherly)

Mr. Winchell, if she had a jealous husband and
he is the guy, do you think it would be right
to name Newark Airport after him?

If I can be of any other assistance, please
contact me.

The following investigation was conducted by SA LINDIAN J. SWAIM at Sanford, North Carolina:

On April 18, 1968, CAROLYN RUTH WILLIAMS, 1107 Ray Avenue, Sanford, advised she has been separated from ROBERT FRANKLIN WILLIAMS since June 14, 1965, and divorced from him since August 26, 1966. She last saw him when he was convicted and sent to prison.

She said about three weeks ago Mrs. FRANK (MARGARET) WIMBERLY, Dunn, North Carolina, WILLIAMS' sister, told her that shortly before Christmas he telephoned another sister, Mrs. EUNICE (Last Name Unknown) who lives in Indiana, and asked her to send him some money. He called from Atlanta, Georgia.

Mrs. WILLIAMS said her former husband is not a member of the Ku Klux Klan but did attend several Klan rallies in Sanford. When he was drunk he often talked about Dr. KING and several times stated he would like to "kill the SOB." She said he is emotionally unstable, has a violent temper, is always fighting and on one occasion threatened a highway patrolman who stopped him for speeding.

The following investigation was conducted by SA VICTOR P. HOLDREN at Sanford, North Carolina:

On the night of April 18, 1968, Mrs. WILLIAMS was shown a photograph of ERIC STARVO GALT, at which time she stated the photograph was similar but not identical with her ex-husband.

The following investigation was conducted by SA ROBERT H. CAVERLY at Dunn, North Carolina:

Mrs. MARGARET WIMBERLY, 605 North General Lee Avenue, Dunn, advised on April 19, 1968, that she is the sister of ROBERT FRANKLIN WILLIAMS. She was shown a photograph of ERIC STARVO GALT and she stated this photograph, in no way,

On April 19, 1968, Mrs. BEATRICE ROBERTS, Dunn, North Carolina, sister of ROBERT FRANKLIN WILLIAMS, was shown a photograph of GALT, at which time she advised that the photograph, in no way, resembled that of her brother.

Re ERIC STARVO GALT

On April 19, 1968, the Bureau telephonically advised that a call had been received from RAYMOND HIGGINS, 300 East Worthington Avenue, Charlotte, North Carolina. HIGGINS works at Mitchell and Becker in the 1900 Block of South Boulevard, Charlotte.

HIGGINS advised he frequents Robertson's Drive-In Restaurant on South Boulevard. He said on the night of April 18, 1968, he observed a man in the restaurant whom he is positive is ERIC STARVO GALT. There was a woman with this individual who spoke with a foreign accent.

He said he followed the couple out of the restaurant to the 1800 Block of South Boulevard where they entered an apartment, possibly at 1821 South Boulevard. He said he has seen photographs of GALT and is sure this individual is GALT. The man's left ear was larger than his right ear.

The following investigation was conducted by SA EMANUEL R. JOHNSON at Charlotte, North Carolina.

On April 19, 1968, RAYMOND HIGGINS, 300 East Worthington Avenue, Charlotte, advised that the individual he saw and thought was GALT was a white male, 30 to 35 years old, 5'7" tall, 200 pounds, dark complexion, short hair. He was shown a photograph of ERIC STARVO GALT and without hesitation he advised that this was not the man he saw in Charlotte on the night of April 18, 1968.

RE ERIC STARVO GALT

The following investigation was conducted by SA EDWARD G. SHERIDAN at Hickory, North Carolina:

On April 18, 1968, Trooper HARRY L. WILLIAMS, North Carolina Highway Patrol, stationed in Catawba County, North Carolina, advised that he saw the photograph of ERIC STARVO GALT in the newspaper on that date and stated that he is certain that he encountered GALT while conducting a road block in Catawba County on the evening of April 9, 1968.

On the evening of April 9, 1968, WILLIAMS and Trooper MARVIN WRIGHT were participating in a road block check on U. S. Highway 321 at the intersection of North Carolina Highway 10, inside the City Limits of Newton, North Carolina. The road block was set up as a result of the general racial situation following the assassination of Dr. MARTIN LUTHER KING, JR. and the purpose of the road block was to locate and confiscate from motor vehicles alcoholic beverages and firearms that might have been in possession of motorists. The road block lasted from approximately 7:30 p.m. until approximately 11:00 p.m.

Sometime between 9:00 p.m. and 9:30 p.m., April 9, 1968, a white male driving a 1955 or 1956 Dodge four-door automobile was stopped by WILLIAMS. WILLIAMS described this automobile as being three-toned, that is, having an off white colored top, a dark green hood and trunk, with a strip of green around the sides, partially on the doors and again having an off white bottom. WILLIAMS did not notice the color of the interior of this automobile. This vehicle was heading north on Highway 321. WILLIAMS specifically remembers that this vehicle was bearing 1968 Florida license with the prefix "10W-." There were four or five digits after the dash but WILLIAMS did not remember these numbers. The white male driving the vehicle was alone and the vehicle was heavily loaded with luggage, having possibly five or six suitcases in the back.

Trooper WILLIAMS stated that in his own mind he has definitely identified the photograph of ERIC STARVO GALT

44-1987-Sub B-279A

as being identical with this individual he stopped. He stated that there is no doubt in his mind regarding the matter and stated that he would "stake his life on it."

When WILLIAMS stopped this individual, he asked him for his drivers license and registration. The individual there upon presented a valid State of Florida driver's license. WILLIAMS does not remember the name of the drivers license but remembers that it did contain a first, middle and last name. He also noted that the name was uncommon to this area of North Carolina. WILLIAMS stated that this last name was a short name and he believes there were four letters in the last name. WILLIAMS stated that the name could have been "GALT." He stated that if the name was any of the three names of GALT, LOWMYER or WILLIARD, it would have been GALT or LOWMYER.

WILLIAMS stated that he does not remember the street or city address or license number on the drivers license displayed to him. He stated, however, that he specifically remembers that the drivers license listed the driver's occupation as a pilot. WILLIAMS asked the individual what airlines he flew for and the individual gave a name of some not well known airline. WILLIAMS does not now remember the name of the airline given but remembers that the airline had two names to it. He does not remember the individual talking about any cities in Fla. or where he worked.

The individual never did display a registration for the vehicle and the matter of the registration was not pursued by WILLIAMS.

WILLIAMS observed a map folded on the front seat of the vehicle. This map included several southeastern states in the United States. WILLIAMS picked up the map and noted the driver had a route marked out from somewhere in deep central Georgia to Wytheville, Va. WILLIAMS noted that this route marked out constituted almost a straight line. The line ended at Wytheville, Va. WILLIAMS asked the individual where he was going and the individual said he was going on vacation to Wytheville, Va., to visit with some friends or relatives. The individual said he was then going to either Charleston or Bluefield, West Virginia. WILLIAMS

did not remember which of these two towns in West Va. the individual mentioned. The individual did not mention anything specific about his friends or relatives in Wytheville, Va., or Charleston or Bluefield, W. Va., and did not indicate how long he was going to stay at any of these places.

WILLIAMS then instructed this individual how to get on Highway 16 north heading out of Conover, N. C. WILLIAMS advised that the entire conversation took place in about 1½ minutes.

In commenting on the photograph of ERIC STARVO GALT, WILLIAMS advised that the individual he stopped, whom he believes to be GALT, did not have cheeks as full as are GALT's cheeks in the photograph. He stated that the individual had a face considerably less fleshy than is shown in GALT's photograph. He stated that the individual he stopped had noticeable features in that he had a sharp pointed chin, a long and narrow and pointed nose, and large ears. He also noted that the individual's hair was much shorter than is depicted in GALT's photograph and his hair was brushed straight back. He advised that the individual's face was considerably narrower and longer than is depicted in GALT's photograph.

In describing the individual's composure, WILLIAMS advised that the individual was calm and not excited. He stated that the individual was reserved in his talk, answered questions precisely but did not volunteer information. WILLIAMS described the individual as well-groomed, clean shaven and immaculate in appearance. He stated that the individual gave him the impression that he would be precise in everything he did.

WILLIAMS furnished the following description of this individual from memory:

Race:	White
Sex:	Male
Age:	About 30 years
Hair:	Short, receding and brushed straight back - brown but not dark brown

CE 44-1365

4

Complexion:	Light, almost pale
Frame:	Fairly small frame
Height	Unknown
Eyes	Not noticed
Dress	Believes was wearing an open collar sports shirt

Trooper MARVIN WRIGHT, who also participated in the road block, advised that he did not talk to the individual stopped by WILLIAMS because he went directly to the car stopped behind the car WILLIAMS stopped. However, WRIGHT described the green in the car WILLIAMS stopped as a faded green. Also, WRIGHT advised, after the individual stopped by WILLIAMS left, WRIGHT specifically remembers WILLIAMS remarking that the license plate on the car was a 1968 Florida license with the prefix "10W-." WRIGHT also remembers WILLIAMS remarking about what a short last name the individual had.

Neither WRIGHT nor WILLIAMS has seen this individual since April 9, 1968.

TO : SAC, HOUSTON (44-1509)

FROM : SA CHARLES J. POWELL

SUBJECT: MURKIN

DATE: 4/22/68

ReMemo of SPC EUSEBIO V. BENAVIDEZ, 4/21/68.

DAVID McDONALD, Supervisor, National Airlines Ticket Office, Hobby Airport, Houston, Texas, furnished following additional information today:

Last evening while watching the FBI Story on television he observed a photograph of JAMES EARL RAY and was immediately reminded of a passenger whom he checked through on either National Airlines Flight 23 or National Airlines Flight 47 at approximately noon, 4/21/68. He described the person as about 6'1", with brown hair and a neatly trimmed goatee approximately 1" long covering the bottom lip and chin area only. He was wearing a light colored cowboy type straw hat, a beige Levi type jacket, and black horn rim sun glasses. He, while being checked by McDONALD, removed his sun glasses and stared intently at McDONALD. McDONALD stated the general configuration and look of this man's eyes appeared to be practically identical with the eyes in the photograph of JAMES EARL RAY. He said the passenger's nose and general shape of his face and mouth also resemble the photograph of RAY. The passenger checked through with no luggage and was carrying a small two-handle type flight bag. He said he was unable to determine whether or not the passenger was identical with RAY but that he felt there was a good possibility that they might be identical.

National Airlines Flight 23 departed Houston at the above described time en route for Las Vegas with final destination San Francisco. National Airlines Flight 47 departed Houston at the above described time en route non-stop to Los Angeles.

Re Memphis tel to Jackson, 4/18/68.

For information of Memphis, W. E. BUSTIN is the owner and operator of a cafe at Moorhead, Mississippi, and he is acquainted with JOHN SIDNEY PARKER, who is a deputy sheriff on the Sunflower County SO, which covers Moorhead.

On 3/29/68, Sheriff JACK SESSUMS, Sunflower County SO, Indianola, Mississippi, advised PARKER had gone to Memphis, Tennessee, 3/28/68, on personal business and had been caught in the middle of a Negro riot there at that time. He advised PARKER had fired a shot in the direction of some approaching Negroes, but to his knowledge, had not hit anyone. SESSUMS advised he had telephonically contacted the COP and the SO at Memphis and was advised this incident was not reported to either department, and he was advised to forget about it. SESSUMS further advised on 4/19/68, PARKER was on duty at Indianola, Mississippi, at the time of the assassination of KING in Memphis.

Inasmuch as this appears to be the incident referred to by BUSTIN in re teletype which has no connection with MURKIN, no further investigation is being conducted in this matter.

The following information was telephonically furnished to SA JAMES GORDON HALL of the Baltimore Division, Hyattsville, Maryland, RA by SA JOHN M. FLATLEY on 4/22/68:

On 4/22/68 Lt. ROBERT CALEWELL, Commanding, Robbery Squad, Metropolitan Police Department advised SA JOHN M. FLATLEY, WFO that a Negro male about 65 years old who did not identify himself came to the Robbery Squad and said he saw a man who resembled the FBI Wanted Flyer of ERIC STARVO GALT. The man told CALEWELL he saw the man working as a Chef or cook at the Golden Rule Restaurant, in Riverdale, Md., a day or two before. He said he himself has been a cook all his life and the man resembling GALT didn't seem to know what he was doing as a cook.

The Metropolitan Washington phone book, Maryland section, reflects a Golden Rule Dairy in Beltsville, Md., but no reference to a Golden Rule Restaurant.
