AT LONGVIEW, TEXAS

On May 2, 1968, RALPH B. ANDERSON, Southwestern Bell Telephone Company, advised that he was at the Hotel Rio, room on the second floor, room number not recalled, Morelos 86, Puerto Vallarta, Jalisco, Mexico, for about three days, October 24 - 27, 1967. He stated he does not drink so therefore his contact with people at the hotel was very limited as he spent most of his time on the beach. He stated he was alone on his visit to Mexico.

ANDERSON viewed photographs of JAMES EARL RAY and advised he does not recall seeing anyone at the Hotel Rio who resembled RAY and that he does not know such a person.

## FEDERAL BUREAU OF INVESTIGATION

Date 5/3/68

**BILLY JOE FAULKNER**, Apartment H, 2002 Kirby Street, Dallas, furnished the following information:

The only time he has been in Atlanta, Georgia, during recent years was from November, 1966, through February, 1967, when he resided at an unrecalled address on Piedmont Street. Then he resided for about two weeks at what he believes was 107 14th Street, N.E. It was the first building on 14th Street off Peachtree. He lived in a first floor apartment in the rear near the kitchen door.

He was injured on March 21, 1967, and left Atlanta on March 24, 1967, and went to live with his father in Midland City, Alabama. He stayed there until sometime in August, 1967, when he went to New Orleans and began working for Edwards Transportation Company on a tugboat. He worked on the tugboat for about six weeks. Then he went to Local 513, International Brotherhood of Electrical Workers, Galveston, Texas, and they got him a job with Lummus Company as a wireman and journeyman electrician on a construction job in Texas City, Texas. While in Texas City, he resided at Colonial Courts which is behind the main Post Office. He was laid off this job because of a reduction in force.

In November and December, 1967, and January and February, 1968, he was in Midland City, Alabama, with his father. In February, 1968, he went to work for Olympia Golf Course, Dothan, Alabama, and was fired in mid-March, 1968.

From the middle of March, 1968, until he came to Dallas on April 3, 1968, he lived with SUE KELLY at My Place, a beer bar on Route 4, Graceville, Florida. This bar is located 3½ miles north of Graceville on Slocom (phonetic) Highway. He spent four or five days a week at this bar and the rest of the time he spent in Midland City, where he stayed with his father or in a trailer he rented from Mr. and Mrs. CHARLES WOODHAM. The only traveling he did during this time, except back and forth between

Midland City and Graceville, was one trip he made to Pensacola, Florida, to pick up a girl to work at the bar. He went to Pensacola and returned the same day.

During the time he was at My Place bar, two girls worked there, JACKIE MOLINE and JACKIE (last name unknown), who is now employed at the Busy Bea Cafe in Dothan, Alabama.

LARRY BURCH, an insurance salesman for Independent Life Insurance Company, was in the bar almost daily and can vouch for his being there.

He arrived in Dallas on April 3, 1968, and rented the apartment at 2002 Kirby on that date. On April 4, 1968, he recalls going to see WALTER (last name unknown), who operates Galaxie One on Live Oak Street, and paying him \$3.00 for a telephone call he had made to WALTER in January. On April 5, 1968, he had lunch with DALE KNOTTS, General Director of the Tuberculosis Association in Dallas.

JERRY NED MILLER, who formerly resided near My Place bar on Route 4, Graceville, has been his constant companion for the last two months and is now residing with him at Apartment H, 2002 Kirby Street, Dallas.

SUE KELLY came to Dallas with him in his car and was living with him at this address. She is currently working as a waitress at the Mandarin Restaurant on Gaston Avenue.

He stated he did not know anyone who resided at 107 14th Street, or anyone in any of the adjoining apartment buildings in Atlanta. He recalls talking to a man about 57 years old who resided at that address who was a carpenter and he believes he returned to his home in Carrollton, Georgia, on weekends.

He was shown a photograph of JAMES EARL RAY and he stated he has never seen this person at any time. He said the name is not familiar to him, nor is the name ERIC STARVO GALT.

DL 44-2649

He knows nothing whatever about the murder of MARTIN LUTHER KING and had no hatred of KING. He would never have considered participating in any way in a plot to kill KING. He admitted having been a member of the Ku Klux Klan in 1965 but said he ceased being a member in about March, 1965, after he was stopped by police in some small town in North Carolina at which time he had his klan robes on. He claimed he was only in the klan for about four months and held no position of responsibility.

He displayed a current Florida driver's license No. [REDACTED], which shows it was issued March 25, 1958, and expires on his birth date in 1970. It is issued to BILLY JOE FAULKNER, Route 4, Graceville, Jackson, Florida, born [REDACTED], white, blue eyes, 5'10", 165 pounds, an electrician.

## FEDERAL BUREAU OF INVESTIGATION

Date 5/3/68

SUE KELLY, 4817 Tremont, employed as a waitress at the Mandarin Restaurant, 4822 Gaston, related the following:

She first met BILLY JOE FAULKNER in early December, 1967, in Pensacola, Florida. He was working as an electrician there and she was employed as a barmaid. They were residing at the Pace Park Motel on Pace Boulevard in Pensacola. After meeting him, he remained in Pensacola for about a week before going back to his home in Midland City, Alabama. He returned in the latter part of January or early February, stayed with her in Pensacola two or three days. They then traveled together to Midland City and began living together in a trailer FAULKNER rented.

She soon began operating My Place bar near Graceville, Florida. She and FAULKNER lived at the bar Mondays through Fridays and returned to Midland City for the weekends. From the time they left Pensacola in late January or early February, 1968, until about April 16, 1968, she and FAULKNER were together every day. He would occasionally go to Midland City from Graceville for the day, but was never away from her overnight.

On about April 16, 1968, she and FAULKNER had an argument which resulted in her moving from Apartment H, 2002 Kirby Street, to her present address. She knows FAULKNER is a homosexual and suspects there is a homosexual relationship between FAULKNER and JERRY NED MILLER, who has been with FAULKNER since they left Graceville and came to Dallas.

She was shown a photograph of JAMES EARL RAY and she said this person was completely unfamiliar to her.

RE: JACK MAYNARD RAY

The following investigation was conducted by  
SA JAMES M. UNDERHILL:

About 11:35 A.M., March 24, 1965, an individual identifying himself only as JACK RAY telephonically contacted the Durham, North Carolina, Resident Agency of the FBI and asked whether information concerning killing of MARTIN LUTHER KING would be of interest. The caller inferred he himself had just finished serving a long prison sentence. He declined to furnish his whereabouts or any more details but agreed to come immediately to the Durham Resident Agency, which he failed to do.

About 2:35 P. M., March 24, 1965, an individual identifying himself as GEORGE MC LAMB, telephone repairman for General Telephone Company of the Southeast, President of the Durham County Citizens Council, and the local Telephone Workers Union, all Durham, North Carolina, contacted the Durham Resident Agency. MC LAMB stated that at about 7:15 P. M. on March 23, 1965, he received a telephone call at his residence from an individual identifying himself as JACK RAY. RAY had said that a former member of the Citizens Council, whose name was not given, gave him MC LAMB's name. RAY, according to MC LAMB, stated he was on his way to Alabama and was wanting the help of the Citizens Council. RAY further said he was calling about MARTIN LUTHER KING and his associates. RAY asked whether the Citizens Council would help him if he were caught after doing what he was going to do.

RE: JACK MAYNARD RAY

MC LAMB stated he informed RAY the Citizens Council would not enter into any conspiracy and asked RAY what he intended to do. RAY replied he was going to "bust KING wide open." MC LAMB said he then advised RAY they had nothing to talk about and terminated the conversation.

MC LAMB said he had made some inquiries among members of this Citizens Council at Durham but failed to develop anyone knowing RAY. MC LAMB said he would immediately notify the FBI in the event he was contacted by RAY or received any further information about him.

Efforts through the Durham Police Department and the Durham Credit Bureau to identify RAY were unsuccessful on March 24, 1965.

On March 25, 1965, JACK MAYNARD RAY of 1814 Vale Street, Durham, North Carolina, was interviewed by Special Agents of the FBI at Durham. RAY related as follows:

On Tuesday, March 23, 1965, he was at the "Country Kitchen" at Durham, North Carolina, operated by a Mr. GREEN. RAY got in conversation with GREEN and then GREEN introduced RAY to GEORGE MC LAMB, President of the Durham County Citizens Council and the local Telephone Workers Union. MC LAMB took RAY to a car believed to have been a Ford Station Wagon. There MC LAMB expressed hatred of Negroes and asked RAY if RAY would shoot JAMES FARMER, Executive Director of Congress of Racial Equality (CORE) and/or MARTIN LUTHER KING. RAY said he would do so if the price were right and the money was "on the line." RAY claimed MC LAMB asked whether RAY would try to get a shot at KING or FARMER in Selma, Alabama, for \$5000 and said that MC LAMB exhibited a photograph of FARMER.

RAY stated MC LAMB had pointed out it was unlikely that a person shooting either FARMER or KING in Alabama, Louisiana, or Mississippi, would be convicted of any serious crime.

RAY continued that MC LAMB again met him in the station wagon near the "Country Kitchen" on the evening of

RE: JACK MAYNARD RAY

March 24, 1965. He mentioned sending RAY to Jackson, Mississippi, to contact an undisclosed person there. MC LAMB also indicated he would arrange to secure a rifle for RAY, since all RAY had was a long barrel .38 caliber Smith and Wesson pistol. RAY said MC LAMB gave him \$20.

RAY acknowledged he was the individual who had telephoned the Durham Resident Agency of the FBI on March 24, 1965, and said he had not kept the appointment because of rain.

RAY stated that he has no intention of harming FARMER or KING and will notify the FBI if he receives any further request along this line.

RAY stated he himself had served approximately 25 years for a robbery in 1942 of a bank in Hyattsville, Maryland. He stated since he was released he has been making liquor in the vicinity of North Wilkesboro, North Carolina, and that he recently paid a fine at Charlotte, North Carolina, for public drunk and carrying a concealed weapon, a pistol. During this interview RAY was in possession of a quart bottle of wine with the larger portion of it gone.

RAY described MC LAMB as follows:

Race:	White
Age:	37
Height:	About 5 feet 8 inches
Features:	Round face

RAY is described as follows:

Race:	White
Born:	<div></div> Franklin County, North Carolina
Height:	5 feet 10 inches
Weight:	158 pounds
Hair:	Light brown
Eyes:	Gray
Residence:	1814 Vale Street

The following investigation was conducted at Durham, North Carolina, by SA CHARLES S. MILLER:

On April 26, 1968, HORACE H. HALLETT, Durham, reported that GEORGE E. MC LAMB was still employed by the telephone company but was now in the purchasing department. Employment records reflected that he was at work at Durham, North Carolina, April 3-5, 1968 and worked nine, ten, and nine hours respectively these dates.

On April 29, 1968, HALLETT, supra, advised his records reflected GEORGE E. MC LAMB was currently a division plant supervisor of the Material and Supplies Division. He resided at 2819 Way Cross Road, telephone number 682-2881. Records reflected MC LAMB was born [redacted] at Sampson County, North Carolina. He was hired by the telephone company June 1, 1953, under Social Security number [redacted]

He stated MC LAMB was now a part of management and no longer a member of the IBW Union although he was believed to retain a close friendship with the present president of this organization, BUDDY HOLLAND.

HALLETT stated MC LAMB had an excellent work record and no information concerning financial difficulty, instability, or unusual obsessions was noted in the file.

On May 2, 1968, GEORGE E. MC LAMB, 2819 Way Cross Road, was interviewed at the General Telephone Company of Southeast Maintenance Plant. MC LAMB advised he had had no contact whatever with JACK MAYNARD RAY since the previously reported contact in March, 1965.

MC LAMB noted he never had in fact had any significant contact with RAY.

He did recall that at that time RAY had made a false allegation that the Citizens Council had tried to hire RAY to assassinate MARTIN LUTHER KING but this had not been true.

CE 44-1365

CFW:dmb

5

MC LAMB stated since that time he, MC LAMB, had discontinued completely his affiliation with Durham County Citizens Council. He never had belonged to any Klan unit. Also, he had become a part of management and given up all affiliations with the Teamsters Workers Union.

MC LAMB stated he had no information whatever concerning the assassination of MARTIN LUTHER KING. As previously stated, MC LAMB stated he was opposed to acts of violence and would not uphold in any fashion the shooting of KING.

On April 26, 1968, Detective Lieutenant RICHARD MORRIS, Durham Police Department, advised he had made a check of his department, and none of the officers were aware of any information to indicate that JACK MAYNARD RAY had been in Durham, North Carolina, over the past two years.

MORRIS stated he had requested all officers to contact their informants for information as to the whereabouts of RAY.

On April 27, 1968, MORRIS stated officers of the Durham Police Department had been unable to develop any specific information as to the whereabouts of JACK MAYNARD RAY.

On April 30, 1968, ED MARKS, 1841 Vale Street, advised he understood JACK RAY had previously resided at that address with his sister, SUSIE WHITT, but that he had not seen or heard anything as to the whereabouts of RAY for well over a year.

On April 30, 1968, MELVIN BARBEE, 1810 Vale Street, advised he had known JACK RAY for many years as the brother of his next door neighbor, SUSIE WHITT. BARBEE stated he had last seen RAY in about 1965. He said that the FBI had talked to RAY at that time and immediately after this, RAY had left Durham without notice, stating he was never going to come back.

CE 44-1365

CFW:dmb

6

BARBEE stated RAY's sister, SUSIE WHITT had moved to the Hocutt Road, Durham, North Carolina, but she had recently indicated she did not know RAY's whereabouts.

On April 30, 1968, SUSIE WHITT, Hocutt Road, Durham telephone number 596-7487, advised JACK MAYNARD RAY was her brother. She stated she had not seen him since 1965 when the FBI came to see him. She stated at that time he had been continually drunk. After talking with the FBI, RAY left Durham, stating he was never coming back. He indicated an intention of visiting his wife, MAE RAY, nee MAE HELMS in Charlotte, North Carolina.

Mrs. WHITT advised she never knew Mrs. RAY's address but recalls she had worked at the Charlotte Memorial Hospital.

Mrs. WHITT stated her brother would say anything when drunk. She doubted very seriously any intention on his part to harm anyone. She noted further that he was born over 55 years ago, and no one would mistake him for being under 45.

On May 6, 1968, Detective R. D. RAY, Durham Police Department, advised he had known JACK RAY, but could furnish no information as to his current whereabouts. The only relative he knew RAY to have was his sister, SUSIE WHITT, and she denied any knowledge as to his whereabouts. RAY noted that when JACK RAY had previously been in Durham in 1965, he had been suspected of getting his nephew, the son of SUSIE WHITT, in trouble. JACK RAY himself was regarded as a drunk.

RAY stated the Durham Police Department records reflected RAY, Durham Police Department number 9865, had FBI number 864 684, and was born [redacted] in Franklin County, North Carolina.

CE 44-1365

7

The following investigation was conducted by SA EDWARD J. BRENNAN and SA EMANUEL R. JOHNSON in an effort to locate JACK MAYNARD RAY:

AT CHARLOTTE, NORTH CAROLINA

Records of the Charlotte Police Department were reviewed and numerous references to RAY were located. The records reflected residences of 1915 Thomas Avenue and 1919 Thomas Avenue, and employment at Renfrow Distributing Company.

Neighborhood investigations reflected that Mr. RAY had last been seen in the Charlotte area some four years prior to 1968.

Mrs. SUZIE HUFFMAN, Secretary to the Personnel Director of Charlotte Memorial Hospital, advised that she could locate no record for MAE RAY, nee Helms as an employee of the hospital.

Mrs. ANNE HOWELL, Medical Records Librarian, advised the only record of a patient named MAE HELMS which might in any way be connected with one MAE HELMS in this matter, expired in April of 1963. She had a former address of 1619 Parsons Street, Charlotte. Neighborhood investigation in the vicinity of that location revealed that this particular MAE HELMS had never been married to JACK MAYNARD RAY.

Police records reflected that JACK MAYNARD RAY had been confined at Wilmoth Hospital; therefore, Mrs. BONNIE KNOWLES, Superintendent of Nursing, was contacted at Wilmoth Hospital, an Alcoholics Anonymous institution. No record of RAY was located; however, Mrs. KNOWLES reported he could have entered the hospital under any name he might choose to give; therefore, his photograph was circulated among members of the staff and patients, most of whom are repeaters. They related his face was familiar; however, they could not identify him.

CE 44-1365  
CFW:dmb

8

Contact with personnel of Renfrow Distributing Company failed to reveal anyone who knew the current whereabouts of RAY. Mr. JACK RENFROW advised that RAY remarried one MAE HELMS, who worked as a practical nurse. Canvass of all local hospitals revealed that MAE HELMS worked as a private duty nurse at the Wesley Nursing Center; however, her current whereabouts were not known inasmuch as her mother had recently suffered a heart attack and confined to another local hospital.

A review of the records of the United States Probation Office at Charlotte revealed RAY listed his in-laws as Mrs. CORA HELMS, 1409 Pecan Street.

Inquiry in the vicinity of 1409 Pecan Street revealed that Mrs. CORA HELMS was critically ill in a local hospital having suffered a heart attack. MAE HELMS, her daughter, resides at 1401 Pecan Street, and MAE HELMS was contacted.

She advised that she divorced JACK MAYNARD RAY approximately two years ago and the last contact she had with him was through his sister in Durham, North Carolina, who contacted her in January, 1967, stating that JACK MAYNARD RAY was confined to a hospital in Daytona Beach, Florida, suffering from convulsions. She related he was an alcoholic and she believed he is possibly dead.

On 5/1/68, Mr. HANK NOUCHI, Assistant Manager of the Sheraton Maui Hotel at Kaanapali, Maui, Hawaii, was advised that an individual bearing a resemblance to JAMES EARL RAY had been reported to be in the hotel on 4/17/68. The Bartender in the dining room, Mr. JOE COIT and Mr. NOUCHI did not know the identity of the guest. The waitresses on duty were also questioned with negative results.

Mr. NOUCHI said he would be alert for such an individual and if he appeared at the hotel he would notify the FBI.

On 5/1/68, HN 345C said he has not seen anyone in Lahaina, Maui, Hawaii, resembling RAY. He is familiar with the hippy population and would be in a good position to identify him if he was in Lahaina.

A request has been made of the Maui County Police Department to be alert for the appearance of RAY and to check the logical hippy type hang outs and rooming houses.

For information of Memphis, the Island of Maui has no particular area populated by hippies. The Island does not have particular areas where they congregate or particular hotels or rooming houses where they live. Most of them rent shacks or sleep on the beach. They also live in boats, tents, abandoned buildings, and so forth.

Re Bureau airtel to Philadelphia 4/30/68 re Miss  
J. M. HUNTSINGER - Complainant.

The following investigation was conducted by  
SA HUGH C. NORTON:

At Pottsville, Pa.

On May 1, 1968, Chief of Police MELVIN STETZMAN, Hugins Township, Valley View, Pa., telephonically advised that complainant JEAN M. HUNTSINGER, 704 East Main Street, Hugins, Hugins Township, Pa., is 53 years of age and has been treated several times in the past for nervousness and mental upsets.

At Hugins, Pa.

On 5/3/68, ELLIS E. MILLER, Postmaster, stated Miss JEAN M. HUNTSINGER is his cousin. He stated she has been in the hospital on several occasions for treatment for mental upsets and that she often writes to various public officials about whatever may be currently in the news. He stated she should not pay much attention to what she says as she has a very vivid imagination.

The following investigation was conducted by  
SA SPENCER H. ROBB, April 30, 1968:

AT MONTGOMERY, ALABAMA

RUFUS RAY, 25 East South Street, advised he is retired from the U. S. Internal Revenue Service, after 42 years service, and has resided in Montgomery some 40 years. His son Lt. Col. JAMES EARL RAY, is serving with the U. S. Army in Vietnam. He said Lt. Col. RAY's son, JAMES EARL RAY, JR., has recently joined the U. S. Navy and is stationed in Jacksonville, Florida.

Mr. RAY stated that to his knowledge the JAMES EARL RAY being sought in connection with this KING killing is not related in any way to his family.

Other Offices receiving copies of this airtel were not furnished rerep and so the following background information is being set forth to assist these Offices in conducting the requested investigation:

Investigation has determined that the subject, using the name of ERIC GALT, left Los Angeles, Calif., on 12/15/67, driving his Mustang automobile, in the company of CHARLES J. STEIN, of Los Angeles. STEIN had formerly been a resident of New Orleans and the alleged purpose of this trip was for STEIN to pick up two children of his sister's who were residing in New Orleans and return them to California. According to STEIN, they arrived in New Orleans on 12/17/67 and left New Orleans on 12/19/67. STEIN stayed with relatives and investigation has determined that subject registered at the Provincial Motel, 1024 Chartres Street, New Orleans, on 12/17/67 as ERIC S. GALT and was assigned room 126. The registration card indicated GALT's automobile to be a Mustang bearing Alabama license 1-38993 and his address as 2608 Highland Avenue, Birmingham, Ala. The subject, as GALT, stayed at the motel until 12/19/67 when he checked out.

Interviews of motel employees in regards to the subject have been negative in that they cannot recall him.

There is set forth under a caption for each Office the identity or identities of persons staying at the Provincial Motel from 12/17 through 19/67. The identities of these persons were obtained from the motel registration cards as well as other information which is set forth under the name. The date listed under each name is the date the individual or individuals stayed at the motel. Each Office should locate and interview these individuals for any knowledge or contact they may have had with the subject. Various photographs of JAMES EARL RAY, which have been furnished to all Offices, should be displayed to these individuals to ascertain if they recall RAY.

In order to assist Memphis, the Office of Origin in this matter, each Office should set forth the results of this investigation in report form with copies of the reports designated for the Bureau and Memphis.

NO 157-10673

In the preparation of these reports, it is suggested that an appropriate predication for this part of the investigation be utilized in the details prior to reporting the results of contacts with these individuals. As an example, the following information might be used for this predication:

Information was Received from the New Orleans Office of the FBI that (insert name and address of person) had registered on (insert date) at the Provincial Motel, 1024 Chartres Street, New Orleans, Louisiana.

Of course, if any pertinent information is developed as a result of these contacts, this information should be brought to the attention of the Bureau and Memphis by the most expeditious means.

Each Office is reminded that previous Bureau instructions are that leads in captioned matter should be covered within 24 hours.

Re Albany airtel to Bureau dated 5/1/68.

R. J. HANAVAN, Sales Manager, AMETEK, Inc., South Portland, stated on 5/7/68 that the location of the identified Thermo-Seal Machines cannot be located through AMETEK records, South Portland, on the information set forth in referenced airtel.

He advised that the companies listed on the referenced airtel were believed by him to be located in the New York, Long Island, and New Jersey area and that contact with SAM GIAMIO, Sales Manager, and BILL EISKAMP, Service Manager, of the Pantex-Prosperity Division of AMETEK at 4 Station Square, Rutherford, New Jersey would probably identify the companies and establish their current addresses. HANAVAN stated that Budget Cleaners Company Unit 32368 shipped on 7/27/62 was probably shipped to Budget Cleaners, 45 Avenue B, New York, New York, and that New-Clear Company to which Unit 33495 was shipped was probably shipped to New-Clear Company, 172 Middle Neck Road, Great Neck, Long Island, New York, or the same company at 192-10 Lingen Boulevard, St. Albans, New York.

For information of Newark and New York, Albany in the referenced airtel advised that regarding Thermo-Seal Machines

shipped to Pantex-Prosperity Textile Marking Machine Company, records disclosed nothing regarding the following Thermo-Seal Machines:

Serial Numbers 32146, 32151, 31992, 31430, 31437, 31331, 31656.

Mr. DONALD BROTON, Textile Marking Machine Company, advised that most of these machines were purchased in connection with sales of complete laundry facilities by Pantex-Prosperity and therefore their contract records should show what happened to these machines. Textile Marking Machine records which would show names other than Pantex Prosperity on these machines have been destroyed because of age. These records show the following regarding the following Thermo-Seal Machines:

SERIAL #	PANTEX-PROSPERITY ORDER NUMBER	DATE	IDENTITY OF COMPANY FOR WHOM PURCHASED
32068	406	1/8/62	JESS A. HILAND
32307	544	4/12/68	T&C Cleaners, Huntington (no state shown)
32368	688	7/27/62	Budget Cleaners
32440	753	8/15/62	Francine
32449	509	No date	RON HIL Plainview, (no state)
32695	1154	5/3/63	Country Squire Drive-In Cleaners. In addition, the name Meadowlark is also noted.
33495	1106	10/27/68	New-Clear

Mr. BROTON further advised that these machines may have been installed by Delta Cleaners and Equipment Company, 875 Prospect Avenue, Westbury, Long Island, who installed the majority of the machines for Pantex-Prosperity. He stated however that Delta Cleaners and Equipment Company is believed to be now out of business or in bankruptcy and those records particularly those prior to 1962 may not be available.

Mr. BROTON further suggested that if none of these avenues disclosed the locations of these machines, he suggested contact with ANDY DOBOS, 301 Fycke Lane, Teaneck, New Jersey, the Textile Marking Machine Company repairman who did the majority of repair work on machines installed by Pantex-Prosperity.

LEADS:

NEWARK DIVISION

AT RUTHERFORD, NEW JERSEY:

Will contact the identified individuals of the Pantex-Prosperity Division at 4 Station Square, and determine if the company identified any purchases made and their location established. If this information is available, will notify the offices where the companies are located to conduct investigation requested by Memphis airtel to All Continental Offices dated 4/19/68, with respect to the Thermo-Seal Textile Marking Machine Company Units which are listed on page 25 of that serial as being shipped to the Pantex-Prosperity Company, South Portland.

NEW YORK DIVISION

AT NEW YORK CITY, NEW YORK:

Will contact Budget Cleaners, 45 Avenue B, to determine if a Thermo-Seal Textile Marking Machine Unit is located there; and if so, conduct investigation requested in Memphis airtel to All Continental Offices dated 4/19/68.

AT GREAT NECK AND ST. ALBANS, NEW YORK:

Will contact New Clear Companies to determine if a Thermo-Seal Textile Marking Machine Unit is located there; and if so, conduct investigation requested in Memphis airtel to All Continental Offices dated 4/19/68.

BOSTON DIVISION

AT PROVIDENCE, RHODE ISLAND:

Will contact Miss GALLAGHER or MANNIE OLIVER at the office of MAX WINOGRAD, Referee in Bankruptcy, and Trustee for the AMETEK Corporation Hospital Trust Building, Providence, Rhode Island, and determine if they are able to furnish any information from a review of the records through which the whereabouts of Thermo-Seal, Textile Marking Machine Company Units

The Bureau has designated Memphis as office of origin in this case.

You were previously advised that leads in this Top Ten Fugitive case must be handled within 24 hours. The Atlanta, Birmingham, Chicago, Houston, Jackson, Kansas City, Los Angeles, New Orleans, St. Louis, and Springfield Offices are to prepare the results of their investigation to date in report form, not as an insert. At such time as the amount of investigation in these field offices does not appear to warrant individual reports, advise the Bureau and office of origin that inserts being prepared in future in lieu of reports, UACB.

All other offices will record the results in appropriate form and transmit 15 copies of each to the office of origin for inclusion in reports submitted by the Memphis Office. Should investigation increase in any such area warranting submission of individual report, do so and advise the Bureau and Memphis.

LEGATs are to submit results of investigation which can be disseminated in letterhead memorandum form suitable for dissemination. Any administrative data which cannot be disseminated is to be set forth in the administrative section of your transmittal communication. Look-alikes and other leads resolved and reported by cablegram or other communication need not be rereported as copies of these communications are being forwarded office of origin by the Bureau for administrative handling of the case.
