The above-mentioned seven (7) companies were contacted and advised as follows:

## FEDERAL BUREAU OF INVESTIGATION

1Date 4/22/68

HAROLD GLENDENNING, Manager, Base Exchange Laundry, Naval Station Annex, San Juan, Puerto Rico, advised that he has four (4) Thermo-Seal marking machines, made by the Textile Marking Machine Company.

He advised that they have never used a series of marking numbers starting with the letter O in marking laundry.

He stated that the Thermo-Seal tape is used by the laundry only on laundry and not dry cleaning and the red tape is used on "Super Specials," which is laundry with same day service. He advised that the Base Laundry uses the first letter of W on the red tape specials.

GLENDENNING viewed the photograph of the laundry mark "O2B-6" and stated that this does not appear to have been made by his machines. He noted that the first letter, O, was cut and the tape appeared to be shorter than the tape from his machines.

GLENDENNING furnished samples of the tape from each of his machines. These samples were taken in the presence of SA JAMES R. MARTIN from the following Textile Marking machines:

- 1) Serial Number 34064
- 2) Serial Number 34063
- 3) Serial Number 33520
- 4) Serial Number 33521

GLENDENNING advised that there is a distributor of Thermo-Seal tape in Puerto Rico and his name is MANUEL GOMEZ ESTEVES, Quisqueya and Haiti Streets, Hato Rey, Puerto Rico.

He stated that the laundry mark W2B-6 was used by the Base Laundry on 1/23/68, however, a search of all of the laundry files, both special and regular, failed to locate the laundry mark of W2B-6.

The following investigation was conducted by  
SA LANSING P. LOGAN:

Re: Suspect ROBERT MORROW

Investigation was initiated in efforts to determine if suspect ROBERT MORROW was possibly identical with ERIC STARVO GALT based upon information furnished by Patrolman WILLIAM ELIAS of the Beaufort Police Department, Beaufort, South Carolina, on April 18, 1968, who advised as follows:

Patrolman ELIAS advised he observed an individual drinking coffee in the Sea Island Restaurant and Motel, Beaufort, S. C., during the early morning hours of April 18, 1968, and this individual resembled in a very vague way that photograph of ERIC STARVO GALT that appeared in a local newspaper that day. Patrolman ELIAS stated that he checked this individual and upon request for identification, this individual produced a drivers license in the name of ROBERT MORROW from Port Washington, New York. Patrolman ELIAS stated that MORROW had a long beard and was apparently traveling on a sailboat that pulled into the Griffin Marina, Beaufort, S. C., that previous evening, April 17, 1968.

Patrolman ELIAS stated that MORROW was looking for a ride, either to Savannah, Georgia, or to Charleston, South Carolina, where he could catch a plane to Florida. Patrolman ELIAS stated that MORROW appeared very suspicious and in a vague way resembled the photograph of GALT.

In an attempt to locate ROBERT MORROW at the Sea Island Motel and Restaurant, Beaufort, S. C., on April 18, 1968, it was unproductive.

On April 18, 1968, Mr. JOHN M. GRIFFIN, Sinclair Service Station in marina, Beaufort, S. C., advised that a Criss Craft Sailboat approximately 50 ft. long sailed into his marina on the evening on April 17, 1968, and there was a crew of three or four individuals. He stated that one of the individuals got off at Beaufort, S. C., and was looking for a way to Florida. He stated this individual, name unknown, had indicated that he wanted to rent a car to drive to Vero Beach, Florida, but stated the individual never did rent a car.

Mr. GRIFFIN advised that the last time he saw this individual was around 10 o'clock in the morning at the Sea Island Restaurant and Motel, Beaufort, S. C. Mr. GRIFFIN advised that the Criss Craft Sailboat is owned by JAMES R. SHEPLEY, who resides Harbor Road, Port Washington, New York. He stated he has no idea who SHEPLEY really is and that this was the name that the crew of the Criss Craft Sailboat had purchased gas in.

On April 18, 1968, Mrs. MARGE GIBSON, Radio Dispatcher, Police Department, Beaufort, S. C., advised that an individual by the name of MORROW came into the police station on the evening of April 17, 1968, and was trying to find transportation to Vero Beach, Florida. She stated MORROW finally chartered a plane from Commander HOOVER of Ladys Island, S. C., and that Mr. HOOVER apparently flew him to Vero Beach, Florida. Mrs. GIBSON stated that MORROW apparently had his wife in Florida and wanted to return as she was sick.

A photograph of ERIC STARVO GALT was exhibited to Mrs. GIBSON, at which time she advised that MORROW did not look anything like GALT.

On April 18, 1968, Sergeant ROBBIE ROBINSON, Beaufort Police Department, Beaufort, South Carolina, advised that he talked with ROBERT MORROW on the evening of April 17, 1968, and had determined MORROW was sailing on the sailboat that belonged to Mr. JAMES SHEPLEY, a prominent citizen from New York. Sgt. ROBINSON stated that MORROW made a couple of phone calls and was attempting to obtain travel to Vero Beach, Florida, where his wife was. He stated that MORROW ~~has~~ is a well educated man and in no way resembles the photograph of ERIC STARVO GALT.

On April 18, 1968, Patrolman WILLIAM ELIAS, Police Department, Beaufort, S. C., was recontacted and after viewing a photograph of ERIC STARVO GALT stated that GALT did not look anything like ROBERT MORROW, who he had previously seen drinking coffee in the Sea Island Restaurant and Motel, Beaufort, S. C.

The following investigation was conducted by SA EDWARD E. FLECK at Charleston, S. C.

On April 18, 1968, BEAUREGARD "BO" SWEENEY, 30 Dolphin Green, Port Washington, New York; and ROBERT MC GURN, 71 Promenade, Glen Head, New York, were both interviewed aboard the sailboat Syriene, which is owned by JAMES SHEPLEY, Editor of Time Magazine. Mr. SWEENEY stated that SHEPLEY is not presently on the sailboat Syriene as they are taking the boat back to Port Washington, N. Y., to SHEPLEY. SWEENEY explained that he is a friend of SHEPLEY's, and has been signing SHEPLEY's name to avoid the need for explanations while paying for such items as gas and dock privileges.

Mr. SWEENEY and Mr. MC GURN stated that they have known ROBERT MORROW, who is a Circulation Manager for Readers Digest for Nassau and Suffolk Counties, Pleasantville, New York, for the past eight years. They stated MORROW

lives at Port Washington, New York, exact address unknown, and has telephone number PO7-5513. They stated they have been in the constant company of Mr. MORROW since April 11, 1968, when they began their present vacation together. They advised that MORROW left the group on the morning of April 18, 1968, while at Beaufort, S. C., and it was MORROW's intention to leave the boat and return to his wife and children who are at Vero Beach, Fla. MORROW's wife's parents, whose name is BURROUGHS, is retired from Shell Oil Company of New York City; however, Mr. BURROUGH is a part time consultant for oil companies and he presently operates a golf course at Vero Beach, Fla.

Mr. SWEENEY and Mr. MC GURN stated that MORROW was working at Pleasantville up until the time of their departure on April 11, 1968. They further advised that without question MORROW is in no way connected with the slaying of Dr. MARTIN LUTHER KING, JR. After viewing a photograph of ERIC STARVO GALT, Mr. MC GURN stated that GALT bears a fairly close resemblance to MORROW especially from the nose up particularly along the hair line. SWEENEY said he did not see much resemblance between GALT and MORROW and noted that GALT has much thicker jaws than does MORROW. They could offer no further information of value to this matter, and stated MORROW is definitely not identical with GALT.

The following investigation was conducted by  
SA LANSING P. LOGAN at Beaufort, South Carolina:

On April 18, 1968, MARY PEARL LOYNES, who is also known as Trudy, Lot #12, Pinckney Trailer Park, Beaufort, South Carolina, was contacted at her place of employment, Sea Island Motel and Restaurant, Beaufort, at which time she advised that the photograph of ERIC STALVO GALT in the local newspapers resembled an individual who previously patronized the Limbros Restaurant located 86 North Main Street, Memphis, Tennessee, where she was previously employed. Mrs. LOYNES advised that she worked as a waitress in the Limbros for the past five years and worked 11 AM to 9:30 PM. Although she could not recall the exact number of occasions, Miss LOYNES stated that she observed this individual resembling GALT on four or five occasions in the restaurant during the past year.

Mrs. LOYNES stated that the Limbros Restaurant has several customers from the Riverboats noting that the restaurant is located in the same general area as that of the river. She stated that the river is actually on Front Street and that the Limbros Restaurant is only located a block or so away. She stated that the individual resembling GALT was apparently in some way connected with Western Music as she believed that he talked about music on several occasions. She did not feel that this individual resembling GALT was in any way connected with the riverboats and can recall that he was neatly dressed whenever he came into the restaurant. She stated that the individual that she believes resembles GALT is a white male, approximately 30 to 35 years old, about 5'10", weighing about 185, with light gray "far off" looking eyes and had ~~dark~~ blond hair.

Mrs. LOYNES stated that she terminated her employment with Limbros Restaurant, Memphis, Tennessee, approximately one month ago and is of the opinion that she observed this individual just prior to leaving her employment. She stated to the best of her recollection, this individual resembling GALT was wearing a white shirt, possibly short sleeved, and

appeared to be a neat dresser. Mrs. LOYNES stated she would have observed this individual in the restaurant prior to the assassination of Dr. Martin Luther King, Jr.

Mrs. LOYNES went on to say that she could offer no additional information concerning this individual and has no idea of his identity. She stated that he appeared to look similar to the photograph appearing in the local newspapers April 18, 1968, and noted in particular that the eyes of GALT were very similar to the eyes of the individual who frequented the Limbros Restaurant in Memphis, Tennessee. She stated it is possible that some of the other employees at the Limbros Restaurant would have possibly noted this individual and could furnish information regarding him. She stated that ANN LESO, waitress, Limbros Restaurant, works 11 AM to 2 PM shift could possibly identify him or possibly the cashier, Mrs. TOM SEMELIA (phonetic) could furnish information regarding this man.

LOYNES stated that she is presently residing with one DON FIRTH of the Marine Corps Air Station, Beaufort, South Carolina, and that they reside together in a trailer at the Pinckney Trailer Park. She stated that she is actually not married to DON FIRTH but they expect to get married in the very near future.

When questioned in detail concerning the similarity and physical makeup of GALT and the individual she was referring to who frequented the Limbros Restaurant, LOYNES stated that she does not really know why she thinks they may be the same individual. LOYNES was very vague when answering specific questions and did not answer questions in a direct manner.

LOYNES is presently working as a waitress at the Sea Island Motel and Restaurant and requested that any future contact with her be made at the restaurant. She stated that she would rather not have anyone know that she is living with her boyfriend and reiterated that she expects to be married within the very near future.

RE: SUSPECT WHO RESEMBLES PHOTOGRAPH OF ERIC  
STARVO GALT SEEN ON APRIL 15, 1968, AT UNCLE  
CHARLIE'S GRILL, EHRHARDT, SOUTH CAROLINA

The following investigation was conducted by  
SA W. J. DANIELSON, JR., on April 24, 1968, at Ehrhardt,  
South Carolina:

On April 18, 1968, Mrs. JOE DANNELLY, 110 South  
Ravenel Street, Columbia, South Carolina, telephonically  
advised as follows:

On Monday, April 15, 1968, she and her three  
daughters stopped at Charlie's Grill, Ehrhardt, South Carolina,  
about 1:30 p.m. for lunch. While there, a white male came  
into the grill, ordered lunch, and then walked out before  
he was served.

From conversations she overheard among the employees,  
in the grill, this person was a stranger to them. This person  
acted strange and nervous.

On Thursday, April 18, 1968, she and her daughters  
saw a photograph of ERIC STARVO GALT in The Columbia Record,  
Columbia, South Carolina; and they noted the stranger mentioned  
above closely resembled the photo in the paper. She could  
furnish no further information regarding this person.

CHARLES WILLIAMS, Uncle Charlie's Grill, Ehrhardt,  
South Carolina, was shown photographs of JAMES EARL RAY, also  
known as Eric Starvo Galt; and he remembers an individual  
who was in his restaurant on April 15, 1968, as being a  
very nervous individual who ordered a meal and left before  
being served. After viewing the photograph, he advised  
that this individual was not similar to the subject.

I am 75 years old and have been dealing with metaphysics for more than twenty years now and have solved many problems or intricate cases. I have also located the whereabouts of many missing persons. I have discovered that only Eric Starvo Galt and no one else could be the murderer of Martin Luther King, that he doesn't have a false name and that he is staying in Florida.

In case you are interested in finding out more details, please don't hesitate to call on me.

Very truly yours,

Cecil M. Shilstone  
Information Concerning

On May 6, 1968, Mr. Charles I. Denechaud, Jr., an attorney located at 1412 Pere Marquette Building, New Orleans, Louisiana, appeared at the New Orleans Office of the Federal Bureau of Investigation, along with Mr. Cecil M. Shilstone. Mr. Denechaud stated he has represented Mr. Shilstone for many years and that Mr. Shilstone was insistent upon coming to the New Orleans Office of the FBI to provide certain information.

Mr. Shilstone stated he is president of the Shilstone Testing Laboratory, Inc., as well as president of the Shilstone and Associates, located at 814 Conti Street in New Orleans. He stated that in the past he has had an association with District Attorney Jim Garrison in regards to Garrison's probe of the assassination of President John F. Kennedy. He said this association with Garrison was strictly to give financial support to Garrison's investigation. Mr. Shilstone said that at the inception of Garrison's investigation into the assassination of President Kennedy and prior to the time that Clay Shaw was arrested, Garrison needed money to conduct his inquiry. As a result, Garrison contacted Shilstone, as well as Willard Robertson and Charles Rauch (phonetic), requesting contributions. He said these three individuals, as well as others, whom he did not name, contributed money to Garrison and had formed a group known as "Truth and Consequences."

Mr. Shilstone stated his purpose in appearing at the New Orleans Office of the FBI was that in the past day or so individuals had told him there was a rumor going around New Orleans that Shilstone is the New Orleans industrialist and

Cecil M. Shilstone

"political killer" referred to in the New Orleans newspapers a week or so ago in connection with the murder of Martin Luther King. Shilstone stated he had read these articles in the New Orleans papers and that he had no idea as to how these rumors got started. He said the following individuals were personal friends of his and had contacted him and had told him about the rumors:

Harry Batt, owner and operator of Pontchartrain Beach Amusement Park

Louis Rousell, a New Orleans financier

Clem Sehrt, President of the National American Bank in New Orleans

A New Orleans physician whom he did not wish to identify

Mr. Shilstone stated that in the past he has been a political ally of Governor John McKeithen, Governor of Louisiana, and had contributed to the Governor's campaign and had, in fact, "master-minded" the Governor's re-election for a second term.

Mr. Denechaud stated that about a week ago he was informed by Carlos Chimera, who is the operator of the Pere Marquette Garage, that Chimera had been informed by Joseph Dirosa that rumors were circulating that the person referred to in the newspapers as the New Orleans industrialist was Cecil Shilstone.

Mr. Shilstone stated he had no information in regards to the assassination of Martin Luther King, Jr., and that when the various people had told him about these rumors, he informed them there was nothing to these rumors. Mr. Shilstone stated he had not attempted to ascertain the source of the rumors. Mr. Shilstone related that he was concerned that these rumors

about him, if they became generally known, might cause some Negro militant to shoot him.

Mr. SHILSTONE also inquired as to whether the FBI would make a statement that he was not involved in the MURKIN case and was again informed that the FBI had no comment.

Mr. SHILSTONE inquired as to whether his appearance at the New Orleans Office of the FBI would be made a matter of record and was informed that this would be done.

The files of the New Orleans Division contain several references in regard to Bufile 62-109060, relating to SHILSTONE. These references reveal that SHILSTONE was one of the organizers of a group of local New Orleans businessmen who formed an organization known as Truth and Consequences, which gave money to District Attorney JAMES GARRISON to conduct his probe. Other references in the New Orleans file reveal that SHILSTONE is president of the Shilstone Testing Laboratory which conducts various tests on winning horses at Louisiana race tracks.

Re Chicago airtel to Newark dated 5/6/68.

On 5/9/68, PCI MARJORIE LOUISE FETTERS, 2420 Arnold Street, Camden, N.J., telephone number 609-964-4923, advised SA JOHN E. OTTO at about 3:00 p.m. on 5/8/68, JERRY RAY telephonically contacted her at her residence. He said he was calling from St. Louis, Missouri.

He stated he had telephonically contacted his employer at the Northbrook, Illinois, Country Club. His employer advised him to return to work on 5/9/68 or soon thereafter and arrangements would be made for him to begin residing in an apartment away from the club. He said his employer thought such a move could possibly avert the type of attention that was attracted to JERRY RAY by news media when they recently learned he is the subject's brother.

JERRY RAY asked PCI if it would be readily possible for him to obtain employment in the Camden, N.J., area if he decided to come there to live. He said he is strongly thinking of making such a move so he could be closer to PCI. PCI apprised him of various major industries in the South Jersey area and JERRY RAY appeared to her to be favorably impressed. JERRY RAY mentioned he had learned he would be able to receive about \$44 a week in unemployment benefits until he obtained a job should he terminate his present position at the Country Club in Illinois.

For the information of Chicago, JERRY RAY said in a letter he sent to PCI, which was postmarked on 4/29/68 at Wheeling, Illinois, he owns a 1960 DeSoto and a 1961 Plymouth. In a previous telephone conversation with PCI, he said he keeps the Plymouth at his father's farm in Centerville, Missouri.

On 5/8/68, PCI's telephone conversation with JERRY RAY was disconnected. About a half hour later, he called her at her residence again and they completed their conversation.

PCI further advised that JERRY RAY said he is going to send her \$25 enclosed in a letter or to be sent by a wire to reach her by 5/11/68. It is noted he sent PCI a \$25 money order enclosed in the described letter postmarked 4/29/68.

PCI said JERRY RAY told her he would telephonically contact her next on 5/11/68. He commented he would rather talk to her on the telephone than write her. He did not further explain this statement.

PCI again stated under no circumstances does she want her cooperation with the FBI in connection with this matter to ever become known outside of the FBI. She again also said it is a special concern to her that JERRY RAY never know of her assistance to the Bureau.

Miss MILLER saw a poster with photographs of JAMES EARL RAY and noted a resemblance of the 1960 photograph to a man with whom she had the following dealings:

Miss MILLER put an ad in the Classified Sections of the Sunday Star and Washington Post advertising a sofa for sale for \$175.00. She believed that the ad appeared in the April 7 or 14th issues. On a Wednesday night after the ad appeared she received a telephone call from a man asking about the sofa. It was late, 11:30 p.m., and the man said he would come to see the sofa the next evening.

He came to Miss MILLER's residence in a station wagon with a male companion and bought the sofa. He paid for the sofa with a check drawn on the Suburban Trust Company, Hyattsville, Maryland. The names DAVID and LALAN COOPERMAN, Account # 67 1940 3 was printed on the check, but no address was listed. 8107 Eastern Avenue, Silver Springs, Md. (Miss MILLER later learned that this address is listed to IRVING and REBECCA COOPERMAN.) She called them and determined that they are no relation to above DAVID COOPERMAN and knew nothing of the transaction.

Telephone # 526-4042 (Miss MILLER learned from the Telephone Company that his phone is subscribed to by a person named PORTER, 1915 Otis St., N.E., WDC.) She has been unable to reach this person by phone.

Re the purchaser: Miss MILLER described him as about age 37, 5'10", slender build, sandy blonde hair, eye color not known, just a trace of Southern accent. She did not know the make of station wagon, thought it was late model, license number unknown, light colored with wood tone trim. The companion of the purchaser is described as early twenties, "cute, slim, blonde". No names were exchanged between the two men.

The check was returned with a note "Non sufficient funds" and was dated 4/26/68.

Miss MILLER said that last Sunday, 5/5/68, she drove out to the residence of DAVID and LALAH COOPERMAN and spoke to them. They knew nothing about the transaction, but stated that their checkbook had been lost about two months previously and that they had learned that someone had purchased a refrigerator using one of their checks.

Miss MILLER stated that she has the check for the sofa in her possession and can be reached at her home phone or at the Fairfax Recreation Department.

Richmond should show additional photographs of RAY to Miss MILLER for possible identification.

Baltimore should determine possible ITSP violations.
