DONALD JAMES NISSEN
PAROLE VIOLATOR

MURKIN

Enclosed for Memphis is one copy of investigative insert reflecting interview of subject by Agents of the St. Louis Office on 8/5/68. It is noted that Nissen claims that he absconded and therefore violated his parole because he possesses information concerning the Martin Luther King, Jr., assassination and therefore fears for his life. Nissen has apparently made this claim to his probation officer who in turn has furnished same to the U. S. Board of Parole.

Memphis is requested to prepare letterhead memorandum for dissemination to the U. S. Board of Parole outlining the results of the interview of Nissen by St. Louis Agents on 8/5/68. Also include in the letterhead memorandum other information bearing on Nissen's claim. In this regard if investigation has not substantiated the alleged contact by individual allegedly representing Leroy McMenamy, same should be clearly set out in the letterhead memorandum. Handle promptly and furnish to Bureau by airtel.

Re: **DONALD JAMES NISSEN**
PAROLE VIOLATOR

On June 2, 1967, Donald James Nissen, FBI Number 607320A, then an inmate of the County Jail, Sherman, Texas, advised a Special Agent of the Federal Bureau of Investigation that while in Leavenworth Penitentiary, Leavenworth, Kansas, from July, 1965, until April, 1967, he became very friendly with an inmate identified as Leroy McMenemy. Nissen described McMenemy as having come originally from western Kansas and as having allegedly been a Mississippi bootlegger. According to Nissen, he and McMenemy worked together in the shoe factory at Leavenworth.

Just before Nissen was paroled, McMenemy approached him and stated he knew Nissen was going to Atlanta and he told Nissen that \$100,000 had been offered by the White Knights of the Ku Klux Klan of Mississippi (WKKKK) to be paid to anyone who would kill Martin Luther King, Jr. Nissen said that McMenemy instructed him to contact a Mrs. Eare at the Eare Realty Company, Jackson, Mississippi. McMenemy indicated he would write to Mrs. Eare that Nissen was "okay" and when Nissen contacted Mrs. Eare she should write to McMenemy and tell him that "Don" had arrived.

Records of Leavenworth Penitentiary, Leavenworth, Kansas, reflect that one Leroy Basil McMenemy, a white male, born [redacted] began his sentence at Leavenworth on January 18, 1963. These records reflect that McMenemy had written often to a Sybil Eare who lives in Jackson, Mississippi, and that he had received seven visits from Sybil Eare. These records further reflect that McMenemy planned to work with Sybil Eare in the real estate business upon his release from Leavenworth.

DONALD JAMES NISSEN

On August 8, 1967, Mrs. Sybil M. Eure, Jackson, Mississippi, advised a Special Agent of the Federal Bureau of Investigation that she was well acquainted with Leroy McMenaman and frequently corresponded with him at Leavenworth Penitentiary. She explained that early in 1964 she rented a room at her residence where McMenaman stayed for a few weeks and that as far as she knew this was the only time he had spent in Mississippi. She did not believe him to have ever been involved in Klan activities or to have ever associated with anyone involved in Klan activities. She also denied any personal involvement in Klan activities.

She stated she had never heard of Donald James Nissen and she denied having any knowledge of any plot to kill Martin Luther King, Jr.

Following the murder of Martin Luther King, Jr., on April 4, 1968, Mrs. Eure was reinterviewed by Special Agents of the Federal Bureau of Investigation regarding the possibility of her having any knowledge of a plot to murder King. She said she recalled that in 1964 when she first met McMenaman the murder of three civil rights workers in Neshoba County, Mississippi, was getting a great deal of publicity and the Sheriff of Neshoba County was presumed to be, according to the news media, a member of the Klan. She recalled mentioning to McMenaman that her business was in minor financial difficulty and that if she approached the Sheriff of Neshoba County, she could probably get \$100,000 for killing King. She said she now realized that McMenaman had taken her casual statement seriously and she also realized, since King's murder, the seriousness of such a statement. Mrs. Eure denied having any knowledge of any plot to murder King.

DONALD JAMES NISSEN

On the morning of August 5, 1968, Donald James Nissen, who was then being sought for violation of his parole, surrendered himself at St. Louis, Missouri, to Special Agents of the Federal Bureau of Investigation. Nissen advised these Agents that he had been living and working in Tampa, Florida, and furnished the following information as being the reason for his having left the Atlanta, Georgia, area:

Around the first or second of December, 1967, as he was leaving the Federal Building in Atlanta, Georgia, after having contacted his parole officer, Nissen was hailed on the steps of the Federal Building by an unknown individual. This person told Nissen he had a message for him from Mac. Nissen stated he believed Mac to be Leroy McMenaman whom he had known at Leavenworth Penitentiary and who had told him of the \$100,000 being offered by the WKKKKOM to anyone who would kill Martin Luther King, Jr.

The unknown person who spoke to Nissen then told Nissen that apparently someone had done some talking. Nissen assumed that this person was referring to information that Nissen had furnished to the FBI in Sherman, Texas, in April, 1967. At this moment an associate of Nissen called to him from across the street and the unknown individual immediately walked away. Nissen assumed that this unknown individual had thought the person calling him might be a law enforcement officer and that the unknown individual did not desire them to learn his identity. Nissen stated further that the more he thought about this incident, the more alarmed he became and he shortly left Atlanta and obtained other employment.

He said the only other incidents which aroused his suspicions were telephone calls made to him at his place of employment during which the caller declined to reveal his identity. Nissen stated he considered relating these facts to his parole officer at Atlanta but decided against it since he did not trust his parole officer and since he was afraid his parole might be revoked. He

DONALD JAMES NISSEN

stated he also considered notifying the FBI in Atlanta but decided against this also. He stated he felt uncomfortable and worried in the Atlanta area in view of the information he had furnished in connection with the bounty on Martin Luther King, Jr.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

Miami tel to Bureau, 8/10/68, indicated that Mrs. LAURA SULLINGER, according to a Miami informant, had written letters to BYRON GAAR, aka Horace Byron Gaar, allegedly in Texas, requesting that GAAR and another individual named (FNU) HENDERSON of North Carolina, immediately remove arms from her property in North Carolina.

Subsequent investigation revealed that arms and ammunition were located by the Charlotte Office.

Investigation being conducted by several offices in this matter to locate and interview HORACE BYRON GAAR, JR., who apparently is identical with the individual referred to above.

FORREST BOLDING, Aero-Medical Branch, Federal Aviation Agency (FAA), Oklahoma City, advised that GAAR was afforded a medical examination on 2/28/68, at which time he indicated his address as P.O. Box 2458, Managua, D.N. Nicaragua, and the examining doctor was CHARLES L. ROSER, 629 S. First St., Louisville, Kentucky. GAAR indicated on 2/28/68, that he is a self-employed crop duster and has been for the past five years. He is described as W/M, born [redacted] Louisville, Kentucky, 5'11", 150 lbs., brown eyes, brown hair.

In addition to the letter written to GAAR by Mrs. LAURA SULLINGER from Miami and the location of the arms and explosives on SULLINGER's farm in North Carolina, additional significance may be attached to the proposed interview with GAAR, since GAAR was previously arrested on 3/23/64, by Alcohol Tax Unit, George County, Mississippi, for operating an illegal still. At the time of his arrest, he had several weapons in his possession and a large supply of hate literature.

For the information of all offices, Mrs. LAURA SULLINGER of Miami, Florida, is closely associated with Mrs. MARGARET CAPOMACCHIA, mother of Mrs. KATHLEEN AINSWORTH (deceased), formerly of Jackson, Mississippi, who was killed in a shootout between Meridian police officers and her companion, THOMAS ALBERT TARRANTS, III, while attempting to place 29 sticks of dynamite rigged with a timing device at the home of a prominent Jewish citizen, Meridian, on 6/30/68. TARRANTS was seriously wounded and is still in custody at Meridian. Information in TARRANTS' effects indicated he is a self-confessed member of the Minutemen and has been operating underground since March, 1968. Current investigation in Mississippi indicates TARRANTS and others may have been in contact with ROBERT BOLIVER DePUGH - FUGITIVE, IO # 4176; however, DePUGH's whereabouts have not been determined.
