SUBJECT: MURKIN

On 4/17/68 at 1:50 p.m., R. C. HAWKS, 79 N. Bellevue, Memphis, Tenn., Apt. 7, who has no home phone, furnished the following information:

He is a retired sergeant in the U. S. Marine Corps, having served 30 years.

He had been at Nina's Lounge located at 2947 Overton Crossing Road, Memphis. There was an individual in the lounge, name not known to him, who claimed that he was in the U. S. Marine Corps and was on leave and was then enroute to Vietnam. This individual, from his general appearance and haircut, did not appear to HAWKS to be a Marine.

This individual fit the general description of the composite picture which had been shown in the Memphis newspapers regarding instant case. He did not know the man's name, but according to a waitress at the lounge, this individual apparently was a stranger in this lounge and was drinking beer and apparently was becoming intoxicated.

He furnished the following description of the unknown individual:

Race	white
Sex	male
Age	30 to 35
Height	6'
Weight	170 lbs.
Hair	black and combed
Appearance	neat dress.

A review of Tennessee birth records reflects a white male born [redacted] in Sumner County, Tennessee, an illegitimate birth, resulting the child being listed only as (MFM) HARRISON. The father was listed as JOE HARRISON and the mother as LOUCILLE PITT.

On October 12, 1949, this birth certificate was altered to reflect the child's name as JACKIE WILLARD PITT, and on October 13, 1949, a copy of this certificate was mailed to J. D. WILLIAMS, 2835 W. Modina, Chicago, Illinois.

Noting that this birth record was obtained confidentially, Chicago will discreetly attempt to determine if JACKIE WILLARD PITT, who is possibly identical with J. D. WILLIAMS, could be identical with ERIC STARVO GALT.

FROM : SA THOMAS L. BUCKLEY

SUBJECT: MURKIN  
CR  
OO:ME

At 1:15 PM, instant date, Mr. TOM HUTTON, Chuck Hutton Dodge Co., 1170 Union, Memphis, Tenn., telephonically contacted this office and advised that on 4-11-68 two of his salesman, CHARLES MC COLLUM and E. N. TRACY had sold a 1960 Mercury station wagon to a MR. CUTLER for \$270.00 cash.

CUTLER came to the dealership earlier in the day, left a \$20.00 deposit on the car stating that he was getting the rest of the money from Denver and/or Chicago via Western Union. He asked if the car would make it to Sioux Falls, S.D. CUTLER told the salesman that he sold encyclopedias and made about \$40,000.00 per year, also indicated he was 40 years old and has a daughter who recently graduated from college in Denver. CUTLER was dressed in an Allied Van Lines uniform.

HUTTON has been informed by his salesman that CUTLER does not resemble the photos of ERIC STARVO GALT published in todays paper, nevertheless they feel he may have some connection with the killing of Dr. KING particularly in view of the highly unlikely story he told them.

HUTTON does not feel there is a connection with captioned matter and furnished the above for evaluation.

HUTTON's files contain a more complete record of above mentioned sale. They were not available to him at the time he called this office.

PHOTO OF POSSIBLE SUSPECT

Enclosed for Memphis and Birmingham are one photo each of TOMMY RAY WHITE.

On 4/15/68, Mrs. BARBARA DIEHL, 3239 Route 225, Rootstown, Ohio, phone 947-2559 (Atwater), which is located about halfway between Youngstown and Akron, Ohio, furnished the following information which she requested be kept confidential:

She stated that after the killing of KING on 4/4/68, she and other members of her family observed sketches of the subject in Ravenna and Akron papers. They observed what they believe is a striking resemblance to her former son-in-law, TOMMY RAY WHITE, who divorced her daughter, PATRICIA ANN WHITE, who is making her home with her at present. They stated at first all of them who knew her former son-in-law treated the matter as a joke but the more they have thought about the act, the more they are of the opinion that he could be the man being sought for the KING murder.

She stated her daughter separated from WHITE in June, 1966, and he secured a divorce from her in Jefferson County, Alabama. He was last in Portage County, Ohio, from 3/18-22/68, when a hearing was held relative to the custody of the child of the marriage, namely [REDACTED], age 3. She stated on this occasion WHITE apparently had no car with him and either arrived in the area by bus, plane or train. She stated that the last she knew, he drove a 1965 White Ford but she does not know what he is driving at present. 44-1987-Sub E-493

He wired someone for \$200.00 for his return to Alabama after the hearing in Portage County, Ohio, and is a shiftless short who will not work long at anything.

She stated her former son-in-law is definitely psychotic and always carried a loaded gun in his car when he lived in the Portage County area for a time. When they asked him why he carried a gun, he would state he carried it to "kill niggers". She stated that although he never professed to be a member of the Klan, he indicated that many of his close friends were Klan members and expressed a deep seated hate for Negroes. He threatened to kill her daughter on many occasions and that was why she separated from him.

She stated when in Portage County, Ohio, in March he told them he had married a girl whose maiden name was SHARON HENDERSON, a woman with three children by an unsuccessful marriage. Her family had formerly lived near his former home on Hill Avenue, Hueytown, Alabama.

The following is a description of WHITE as furnished by Mrs. DIEHL:

The killer of Rev. King might have a record.

Five years ago, (Sept 21 1963 to be exact)  
MICHAEL LEE FARLEY Age 17 and LARRY JOE SIMS Age 16  
murdered an 8 yr. Negro boy in cold blood on streets of  
Birmingham. Both arrested and charged with murder.  
Let off with a mere slap on the wrist. Sims & Farley

Dear Chief of FBI Hoover

If one of your men, not a white man were to hang out around the Black Muslim building in Watts, you would hear talk that Ron Karenga and Carmichael had hired a gunsel to kill Reverend King. Carmichael hated King because he would not go along with his idea of violence. People here could tell plenty but they are afraid. In fact the killer is being hid out by Karenga in this area. He is not a white man but a Black man with bleached hair. I heard this told by some one who is a close friend of Karenga. I can not tell more as an Uncle Tom label on me would be my end too. A smart man of your office hanging out in disguise in Watts could find the key. One hears that Stokely thought the death of King would start a revolution by all the Blacks but we decent ones want only the right man caught.

An ex Muslim

Referenced Bureau airtel requested the Jackson Division to identify Jackson teletype dated April 17, 1968, which teletype the Dallas Office referred to in Dallas airtel to the Bureau, dated April 24, 1968.

Jackson file discloses a teletype was sent to Dallas, dated April 17, 1968, with an air mail copy directed to the Bureau and Memphis.

The information in Jackson teletype refers to information furnished by LEE MEREDITH, former Sheriff, DeSoto County, Hernando, Mississippi, who advised that the artist's conception appearing in the Memphis, Tennessee, newspaper resembles one of four individuals arrested in Hernando, Mississippi, who were from Dallas, Texas, and who allegedly were associated with GEORGE LINCOLN ROCKWELL during the MEREDITH March in Mississippi, in 1967. These individuals who were arrested were identified as ROBERT ALLEN SURREY, JERALD THOMAS WALRAVEN, RICHARD JUDSON DICKINSON, ALVIN NEIL GRAY, and TOMMY WADE ORAN.

Re: Doctor ROBERT BRUCE JOHNSON

ReBuairtel to PX, 4/11/68 entitled "MURKIN"; and  
PX airtel to Bureau, 4/1/68 entitled "Dr. ROBERT BRUCE JOHNSON,  
M.D., 100 Calle Encanto, Tucson, Arizona, MISSING PERSON."

Enclosed for the Bureau are two photographs of  
Dr. JOHNSON taken in 1967.

Enclosed for Memphis are Xerox copies of reairtels  
and two photographs of Dr. JOHNSON.

The newspaper article mentioned in reBuairtel  
appeared in the 4/6/68 edition of the "Arizona Daily Star,"  
a Tucson, Arizona, daily newspaper. The article concerning  
Dr. JOHNSON appeared on page 1; the article and composite  
sketch of Unsub appeared on page 2 of the same paper.

On 4/6/68 Det. Sgt. LAWRENCE BIETSCH, Missing  
Persons Bureau, Tucson PD, advised SA RAYNER P. PETERS, JR.,  
that as a result of the above two articles appearing in  
the same edition of the morning paper the Tucson PD received  
several calls from local citizens that date concerning the

Dr. JOHNSON and Unsub. This matter has been followed closely with Sgt. DIETSCH And on 4/16/68 he summarized the results of the investigation by the Tucson PD and other local agencies to locate Dr. JOHNSON as follows:

Dr. JOHNSON was born 8/4/22 at Twin Falls, Idaho. In early childhood the family moved to Glendale, California, and in 1936 they moved to Phoenix, Arizona. They moved to Tucson, Arizona, during Dr. JOHNSON's high school years. He finished high school in Tucson and finished his pre-med studies at the University of Arizona, Tucson. Upon completion of pre-med studies he entered the U. S. Army during World War II and was based at Fort Riley, Kansas, for a while. The Army later sent him to Medical school at Columbia, in New York, where he graduated in 1947. He interned at Baylor Hospital, Seattle, Washington, and at King County, Hospital, Seattle. He then returned to Tucson where he was a resident doctor at St. Mary's Hospital. In 1950 he and several other doctors formed a clinic in Tucson until 1960 when he became dissatisfied with this group and set up his own office as a specialist in internal medicine.

He enjoys an excellent reputation in the community as a doctor and as an individual. Investigation has disclosed no political or racial activities of any kind and he has not known to have expressed any strong feelings concerning either political or racial matters.

Sgt. DIETSCH said that since the appearance of the above articles 4/6/68, Mrs. JOHNSON has been interviewed concerning the possibility that Dr. JOHNSON might be considered a suspect in the KING case. She has advised interviewing Tucson Police officers that she knows of no statement or actions on the part of Dr. JOHNSON at any time in the past which would lead her to believe that he could be remotely connected with the KING case. Mrs. JOHNSON has told Tucson Police officers that Dr. JOHNSON "started taking pep pills" in about 1960 and Sgt. DIETSCH advised that other investigation indicates that Dr. JOHNSON has used narcotics at various times for a number of years.

PK 44-371

RPP/gle

Mrs. JOHNSON advised Tucson Police officers that at the time of his disappearance, Dr. JOHNSON had been dependent for some time over ill health. He had a heart attack in 1958 and has recently been under the care of another Tucson physician for heart problems.

Sgt. DIETSCH advised that the car Dr. JOHNSON was driving when last seen is a white 1967 MGB-GT two-door hardtop with Arizona license NAA-664.

When first reported missing, Dr. JOHNSON had last been seen at 8:20 a.m., 3/29/68 when he left his office in Tucson to go to St. Joseph's Hospital in Tucson to confer with other doctors on a case. He did not return to his office and apparently has contacted no one since then.

On 4/6/68 Dr. S. R. KEMERLING, Tucson physician, after seeing a newspaper article concerning Dr. JOHNSON's disappearance, told Sgt. DIETSCH that he and his wife had seen Dr. JOHNSON 3/31/68 at the parking lot of St. Joseph's Hospital in Tucson. He said he and his wife both are well acquainted with Dr. JOHNSON and are positive of the identification. They waved at Dr. JOHNSON who acknowledged their greeting. Dr. JOHNSON was sitting in his white MGB sports car and appeared to be in good health and spirits. As of 4/16/68 this is the last report of Dr. JOHNSON's whereabouts.

Sgt. DIETSCH said their investigation had developed that Dr. JOHNSON disappeared suddenly for several days in November, 1967, and was found only after he had wrecked his Austin Healy sports car near Benson, Arizona. When found he was believed to be under the influence of some type of narcotics. Sgt. DIETSCH said Dr. JOHNSON had been reported as a missing person on that occasion.

Intensive investigation by the Tucson PD and other local law enforcement agencies to locate Dr. JOHNSON continues. The desert area of southern Arizona is being searched in view of the possibility that Dr. JOHNSON might have driven into the desert and either suffered a heart attack or committed suicide.

PX 44-371  
RPP/gle

Close liaison is being maintained with the Tucson PD concerning their investigation to locate Dr. JOHNSON. Any developments will be immediately reported to the Bureau and Memphis.

Sgt. DIETSCH pointed out that in showing Dr. JOHNSON's photograph to any possible witnesses in the KING case, it should be borne in mind that at the time of his disappearance, 3/29/68, his hair was cut in a short crewcut style, which according to acquaintances was a noticeable feature of Dr. JOHNSON.

Although there have been no facts developed to indicate that Dr. JOHNSON, by his background, profession, or actions, would normally be considered a likely suspect in this matter, investigation to date has not completely eliminated him. The general similarity between his description and that of Unsub, the date of his sudden disappearance and the fact he was driving a white sports car when last seen would appear to make him worthy of consideration as a suspect in this matter.

Exhibition of Dr. JOHNSON's photograph to pertinent witnesses and other appropriate investigation being left to the discretion of Memphis.

Enclosed herewith are two copies of a self-explanatory letter from Mrs. Florence Peek, 4609 East Burns, Tucson, Arizona, dated 4-6-68, along with its enclosures, two copies each of two clippings from an unidentified newspaper, presumably a Tucson, Arizona, newspaper.

One clipping notes that one Doctor Robert B. Johnson, driving a 1967 white sports car, had been missing for one week. Mrs. Peek, in her letter, raises the question as to whether Doctor Johnson could possibly be the slayer of Doctor Martin Luther King, Jr.

Phoenix conduct sufficient investigation to eliminate or include Doctor Johnson as a suspect in captioned case. Suairtel results unless more expeditious means warranted.

Neither Doctor Johnson nor Mrs. Peek are identifiable in Bureau files. Mrs. Peek's letter has been acknowledged.

## Description Of Slayer Reported By Officials

### *King's Killer?*

Artist's sketch of assassin, based on descriptions of men living in Memphis rooming house from which the killer fired. (AP Wirephoto)

Mrs. Brewer said the man was as tall as her husband—about six feet.

B. L. Reeves, a 74-year-old retired hotel clerk, watched the man as he talked to Mrs. Brewer.

"I seen him when she check him in. He had his back to me, but I judge he was about 5-feet-11. He had dark hair and a pretty neat hair cut."

Charlie Q. Stephens, in room 6—between the room taken by Willard, and the bathroom—got a better look.

He saw the man when Mrs. Brewer was showing him room 5.

"He was clean shaven and had a long, sharp nose. He had normal eyes and a square chin, thick hair at the front and receded on each side.
