At approximately 7:12 p.m., 4/22/68, a Mrs. WILLIAMS, giving telephone number 442-7777, telephonically contacted the San Diego Office and advised that approximately one week and a half previously, a male cousin of a neighbor and another male individual named JIMMY RAY BURNETT visited this neighbor. The cousin was driving a car with a North Carolina license.

JIMMY RAY BURNETT left rather unexpectedly hitchhiking on his way back south. Mrs. WILLIAMS and her husband thought that BURNETT bore a striking resemblance to ERIC STARVO GALT and that his actions while at the neighbor's home were most circumpect. Mrs. WILLIAMS further advised that BURNETT had a peculiar reluctance to converse.

Mrs. WILLIAMS was recontacted by SA ARNOLD W. GIBBON and she advised that the neighbor, Mrs. MARJORIE GRUND resides directly across from her place at 136 Quail Drive, Chula Vista, California. The cousin of Mrs. GRUND is driving a 1957 Chevrolet bearing North Carolina license plate RT7057.

Mrs. WILLIAMS advised that she determined that JIMMY RAY BURNETT was taken to Alpine, California by Mrs. GRUND several days ago where he was let out to hitchhike back to North Carolina. He was immediately picked up by an automobile bearing an orange license plate.

The following investigation was conducted by
SA ARNOLD W. GRIFFIN and CHARLES W. BONE:

Mr. MILTON GRAY MANNING, temporarily residing at
138 Quail Drive, Chula Vista, California, advised that he is
the cousin of MARJORIE GREEN who is the owner of the residence
at 138 Quail Drive.

On approximately 4/9/68, MANNING and a friend named
JIMMY RAY HENDY left Greenville, North Carolina in his 1957
Chevrolet bearing North Carolina license plate NF7057 en route
to California.

According to MANNING, he and HENDY have been in
California for approximately 1 1/2 weeks, however JIMMY RAY
HENDY departed from Alpine, California, hitchhiking enroute
to Greenville, North Carolina or Portsmouth, Virginia.

According to MANNING, JIMMY RAY HENDY was employed
for his father, JIM HENDY who operates his own real estate
company at Portsmouth, Virginia. JIMMY RAY HENDY came to
Greenville, North Carolina to visit his mother, Mrs. IDA
SAYRE, who lives in the Village Grove section of Greenville,
North Carolina. HENDY's mother is presently married to
REDBELL SAYRE of the Village Grove Section, Greenville, North
Carolina and believes that the telephone number is listed under
his stepfather's name.

While in Greenville, JIMMY RAY HENDY decided to
come to California with MANNING for the purpose of obtaining
employment.

Employment was not obtained by HENDY, therefore, he
decided to return to the southern states.

Mrs. MARJORIE GREEN, cousin of MILTON GRAY MANNING
verified the information furnished by MANNING and advised
that she took JIMMY RAY HENDY to Alpine, California on the
morning of 4/19/68 for the purpose of his obtaining a ride
to either Greenville, North Carolina or Portsmouth, Virginia.
Mrs. GREEN advised that JIMMY RAY HENDY obtained a ride
almost immediately in an out of state automobile bearing orange
license plates.

Mrs. GREEN advised that she has known JIMMY RAY
HENDY and his family for many years and upon being shown a

ED 44-387

photograph of JAMES EARL RAY she stated that there was no resemblance between RAY and JIMMY RAY BUNDY.

HANNING also was displayed photograph of RAY and he likewise stated there was no resemblance between the two. HANNING and GIBBS described JIMMY RAY BUNDY as follows:

On 4/24/68, Mr. CHARLES W. STANSFIELD, JR., 172-8 Brittain Drive, Tallahassee, advised that about 2 a.m., Sunday, April 7, an elderly man came into Frisch's Restaurant, 1775 West Tennessee Street, in an obviously drunk condition. This man began making overtures to the young waitress handling the counter and in the course of the conversation with her mentioned he had a cartridge case in his back pocket. STANSFIELD stated he had just finished work at Frisch's and was sitting at the counter next to the elderly gentleman. He, STANSFIELD, observed the cartridge case and believed it to be a case containing a .38 caliber revolver shells. STANSFIELD stated the man made attempts to conceal this case from his view and this made him suspicious. The man also said to the waitress something to the effect that "a bullet from this case killed a man the night before last."

STANSFIELD advised that when the man got up to leave, he bumped into Mr. GEORGE YATES, a well-known local businessman who is currently running for Leon County

He stated that this individual looks nothing at all like pictures he has seen recently of JAMES EARL RAY. STANSFIELD said he would not have written to the Department, but since there were no concrete facts developed as to suspects at that time, he decided that he would report this suspicious incident.

On 4/25/68, Mr. GEORGE YATES, 501 West Brevard Street, Tallahassee, advised he was in Frisch's about 2 a.m., April 7. He remembers a man saying to him as he entered that the place was closed but he did not know the individual and cannot identify him. YATES stated that he and his wife stopped in Frisch's for coffee that night after attending a dance sponsored by the Leon County Sheriff's Office and that there was practically no one in the place when he arrived. Memphis, Tennessee

Federal Bureau of Investigation

Gentlemen:

The following is offered in a spirit of helpfulness, for what it may be worth in your investigation into the death of Dr. Martin Luther King, Jr.

I have heard that a house on Goodbar Avenue, third house from the corner north side of the street, east of Cleveland Street, its interior and out-buildings may prove interesting. I have been told the house has been shrouded in mystery for years. The owner and occupant orders guns and ammunition from out of the city. These shipments are at times left by those delivery men at a neighbor's house for the owner to pick up.

The occupant of this house receives mail from the John Birch Society, the small magazine, left by the postman at the wrong address. He drives a white automobile with radio antenna. On the evening of Dr. King's death this man was seen leaving the front of his house in the white car, at high speed, going north on Cleveland, between 6:00 and 6:30 o'clock.

This man leads a hermit-like existence. He has pack rat habits of buying and storing many and varied articles, to no apparent purpose, in the house. Neighboring women have planted shrubs to shield the view of the ill-kept premises from the street. From reports, he has defied every friendly advance with regard to suggestions and cooperation for a neat home.

The guns are the main concern, though the strange ways contribute to the opinion this is not a healthy situation.

RE: INTERVIEW OF BROTHERS CARL HENSON AND JAMES FRANCIS DRAKE.

CARL DRAKE, a self-employed contractor, 2024 St. Vincent, St. Louis, Mo., home phone JE 6-3545, was located and interviewed by SA WALTER F. JOHNSON on 4/20/68, and stated while an inmate of the Missouri State Penitentiary (MSP), he became acquainted with JAMES EARL RAY who was incarcerated in either 1960 or 1961, and subsequently became close friends until DRAKE's release in June 1965. Their main association was while they both worked together in the prison yard and DRAKE feels he became as close a friend to RAY as anyone at the prison. He described RAY as "a lower, close-mouthed" who kept his own counsel and did not even consult him prior to RAY's unsuccessful attempt to go over the wall by the use of a ladder. RAY had very few friends, however, he mixed well with other inmates, both black and white, and had never showed any propensity for violence or appeared to be a racist.

BRANK pointed out there were several instances of racial trouble at the penitentiary but RAY never seemed involved or expressed his feelings in the matter.

RAY often mentioned that he could not do his 20-year sentence but never indicated any escape plans or any contacts with outside individuals. RAY's brother, JACK RAY, from St. Louis, Mo., was the only member of the family he mentioned and believed JACK averaged visiting RAY about once a year at the penitentiary. He vaguely recalled RAY mentioning he had another brother killed in an auto accident. He did not discuss his general background other than mentioning on several occasions he had previously done time at Edward Prison, Chester, Illinois.

RAY was not addicted to use of drugs, however, BRANK said nearly all inmates "foaled around" with anything they could get their hands on. BRANK said about two weeks after his release in June 1965, he visited JACK RAY upon the request of JIMMY, and that was the last time he saw JACK. Their conversation concerned primarily JIM's welfare at the MHP.

BRANK had not heard of JIM's escape and presumed he was still in prison until the recent publicity.

BRANK regards RAY as a small-time robber mentally incapable of planning the assassination of Doctor MARTIN LUTHER KING without additional intelligent guidance from some other source. He believes RAY may be capable of being hired for this but would certainly not be alone in this matter. He is also of the opinion that whoever hired RAY, that person or group, has disposed of RAY. He commented that with the "heat" on RAY and rewards advertised, it would be extremely difficult for a fellow like RAY to hide.

CARL BRANK indicated that he would cooperate in any way he could with the FBI in the event any information came to his attention re the whereabouts of JAMES EARL RAY.

CARL BRANK said his brother, JAMES FRANCIS BRANK was also an inmate at the MHP and was acquainted with RAY in a similar manner. All three formerly walked the yard together and that was JAMES BRANK's main association with JAMES RAY. JAMES FRANCIS BRANK was released two years before CARL and later served time at Terre Haute Federal Prison, and was released in November 1967. CARL said his brother, JAMES, resided with his mother, GLE BRANK, at Madoka, Ill., and is currently employed at the Valley Steel Co., Jacksonville, Ill.

Re ERIC STARVO GALT.

Re Bureau telephone call to WFO 4/18/68.

On 4/18/68, Mrs. VIRGINIA GUY, a photographer and journalist with Flair News Service, 1028 Connecticut Avenue, NW, telephonically advised WFO that while covering the funeral of MARTIN LUTHER KING in Atlanta, Georgia, she took pictures during the procession from the church to Morehouse College. Among these pictures were 3 of a group of people standing on an overpass above the procession. It was her impression that one of these individuals in the photographs resembled the FBI poster photograph of ERIC STARVO GALT.

She had furnished the above information to JERRY O'LEARY of the "Evening Star," who suggested that she contact the FBI.

On 4/19/68, Mrs. GUY appeared at WFO with her attorney, PHILIP HIRSCHMAN, 110 North Royal, Alexandria, Virginia. Mrs. GUY brought with her the above-mentioned

photographs, which she stated were taken approximately ten minutes prior to the funeral procession passing the point in the photograph. Mrs. GUY pointed out one individual whom she believed may be identified as ERIK STARVO GALT. She also had blown-up shots of this individual.

Mrs. GUY's attorney was of the opinion that the individual mentioned by GUY was a much younger man than GALT. SAs JOHN J. CREAMER and JOHN BLAKE observed these photographs and determined they did not resemble GALT's photograph as it appears on the wanted poster. Mrs. GUY advised that she did not wish to release her photographs, but stated they would be available in the future if a better likeness was obtained and appears to be the same as the individual in her picture.

WFO is taking no further action concerning photographs taken by Mrs. GUY of the unidentified individual. UACB.
