The following investigation was conducted by
SA KENNETH W. NIMMICH on 5/3/68:

Manager, Normandy Hill Apts., 145 Normandy Hill Drive,
Alexandria, Va., advised that JOHN YAGLENSKI is currently
a resident of her apartment complex at 232 Normandy Hill
Drive. She said he has resided in these apartments since
November of 1964. She said at the time he moved in, he
noted his employment to be the United States General
Accounting Office, E St., N. W., telephone WO4-5523.

Mrs. CARSCADDON described YAGLENSKI as a white male,
in his mid 20s, approximately 25, with black hair, and
being quite tall (figure unknown), and very thin. She said
he bore no resemblance to the photographs of JAMES EARL RAY

By teletype dated May 1, 1968, the Los Angeles Division advised that a Mrs. CELMIA FREDERICO, maid, Carriage Inn Motel of Van Nuys, California, had reported that a man who occupied room 225 in that motel for a week resembled subject RAY's photograph.

It was determined that the person who had registered into room 225 had registered under the name R. BUCKLEY, 10002 Des Moines Way South, Seattle, Washington, and indicated on the registration card that he was an employee of the Boeing Company at Renton, Washington. Registration card revealed that this person had rented this room from April 21, 1968, to April 27, 1968.

Los Angeles advised that other motel personnel could not recall BUCKLEY.

The Seattle Division has determined that ROBERT WILLIAM WARR BUCKLEY, Social Security No. [REDACTED], residence address 10002 Des Moines Way South, Seattle, had been employed by the Boeing Company since December 12, 1946, and BUCKLEY is an engineering supervisor.

The Sacramento Office advised on 4/30/68, that the California Highway Patrol had determined through their computer facilities, that the only vehicle recovered in the State of California subsequent to March 22, 1968 which was reported stolen from the State of Georgia was a 1968 Volkswagen, blue in color, bearing Georgia license 2D9882. This vehicle was reported recovered by the Oakland, California Police Department on 4/27/68, Oakland file #88-17808, and was registered to HELEN B. WAAS, 610 Ponce de Leon Place, Decatur, Ga.

On May 1, 1968, Inspector RALPH CONBIT, Auto Theft Detail, Oakland, California Police Department, made available his file #88-17808 to SA ROBERT U. NANN. A review of this file reflects that GEORGE H. WAAS, male, residing at 1521 Third Avenue, Apt. 187, Oakland, California, reported the theft of the automobile bearing Georgia license 2D9882 which was registered to his mother, HELEN B. WAAS. This report reflects that GEORGE WAAS was a patient at Oak Knoll Naval Hospital, Oakland, California, and that the vehicle was parked at the main gate of the hospital while WAAS was undergoing treatment. WAAS reported that upon leaving the hospital, he discovered that the vehicle was stolen.

The purchase referred to in reairtel at Bartow, West Virginia on 4/22/68 was utilized for a 1962 white Chevrolet, Louisiana license 9M067. Antler, Oklahoma. ARSHIER stated that Gulf Oil Corporation is confronted with an extensive credit card ring operating out of Antler, Oklahoma area and one of the persons using the card in this ring is a person named HAMMER. In view of the similarity of the names HAMMER and HAMMONS, both being from Antler, Oklahoma, a stop was placed against HAMMONS' card.

Regarding the name S.G. STEINER, JIM ARSHIER advised as follows:

Gulf Oil Corporation has in its employ an S.G. STEINER who is the credit manager of the Gulf Oil Corporation Credit Office at Philadelphia, Pa. The above referred to KELVIN FLYER, Gulf dealer, Bartow, West Virginia, refers his credit invoices for purchases to the Philadelphia Office of Gulf Oil Corporation and it would appear that because of this process FLYER has confused the name of STEINER and the purchase made by JAMES HAMMONS.

It would appear that S.G. STEINER is in no way involved in this matter.

WHEN IN DOUBT HE ASKED A POLICEMAN

A San Bernadino (California) man, Mr Charles Taylor, apparently believes that the best way to find out something is to ask a policeman—even if it means a \$60 transpacific telephone call.

Mr Taylor rang the Auckland police at 5 a.m. today to ask about New Zealand and the living conditions here.

"I'm thinking of coming out to Australia or New Zealand," he told Senior Sergeant R. V. Downie, officer in charge of the communications section.

Mr Taylor wanted to know about the climate, the terrain, wages, prices,

taxes, jobs, hunting and fishing.

"I told him that we had a good climate and that in Auckland we've just had record temperatures for March," said Senior Sergeant Downie.

"I said there was little snow in the North Island but plenty in the high country of the South Island in the winter.

"I told him the country

was mainly farmlands—the best in the world — with a mountain range down the centre of the South Island.

Enthusiastic

"He seemed enthusiastic when I told him about the fishing and hunting here."

For his \$60 Mr Taylor learnt that butter costs 28c a pound, shoes about \$10 to \$12, suits about \$30 to \$50 and that an average wage was \$40 to \$50.

He found out that there were about 6000 registered unemployed but plenty of employment vacancies were being advertised and a qualified man should have little trouble in getting a job.

Mr Taylor even wanted to know what was going to happen in Vietnam.

Senior Sergeant Downie said: "I don't know and there are a lot of important people about who would like an answer to that question too."

Senior Sergeant Downie added: "I don't think the call was just a rich whim as he finished up by saying he would have to go because the call was costing him a lot of money."

March 14/68

Policeman calls NZ again (\$150)

America's phoning policeman was on the job again on Sunday night with another transpacific call to his Auckland counterparts for a discussion about New Zealand.

Patrolman Thomas Taylor, of Birmingham, Alabama, rang from Santa Barbara, California, where he is on holiday.

He spoke to Senior Sergeant R. V. Downie, in charge of communications, for 40 minutes, a call which would have cost him more than \$150.

He first rang Senior Sergeant Downie six weeks ago to inquire about conditions in New Zealand with the idea, he said, of immigrating.

Last night he was content just to have a friendly talk. He spoke of the

Wahine disaster, which he had heard about, and asked questions on the work done by the Auckland police.

Patrolman Taylor said it would be four or five years before he came to New Zealand, if he came, but said he would ring Senior Sergeant Downie three or four more times.

"I didn't ask him if he was married or had a family or how long he had been in the force," said Senior Sergeant Downie. "I'll save that for next time."

These clippings had been received by Mr. BILL MOBLEY, a friendly reporter for the Birmingham Post Herald who had considered writing an article about them but after determining from the Birmingham Police Department that no CHARLES TAYLOR or THOMAS TAYLOR is employed as a patrolman, he discontinued his efforts.

Mr. MOBLEY made the news clippings available on the bare possibility that the overseas telephone calls may have been made by fugitive RAY. It is believed that the following action by Los Angeles is warranted.
