On April 8, 1966, LAVERNON CORNELIUS, 7354 South Michigan, Chicago, Illinois, reported that he had received a letter in the mail from one JAMES C. WATTS stating, among other things, that MORTON ZASLAVSKI, 6240 North Drake Avenue, Chicago, had put up \$3,000 to have MARTIN LUTHER KING killed.

FEDERAL BUREAU OF INVESTIGATION

Date May 14, 1968

1

MORTON L. ZASLAVSKI, Attorney at Law, 820 West North Avenue, furnished the following information:

In addition to being an attorney, ZASLAVSKI is the owner of the Public Service Currency Exchange, 820 West North Avenue, Chicago, which is located in a predominantly Negro area. A majority of the customers of the currency exchange are Negroes.

ZASLAVSKI advised that he does not know JAMES EARL RAY by name, aliases or description. ZASLAVSKI was shown a photograph of RAY and he advised that he has never seen RAY.

ZASLAVSKI's business interests are located in Chicago and he uses his office at 820 West North Avenue to operate these interests. During March and April, 1968, he was in Chicago, Illinois. ZASLAVSKI did not travel to Tennessee or Alabama during March or April, 1968.

At this point ZASLAVSKI stated that he does not know the FBI's source of information but he attributes this inquiry to an occurrence in 1966. At this time, an individual whom he believes is named BROWN, first name unknown, reported to the Chicago Police Department that he, ZASLAVSKI, had put up some money to have MARTIN LUTHER KING killed. BROWN was a self-appointed civil rights leader who may have been affiliated with the Congress of Racial Equality (CORE). Actually BROWN was a trouble maker who would disappear for months at a time and then reappear. Whenever BROWN appeared ZASLAVSKI would always anticipate some type of trouble. ZASLAVSKI believes BROWN has been a customer at the Public Service Currency Exchange.

At the time of this alleged threat to kill MARTIN LUTHER KING, a Chicago police officer came to 820 West North Avenue and interviewed ZASLAVSKI. The officer explained that a complaint had been made. ZASLAVSKI told the officer that he did not make any offer of money to have KING killed nor did he make any threats to kill KING. ZASLAVSKI believes that

The caller indicated he was acquainted with one TONY DEXTER, an employee of the City of Chicago. Re: "TONY DEXTER"

The following investigation was predicated upon information by SA FRANK BYDLON and SA PAUL H. KELLERMEYER that on November 3, 1966, SYDNEY FINLEY, National Association for the Advancement of Colored People (NAACP), advised that he had received information from an anonymous source which revealed that "TONY DEXTER," an employee of the City of Chicago "working for the City of Chicago Asphalt Company," was aware of an individual who was currently reported to be offering \$10,000 for the assassination of MARTIN LUTHER KING when he returns to Chicago.

A review was made of the classified section of the telephone directory for Chicago and no mention was made of a company with the name Chicago Asphalt Company. The only companies that had similar sounding names were the Chicago Asphalt Patching Company, 6009 North Nina, Chicago, and the Chicago Paving and Construction Company, 7601 South Wentworth (office), and 12701 South Doty (plant), Chicago.

AL HOFFMANN, Partner, Chicago Asphalt Patching Company, advised on April 25, 1968, that he has never had an individual named TONY or ANTHONY DEXTER employed for his company.

Miss EVELYN WILSON, Secretary, and DICK WARRINGTON, Office Manager, Chicago Paving and Construction Company, from memory and a record check advised on April 25, 1968, that a TONY or ANTHONY DEXTER has never been employed for this company.

ED NEFELD, Plant Foreman, Chicago Paving and Construction Company, advised on April 26, 1968, that he cannot recall any individual having worked for this company having the name TONY or ANTHONY DEXTER. He had contacted several other knowledgeable individuals working in the industry and could not come up with any information. He suggested, however, that if DEXTER was an employee in this industry, he would most probably belong to a labor organization. He said that the group certified for this company is the County, Municipal, Employee and Foreman's Union, Local 1001, 228 North La Salle, Chicago.

All of the above individuals could not identify a company called the Chicago Asphalt Company.

On April 26, 1968, JAMES S. OSBORNE, Secretary and Chief Custodian of Records of the Civil Service Commission, City of Chicago, City Hall, 121 North La Salle Street, Chicago, advised SA GARRETT M. DUEL that records of this office reflect that no individual named DEXTER had been an employee of the City of Chicago in any capacity during the period 1966 to the present date.

DELLE CRIVELLONE, Executive Secretary, Local 1001, advised on April 26, 1968, that this union has certification of practically all of the companies and government agencies that engage in various trades which include asphalt work. She reviewed records and found nothing concerning membership for 1966 to present of a TONY or ANTHONY DEXTER.

Due to the possibility that TONY DEXTER could have been a member of another union, the following investigation was conducted:

CATHERINE GRUND, Secretary, Laborers Union, 6222 West North Avenue, Chicago, reviewed records on April 26, 1968, of Locals 76, 1006 and 1, and found no record of a TONY or ANTHONY DEXTER having present or recent (1966) membership in any of these locals.

MATT BOSS, Secretary of the Treasurer, Excavating, Grading and Asphalt Teamsters and Chauffeurs Union, Local 731, 133 South Ashland, Chicago, advised on April 26, 1968, that this union certifies practically all drivers in the asphalt industry. He reviewed records and could locate no information concerning TONY or ANTHONY DEXTER, 1966 to present.

Chicago telephone directories from 1965 to the present were reviewed and no information concerning a TONY or ANTHONY DEXTER could be located.

3.

Chicago indices had no additional references concerning a TONY or ANTHONY DEXTER.

Since SYDNEY FINLEY, the original complainant, advised that he would furnish anything additional to the FBI concerning this matter, no additional contacts with FINLEY have been made.

The records of the Chicago Police Department and the Chicago Credit Bureau, as furnished on April 26, 1968, to IC RALPH MC CLAIN reflect no information concerning TONY or ANTHONY DEXTER.

Mrs. M. MARANTO, Personnel Department, Chicago Park District, Chicago, Illinois, advised SA PAUL H. KELLERMEYER on May 2, 1968, that "TONY DEXTER" is unknown to the Chicago Park District and further, that the park district in the last five years has not had any employee with the last name DEXTER.

On September 5, 1966 DONALD STOUT, white, male, reportedly of 826 South Wabash Avenue, Chicago, Illinois, told passengers riding in his car in the vicinity of Kansas City, Missouri, that he was rabidly anti-Negro and that he was going to shoot MARTIN LUTHER KING.

On September 7, 1966, HARRY P. STEWART, United States Secret Service, Pittsburgh, Pennsylvania, advised that his nephew, STEWART LINDH, 2206 Greenwich, San Francisco, California, along with JEFFREY KRONEN, 58 Miller Road, Farmingdale, Long Island, New York, and RICHARD LARKEY, in care of Mrs. SCHONBERGER, 2829 Highland Street, Allentown, Pennsylvania, were in San Francisco and answered an advertisement placed in the "San Francisco Chronicle" by DONALD STOUT, who was seeking paying passengers to accompany him on a trip from San Francisco to New York City in his car. An agreement was made by him with STOUT and each paid him \$50 for the trip.

On September 5, 1966, STOUT and his passengers arrived in Kansas City, Missouri, and went to a local YMCA. STOUT disappeared with his car and the boys' personal effects. They said that before arriving in Kansas City STOUT made it clear that he was rabidly anti-Negro and he told the boys he was going to shoot MARTIN LUTHER KING.

STOUT had claimed residence at 826 South Wabash, Chicago, Illinois, and claimed that he was employed by the Eastern States Freight Lines, Terre Haute, Indiana. He was driving a 1966 light green Chevrolet Impala with Massachusetts license plates PP83473.

The files of the FBI, Chicago, reveal a similar type incident which occurred at Rapid City, South Dakota on February 23, 1953, and involved one DONALD LAWRENCE STOUT also known as LAWRENCE DONALD STOUT, FBI number 4959380. He was described as a white male, born [redacted], at Detroit, Michigan, about 5'5", 185 pounds and having brown hair and blue eyes.

On April 26, 1968, the FBI Identification Division, Washington, D. C., reported that STOUT, FBI number 4959380, was received on March 12, 1955, at the Federal Correctional Institute, Seagoville, Texas, to serve one year and one day for violation of the National Motor Vehicle Theft Act. His latest arrest record in FBI Identification Division files was on April 10, 1958, by the police department at Berlin, New Hampshire.

MIRKARINI advised that records of so-called "permanent guests" are maintained indefinitely but that they are maintained in the basement.

On April 27, 1968, MIRKARINI advised that the hotel had a RICHARD GORDON STOUT from December 7, 1953, to July 20, 1954. He stated that the record gives no further information other than the fact that STOUT was originally from Texas and was attending the Art Institute.

STOUT at 7th and Market Street, San Francisco, California for the trip to New York and Boston.

STOUT was allegedly an employee of the National Car Rental Company and was returning a 1966 Chevrolet Impala to Boston, Massachusetts.

LINDH said that immediately departing from San Francisco, California STOUT displayed a very obsessive attitude towards the Negro and Jewish people. He stated "We might as well kill some niggers on the way." During the trip STOUT indicated he had three .357 magnum revolvers in the trunk of his automobile. During the entire trip from San Francisco to Kansas City, STOUT continuously talked against the Negro and Jewish people, mentioning that Dr. MARTIN LUTHER KING and all other "niggers" should be killed or sent back to Africa." STOUT left LINDH and the two other boys at the YMCA in Kansas City, Missouri and gave the excuse that he had to do something to the automobile and departed, never returning.

LINDH immediately left Kansas City for Boston, Massachusetts and arrived there before STOUT. When STOUT arrived at the National Car Rental, Logan Airport, Boston, LINDH had STOUT detained, however, no charges were pressed against STOUT. LINDH said that STOUT claimed to be a member of the Teamsters Union and a telephone call from LINDH to Detroit, Michigan, verified STOUT's membership.

On May 2, 1968, the San Francisco Division reported an interview on that date with National Car Rental System Manager ROBERT E. STOUT, who could furnish no information concerning suspect STOUT.

The San Diego Division reported on May 3, 1968, that a photograph of DONALD LAWRENCE STOUT, also known as LAWRENCE DONALD STOUT, FBI number 4959380, which was a Reno, Nevada Police Department photograph number 15495, taken on March 16, 1953, was displayed to STEWART MARSHALL LINDH, San Diego, California, on May 3, 1968, and LINDH advised that the photograph shown was definitely identical to the same individual called DONALD STOUT, who gave LINDH and others a ride to Kansas City, Kansas. On July 8, 1968, Mr. J. W. Crosier, Manager, Memphis Yacht Club, Memphis, Tennessee, advised that the Nell Willey is a 55-foot, steel-hull, diesel-powered house boat that is owned by Mr. A. D. Cartwright, Jr., the owner of Cartwright Nurseries, Collierville, Tennessee. Mr. Crosier stated the Nell Willey was purchased by Mr. Cartwright several years ago, and that prior to being owned by Mr. Cartwright, this boat was docked at Greenville, Mississippi.

On July 12, 1968, Mr. Marion Looney, Secretary, Cartwright Nurseries, Collierville, Tennessee, advised that Mr. A. D. Cartwright, Jr., is out of the city and unavailable for interview. Mr. Looney said that Mr. Cartwright purchased the Nell Willey from Mrs. C. C. Willey, Altimer, Arkansas, about three years ago, and at the time of purchase this boat was docked at Monroe, Louisiana. Mr. Looney said that for the past three years this boat has been docked at the Memphis Yacht Club and is used only to entertain customers. He said there is no regular crew and that the boat is operated by Mr. Cartwright and his sons. He also stated that this boat seldom goes more than 10 miles in either direction from the Memphis Yacht Club and has not been used for lengthy trips on the Mississippi River.

Reference Raymond Curtis interview in County
Jail, at Dalton, Georgia.

On July 5, 1968, the current telephone directory
and the current city directory were examined. No listings
were found in either directory under the name of Willett.

Chief of Police Marion Brown, Vicksburg,
Mississippi, Police Department, advised on July 5, 1968,
that he did not know anyone in the Vicksburg, Mississippi,
vicinity by the name of Willett. He did note that he has
occasionally seen trucks pulling heavy equipment for oil
riggings passing through Vicksburg containing the name of
W. O. (Red) Willett, painted on the side of the trucks. The
headquarters of this organization is shown at an unrecalled
location in the State of Louisiana.

Detective Captain Roy Redditt, Vicksburg Police
Department, was unable to furnish any additional information
concerning a (First Name Unknown) Willett in the Vicksburg,
Mississippi, area.

John Edwards, Identification Bureau, Vicksburg Police Department, advised on July 5, 1968, that his records indicate one A. M. Willett, a white male, age 40, of Tallulah, Louisiana, was arrested on November 24, 1952, on a charge of drunk driving. He was fined \$50. The file contains no additional information concerning this arrest.

John Edwards also indicated that his files reveal that one R. D. Willette, a white male, age 35, of the Circle Lake Apartments, Vicksburg, Mississippi, was arrested on November 10, 1952, on a charge of drunk driving and that he was fined \$50. No other information was contained in the record concerning this arrest.

Sheriff Paul Barrett, Warren County Sheriff's Office, advised that his records concerning prior arrests are incomplete, but that he does not recall an individual from this area by the name of Willett.

On July 5, 1968, Mrs. Edna Cole, Manager, Credit Bureau of Vicksburg, Emmich Building, Vicksburg, Mississippi, advised that her records contained the following information:

A. H. Willett, Jr., has been known to the Credit Bureau since March, 1959. This individual resides at 116 South Cedars Street, Tallulah, Louisiana. He previously resided at 700 LaSalle Street, Tallulah, Louisiana. As of March, 1959, he was employed as a Sales Manager by the Tallulah Motor Company. His credit record has been satisfactory.

Mrs. Cole stated the file indicates August H. Willett, III, has been known to the file since February, 1967. He resides at 100 North Lincoln Street, Tallulah, Louisiana, receiving mail at Post Office Box 221. He is

employed as an automobile salesman by the Lamar T. Loe Motor Company, Tallulah, Louisiana. His date of birth is given as [REDACTED]. He is single, and is renting at his residence. He has been in the United States Army Reserve, his military service expiring on March 1, 1967. The file indicates his father is August H. Willett, Jr., also an employee of the Lamar T. Loe Motor Company. An uncle is shown as Adrian Willett, Tallulah, Louisiana. A credit report was prepared for "Phillips," Kansas City, Missouri, on February 11, 1967. His credit has been satisfactory.

An unsatisfactory account, a repossession, was reported by Southern Trailer Distributors, Vicksburg, Mississippi, Highway 61, South, on May 26, 1967, for one Franklin Willett, Beldon, Mississippi.

The files of the Credit Bureau contained, for reference purposes, the name J. O. Willett, Pipeline Company, Monroe, Louisiana. The company is shown as being organized in September, 1959, and its President as L. W. Bobbs.

Paul J. Dennis, Vice-President, Vicksburg Mid River Service, Incorporated, advised on July 5, 1968, that (First Name Unknown) Willett owned a houseboat known as the "Nell Willie," a diesel-powered ship capable of travel on the Mississippi. (First Name Unknown) Willett was described as an elderly man who was crippled and used a cane. He and his wife, whose name is believed to be Nell, took vacation trips on his houseboat approximately twice a year, securing the services of a Mississippi River pilot to operate the boat for them. (First Name Unknown) Willett is believed to have been a resident of the State of Arkansas and to have docked his houseboat at the Greenville, Mississippi, Yacht Club.

JAMES EARL RAY;
DR. MARTIN LUTHER KING, JR. -
VICTIM

Mr. Dennis advised on July 9, 1968, that he does not know any individual in the vicinity of Vicksburg, Mississippi, who is known as "Mississippi." He stated that he had made inquiry among his employees and other individuals who are familiar with the people who frequent the Vicksburg waterfront and those who travel on the Mississippi River, and that he was unable to find anyone having knowledge of an individual known as "Mississippi."

John B. Sanders, Boat Captain of the Sprague, advised that he is familiar with most of the individuals who frequent the Vicksburg waterfront. He stated he does not know of any person in this area who has the nickname "Mississippi."

Willie Smith, a Negro male employee of the Greenville, Mississippi, Yacht Club, advised on July 5, 1968, that the correct name of the houseboat is the "Nell Willis" and that it was owned by a (First Name Unknown) Willis, who died about two or three years ago. Nell Willis, wife of (First Name Unknown) Willis, is still living and residing in or around Pine Bluff, Arkansas.

Following the death of Mr. Willis, the houseboat was sold to Sonny (Last Name Unknown), a member of the Memphis, Tennessee, Yacht Club, who is believed to be a Mississippi River pilot.

Willie Smith advised that Mr. Willis was always considerate of Negroes and gave no indication of anti-Negro sentiments.

MURKIN 44-1987

New Orleans has conducted extensive investigation in an attempt to determine if JAMES EARL RAY was in contact with any resident of the New Orleans area, during the time that he was in New Orleans from December 17 - 19, 1967, and also when he passed through New Orleans on or about 3/21/68. To date, this investigation has met with negative results. According to CHARLES STEIN, who accompanied RAY on a trip from Los Angeles, California, to New Orleans in December, 1967, RAY alleged his purpose in coming to New Orleans was on business and to contact an individual.

Up to the time RAY escaped from the Missouri State Penitentiary (MSP), Jefferson City, Missouri, in April, 1967, he had spent the better part of the previous ten to twelve years incarcerated either at the MSP or the U. S. Penitentiary at Leavenworth, Kansas.

Working on the theory that possibly RAY, while in New Orleans, may have contacted a former fellow inmate that he knew at either of the above institutions, New Orleans contacted various state and Federal parole and probation officers as well as officers of the NOPD, in an attempt to determine if these persons knew the identities of any former inmates of the above institutions who might be residing in New Orleans. These inquiries met with negative results.

Kansas City is requested to advise New Orleans if it is known whether there are any persons who were inmates at the above institutions during the time RAY was incarcerated

 Mrs. BONAS has advised that the Institute does not have any

 at no cost to the FBI, be willing to run off the list of
 either members, non-members or both from IBM cards to Cheshire

 stated that the Institute does not have equipment to apply the
 labels but that there are mailing companies in the WDC area
 which have Cheshire labeling machines to apply the labels to

Mrs. BONAS advised that there is no breakdown by
 county but that the list is broken down geographically by
