Request to investigate the possibility of the presence in Geneva of
James Earl Ray.

On June 13, 1968, the Federal Police Division in Bern transmitted
to us by mail a request by the FBI dated June 4, 1968. The request was for the
identification of an American observed in the Landolt Restaurant one Saturday
evening toward the end of April. The subject answered the description of the
alleged assassin of Doctor Martin Luther King, a subject named:

JAMES EARL RAY

alias

ERIC STARVO GALT
W. C. HERRON
HARVEY LOWMYER
JAMES O'CONNOR or O'CONNER

In the first place, I wish to point out that according to the press, James Earl Ray was arrested in London on Saturday, June 8, 1968, under the following alias:

RAYMON GEORGE SNEYD

or

RAYMON GEORGE SNEYDA

The request of the FBI specified that their Washington office had received, on May 14, 1968, an anonymous telephone call from a man who claimed to be a journalist. This man had just had a conversation with certain persons who likewise desired to remain anonymous. These persons believed to have seen -- at the Landolt Restaurant in Geneva, one Saturday evening toward the end of April 1968 -- an American answering James Earl Ray's description. They furnished the following information:

The unknown subject had entered the restaurant with a man and an approximately forty-year-old woman with blond-tinted hair. The two persons in the unknown subject's company appeared to be Swiss. The American was well dressed and had a mid-west accent. His language was coarse and vulgar. He appeared to desire the services of a prostitute. The previously mentioned blond woman suggested a homosexual dressed up as a woman, but he replied that he wanted a woman. The American ordered expensive and exotic dishes which the restaurant personnel had to go get elsewhere. The personnel in attendance were very solicitous but did not appear to know the American. The unknown blond must have been acquainted with the maitre d'hotel because she kissed him before leaving the restaurant with her two escorts.

The inquiries made of Mr. Francis Longchamp, operator of the Landolt Beer Garden, 2 Rue de Candolle, near the University, did not provide confirmation of the facts described above. It is to be noted that the clientele is a very cosmopolitan clientele and that it includes many Americans, but the restaurant never had to send elsewhere for exotic dishes. As to the old maitre d'hotel who knows the employees and clientele very well, he has no recollection of having been kissed by a forty-year-old blond woman in the restaurant.

The same inquiries were made in the Buffet de la Gare des Eaux-Vives, whose operator is Mr. Charles Landolt, a chef specialized in Oriental dishes. It is a small restaurant just as renowned and with a clientele which is just as cosmopolitan (as the above beer garden). Regrettably enough, the book of table reservations from April 4 to April 20, 1968, has been destroyed. In this

restaurant, the customers are waited on by waitresses and there is neither a first-class chef nor a maitre d'hotel. However, the owner, wearing a chef's apron, remembers having been kissed several times by unknown females pleased with his cuisine.

Mr. Landolt made it clear that he had never had any exotic dishes brought into his place from the outside. Quite the opposite is true. People come to him to get them there because this is his specialty.

In short, with the information available to us, it has not been possible to establish the identity of the unknown American subject.

A search of our hotel reservation card file for the name James Earl Ray, his known aliases and the name Raymon George Sneyd or Sneyda has yielded no results. Even so, we wish to point out that from April 2 to April 4, 1968, the Hotel Intercontinental had a guest named:

James Cyril O'Connor
Born: [redacted] In Ceylon, Canada,
Residing at 180 Iowa Street, Ottawa,

stating he had arrived from London, passport number SP-21440.

I wish to recall that on April 30, 1968, Inspector Marchesi of the Federal Police informed our services that an American woman thought she had seen James Earl Ray in the company of another American woman on Saturday, April 27, 1968, at 2:00 p.m., in the Restaurant Movenpick, in Geneva. The inquiries made there yielded no results and no concrete element was picked up.

Mr. James Earl Ray is listed on the MSP 1967, page 933, item 7-4317, an arrest warrant has been issued against him, the charge is assault with a deadly weapon and suspicion of assassination committed in the United States. Prior to this listing, the subject had never been involved in cases handled by our services.

SIGNED:

E. (?) Thomkins

Legat, London has learned from New Scotland Yard that it has been determined that Ray under the name Ramon George Sneyd, stayed at the Heathfield House Hotel, 181 - 183 Cromwell Road, London, 5/17-28/68, the period previously unaccounted for relative to Ray's activities in England.

The proprietress of the Heathfield House Hotel, Mrs. Doris Catherine Westwood, advised that sometime after Ray checked out on 5/28/68, her husband deposited three \$10 American Express checks to their account at their bank. Neither she nor her husband can specifically recall but believe there is a possibility that these travelers checks could have been received from Ray.

It is not known whether it is possible for American Express, New York to check for any checks issued to Ray under the name Ramon George Sneyd without the check numbers, however, if it can be done, New York appropriately handle.

Sir.

During my tour of duty 13.30 - 21.30 the w/p has been respectful but at times appeared to be lost in thought, he made numerous notes in preparation for the next visit from his attorney.

Once again he mentioned his stay in Lisbon and stated that he stayed at the "HOTEL PORTUGAL" with the exception of the first night, he didn't say where that was spent.

In London he said that he had stayed in three hotels, the first was near the B.E.A. air terminal in Gloucester Rd. then he moved to the Lamb Court area and finally stayed near the B.O.A.C. air terminal at Victoria.

He made some comments on the interview with his attorney, nothing worth noting except his last remark which was, "Well I think they are all guessing at what happened, I'm the only one who knows and until I tell them they can't do much, so, they will have to wait until I get to America to find out." I asked him if he had told his attorney anything before and he replied, "No, I don't trust that room too much and I had to talk through the wire, with officers in the room."

At 20.30 hrs he retired to the night.

Dear Jimmy:

I will drop you a few lines to let you know what I have about you over there.

I'm calling the Lawyer that you have after Tuesday, and if you are going to stay a couple of months and if I can see you, I will drop over.

I call 'Perry Foreman' that is known Texas Lawyer, but he can only take your case if you ask him.

Judge Casey told the F.B.I. 3 weeks ago that they were going to reverse your sentence at Jeff. City, Missouri then I found the F.B.I. after I saw Houston of Missouri sent Epitaph paper after you. the F.B.I. told me to call the Judge and get it straight out.

also I have read where

Sir.

The a/n during my tour of duty 1-30 PM - 4-30 PM. spent his time reading until the exercise period when he joined in conversation on the differences on air and sea travel. Once exercise was over he again lay on his bed reading.

After tea he began discussing the fourteen months after his escape from Missouri State Prison, claiming that he firstly travelled to Montreal, Canada where he applied for a passport but did not get it, he also wrote to the U.S.A. for a correspondence course for Locksmiths but because of a customs check on the tools which arrived with the books etc. he had it returned for his collection at a later date. This he did while he was en route to Mexico some two months later.

From Mexico he travelled to California but could not remember how long he stayed in either place.

A suitcase which has been found with his fingerprints on it claims had not been in his possession for four months. A car was also mentioned which he believed the police had in some way connected with him and the assassin and acknowledged that it was his. He also admitted that he had been in ~~the~~ Tennessee at some time but did not say when.

Some mention was made of the man who made him get away from the shooting and successfully fooled the police by using a wireless tuned to the police

DEAR SIR;

6-29-68

I thought I would write you
in regard to my extradition
hearing which began Thursday.
They seem to be running for
a field and at this point I think
it quite of been a mistake to
contest extradition I won't go into
details as you probably have read
the details in the paper.
I suppose you read the paper
that my English attorney sent
you concerning Mr. Vinson press
conference. In my appearance on
there, Dept. Butler of Scotland
yard stated where Vinson left
off but I may correct some
of it Tuesday when the hearing
resumes. I read the letter you
sent me and I have no
intention discussing the case

No. 243. (20150-3-10-62)

with anyone, I would also
like to say that I have
no intention of making any
oral statement just that
I have nothing to hide, but
I would rather tell my
version to a court of law.
I am also going to write att.
General Clark to this effect
as it will stop them from
dreaming up something while
they are holding me from
London to the U.S.
That was highly unusual for
the British government not
letting you visit me as they
have a special place for
so called security cases.
from what I gather from my
English lawyer the U.S. government
had something to do with
keeping you from seeing me.
Do you think it would be
worth while to take it up
with a congressman?
Also I am writing my brother and
asking him to send you a
retainer. I'd discuss that further
when I see you.

Dear Sir,

I am at present in detention at
the above listed address in London, England.
In the near future I will most
probably be deported to the United States.
The reason I am writing you is
that you will probably dispatch
agents to London to return me
to the U.S. and I would like
to have it on record now
that I have no intention of
making any oral statements nor
that I have anything to hide
but I would prefer to tell
my story to a judge & jury.
Therefore I would respectfully
suggest you send someone
with less imagination than
Mr. Vinson. I have also written
my attorney, Mr. Arthur Horne a
similar letter. Sincerely

Dear Mr. Stoner;

I was shown a letter yesterday (3 July) written by you on a legal pad which you represent, if I remember correctly, offering legal assistance in relation to the charge against me in the U.S. as you have probably read in the papers. I have returned Mr. Arthur Hones of Birmingham, Alabama, therefore I would rather wait until I return to the U.S. and get his advice before I take any other action. As far as my personal views on the case I am more concerned with the personal charges made against me by the leftist press than the murder charge. While in the past I haven't gone to much attention to the political side of papers

No. 243 (28150-3-10-62)

it seems to me now that
they charge you with everything
they represent then try
to connect you with some
organization they disagree with.
In closing I would like to say
I appreciate your offer of assistance.
Also if you should write again
send it to me directly at the

MURKIN

The Legal Attache in London has obtained information from a highly confidential source that subject James Earl Ray while incarcerated in a British prison, using the name of Ramon G. Sneyd, sent a letter to Mr. J. B. Stoner, Attorney-at-Law, Savannah, Georgia. This letter, dated 7/4/68, in essence stated that subject Ray was shown a letter written by Stoner concerning a legal fund which Stoner represents, and Ray advises that he has retained Mr. Hanes and would like to get his advice before he takes any action.

The letter continues by advising that Ray appreciates Stoner's offer of assistance.

It is possible that this Stoner is identical to one Jesse B. Stoner, who is Vice President of the National States Rights Party with headquarters in Savannah, Georgia. Stoner has been described as a racial rabble rouser.

In view of Stoner's association with the National States Rights Party, Savannah and Memphis should determine through contact with appropriate sources and informants if Stoner has had any further contact with Ray.

Re: James Earl RAY and aliases

On Tuesday, June 18, 1968, Cpl. J.S. DUNLOP of the R.C.M.P. "O" Division, Toronto, Ontario, contacted the Laundry and Dry Cleaning identification examiner of this branch in regard to attempting to identify a laundry mark which appeared on a shirt collar. The mark was described as an encircled C over the digits 24, and when records search had been completed, appeared to be of the type employed by personnel of Community Cleaners, 789 Dundas Street West, Toronto, Ontario.

Subsequently, Sgt FULLERTON and Cpl. DUNLOP, R.C.M.P. officers attended this section on Monday, July 8, 1968, producing photographs of two separate laundry marks. One of the photographs related to the mark previously described. The second photograph portrayed the mark EG-C83 which appeared to be on the waist band of a pair of underpants. The investigating officers were of the opinion that a positive identification had been made in regards to Community Cleaners in the case of the shirt and requested that an examination be made of the second mark.

It is my understanding our examiner Mr. C.O. Byrne and the investigating officers are in complete agreement that both marks examined could have been made by personnel of Community Cleaners. I also believe that the investigating officers would like a report on this matter.

Respectfully submitted.
