A Xerox copy of each motel registration has been made by the Jackson Division, and copies of these registrations are being maintained in the bulky exhibit file of Jackson File 157-9586.

It is noted on the registrations that there is registration from Saskatchewan, Canada, at the Round-Town Motel, and a registration from Winnipeg, Manitoba, Canada, at the Holiday Inn, during the pertinent period. It is being left to the discretion of Memphis, the Office of Origin, as to whether appropriate LHM should be submitted to the Bureau to have these individuals identified in Canada.

The names of those individuals appearing on the motel registrations who reside within the Jackson Division are being identified through indices check in the Jackson Office and appropriate credit and criminal being conducted within the cities in which they indicate they reside.

LEADS:

ALL RECEIVING OFFICES

All offices receiving copies of this communication will review the FD-302s which they have received for names of those individuals who reside within their respective divisions and will review the names through the appropriate office indices and will identify the individual through appropriate credit and criminal check, and if deemed advisable, will interview the individual if there is a possibility of any association with JAMES EARL RAY.

By airtel dated 4/29/69, PH stated that PH 897-R stated that RAYMOND (LNU) said that BEVEL had been in NY for three weeks.

A lead was set out for NY to locate JAMES BEVEL, and if in a hospital, attempt to determine the reason for hospitalization.

The New York Operation of the SCLC is concerned with fund-raising, and is under the overall supervision of STANLEY LEVISON. NY has maintained close contact with NY 3810-S*, a source close to STANLEY LEVISON, in an effort to obtain information that JAMES BEVEL is hospitalized in NY. This source has provided no information indicating that BEVEL is in the NY area.

There are over 100 hospitals in the Greater New York area with no central repository of information concerning patients. NY does not plan to canvass hospitals in view of the lack of definite information about BEVEL being hospitalized in NY.

No further action is being taken by NY as to BEVEL.

Re Savannah airtel to the Bureau, 5/7/69, which advised that according to SV 524-R, Attorney J. B. STONER and the subject's brother, JERRY RAY, might be located somewhere in Tennessee.

Savannah is requested to maintain contact with SV 524-R, and when more definite information is obtained as to JERRY RAY's location, Savannah is requested to set out leads to have JERRY RAY interviewed regarding statements made by him that he believes JAMES EARL RAY was part of a conspiracy to murder Dr. MARTIN LUTHER KING, JR. For Savannah's information, JERRY RAY has been quoted in various news media as having stated that his brother conspired with other individuals to murder KING. He has not furnished any specific details regarding this conspiracy, and it is desired that he be interviewed to determine if he has any knowledge of a conspiracy. The interview with JERRY RAY should be recorded in an LHM suitable for dissemination.

In the event Knoxville has any indication that STONER and JERRY RAY are located within that division, appropriate action should be taken to interview JERRY RAY, as set out above.

By airtel dated 4/18/69, the Jackson Office advised the Bureau that motel records at Corinth, Miss., had been reviewed under the subject's true name and aliases and had been reviewed for subject's Alabama license number. By airtel dated 5/7/69, copies of which were not furnished the Bureau, the Jackson Office set out leads for those offices to whom copies of this communication are designated. These offices have been requested to interview several hundred persons who spent the night in motels at Corinth, Miss., on or about 4/2/68.

In view of the fact that more than a year has passed since these persons stayed over night at Corinth, and since similar investigation of this type in this case has previously been unproductive, and since HUIE has admitted that RAY frequently is untruthful in statements to him, and further since it is not believed that it is of any particular importance to establish whether or not JAMES EARL RAY stayed over night at Corinth on 4/2/68, all offices will disregard the leads set out in Jackson airtel dated 5/7/69, unless specifically advised by the Bureau to cover same.
