Enclosed herewith for the Bureau is a letterhead memorandum for dissemination, if appropriate.

It is to be noted that the letter in question is hand printed in ink on lined notebook paper and reads as follows:

"I am deeply involved in the murder of Dr. Martin Luther King" and "Thanks for the letter, now if you call the police on me I'll kill you too." This letter also contains obscenities written at random on the letter.

On May 7, 1969, these facts were discussed with Assistant United States Attorney MILTON C. BRANCH, Denver, Colorado, who declined prosecution as there is no real victim.

In view of the contents of this letter it has been disseminated to Secret Service, Denver, Colorado. It is also being furnished for the information of WFO inasmuch as the letter was originally mailed to the National Radio Institute in Washington, D. C.

A letter confirming the opinion of the AUSA, Denver is being forwarded.

A review of reairtel reflects that San Antonio would have a lead appearing in the 302 of H. C. FREEMAN, owner and operator, Corona Plaza Motel. A copy of this 302 was forwarded to San Antonio.

A thorough review of the 302 of H. C. FREEMAN dated 4/24/69, reflects on page 9 three individuals residing in Texas; however, none of them are listed as residing in the San Antonio Division. Further, this review failed to reflect any possible lead for San Antonio.

In view of the above, San Antonio is conducting no investigation in this matter.

TRANSLATION FROM GERMAN

The airmail letter is addressed to:

The letter is postmarked Los Angeles, California,

Los Angeles, March 13, 1969

Dear Dr. Winkler:

One should never give up hope. Today, March 13,
I received the fee for my first article. Many thanks.

Forgive me please if my last letter sounded some-
what impatient. However, I really did not know what to
think. Your letter never got here. Perhaps it became

I receive letters from my sister in Berlin regularly. On the average, it takes about six days; lately, it has gone up to ten days on occasion.

I have not received sample copies either of the first or of the second article, although I heard from my sister that it (sic) appeared.

Naturally, I would like to know whether my articles are in accordance with your desires and it would be also helpful to know if and when the third article will appear and, particularly, whether you are interested in the subject which I proposed in my last letter.

Perhaps an article about the truly monstrous scandal of the Ray trial would be in order (Ray is the slayer of Dr. Martin Luther King, Jr.). Ray had broken out of jail before King's assassination. He had no means of support. Even so, he was able to evade the police in Memphis, which, reportedly, did not set up a single road block. Ray was able to fly to Canada and, from there, to London and Lisbon. He must, therefore, have had people who helped him - people who paid him for the assassination and, later, financed him. Even so, the Court allowed Ray to confess the murder and, thereby, avoid capital punishment. After that, the trial came to an end in two days. No questions were asked about the men-behind-the-scenes and even though Ray, still in the Courtroom, declared he could not possibly accept the theory that he had acted alone and without help, he was not asked who had helped him. An hour later, Ray was on his way to the jailhouse. This whole case - if at all possible - is even worse than President Kennedy's assassination.

Perhaps you could let me know shortly whether you are interested in an article on this case and how long it should be.

Hoping to hear from you, I remain

Best regards

Your

Martin Hall ✓

At approximately 10:30 PM on 5/26/69 ROBERT MC COY telephonically contacted the Jackson Division and was subsequently put in contact with SA DAVID P. HURLEY in Gulfport, Miss. MC COY advised that he is presently residing with his wife at 714 Windomere Avenue, Richmond, Virginia and that he and his wife are managing a housing project known as the Azalea Apartments. He furnished his home telephone number as 262-5763 and his office telephone number as 266-8831. MC COY stated that his reason for contacting the FBI at this time was the fact that he had that day read in the local paper in Richmond, where National States Rights Party (NSRP) Attorney, J. B. STONER, was one of the attorneys

representing JAMES EARL RAY who had been convicted in Tennessee of the murder of Rev. MARTIN LUTHER KING. MC COY stated that when he left the Mississippi Gulf Coast due to family problems he thereafter went to Atlanta for the purpose of "investigating" the NSRP. While there he spoke with STONER and others and when he left he "stole" certain taped recordings which he claimed pertained to conversations concerning STONER and RAY. He stated that he still has these tapes in his possession and would like to turn them over to the FBI. During the brief conversation MC COY denied knowing anything about the article concerning him which had appeared in the November, 1968 issue of "The Thunderbolt".

AT RICHMOND, VIRGINIA

Pursuant to instructions contained in Bureau airtel to Jackson 11/25/68, the Richmond Division is requested to interview captioned individual concerning allegations contained in the article appearing in "The Thunderbolt". During the course of interview with MC COY an attempt should be made to determine his motives and circumstances under which he contacted the offices of the NSRP and obtained these tapes. Pursuant to Section 107S, Volume IV, Manual of Instructions, MC COY should be cautioned against any future public disclosure of his past association with the FBI. Any questions which he might have in the future should be resolved by contacting the FBI. It is suggested that Richmond should accept the tapes and any other material which MC COY desires to make available to the FBI, however, no effort should be made to direct his activities.

In view of the wide spread publicity MC COY received through "The Thunderbolt", it is felt that he should not be operated as an informant in the future, even though he may desire to again cooperate with the FBI.

JAMES LUTHER BEVEL

The New York Times on March 18, 1969, carried a story concerning an interview of JAMES BEVEL in which BEVEL stated a letter was turned over to the Memphis Police on approximately April 3, 1968, which contained information that Dr. MARTIN LUTHER KING, JR., was to be assassinated while in Memphis.

A source, who has furnished reliable information in the past and who is familiar with Southern Christian Leadership Conference (SCLC) activities in the Philadelphia area, advised in April 1969 that BEVEL was in a mental hospital in New York.

On May 18, 1969, a track meet was held at Villanova University, Villanova, Pa., and the proceeds from the track meet were sent to SCLC.

A second source, who has furnished reliable information in the past, advised he was present with Rev. RALPH ABERNATHY, Director, SCLC, at the track meet. This source advised while with ABERNATHY he met BEVEL at the track meet. Source stated BEVEL was extremely quiet and did not act in his usual manner. Source stated he mentioned this to Rev. ABERNATHY who stated, "BEVEL is in another world." Nothing further was said.

On May 20, 1969, the first source contacted people active in SCLC in Philadelphia and was told BEVEL is no longer in Philadelphia. One person stated "BEVEL is in New York,"

On 6/6/69, Mr. HAROLD RAND, Secretary and Assistant Treasurer of the Ed Pinaud, Inc., 902 Broadway, NY, NY, was interviewed by SA FRANCIS L. CASHIN.

RAND stated the Ed Pinaud Co. is a very old company in France, and that the Ed Pinaud, Inc. in the United States is a licensing arrangement with the France Company to use the name Ed Pinaud. The United States company pays the French company a royalty for the use of the name Ed Pinaud.

There is no such person in the United States company by the name of ED PINAUD or EDWARD PINAUD and to RAND's knowledge there never has been. RAND stated that he assumes that many years ago there may have been an ED PINAUD with the French company.

RAND read the letter sent to the National Radio Institute, Washington, D.C., in April, 1969, with the return address of EDWARD PINAUD, 902 Broadway, NY, NY.

Authorization has previously been granted to conduct an interview of Reverend BEVEL for such information as he might be able to furnish. He has been previously contacted and furnished no information of significance. He has also reportedly spent some time in a hospital in the New York area because of a "breakdown." In view of the above, and despite restatement of his earlier claim that he has possessed information it does not appear that an interview would necessarily be productive.

Ray Warrant s Still On File Here

BY LILLIAN FOSCUE VANN

A warrant for the arrest of Eric Starvo Galt, alias James Earl Ray, convicted killer of Dr. Martin Luther King Jr., is still on file in the office of U. S. Marshal Roy L. Call in Birmingham.

Issued at the order of then U. S. Atty. Gen. Ramsay Clark, the warrant was signed by Joseph H. Gamble, then special agent in charge of the FBI in Birmingham.

The warrant, issued April 17, 1968, charged Eric Galt and "an individual whom he alleged to be his brother," with conspiracy to "injure, oppress, threaten or intimidate Martin Luther King Jr."

Marshall Call said the last official communication he had with the Department of Justice in Washington concerning the Galt warrant was June 10, 1968.

"We have to hold it until it is dismissed by the Criminal Division of the Department of Justice," the marshal said.

Ordinarily, the marshal would notify authorities at a prison in which a fugitive was already serving that he was wanted in Birmingham on a charge. In the case of the warrant for Galt, alias Ray, however, the marshal said he had not notified prison authorities in Nashville where Ray is imprisoned for the April, 1968, slaying of Dr. King.

"In my opinion this warrant will be dismissed since no evidence of conspiracy has been proved," Call said.

Self-acclaimed Black Student Association (BSA) leader JAMES EDWARD MOCK failed all his spring, 1969 courses at Memphis State University (MSU) and is not, therefore, eligible to attend summer school. He will probably loaf around MSU as many of the BSA (black students) will attend summer school.

Re: JAMES BEVEL, MN, Memphis

From Sunday, 6/8/69, through 6/13/69, Rev. JAMES BEVEL, male Negro, a Baptist Minister and recent leader of Southern Christian Leadership Conference (SCLC) is to be in Memphis to preach a revival at Tree of Life Baptist Church, 407 East McLemore, pastored by Rev. ISIAH ROWSER.

ROWSER and BEVEL attended Theology School together and have since remained as close friends.

At the BTU class at Tree of Life Sunday evening, 6/8/69, BEVEL was asked, "Do you know about the 4/4/68 killing of MARTIN LUTHER KING, JR.?" BEVEL replied that in the past, prior to KING's death, he was usually accompanied by and protected by several U.S. Secret Service Agents and other Federal Government Agents and that on the 4/68 trip, these Federal Agents were not with him, giving the killer an opportunity to kill KING. BEVEL said he knew who killed KING but would not tell. ME 353 got the impression BEVEL was inferring that someone in the Federal Government had KING killed.

He was asked regarding the current alleged split in leadership in SCLC, a so-called power struggle between Rev. RALPH ABERNATHY and JESSE JACKSON, and BEVEL denied that such a split exists.

Re: INVADERS

ME 353 heard from a relative that 10-12 alleged Invaders came to hear BEVEL speak on the night of 6/11/69. They purportedly sat on the front row and behaved themselves.

Re: JOE CALHOUN

JOE CALHOUN, currently working in the Black Arcade (Dashiki Shop, 241 Linden) is believed to be the brother of GAYLON CALHOUN, who until recently was a MSU student and BSA member and also was inducted into the U.S. Army around the end of May, 1969.
