Description:

1- WRITTEN STATEMENT  
BY SOLOMAN JONES JR  
11/22/78,

Memphis, Tennessee  
November 22, 1978

 I, Solomon Jones, Jr., make this free and voluntary statement to Burl F. Johnson and James A. Davis, who have identified themselves to me as Special Agents of the Federal Bureau of Investigation (FBI). No threats or promises have been made to induce me to make a statement. I realize any statement I do make may be used in a court of law.

I am currently serving a jail sentence at the Shelby County Jail (SCJ), Memphis, Tennessee, following conviction on an embezzlement charge. My permanent residence is located at 852 Faxon Street, Memphis, telephone 525-3447. Prior to the incarceration I was employed by the Hughes Bonding Company, 95 North Second Street, Memphis, which is operated by Neils Jones.

In 1968 I served as chauffeur for Dr. Martin Luther King, Jr., while Dr. King was in Memphis. I was present at the Lorraine Motel, Memphis, on April 4, 1968, and was standing near Dr. King when he was killed on that date. Immediately after Dr. King was shot I observed an individual dressed in something white moving behind the building across the street on the west side of the Lorraine Motel. This is the direction from which I heard a noise that was apparently the sound of a gun shot. I do not know the identity of this individual. 

 On an unrecalled date, Wayne Emmons, my attorney, who has an office at 100 North Main Street, Memphis, telephone number 523-7788, informed me that Duncan Ragsdale was attempting to locate me for Mark Lane, an attorney. Ragsdale was a candidate in the 1978 election campaign opposing Congressman Harold Ford for U.S. Representative in the congressional district in Memphis represented by Mr. Ford. Ragsdale learned I was incarcerated at the SCJ.

On an unrecalled date, approximately 30 days ago, Ragsdale and Mark Lane made an appearance at the SCJ and requested permission of SCJ officials to see me. Ragsdale told the SCJ officials I had invited him and Lane to visit me, which is not true. Ragsdale later told me it was necessary for him to tell the jail officials this in order to obtain permission to see me. After I signed a memorandum prepared by SCJ officials indicating I was willing to see Ragsdale and Lane, the jail officials allowed them to visit with me.

Lane opened the interview by asking, "Would you take \$1,000 to put some hot news on the front page?".

I asked, "What kind of news?". Lane said, "You know the FBI was harassing Dr. King." I said, "No, I don't know. Dr. King had personal business. I was Dr. King's driver." Lane asked, "Don't you think the FBI set up the plot to kill Dr. King?". I said, "I don't know who set up the plot and I don't know who killed him." Lane said,

S.Q.

"I'm going to get you before the Committee and I want you to tell the Committee that <sup>S.Q. WALTER</sup> Fauntroy and Dr. King had women living at the Lorraine Motel. Was that true?". I answered, "I don't know whether that was true." Lane stated, "The man you described running from the scene dressed in something white - don't you think it was the FBI?". I said, "I don't know who it was." Lane said, "The FBI put the woman in the crazy house to keep her from testifying she saw the FBI around the building before the shooting took place. Don't you think the FBI has gotten hold of Fauntroy to keep him quiet and from bringing the FBI to testify before the Committee?".

I understand the Committee referred to by Mr. Lane to be the House Select Committee on Assassinations (HSCA) and that Mr. Fauntroy is the representative from the District of Columbia.

I am of the impression that Mr. Lane wants me to testify before the HSCA provided I testify that the FBI helped kill Dr. King and prefers I not testify otherwise.

Following the appearance of Mr. Ragsdale and Mr. Lane at the SCJ they proceeded to the Lorraine Motel where they held a press conference. At this conference Mr. Lane announced he had met with Solomon Jones, the chauffeur of the late Dr. Martin Luther King, Jr., but that Mr. Jones would be unable to accompany him at that time.

S.Q.

*S. J.*  
The following day a news release attributed to Lane contained information to the effect that I am a key witness to the killing of Dr. King and that the HSCA would not let me testify because my testimony would destroy the Committee.

My wife, Elizabeth, and mother-in-law, Maggie Moore, have heard a radio broadcast on Memphis radio station WDIA wherein it was reported that WDIA has received a letter from Lane stating he was acting as an attorney for me. The letter also stated that I would be in danger if I appeared as a witness before the HSCA.

Lane is not now, has never been and will never be retained as an attorney by me. I was subpoenaed by the HSCA and was scheduled to appear as a witness on January 17, 1978. This appearance was canceled due to the death of Senator Humphrey. I was informed by the Committee I would be subpoenaed at a later date but I have not been subsequently subpoenaed.

*S. J.*  
REVEREND WALTER FAUNTROY WAS ON THE BOARD OF THE SOUTHERN CHRISTIAN LEADERSHIP CONFERENCE IN 1968. REVEREND FAUNTROY WAS REGISTERED AT THE LORRAINE MOTEL THE DAY DR. KING WAS KILLED. *S. J.*  
*I have read this with faith and it is the truth to best of my knowledge. Solomon Jones Jr.*

WITNESSED BY: *Paul F. Johnson, Special Agent, FBI, Memphis, Tennessee, 11/22/78.*
