On May 1, 1968, and May 2, 1968, all law enforcement agencies within Broward County, Florida, were contacted to ascertain if each agency maintains an unidentified latent fingerprint file. Only the Broward County Sheriff's Office maintains such a file, however, all law enforcement agencies do have latent fingerprints in separate and/or individual cases. Each law enforcement agency was requested to compare the fingerprints of JAMES EARL RAY with latents obtained since his escape from the Missouri State Penitentiary April 23, 1967.

If as a result of this comparison, positive information is developed, each law enforcement agency advised it would immediately notify the FBI. The law enforcement agencies in Broward County are as follows:

TO : SAC (44-1854)

FROM : SA JOHN E. BYRNES

SUBJECT: MURKIN

DATE: 5/4/68

At 8:03PM a long distance call was received from a man with an accent that appeared as if he were colored. He deposited 50 cents for the operator in order to talk to the Miami Office.

He declined to identify himself until just before he hung up and then would only say that he was Mr. WILLIAMS and that he thought that enough of his people had been killed.

He gave a rambling story that he thought that the FBI would be interested in a man who was located about 1/2 mile north of the 7 mile bridge on the keys near Captain Mike's Seafood on a boat named the Trojan or the Trofan. He identified this man as one CHARLES ULSREY. He was asked why the FBI would be interested in this man. He answered that ULSREY was the man who shot Dr. KING. He was advised that the FBI was presently searching for JAMES EARL RAY in connection with this murder. He then answered that this was the name that he was attempting to say but his memory was not too good.

This information was furnished to SA JELLISON by telephone at 8:05PM

WETZEL and JAMES GORDON HALL that on 2/12/68, while traveling alone by automobile through the state of Georgia, she met three men in a restaurant, the name and location of which she does not recall. She conversed with these individual's names was BUDDY CHRISTIAN, age 40. One of the other men was CHRISTIAN's younger brother, whose age is approximately 28. The third man gave his name as JAMES CRAIG.

MAZZOLLA drove along the same highway that these men were traveling for approximately eight hours as they headed for Florida. These men were driving a red Dodge, about three or four years old, license number unknown. MAZZOLLA had a brief conversation with these men at a gasoline station where they both stopped to refuel. When they arrived at Beland, Florida, they stopped at a filling station and had a brief conversation, during which BUDDY CHRISTIAN advised MAZZOLLA that he and his brother had jumped bail in some

CRAIG stated that he could be located in care of a friend or relative by the name of MAC RICHARDS, 2364 Bayside Drive, Naples, Florida, telephone number MI 9-9058.

FROM : SA JOHN F. HANLON, JR.

SUBJECT: MURKIN
CR

This date, HUNTER HELGESON, SOG, advised that at 10:30 PM, today, a call was received at the Bureau from JANET MASON, Plaza Hotel, Hamilton, Bermuda. The woman was excited and talked in a rambling manner, admitting that someone was trying to have her committed. She related that she was in the Pan American World Airways, Inc, office in the Civil Air Terminal, Hamilton and there saw subject, RAY. She inquired of Pan Am and learned that the individuals name was ~~XXXXXX~~ SPERLING and that he had worked there for six months. She related that she was still convinced that the individual was RAY. She described him as a w/m, 35, 5'10", 135-40, dark hair and eyes, left ear stuck out.

HELGESON requested that Miami attempt to establish that SPERLING was an employee and to determine if there had been a disturbance at the office in Hamilton.

Writer contacted Pan Am Supervisor, JOIE CARRERO, and he related that all records were kept in New York and that they had no line to Bermuda. He related that messages were sent there by teletype through New York. He related that he could not be of assistance in this matter and suggested that Pan Am New York be contacted.

HELGESON was informed of the above and it was suggested that he have New York contact, JOHN WILLIS, Chief of Security, Pan Am, JFK Airport requesting that he assist in this investigation. He was informed that if SPERLING was in fact employed by Pan Am his file would be in New York and should include fingerprints. HELGESON advised that they would resolve the matter.

DATE: 5/3/68

Re Bureau teletype to Miami dated 4/26/68
(serial 321).

The following investigation was conducted by
SA ROGER B. COLTON at Ft. Lauderdale, Florida:

On 4/27 and 5/1/68, MM 1138-R advised that he vaguely recalls JAMES WHITE, a barber who had a barber shop some place on S. W. 17th Street in a medical building, applied for membership in Klavern #6, UKA, Inc., KKKK.

Informant advised to the best of his recollection WHITE was not accepted for membership due to a drinking problem. Informant was unable to recall any statements made by WHITE concerning a threat to kill MARTIN LUTHER KING, JR. and added that he had not seen nor contacted WHITE.

Informant further advised that he has no information whatsoever of anyone in Klavern #6 that could in any way be implicated as a conspirator in the assassination of KING. He is positive and would state unequivocally that no one in Klavern #6 had any part or could in any way be implicated in this killing.

Informant added that he feels he knows each member of the Klavern and knows the activities of the Klavern and should anyone have been implicated, this would, in his opinion, have been made known to someone at sometime. Consequently, he reiterated his belief Klavern #6 and members thereof are not implicated whatsoever.

MARGRET CARMICHAEL STRADER, wife of ROBERT HOOD STRADER, was contacted at the residence of her father, E. P. CARMICHAEL, Route #1, Lexington, Illinois, on 4/30/68. Mrs. STRADER advised she and her husband were at the CARMICHAEL residence the weekend of 4/20-22/68. She advised that on the night of 4/21/68 or early morning of 4/22/68 her husband was awakened by the dogs barking outside the farm residence which is located up a farm lane one-half mile from the main rural road. She advised her husband and her father, E. P. CARMICHAEL, upon making a search of the outside area, found that the STRADER's 1967 Oldsmobile Delta "88", cream colored with black vinyl top, had been broken into. Mrs. STRADER advised nothing was missing from the car and no one was located or seen in the area. Mrs. STRADER advised her husband left alone from the CARMICHAEL residence on the morning of 4/22/68 en route Detroit, Michigan.

Mrs. STRADER advised that in a short period of time, Mr. STRADER returned to the CARMICHAEL residence. Upon his return,

STRADER stated he had found a note in the recessed area of the speedometer of his car. (Mrs. STRADER pointed out that the speedometer has been broken; therefore, her husband was not normally attracted to the speedometer). She related this note was made up of words cut from newspapers and pasted on the back of a pocket calendar (unable to describe the calendar). Mrs. STRADER said the note read in substance, "If you go to the police or the FBI you will be killed." Mrs. STRADER advised her husband, after returning with the note, proceeded en route Detroit, Michigan, and after a short period of time had elapsed, he telephonically contacted her, stating he was at the Holiday Inn, Bloomington, Illinois. Mrs. STRADER stated her husband informed her that upon reaching the road one mile north of the CARMICHAEL residence, and Route 66, he saw a 1966 or 1967 Chevrolet, tan in color, no license information, with two men in the car, parked along the road. Mrs. STRADER stated her husband told her that this car followed him en route Bloomington. However, they did not turn into the Holiday Inn when he did. Mrs. STRADER advised her husband then told her he was proceeding on to Detroit, Michigan,

Mrs. STRADER advised upon discussing above with her parents, her mother, Mrs. E. P. CARMICHAEL, stated she had noticed a late model, tan car, making several trips on the main rural road near the CARMICHAEL residence on the early morning of 4/22/68.

Mrs. STRADER advised that on the night of 4/22/68 her husband telephonically contacted her, but he would not disclose his location as he stated he was afraid to mention his location over the phone. She related her husband told her that he stopped at a rest stop area after leaving Indianapolis, Indiana. Upon leaving his car and walking the direction of the men's restroom, he saw a tan automobile occupied by two men driving very slow. He stated at this time the rider in this automobile fired a shot at him. STRADER told his wife the shot just missed his ear and he, STRADER, hit the ground where he laid as if he had been hit. STRADER stated that the tan car disappeared and he has not seen it since.

Mrs. STRADER stated her husband believed this action was due to his being in the men's restroom at the Gulf Truck Stop, Lebanon, Tennessee, on 3/27/68, where he allegedly overheard five men planning to kill Dr. MARTIN LUTHER KING, JR. Mrs. STRADER stated her husband told her that one of the men in the restroom was RAY, whom he recognized after RAY's photograph was published. She stated he further informed her that he would be able to recognize the other men he saw in the restroom. Mrs. STRADER advised she recalls being at the Gulf Truck Stop at Lebanon, Tennessee, on 3/29/68. She stated upon their leaving the truck stop, her husband did not mention to her anything of hearing of the plan to kill KING. She stated she does recall her

husband remarked, "If King goes back to Memphis he will be killed." Mrs. STRADER advised her husband did say he wanted to see CARL STERN of NBC, Washington, D.C, whom he knew but did not state why he desired to see STERN.

Mrs. STRADER advised her husband returned to the CARMICHAEL residence at Lexington, Illinois, on Friday, 4/26/68, where he stayed until the morning of Saturday, 4/27/68, at which time STRADER and his mother-in-law had an argument over Mrs. STRADER's son by a previous marriage. Mrs. CARMICHAEL told STRADER to leave, which he did.

Mrs. STRADER stated she told her husband she had contacted Mr. DONALD T. SULLIVAN, Assistant Special Agent in Charge, Springfield Office of the FBI, and that he, STRADER, should call Mr. SULLIVAN and set up an appointment; that Mr. SULLIVAN had informed her he would make an appointment to meet STRADER at any location or at any time when STRADER was available. Mrs. STRADER stated her husband told her he was afraid to attempt to meet with FBI Agents, as he felt he was being followed. Mrs. STRADER stated she was unable to convince her husband to make arrangements for a meeting with the FBI. She advised her husband is very much interested in obtaining protection.

Mrs. STRADER advised of some of her husband's activities, which are not concerning the murder of Dr. KING. She advised that she does not know all of her husband's business and that she is sure he has not told her all he knows.

Mrs. STRADER advised her husband is acquainted with RAYMOND STARNES of Baton Rouge, Louisiana, who told STRADER in the summer of 1967 that there were several businessmen in the area of Baton Rouge, Louisiana, who were taking up a collection to obtain money to have KING assassinated. Mrs. STRADER advised her husband is well acquainted in the Baton Rouge and Denham Springs, Louisiana, area. She stated he was, in the summer of 1967, connected with the E.C. Donnell Construction Company of Denham Springs, La., which was doing construction work for the telephone company. She related E. C. DONNELL lives in Dallas, Texas. She related DONNELL had an equipment rental business and while STRADER and DONNELL were attempting to rent the equipment they were trying to gain financing for a recreational park in Louisiana similar to "Six Flags Over Texas." She related that some way they came in contact with a CHARLES and LILLIAN SHAPIRO (ph) of Miami, Florida, who advised they could finance same but were not interested, in a recreational park but would be interested in financing a horse racing track. Mrs. STRADER advised Mr. DONNELL obtained RAYMOND STARNES to help locate his land which could be used as a horse racing park. He also obtained sanction of the sheriff, (FNU) IRWIN and SAM BOSKO, both of Slidell, La; however, "things got out of hand" and an article

SI 44-561

appeared in "Life" magazine, and the Governor of Louisiana placed a stop to the entire operation.

Mrs. STRADER advised her husband is in telephonic contact with her daily but declines to furnish information as to his location over the telephone, as he is very afraid. Mrs. STRADER was advised to inform her husband if he has any information he desires to furnish to the FBI, he can contact any FBI Field Office, who will then arrange for an interview with him.

For information receiving offices, Inspector THOMAS E. BISHOP, SOG, on 4-24-68 advised he had received a telephone call from CARL STERN, Washington, D. C., NBC Office, who told him that a man (FNU) STRADER, whom he had met on one occasion while covering a story in the South, had, on 4-24-68, telephoned him from someplace around Toledo, Ohio. STRADER informed him he was en route to the home of his wife's parents in Lexington, Illinois. He then told STERN a "fantastic tale" about him, STRADER, overhearing a conversation on 3-29-68 in Lebanon, Tennessee, concerning the killing of MARTIN LUTHER KING. Apparently STRADER was of the impression that the people involved in the conversation knew he had overheard them, and they had taken his license number. STRADER believed there had been at least one shot fired at him since that time. STRADER informed STERN he had vital information concerning KING's murder and called STERN for advice as to what he should do. STERN advised STRADER to call the Springfield Office of the FBI and they would make arrangements to have someone meet him at his convenience in their territory. According to Mr. STERN, BISHOP stated that STRADER is afraid to approach any office and may desire to have someone meet him at a location other than an office.

The files of the Springfield Office contain the following references to ROBERT STRADER, however, it cannot be determined at this point whether or not they refer to ROBERT HOOD STRADER of Lexington, Illinois:

On 11-19-65 ROBERT STRADER, 6'1" - 2", 175 lbs., employed cutting timber near Edwardsville, Illinois, and in construction work at Southern Illinois University, Edwardsville, Illinois, was considered a suspect in the robbery of the Hamel State Bank, Bufile 91-20560, SIfile 91-2642.

SI 44-561

In 10-66 prosecution of ROBERT H. STRADER was declined in an ITSMV matter which involved a rental car. ROBERT H. STRADER had represented himself as an employee of General Telephone Co., of Illinois, registering at two motels at Bloomington, Illinois, and had skipped without properly checking out and without paying for his room. STRADER could not be located at that time but was described as a white, male, 35 - 40, 5'10" - 6', 150 lbs., dark brown hair, medium build and medium complexion. He was subject of Sifile 26-29006.

One ROBERT HOOD STRADER was subject of an ITSMV; UFAP - AUTO THEFT case in which Milwaukee was 00,9/63, Bufile 26-316708, Sifile 26-23403. This individual had a rather extensive arrest record dating back to 11/48 at which time he was AWOL and which involved record of arrest for issuing worthless checks, mail fraud, investigation of forgery, and defrauding an innkeeper. ROBERT H. STRADER, whose FBI No. was given as 244 633 A, was twice a patient at hospitals, one as a patient at the Patton State Hospital concerning which fingerprints were furnished by the State Bureau of Identification, Sacramento, California, on 8-3-60 and subsequently again on 9-21-60, was a patient at Atascadero State Hospital, California. That individual was described as white, male, approximately 6'3", 190 lbs., fair complexion, hazel eyes, brown hair and was considered to have suicidal tendencies.

A check through NCIC on 4-30-68 indicated ROBERT STRADER was not currently wanted.
