DATE: 5/7/68

FROM : SA RICHARD B. KELLOGG

SUBJECT: MURKIN

Re memo to SAC from SA JAMES P. TUCKER 4/20/68 regarding info from Mrs. WILLIAM SCHOOLEY, Manager, Beach Drive In Theater, Riviera Beach, to effect she had seen man resembling subject at the theater

On 4/23/68 Mrs. SCHOOLEY advised SA RICHARD B. KELLOGG that she had not seen the individual she had in mind since 4/19/68. She said, however, they changed films on 4/21/68 and she would be alert to this man's presence there and arrange to get a license number or something by which to identify him. She said the film would change again on 4/26/68 and about every five days after that. Mrs. SCHOOLEY said she believed this man to be a recent arrival in Florida as he wore shorts and did not have a proper tan for a Floridian. On the two occasions she saw him he was by himself and purchased food for only one person. She said the first time he looked a little "sloppy" and the next time was more neat. She believed him to be about 5'11" tall, medium build, with light brown hair. She recalled no lack of symmetry in his ears and paid no particular attention to his nose. She recalled no scars or marks nor did she recall if the man had any accent. She said she would advise if she sees this man again. On 5/6/68 Mrs. SCHOOLEY advised she had been alert to locate this man but had not seen him again, which indicated to her the man was a tourist who has now departed.

Re Albany teletype to Director 5/6/68 regarding suspect CLAUDE DAOUST, a Canadian.

Inquiry on 5/6/68 by SA RICHARD B. KELLOGG at the Palm Beach County Jail, West Palm Beach, Fla., revealed that DAOUST, aka ROBER BROSEAU, was booked in there by the West Palm Beach Police Department on 2/24/68 on four counts relating to forgery and unlawful use of credit cards. He was bonded by FRANK REIDENBACH on 4/4/68, bond returnable 10/21/68. On that same date Bondsman FRANK REIDENBACH, 1st St., West Palm Beach, advised he recalled bonding DAOUST, who was being held in the Palm Beach County Stockade, and recalled it was after dinner and after dark on 4/4/68 before the bonding was completed. SA JOHN STAFFORD ATWATER advised he interviewed DAOUST when he was first taken into custody

and described him as young, fair complexioned, black haired person who is definitely not identical with subject. This info furnished to Supv. NEWMAN for inclusion in teletype to be sent 5/6/68.

Re Tampa Tel to Director 5/6/68 re info furnished by CAROL YVONNE CROWLEY re one JESSE (LNU) whom she had seen at the Beauna Vista Hotel, West Palm Beach, Fla., whom she believed looked like subject.

On 5/6/68 WILLIAM COCHRAN, Manager, ~~XXXXXX~~ Beauna Vista Hotel, 409 North Dixie Highway, West Palm Beach, Fla., advised SA RICHARD B. KELLOGG that RUDY JESSE SMITH arrived there on 4/19/68 at about the same time as ELLA SIMMONS and CHARLES AKERS, all of whom seemed friendly and he thought they were together. COCHRAN said he does not require home addresses etc from persons registering there but said from conversation with these persons he believes they came from Tennessee and SMITH had just come along with SIMMONS, AKERS, and SIMMONS' two children. COCHRAN said SMITH worked as a dishwasher somewhere locally but he as well as SIMMONS and AKERS have been gone for a couple of days. He said SIMMONS and AKERS left in the middle of the night owing moneyx, and taking everything with them. He said SMITH's clothes are still there and he too owes money so COCHRAN did not know if he would be bakc. COCHRAN said SMITH is definitely not identical with subject. He said SMITH is definitely not 30 years of age and he heard him say he was 26 or 27. He is at least 6 feet tall with medium build and dark hair and has a very definitely crooked "Dick Tracy type" nose. He noted no peculiarity about his ears and said SMITH is definitely of low mentality, possibly a moron. He can not read or write and is of such a mentality that COCHRAN was thinking about ways to get him out of the hotel as he did not know if he might be dangerous. In view of that no further action contemplated UAC. COCHRAN said if SMITH did show up he will advise SA KELLOGG, in which event SA KELLOGG will get a look at him.

The following investigation was conducted by SA ERNEST HARRISON, JR. at Immokalee, Florida, on 5-7-68:

Mr. CHARLES MARBLE, Foreman, W. L. MUNT Packing Company, telephone 657-3181, advised he has never heard of Vidor, Texas, and does not recall receiving a telephone call from there on 12-15-68 and has no way of checking such a call to determine the identity of the caller. He stated he was lining up a crew in and around McAllen and Farr, Texas during the middle of December, 1967 and it is possible that a business call was made in that regard, but he does not recall it.

FEDERAL BUREAU OF INVESTIGATION

Date 5/3/68

JAMES HARVEY WHITE was interviewed at his place of employment, Lauderdale Harbors Barber Shop, 1650 S. E. 10th Terrace. He was advised of his rights by SA ROGER B. COLTON as shown on an unexecuted warning and waiver form. He was advised that the purpose of the interview concerned his attempt to join Klavern #6 of the United Klans of America, Inc., Ft. Lauderdale, Florida, and a statement reportedly made by him inquiring how much money the Klavern would pay to have MARTIN LUTHER KING killed.

WHITE stated he would furnish any information and desired to cooperate fully since he had nothing to hide whatsoever, consequently, he advised as follows:

About a year and a half ago, perhaps sometime in September, 1966, he became quite concerned about the racial situation in Ft. Lauderdale, Florida, and was upset regarding the racial integration of schools in Ft. Lauderdale and the effect thereof on his daughter.

He expressed an interest in joining the Ku Klux Klan of Ft. Lauderdale and through a nursery man, DAN ZBIN, he believes that he submitted written application for membership. Subsequent to submission of his application he was contacted telephonically by an unknown person concerning his application.

He was not recontacted concerning the Klan and was not accepted for membership. As far as he knows, the Klan would not accept him and did not want him as a member. He advised that the reason for his rejection was probably because he is an alcoholic. He admitted that he has been an alcoholic for quite awhile and is attempting to "stay on the wagon," however, he has not been able to completely conquer this problem.

He does not recall making any inquiry of anyone regarding how much the Klavern would pay to kill MARTIN LUTHER KING. He advised that he may have made derogatory

statements concerning KING during this period of time, however, he denied saying that he would ever kill KING or wanted to know how much would be paid for killing KING.

He advised that his statements must have been misconstrued or taken out of context.

He advised that on April 4, 1968, he was working at the Lauderdale Harbors Barber Shop and denied being in Memphis, Tennessee.

He further denied he had anything whatsoever to do with the killing of Doctor KING or being involved as a conspirator. He stated that his presence in Ft. Lauderdale on April 4, could be verified through his employer, JIMMY COSTOS, and co-worker, NORMA FREEMAN.

He reiterated that he had made application to join the Klan in Ft. Lauderdale but denied that he ever inquired of the Klan how much money they would pay to kill KING.

SUBJECT: MURKIN

DATE: 5/4/68

At 11:35 AM this date Verna Goodman, 16530 NW 18th Ave, Opa Locka, Fla., (621-8369), telephonically advised that she is employed at the Jewish Home for the Aged, located at NE 51st St and 2nd Avenue. She stated that a co-worker there resembles JAMES EARL RAY, in her opinion. She advised she has been working at this location for about three weeks, and that the male employee referred to above was working there when she started. However, she has gotten the impression that he is a new employee. He is employed on the same shift as she, 3PM--11PM.

GOODMAN advised that Police Department ID cards and health cards are required of employees working at this location, but, thus far, she has not had to show her ID card to her employers.

She stated that ^{the} person resembling RAY goes by the name WILLIAM O' BRIAN. He is in his late 30's, a white, male, about 5'4", 140 lbs., dark hair. She stated he speaks with a kind of "brogue", which is perhaps a Northern accent. She did not feel he spoke as though he came from the ~~XX~~ "country". He has mentioned to her his home is Niagra, NY, and has spoken to her of Canada.

The above information was communicated to case agent SA JELLISON at 11:45 AM, 5/4/68, by the writer.

An About Face On King Suspect

ASBURY PARK, N.J. — (AP) — Asbury Park police said — and then denied — today they received an FBI report saying James Earl Ray, charged with the slaying of Dr. Martin Luther King Jr., might be in New Jersey and associating with hippies.

Deputy Police Chief Thomas Flanagan told an Associated Press newsmen, "The FBI has information he (Ray) may have settled in New Jersey. He may be associating with hippies."

Later Flanagan denied to the same AP newsmen he ever made those remarks. In the interim an FBI official reported he had talked with

Flanagan. Another officer had given other newsmen similar accounts of the FBI flyer before Flanagan was reached first.

Allen Warren, reporter for the Asbury Park Press, said he learned of the flyer on a routine check of police headquarters.

He said he was flipping through "wanted" posters when he noted an alert underlined in red which said: "The FBI has reason to believe that James Earl Ray is associating with hippies in New Jersey."

Warren said when he went back an hour later the alert had been ripped from the bottom of the poster.

Flanagan said his department received a standard flyer Tuesday from the Washington office of the FBI on Ray, including the latest photos.

R. W. Bachman, special agent in charge of the FBI in New Jersey, said in Newark he had no knowledge that Ray was in the state. Bachman said he did not know of the flyer.

In connection with the captioned case there has been speculation that James Earl Ray concocted the alias of Eric Starvo Galt by combining the names of characters from books by Ian Fleming and from a book "Atlas Shrugged" by Ayn Rand. This speculation is based on the fact that in the James Bond books by Ian Fleming there is a character named Ernst Stavro Blofield and in "Atlas Shrugged" there is a character named John Galt, as well as one named Eric Starnes. Ernst Stavro Blofield is a formidable person, John Galt is a "social drop out" and Eric Starnes is described in the book as a "whiner" from a low-class family.

In view of the above and in order that Agents handling this investigation can be alert to the possibility of Ray's utilizing an alias based on characters in Fleming's books, there is set out as an attachment to this airtel a list of various characters in those books for your assistance.
