In addition to the above, MITCHELL further advised that RAY said if he, MITCHELL, would help him kill MARTIN LUTHER KING it would be worth \$50,000 to each of them and later on they could get more than that for taking care of those "stinking KENNEDYS". RAY said it was people like KING and the KENNEDYS who try to run the world and they are all Communists and want nothing but power and domination of the whole world. RAY would never tell MITCHELL who had arranged for the money if he killed KING only that it was arranged through someone in St. Louis with someone in Philadelphia.

MITCHELL said he was to be near the building from which RAY would shoot KING and after the shots were fired and attention was focused on the building he, MITCHELL, was to run and create attention to get the police to chase him. He was to have the police chase him for some distance before being caught and this would give RAY ample time to walk away from the building. MITCHELL was then to tell the police that he heard shots and since he was an ex-convict he got scared and did not want to get in any trouble so he ran. The police would be unable to prove anything against MITCHELL, since there would be no gun or powder marks or fingerprints or any evidence linking MITCHELL to the shooting. RAY was then going to go "up north" and after awhile purposely get himself picked up on his jail break from the Missouri State Penitentiary, because he said that he would have enough money at that time to hire a lawyer to get him a parole.

## FEDERAL BUREAU OF INVESTIGATION

Date October 2, 1968

DONALD LEE MITCHELL was interviewed at the Collier County Jail at his request. Prior to the interview, he was advised of his rights as reflected on an executed waiver of rights form.

MITCHELL furnished the following statement in his own handwriting:

"September 30, 1968

"I, DONALD LEE MITCHELL, make the following statement to Special Agent ERNEST HARRISON, JR., whom I know to be a Special Agent of the Federal Bureau of Investigation.

"In 1961, I had the opportunity to meet one JAMES EARL RAY. I was introduced by a friend of mine by the name of HAWKS, who was doing twenty four (24) years. He was from New Madrid, Missouri, not far from my home town of Kennett.

"He informed RAY that I was about the last of the good convicts. RAY said he was pleased to meet me, because the big city boys from St. Louis, and K.C., Mo. were turning out to be a bunch of 'punks'. This was the Mo. State Pen, Jefferson City, Mo.

"RAY was the quiet type of guy. He had very little to say to convicts or guards for that matter. I seen him every now and then, but didn't ask many question. We had used a little dope together, but that was all.

"RAY showed great contempt for the colored convicts, as he very seldom talked to them except on business deals for dope or money. He was always telling me how the boys from St. Louis

"and K.C. always kissed their (Obscene #1) \_\_\_\_\_. He said he never would, because if it hadn't been for LINCOLN they would still be shining his shoes.

"I was released from prison on August 21, 1962. And never heard from RAY until, 1966.

"In June 4, 1965, I received two (2) years from Butler County, Mo. After thirty (30) days in quarantine I was sent to Church Farm, (one of the prison farm which is honor).

"Later in January, 1966, I was transferred back to the walls to complete the rest of my time.

"I was placed in Food Service and there I remained until by release of June 1, 1966, from the Missouri State Penitentiary, at Jefferson City, Mo.

"On, or around the middle of February, 1966, I came in contact with JAMES EARL RAY again. He explained that it was nice to see me and that he had a good deal for me.

"He wanted to know if I would do him and myself a big favor; so I said yes; anything to help a friend.

"When he first mentioned escape I thought he wanted me to leave with him, but I quickly explained that I got out on June 1, 1966, that year. He said no, I want you to help me.

"Than after I make it I'll wait on you in St. Louis. He asked me how I would like to make a lot of money so I said doesn't everyone. But I explained I had this girl friend in Tennessee, who was waiting on me, but he let me know that it really didn't make any difference at all.

"So I wanted to know what his plans were. This is how RAY, explained it to me. Some people (friends in St. Louis) fixed it with some one in Philadelphia, for him to kill Dr. MARTIN LUTHER KING.

"I told RAY I didn't want to get mixed up in it. So he let me know real politely that I was already in it only didn't realise it yet. An I couldn't get out unless I wanted it. Than I agreed to go along, after I heard this. Also he told me I was coming up there to the pen, for chicken feed, was I afraid to get ahead? I told him no, but killing KING, we couldn't get away with.

"RAY told me not to worry about a thing. Also how did a grand some of Fifty Thousand (50,000) dollars sound to me? I said great, but what if we get caught? He explained we wouldn't and if we did we would get out of it with a fixer lawyer, besides who in the South like "Niggers"??

"RAY also said after we get KING, we'll beable to get more for one of the KENNEDY's. I said that the Kennedy Family had done more for the United States, than anyone ever had. He said they were like KING, a bunch of Cominists all of them and that in the way they wanted people to believe, an I did.

"RAY said: Take that punk J.F.K. (meaning JOHN F. KENNEDY, Late President) for instants, he made you eat with a nigger on the streets didn't he? He made you live by them, go to school with them. So how is he so great? I said, that a change had to come and we had better be ready for one. RAY got mad at me and said not as long as I can kill one of the (Obscene #2) . I seen he was angry, so I told him, I guess he was right about it. He said, he knew he was and would get KING to prove it.

"At this time I wanted to know how, JAMES EARL RAY, planned to escape from the walls, of the Mo. State Pen.

"This is how it was to be done. RAY would leave his cell in the month of April, or approx. for the show. He would than have his bed fixed so as a gaurd would not diScover him missing. Than I came into the picture:

"RAY was to place himself on top of the main kitchen, where I worked. Than at 2:30 AM I was to send him food and cigarettes, with a jar of water. He was to remain there for about three days, after that I was to get some kind of pills he gave me into the coffee that was to be sent to the Gauard Towers.

"After that he would wait until they were asleep and he would go over the wall. He had someone, by the name of VINCE or VINCESON waiting on him from St. Louis, Mo.

"RAY continued to pass me notes, on the matter up until the night he plan to leave.

"The first note read: DON L. don't let me down if you do you know the score. But you won't!

"The second was. Tear these notes up and flush them! Say can't you just see all that money for one lousey Nigger? We will live in style and travle the world. You can bring your girl along. Your Pal JIM.

"#No. Three: 'Pal, the time has grown near, so all is left is the wait. I think April 12, is a good day, or do you believe Lucky 13. Smile friend, JIM.'

"The last note was:

"Tonight is it my friend and I know I can count on you for your part. Don't lose those pills I gave you!! Remember everything, because my ride will be then. See you on June 1, my friend. Your Friend Always JAMES.

"RAY's escape would have been good if not a guy by the name of SEEBRING (or something of the sort) hadn't tried it as well on the same night, but they found him hiding in the show after everyone had left for the cell-house.
