

An exhaustive FBI fingerprint search, comparing latent fingerprints uncovered in the Dr. King case against fingerprints of over 53,000 persons on whom wanted notices have been posted in the FBI's Identification Division, succeeded in determining that Galt and Ray are identical.

A Federal warrant, issued at Birmingham, Alabama, on April 17, 1968, charges Ray, under the alias Eric Starvo Galt, with conspiring to interfere with a Constitutional Right of a United States citizen. Ray is also sought for unlawful interstate flight to avoid confinement after conviction for armed robbery, based on a Federal warrant issued on July 20, 1967, at Jefferson City, Missouri. He had been confined at the Missouri State Penitentiary, Jefferson City, Missouri, in March, 1960, with a 20-year sentence following conviction for armed robbery and operating a motor vehicle without permission of the owner. In September, 1966, while serving the sentence, he was confined for a time in the maximum security ward at the State Hospital, Fulton, Missouri. He was reported missing from the Missouri State Penitentiary since April 23, 1967.

Ray, who has an arrest record dating back to 1949 and has been convicted of burglary, armed robbery and forging United States Postal Money Orders, has also been confined in the Los Angeles County Jail, the Joliet and Pontiac, Illinois, State Prisons and the United States Penitentiary, Leavenworth, Kansas.

He served in the Army between February, 1946, and December, 1948, received a three-month sentence at hard labor for being drunk and breaking arrest and was given a General Discharge due to ineptness and lack of adaptability for military service.

Ray is a 40-year-old white male, reportedly born in Illinois on March 10, 1928. He is approximately 5'10" inches tall, weighs from 163 to 174 pounds, has blue eyes and brown hair which he has worn cut short. He has a small scar on the center of his forehead and a scar on the palm of his right hand. He has been described as having a straight, narrow nose and straight and even teeth and to have a nervous habit of occasionally tugging at an ear lobe. His left ear protrudes noticeably.

Acquaintances describe him as a "loner" and "drifter" whose language and diction reflect a "rural" quality and indicate he has had limited education.

He is reportedly a fan of western and country music, drinks vodka and beer, dresses neatly and claims past employment as a merchant seaman and cook on Mississippi River vessels. He is known to have worked as a baker, laborer and color matcher.

He is known as an avid dancer who has taken dancing lessons. He also completed a course at a school of bartending in the Los Angeles area early in 1968.

Ray should be considered armed and extremely dangerous. Anyone with information concerning this fugitive is requested to immediately contact the nearest office of the FBI, the telephone number of which may be found on the first page of local telephone directories.

INTERSTATE FLIGHT - ARMED ROBBERY

"TEN MOST WANTED FUGITIVES" PROGRAM

James Earl Ray, a Missouri prison escapee who has been sought under the alias Eric Starvo Galt in connection with the gunshot slaying of civil rights leader Dr. Martin Luther King, Jr., has been added to the FBI's list of "Ten Most Wanted Fugitives."

FBI Director J. Edgar Hoover ordered the special addition of Ray to the "Ten Most Wanted Fugitives" list, which already contains ten fugitives, to insure the widest possible dissemination of Ray's photograph and description to help effect his earliest possible location.

Ray has been the subject of a massive and intensive search since the brutal gunshot slaying of Dr. King on April 4, 1968, as he stood on the balcony of a Memphis, Tennessee, motel. One rifle bullet, believed fired from the window of a nearby rooming house, felled the victim.

CIVIL RIGHTS - CONSPIRACY  
INTERSTATE FLIGHT - ROBBERY  
"TEN MOST WANTED FUGITIVES" PROGRAM  
RELEASE DATE: SATURDAY P.M., APRIL 20, 1968

THE CRIMES: Ray escaped from the Missouri State Penitentiary, Jefferson City, Missouri, on April 23, 1967, while serving a 20-year sentence for armed robbery and operating a motor vehicle without the owner's permission. He subsequently allegedly conspired, under the alias Eric Starvo Galt, to violate the civil rights of Dr. Martin Luther King, Jr., shot to death on the balcony of a Memphis, Tennessee, motel on April 4, 1968.

THE CRIMINAL: A 40-year-old white native of Illinois, who is known as a "loner" and "drifter" and has taken elaborate steps to establish a false identity, Ray has an extensive criminal record, including convictions for burglary, robbery and forging U. S. Postal Money Orders. Outstanding characteristics include a straight narrow nose, straight and even teeth, a noticeably protruding left ear and a nervous habit of tugging at an ear lobe. He has taken dancing lessons, attended bartending school, enrolled in a correspondence course in locksmithing and traveled widely in a 1966 Mustang recovered in Atlanta, Georgia, a week after Dr. King's murder. Ray likes western and country music, drinks vodka and beer and has worked as a baker, laborer and color matcher.

PROCESS: A Federal warrant issued at Jefferson City, Missouri, on July 20, 1967, charges Ray with unlawful interstate flight to avoid confinement for robbery. Another Federal warrant, issued at Birmingham, Alabama, on April 17, 1968, charges Ray, as Eric Starvo Galt, with conspiring to interfere with a Constitutional Right of a citizen.

"TEN MOST WANTED FUGITIVES": Ray is a special addition to the list of "Ten Most Wanted Fugitives." The list as of Saturday p.m., April 20, 1968, was:

Re New York airtel to Bureau, 4/10/68.

After numerous unsuccessful efforts were made to contact and locate HAROLD F. PALMER, home address 1227 Laidlaw Avenue, Cincinnati, Ohio, Mr. PALMER was located and interviewed at his place of employment, U. S. Department of Public Health, Taft Engineering Center, Cincinnati, Ohio, on 4/24/68. Mr. PALMER advised he is employed by the U. S. Public Health Service as an engineer.

Mr. PALMER readily admitted that he wrote instant letter to the Subscription Department of the New York Times and at the bottom printed "THE KING IS DEAD". He explained the reason for printing this inscription "THE KING IS DEAD" at the bottom of the letter was a result of himself being overjoyed in hearing the news either a day or two before 4/1/68, that President LYNDON JOHNSON was removing himself from seeking re-election for President for the next four years.

Mr. PALMER said that he had written several other letters shortly after President JOHNSON made this announcement and also printed "THE KING IS DEAD" at the bottom of these letters.

"General Manager - WNDT

On April 9, 1968, your station had a program on entitled PBL Broadcast concerning the few months prior to Dr. Martin Luther King's death.

At 7:04 the camera settled on a man for a few moments (the time was right after the speaker had introduced Dr. King and his wife and Dr. King stood up to talk. Dr. King said he had never before spoke to such an ethnic group of people). This man bears a striking resemblance to the sketch of the assassin which has been published in the papers.

I have never written a letter like this before so please don't jump to the conclusion that it is a "crank letter". I and my husband feel very strongly about this that the man shown at 7:04 during the PBL program. Please, please review this tape again and see for yourself."

NYO reviewed the overall film on questioned broadcast with PBL and is enclosing three excerpts from film to Atlanta, depicting person referred to in above letter so that similar investigation through appropriate officials of the Southern Christian Leadership Conference (SCLC) as previously requested in referenced airtel, can be conducted in order to identify this person for elimination purposes concerning subject JAMES EARL RAY.

Also enclosed for New Haven and Memphis are three photographs developed from questioned television tape.

It is further noted that the questioned film was taken on 3/14/68, at Paschal's Motel, on Hunter Street in Atlanta.

For information of Atlanta, enclosed excerpts from film were taken from a group discussion of people during which time MARTIN LUTHER KING, JR., addressed the group, along with others.

NY 44-1609

The entire film relative to the broadcast by PBL which appeared on TV in various parts of the country on April 7 and 4/9/68, has been viewed by the NYO. Since the broadcast is on Video tape and quite lengthy with only a very limited portion involving the two men pointed out as look-a-likes to "sketches" of the assassin of KING, the tapes were not obtained from PBL. They are available in further needed.

NYO is conducting no further investigation relative to the PBL Broadcast.

Subject RAY is considered Armed and Dangerous.

On 4/26/68, Mrs. DONOVAN D. (NORMAN A.) WOODSIDE, 309  
Elmwood Drive, Edmond, Oklahoma, was reinterviewed and IO 4182  
displayed to her. Mrs. WOODSIDE said the individual she saw on  
American Airlines Flight 338 from Dallas, Texas, to Philadelphia,  
Pennsylvania, on 4/6/68, very strongly resembled RAY and she  
believes him to be identical with RAY. She stated she first  
noticed this individual in the Love Field Terminal, American  
Airlines, Waiting Area, a few moments prior to boarding this  
flight. Mrs. WOODSIDE said she could not locate her ticket  
stub, but believes she occupied seat 14-C, an aisle seat on the  
left side of the plane, in the tourist section, and that the above  
individual occupied the aisle seat one row up on the right.

Mrs. WOODSIDE said this individual did not get off  
the plane when it landed at Friendship Airport in Baltimore, Md.,  
did not converse with anyone on the plane, and carried no luggage.

She informed he deplaned at Philadelphia, Pa., and she lost sight of him when her husband met her at the airport. Mrs. WOODSIDE related her husband is employed by RCA International Service Company, Camden, New Jersey, as Area Manager. He is presently on an assignment in the Azores, but at the time was working out of Camden, N. J. Mrs. WOODSIDE said she made the trip to spend Easter with her husband, and returned to Edmond, Oklahoma, on 4/16/68. Mrs. WOODSIDE stated she did not know any of the people on Flight 338.

Mrs. WOODSIDE said she has made so many trips by air that she now spends her time watching other passengers. She noticed that the above individual was visibly nervous, pulled at both of his ears and his nose and would rub the back of his neck, going from one to the other almost in one motion. She also noticed he had bitten his fingernails up to the quick. He spent some time listening to the radio, using the headset in the seat pocket in front of him and often removed these from his ears only to replace them in a few moments. While waiting for the plane to depart Dallas, he nervously directed his gaze out the window as if looking for someone. Mrs. WOODSIDE said at the time she thought he was afraid to fly, which resulted in his nervous manifestations. He appeared so nervous, Mrs. WOODSIDE said, that she thought he might "pass out."

Mrs. WOODSIDE described the above individual as follows:

Race	White
Age	35-40
Height	5'10"
Weight	170-180
Hair	Medium brown, worn long with a tendency to have a little wave
Complexion	Medium
Scars and marks	None noted
Peculiarities	Extremely nervous - pulled at both ears, nose and rubbed the back of neck, going from one to the other almost in one motion; bit fingernails up to the quick; nose has slight hump just below eye level which protrudes slightly up and out to both sides of nose.
