Memorandum

TO : SAC (44-1609) (P)

FROM : SA JOHN R. KENNEDY (#28)

SUBJECT: MURKIN
CIVIL RIGHTS
(OO:ME)

DATE: 5/8/68

On 5/2/68, Mr. ALIANI of Air Canada Airlines telephonically notified the New York Office that Air Canada had a reservation for a passenger (FNU) GALT on flight 789 of 5/3/68 from JFK Airport to Toronto, Canada. Flight 789 was due to depart from Kennedy Airport at 5:40 PM. They were unable to state whether GALT was a male or female and could add only that GALT was apparently coming from Port of Spain to New York but they had no idea of the manner of transportation from Port of Spain to New York.

Acting on the above information, SAS JOSEPH F. SULLIVAN and JOHN R. KENNEDY contacted Airport Passenger Office Supervisor PATRICK J. O'LOONEY of Air Canada, JFK Airport, on 5/3/68, at 4:10 PM and arranged with Mr. O'LOONEY to be immediately advised when passenger GALT checked into the terminal for flight 789. O'LOONEY stated that the passenger had not arrived according to the airline records at the time that he was contacted.

SAS KENNEDY and SULLIVAN were present in the passenger terminal and observed all individuals checking in for the flight and no person resembling fugitive JAMES EARL RAY was noted.

When flight 789 departed at 5:40 PM Mr. O'LOONEY of Air Canada advised that GALT had failed to appear for the flight.

Mr. O'LOONEY was requested to immediately advise the New York Office of the FBI if any additional information regarding passenger GALT came to his attention.

Miss ANNA MARIA MOLA, 877 Bayridge Avenue, Bklyn., NYC, apt. 5K, phone 833-6962 (requested that her identity be protected), appeared NY Office this date. Miss MOLA advised that since November, 1967 she has been employed as a 'payroll clerk' in the Auditing Department at 'Willmark Service System Inc.', 72 West 23rd Street, NYC (company occupies the twelfth and fourteenth floors of the building). The President of the company is a man by the name of DILLER (ph) and the Vice Pres. (her immediate supervisor) is a Mr. RAPPAPORT.

MOLA stated that an employee by the name of JAMES O'CONNOR (records reveal; born 7/12/28, white, male, wife's name ELLEN nee WALKOW, Social Security Number [REDACTED] closely resembles wanted fugitive JAMES EARL RAY. O'CONNOR presently receives mail and pay at 95 Lake Smart Drive, Lucerne Park, Winter Haven, Florida.

Miss MOLA stated that she first became suspicious of O'CONNOR when photos of ERIC STARVO GALT appeared in Newspapers. When she checked to see if photos of O'CONNOR were identical, she found that there was no photo or fingerprints of 'O'CONNOR' on file although it is routine for all employees to submit same upon application. A subsequent check after GALT had been identified as RAY revealed a photo and prints of O'CONNOR in file but MOLA dismissed the possibility of being ident as O'CONNOR's application for employment was dated 11/18/66 and she knew that RAY was in jail at that time. However, she noted that it was strange that aforementioned photo and prints were dated JUNE 1967 (seven months after his application date of 11/18/68). She later noticed that a second photo, with glasses, appeared in file on a subsequent check of O'CONNOR's file. Both photos resemble subject.

MOLA described O'CONNOR as being an "on-the-road supervisor of several investigative personnel". She stated that he regularly received payroll checks but oddly enough did not receive one (as he would normally) on April 6, 1968, the day of KING's murder. He did, however, receive subsequent check on April 13, the week following the murder. As far as she can recall, he might not have received payroll checks the last week in March, 1968.

Page two (continued).

Miss MOLA further advised that, in checking O'CONNOR's file, she found a letter that O'CONNOR had directed to Mr. DILLER (ph) the President of the Company. She stated that the letter, dated approximately one week prior to the murder, had "strange tones". She observed that O'CONNOR referred to his employer as MR. 'D' and spoke of money problems having been settled. He ended by advising MR. DILLER (ph) that they would communicate periodically as previously arranged.

Complainant voiced willingness to cooperate further. She was advised that her appearance would be made a matter of record in the NY Office.

1. GUS HALL, featured speaker
2. GIL GREEN
3. CLAUDE LIGHTFOOT
4. MIKE STEIN
5. RASHEED STOREY
6. BOB FILIPOFF (ph)

16. FRED A FINE
17. SHELTON MADDOX
18. MEYER GERST
19. SAM NESIN
20. SAL CRISUOLA (ph)

Attendance at this meeting was by invitation only.

GUS HALL was introduced by GIL GREEN.

GUS said that he was present to give the position of the Communist Party (CP) leadership on recent events in the United States (US) that require a qualitative change. The recent events of unprecedented crises were, he said, the de-escalation of the war in Viet Nam (VN); the death of Dr. MARTIN LUTHER KING; the call by some US leaders for reappraisal and new direction of US foreign policy; the success of the Tet (ph)

NY 100-26603

offensive by the Viet Cong (VC) which resulted in the destruction of the South Vietnamese army; the withdrawing of LBJ from the presidential race and the whole issue of racism in the US.

Most of these crises, he said, came about as a result of one thing, the masses in movement and action. The CP, therefore, he said must take a new look at these events and make the qualitative changes dictated by the times.

GUS said that conditions for a revolution are not know present in the US but the way things change and more there is a possibility that there could be a very short notice conditions for a revolution. GUS quoted LENIN relative to one condition for a revolution, "when the people will not go along with the status quo and the government will not change the status quo," and that is what the US is presently experiencing.

GUS reviewed CP tactics for political work. He said that there are no contradictions involved when communists work with and in independent movements in the major political parties (MPP) or when communists work in independent movements outside the MPP. However, he said, that when the CP has a candidate then all communists are expected to work for the CP candidate.

Of all the announced and unannounced candidates for the presidency, GUS said, MC CARTHY is the best for now. It is expected, he said, for communists to continue, for now, their efforts on behalf of MC CARTHY up to the convention in August.

GUS said that he would be shocked if the CP did not have candidates, including a presidentila one in the 1968 elections. Who else, he stated, can speak for socialism, for peace and against imperialism than a CP candidate.

The CP, he said, must increase its efforts relative to press and party building. Communists, he said, must free themselves of the psychological scars of the MC CARTHY period.

NY 100-26603

GUS said that on Friday, 4/26/68, there will be a Student Strike in sympathy with the student revolt in West Berlin. Communists must see, he said, that this strike is a successful one. The Peace March, on Saturday, 4/27/68, is a very important event and every Communist, GUS said, must work to see that it is a very successful demonstration against the war. The cry now, GUS said, is to bring the soldiers home from VN. Also, he said, the Peace March affords the CP the opportunity to capitalize on the assassination of Dr. KING and the CP must not let this opportunity pass by.

The May Day affair, on 5/1/68, at Union Square needs to be supported by all comrades, he said. Also, GUS said, comrades must support the March of the Poor in Washington, D.C.

In answering a question from the floor, GUS said that more leaders of black militants are becoming CP members. Also, he said, it was his feeling that a member of the Memphis Police Department shot and killed Dr. KING.

GIL GREEN in a very short talk was very forceful in urging Communists to support the aforementioned events by GUS.

Those who sell 10 subs for the Daily World, GIL said, will be dinner guest at the National Convention of the CP.

GUS used the word "board" in his talk as a synonym for CP leadership.

FREDA introduced CHARLEY to BOB PILIPOFF as the New York State press director. BOB asked CHARLEY if he would help out with The Worker distribution for the Peace March of 4/27/68.

CONNIE PENSOLL sold literature at the meeting and MIKE STEIN took the invitations as people entered the hall. A basket was near the doorway for placing of monetary contributions to pay for the cost of the hall.

April 26, 1968

FBI
New York, U. S. A.

Gentlemen:

Please permit me to refer briefly to the assassination of Rev. MARTIN LUTHER KING.

With regard to the contradictions in the evidence as presented by the FBI concerning JAMES EARL RAY wa. ERIC STARVO GALT as the only subject in this case, and with regard to other mysteries and questions as published, I would like to call your attention to this:

From the first, the information reported which I read seemed to me to be absurd, confused, and, perhaps, "prepared".

Permit me to suggest, or rather, to ask, if you have conducted an appropriate investigation of the man or men who saw the presumed assassin fleeing from the hotel from which the shots were fired.

Also I would like to suggest an inquiry of the hotel owner regarding the truth concerning the income of the suspect, his stay in the hotel, etc., as well as an inquiry regarding the two principal characters who backed him as I believe this will turn up a lead resulting in the apprehension of the criminal.

Very respectfully yours,

CESAR A. GALARZA M.

Señores F.B.I.
New York U.S.A.

Muy señores míos:

Permítame que moleste la atención de ustedes, para referirme brevemente sobre el presunte asesino del Pastor Martín Luther King.

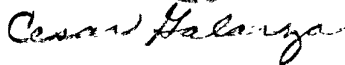

Según las contradicciones en testimonios observados por F.B.I. acerca de James Earl Ray, alias Eric Starvo Galt, como único culpable y otros misterios e interrogantes publicados, quiero manifestar ante sus Autoridades, que desde las primeras informaciones que lei, me parecieren absurdas, intrincadas y quizás preparadas.

Me permite sugerir o preguntar, si han investigado debidamente a aquel hombre u hombres que vieron huir al presunte asesino del hotel desde el cual hicieron los disparos.

Igualmente una investigación bien detenida a la propietaria del hotel, sobre la veracidad del ingreso del supuesto hombre, su estadía, pago de los ocho dólares, etc., estos dos personajes principales y otros que secundaran, creo que conducirán a la pista directa a seguirse para encontrar al criminal.

De ustedes muy respetuosamente.

FEDERAL BUREAU OF INVESTIGATION

Date 5/7/68

Mrs. RUTH KOENIG, Manager, Order Department, American Photographic Book Publishing Company, Inc. (Amphoto) was interviewed at her place of employment, 915 Broadway, New York City. She furnished the following information:

The address 166 5th Avenue, New York City, is a mailing operation utilized by Modern Photo Bookstore, a division of Amphoto. That company's office is actually located at 915 Broadway, New York City.

Mrs. KOENIG searched her files and located a coupon which coupon requested that book number 633 be sent to ERIC S. GALT, 2608 Highland Avenue, Birmingham, Alabama. The coupon indicated that a money order in the amount of \$8.95 was enclosed. Mrs. KOENIG stated that this coupon was undoubtedly clipped from an issue of Modern Photography because this is the only magazine in which Modern Photo Bookstore advertises. She presumed that the coupon was clipped from the September, 1967, issue of the magazine which probably would have been on the news-stands in late August, 1967.

Mrs. KOENIG located a letter which is set forth in its entirety as follows:

"9-26-67

"Dear Sir:

"I recently order a Book from your store titled FOCAL ENCYCLOPEDIA-No. 633 for \$8.95.

Book number 633 distributed by Modern Photo Bookstore is entitled "The Focal Encyclopedia of Photography." The book jacket for this book described it as a one volume photographic library. It consists of 2,000 entries written by 197 experts from 23 countries and covers every aspect of photography, photographic science, industrial photography, cinematography, portraiture, equipment, history and current activities of workers in foreign countries.

Mrs. KOENIG stated that during a routine review of the company's files the coupon and accompanying letter of ERIC S. GALT was revealed. The company did not believe that it had shipped the requested book to GALT prior to receiving his letter. As follow up the company wrote to GALT by letter dated April 29, 1968, asking him what action he wished the company to take regarding the \$8.95. This letter is set for in full as follows:

"April 29, 1968

"Mr. Eric S. Galt

"Birmingham, Alabama

"Dear Mr. Galt"

"In going through our records we note a request of yours stating your intention to move from the above address, and to please withhold sending the book you ordered (Focal Encyclopedia \$8.95) until further notice.

Mrs. KOENIG stated that Amphoto has received no further communications from ERIC S. GALT since his letter of September 26, 1967. She stated that any further communications from GALT would be referred immediately to the Federal Bureau of Investigation.

SEYMOUR USLAN, President, American Photographic Book Publishing Company, Inc. (Amphoto), 915 Broadway, New York City, was telephonically contacted from his place of business. Mr. USLAN was not working at the time but an employee telephonically contacted him for SA JOHN F. SHANLEY.

The Modern Photo Bookstore is a division of Amphoto and both companies occupy offices at the same address. Modern Photo Bookstore specializes in supplying photography books to direct mail customers. It advertises in Modern Photography Magazine and secures its customers from readers of that magazine who write in for the advertised books.

Mr. USLAN furnished telephonic authority to an employee, Mrs. RUTH KOENIG, to furnish the original of any documents from his files that might be requested by the Federal Bureau of Investigation (FBI).

The F.B.I. Distributes Two New Photographs of Ray

WASHINGTON, May 7 (UPI) —The Federal Bureau of Investigation distributed today two more photographs of the accused killer of the Rev. Dr. Martin Luther King Jr. One of the photos was described as "an extremely good likeness."

Both were snapshots of James Earl Ray, alias Eric Starvo Galt, an escaped convict, accused of shooting Dr. King to death in Memphis April 4.

The "extremely good likeness" is a candid photograph of Ray in a business suit and tie and shows almost his full face, taken in late January or early February in California.

The other, which the F.B.I. said was taken last November in Mexico, shows him wearing sun glasses and what appears to be a white polo shirt. The F.B.I. said that Ray was known to wear sun glasses frequently.

The two new photographs will be displayed throughout the country along with three other pictures of Ray that now appear on the F.B.I.'s wanted posters. The bureau refused to say where or how the photos were obtained.

Ray, who escaped from prison April 23, 1967, by hiding in a truck, is wanted by the F.B.I. for illegal flight to avoid prosecution in Tennessee for Dr. King's murder.

Ray was added to the F.B.I.'s list of 10 most-wanted criminals April 20. There have been reports of the search extending to various foreign countries, including Australia.

Memorandum

TO : SAC, NEW YORK (44-1609)

DATE: 5/8/68

FROM : SAC DILLARD W. HOWELL, DIVISION IV

SUBJECT: MURKIN

DONALD S. HOSTETTER, Chairman, State Liquor Authority (SLA) for New York, former SAC, telephonically contacted the writer on this date, advising he had received a long distance telephone call from an individual representing himself to be NICK RISS, reporter for the "Los Angeles Times." RISS said he was calling from Jefferson City, Missouri, and inquired of HOSTETTER what would be the requirements for a man to work as a bartender in New York City. HOSTETTER told him that if the man had been convicted of a felony he would not be able to work, without SLA permission. However, HOSTETTER pointed out some undoubtedly do work without SLA's knowledge. RISS inquired if a second degree burglary charge would be considered a felony in New York State. HOSTETTER said he did not know at the moment if second degree burglary is considered a felony.

RISS inquired if HOSTETTER had on file any bartender by the name of JOHN LARRY RAY working in New York City. HOSTETTER asked if this individual were the brother of the charged killer of MARTIN LUTHER KING. RISS replied in the affirmative. RISS said he was working on information indicating that maybe JOHN RAY was working as a bartender in the New York area. He said this was a rumor he had heard.

HOSTETTER checked his records and subsequently advised RISS he had no record of JOHN LARRY RAY working in New York City or in New York State.

Mr. HOSTETTER furnished the above for the information of the NYO for any possible value in connection with captioned case.
