MURKIN

William Bradford Huie has written a third article for "Look" magazine. The article appears in the issue dated April 15, 1969, but this issue was circulated on April 1, 1969. A review of the article reveals that James Earl Ray allegedly registered at the Travelodge Motel, Five Points, Birmingham, Alabama, on March 29, 1968; at a motel near Florence, Alabama, on April 1, 1968; and at a motel near Corinth, Mississippi, on April 2, 1968. It is to be noted that Ray, using the name Harvey Lowmyer, negotiated the purchase of a rifle at the Aeromarine Supply Company, Birmingham, Alabama, on March 29 and 30, 1968. On April 3, 1968, he was registered at the Rebel Motel in Memphis, Tennessee.

In an effort to establish whether or not Ray was in contact with any individuals immediately prior to the assassination, appropriate investigation should be conducted by the Birmingham and Jackson Offices. It should be understood that there is to be no indication made whatsoever that the following investigation has any connection whatsoever with the case involving James Earl Ray.

Birmingham and Jackson Offices should make inquiries of the motels in or near the cities indicated above to determine the identities of individuals registered during the period March 29 to April 3, 1968. Efforts should be made to identify all individuals listed, as well as

obtaining descriptions and registrations for the automobiles of such persons. A review of such records might indicate whether any one individual might have accompanied Ray or been in contact with him during this period. Pertinent or questionable registration records should be obtained if possible for examination by the FBI Laboratory.

Memphis should insure that the Bureau is kept currently advised of pertinent developments in this case, particularly all aspects of court action since the death of Judge Battle on March 31, 1969.

A Xerox copy of each motel registration has been made by the Jackson Division, and copies of these registrations are being maintained in the bulky exhibit file of Jackson File 157-9586.

It is noted on the registrations that there is registration from Saskatchewan, Canada, at the Round-Town Motel, and a registration from Winnipeg, Manitoba, Canada, at the Holiday Inn, during the pertinent period. It is being left to the discretion of Memphis, the Office of Origin, as to whether appropriate LHM should be submitted to the Bureau to have these individuals identified in Canada.

The names of those individuals appearing on the motel registrations who reside within the Jackson Division are being identified through indices check in the Jackson Office and appropriate credit and criminal being conducted within the cities in which they indicate they reside.

LEADS:

ALL RECEIVING OFFICES

All offices receiving copies of this communication will review the FD-302s which they have received for names of those individuals who reside within their respective divisions and will review the names through the appropriate office indices and will identify the individual through appropriate credit and criminal check, and if deemed advisable, will interview the individual if there is a possibility of any association with JAMES EARL RAY.

DATE: 5/15/69

FROM : SA J. A. GRIMES

SUBJECT: MURKIN

Re Bureau airtel, 4/7/69, to Birmingham; and Jackson airtel to Memphis, 5/7/69.

Referenced Bureau airtel reflects that one WILLIAM BRADFORD HULE has written a third article for "Look" magazine and in this article indicates that JAMES EARL RAY allegedly registered at various motels in Alabama and Mississippi during the period March 29, 1968, to April 2, 1968. One of the motels allegedly registered at during this period was a motel located near Corinth, Mississippi. The Bureau instructed that appropriate investigation be conducted to establish whether or not RAY was in contact with any individual immediately prior to the assassination and instructed that in this investigation there is to be no indication made whatsoever that the investigation has any connection with the case involving JAMES EARL RAY.

The Jackson Office conducted appropriate investigation and identified individuals registered at various motels in the Corinth, Mississippi, area for the period March 29, through April 3, 1968. A review of the records by the Jackson Office at the following motels reflected individuals from Oklahoma registered during the above period.

NO - EL Motel, Highway 72 East, Corinth, Mississippi

PAULINE BULLARD and G. L. LAWSON
208 East 11th, Wewoka, Oklahoma

Corona Plaza Motel, Highways 72 and 45, Corinth, Miss.

Jackson instructed that the individuals registered at the motels set forth above be reviewed through office indices and the individual identified through appropriate credit and criminal checks and if deemed advisable, interview the individual if there is a possibility of any association with JAMES EARL RAY. The indices of the Oklahoma City Office are negative regarding individuals listed above. In the event it is deemed necessary to interview an individual to determine if there is a possibility of association with JAMES EARL RAY, such interview should not be conducted in any manner to indicate this investigation has any connection with the JAMES EARL RAY case. It is suggested a suitable pretext be used in order to ascertain the reason for the individual's presence in the Corinth, Mississippi, area and specifically at the motel where they are known to have been registered.

By airtel dated 4/7/69, the Bureau advised that in a third "Look" magazine article, WILLIAM BRADFORD HUIE stated that JAMES EARL RAY had spent the night of 4/2/68 in a motel near Corinth, Miss. The Bureau instructed Jackson to review motel records in and around Corinth to determine the identities of individuals registered there during the period 3/29/68 to 4/3/68. By airtel dated 4/18/69, the Jackson Office advised the Bureau that motel records at Corinth, Miss., had been reviewed under the subject's true name and aliases and had been reviewed for subject's Alabama license number. Nothing identifiable with the subject was located.

By airtel dated 5/7/69, copies of which were not furnished the Bureau, the Jackson Office set out leads for those offices to whom copies of this communication are designated. These offices have been requested to interview several hundred persons who spent the night in motels at Corinth, Miss., on or about 4/2/68.

In view of the fact that more than a year has passed since these persons stayed over night at Corinth, and since similar investigation of this type in this case has previously been unproductive, and since HUIE has admitted that RAY frequently is untruthful in statements to him, and further since it is not believed that it is of any particular importance to establish whether or not JAMES EARL RAY stayed over night at Corinth on 4/2/68, all offices will disregard the leads set out in Jackson airtel dated 5/7/69, unless specifically advised by the Bureau to cover same.

WILSON'S WHEREABOUTS ON APRIL 4, 1968, THE DAY KING WAS ASSASSINATED. IN ADDITION, IF NOT ALREADY DONE, THE FOLLOWING OFFICES SHOULD CONDUCT THE FOLLOWING ADDITIONAL INVESTIGATION:

SAN ANTONIO:

WILSON ALLEGED ON AN UNSPECIFIED DATE MITCH (LNU) FURNISHED HIM A JAPANESE SNIPER RIFLE WHICH HE ALLEGEDLY USED TO SHOOT KING. DEBRA JONES, DAUGHTER, ADVISED HE WAS ARRESTED ABOUT FOUR AND ONE HALF YEARS AGO AT BROWNSVILLE, TEXAS, WHILE INTOXICATED AFTER HAVING MADE THREATS TO KILL HIS WIFE, AND THE POLICE FOUND A RIFLE IN HIS CAR.

Assassination Theatre

JUDGED on its success in shedding new light on the murders of President Kennedy and Martin Luther King Jr. the House Assassination Committee has been an expensive turkey from the start. But it has provided some good theatre and some interesting copy for news media during an otherwise dull Washington summer.

As an entertainment production, the inquiry probably peaked this week with the performance of James Earl Ray, who once confessed to the murder of Dr. King but later changed his mind.

There is nothing new about this. But the committee did liven up its own proceedings by hauling in Ray and letting him repeat his recantation and his latest version of the crime for the cameras.

There is overwhelming proof that Ray bought the murder weapon. Witnesses have placed him at the rooming house from which the fatal shot was fired. His fingerprints were found on the rifle after the slaying. A reasonable person might entertain some small doubt that Ray actually pulled the trigger. But there is no doubt whatever that he took part in the killing, at least as an accomplice. So any protestation that Ray is "innocent" has to be treated as a bad taste joke.

But there remain a lot of important, unanswered questions surrounding the King assassination?

Did Ray act alone? Was he a hired killer? Who, if anyone, gave him money and other assistance making good his initial

escape?

Unfortunately, any answer that Ray himself might give to any of these questions must be treated as perfectly worthless unless it is corroborated by other witnesses. As the Rev. Jesse Jackson pointed out in a recent interview, Ray is an habitual liar. And he has a good motive for lying now.

Many civil rights leaders are emotionally committed to the possibility that the FBI may have been involved. This theory is not supported by a single fact or piece of believable evidence. But black leaders remember that the late FBI Director J. Edgar Hoover disliked King and did a number of things to besmirch his reputation. In their minds, it follows that Hoover may have stooped to murder.

If Ray could convince respectable black leaders that he is innocent and that the FBI may have had a role in the murder, he would acquire some powerful allies in his effort to switch the blame for the crime.

But Ray's problem is that there are no facts and no evidence to support his latest version of the King murder.

Ray's case is also hurt by the fact that his lawyer, Mark Lane, has a vested interest in the matter that goes beyond the guilt or innocence of his client. Lane has made a fortune peddling various conspiracy theories about the King and Kennedy murders. Anything he says or does has to be judged in that light.

So far, the assassination probe has cost \$2 million. Taxpayers haven't gotten anything much for their money.
