

Re: James Milton Curtis Oshel

With Oshel's consent, officers of the Fremont Police Department searched Room 312 of the Magil Hotel where Oshel was registered April 22, 1968. This search disclosed only personal effects, including apparatus for printing the Manual Alphabet cards from sale of which Oshel apparently subsisted.

In Oshel's billfold was found a small piece of yellow paper bearing the handwritten name "Wilkerson Printing Company, 215 South Cooper, Memphis," which Oshel subsequently advised, was the place of employment of a brother, not otherwise identified.

On numerous occasions Oshel stated, in effect, "I love Martin Luther King," spontaneously and without relevancy to the progress of the interview.

Oshel's description was furnished as follows:

Sex	Male
Race	Caucasian
Birth	[REDACTED], Burnet, Texas
Height	5'7
Weight	135
Eyes	Brown
Hair	Brown
Selective Service #	[REDACTED]

On 4/26/68, an individual giving the name DON BURKE, 852 5th Ave. SE, Cedar Rapids, Iowa, a shoe-shine boy at the Plaza Barber Shop, 4400 First Ave. SE, Cedar Rapids, Ia., contacted the local office to report he had seen a man at Sheheen's Tavern, Cedar Rapids, Ia., whom he believed to be identical with a photo he had seen earlier of JAMES EARL RAY.

On contact same date, BURKE further identified himself as DONALD WILLIAM BURKE, DOB , Boone, Iowa. He has been employed at the above establishment for the past two years. Formerly employed at the Royal Shoe Shop at Boone, Ia., as a shoe shine boy, and at the Tel Corn Hotel, Marshalltown, Ia., as a dishwasher.

It was determined by SAs MOHR & O'KEEFE that BURKE is apparently a mentally retarded alcoholic. His expressions were dis-jointed, illogical and obviously without basis in fact. It was immediately obvious that the individual he had observed had no conceivable resemblance to the subject of captioned investigation.

The manager of the Plaza Barber Shop identified BURKE as a "sub-standard mental case and an alcoholic". He said that although BURKE had mentioned seeing this individual at a local bar, he, the barber, had placed no credence in BURKE'S comments in light of his retarded mental state.

Name Galt ... Murder, Conspiracy Warrants

WASHINGTON (UPI) — The FBI Wednesday issued a warrant charging Eric Starvo Galt with conspiracy in the assassination of Dr. Martin Luther King.

The state of Tennessee later filed a first degree murder charge against Galt in Memphis where King was slain on April 4.

Atty. Gen. Ramsey Clark announced that Galt was being sought as a fugitive on a federal charge of conspiracy to violate King's civil rights.

The FBI issued two photographs of a man it identified as Galt, also known as Harvey

ERIC STARVO GALT

The FBI has released this photo of the man sought in the assassination of Martin Luther King. The eyes were sketched in by an FBI artist because they were closed in the original picture.

Lowmyer and John Willard. His eyes were closed in one photograph.

FBI Sketch

The opened eyes were sketched in by the FBI artists in the photograph.

The FBI complaint filed in Birmingham charges that Galt and an individual "whom he alleged to be his brother entered into a conspiracy which continued until on or about April 5, 1968, to injure, oppress, threaten or intimidate Martin Luther King, jr."

The FBI charged that the conspiracy began at Birmingham on or about March 29, 1968.

Find Rifle

In furtherance of the conspiracy, the FBI said that Galt, for about March, purchased a rifle at Birmingham.

FBI Director J. Edgar Hoover said a 30.06-caliber rifle equipped with a telescopic sight was found near a rooming house on South Main street in Memphis immediately after King was shot. The rooming house overlooks the Lorraine hotel where King was staying.

Hoover said FBI agents had determined that the rifle and telescopic sight had been purchased from an unidentified gun dealer in Birmingham on March 30.

The FBI did not say that the gun was the murder weapon.

However, the Birmingham News said Thursday in a copyrighted story that the gun has been determined by ballistics tests to be the weapon used in the slaying of Dr. King.

The News story said also that the search for Galt has spread outside the United States.

Quoting an unidentified source described only as an investigator, the News said it is believed that Galt has fled to Mexico or Cuba.

White Mustang

Hoover did identify Galt as the owner of a 1966 white Mustang bearing Alabama license plates which was found abandoned in Atlanta April 11.

Galt purchased the car from a private citizen in Birmingham Aug. 30, 1967, the FBI said. The Mustang's speedometer showed that it had been driven more than 19,000 miles between late August and early April of this year.

In Memphis

Hoover said Galt had driven the car to Los Angeles, New

Orleans, Birmingham and Mexico, as well as to Memphis and to Atlanta. He was reported to have been in Memphis April 3-4 and to have left there for Atlanta.

Galt was described as a white male between 5 feet 8 inches and 5 feet 11 inches tall and weighing 160 to 170 pounds. He was described as a neat dresser with a medium build.

The FBI said its investigation has disclosed that Galt claimed to have been employed as a cook on Mississippi river vessels and as a merchant seaman. He was described as an avid dancer who took lessons in New Orleans in 1964 and 1965; in Birmingham during September and October, 1967, and in Long Beach, Calif., from December, 1967, to last February.

Galt left Los Angeles last Dec. 15, the FBI said, and drove the white Mustang to New Orleans, where he claimed he contacted either an engineering or a contracting company. The FBI did not explain why he had done so.

Bartender Course

It said Galt went to New Orleans Dec. 19 and returned to Los Angeles last Dec. 21. While in Los Angeles early this year, the FBI said, Galt took a course at a school of bartending and was graduated on March 2.

The FBI refused to say where it obtained Galt's photograph. It said he had brown hair which he wore in a brush cut, blue eyes, a straight and narrow nose, and straight and clean teeth. It said he had given his birth date as

The fugitive was further described as having a nervous habit of occasionally pulling at an earlobe with his hand. His left ear protrudes further from his head than his right, the FBI said.

Hoover said persons who have met Galt said he was a "loner" whose language and diction have "rural" quality, suggesting "that he probably does not have a high degree of education." He is said to drink alcoholic beverages with a preference for vodka and beer.

Armed and Dangerous

Galt is a fan of western and country music. The FBI said he should be considered armed and dangerous.

Re Sacramento Tel dated 4/25/68.

The following was conducted by SA HARMON J. OGREN at Lincoln on 4/26/68 in effort to identify RAY who was with ROBERT E. DINKINS in Lincoln sometime in 1954 and 1955:

There was no record for ROBERT E. DINKINS in the files of the Lincoln Police Department, Lancaster County Sheriff's Office or the Lancaster Credit Bureau, per SHARRI PLAUTZ, LILLINA HOLDSWORTH and KATHERINE SCHWARZ respectively. These sources have previously been checked for JAMES EARL RAY.

CHARLES SAGE, CITY MISSION, advised that the old records are very incomplete during the 1950s and 1940s. He made the best check possible and could not find any one by the name of DINKINS. He found one JOHNNY A. RAY who was there one night 9/12/55 enroute from west coast to Chicago who was age 27, 5'10, 160 lbs with brown hair and who stated had been in the Navy. There is no other information on this person in the file.

C. FREY, Chief Clerk of the Burlington Railroad advised that the Burlington Cafe has been a part of the Burlington operation but is on a lease basis. For the past three years it has been an automat. The lease holders changed frequently and there are no employment records available. He knows also that they did not maintain records on men from the city mission who worked short periods in the kitchen as dishwashers and helpers. He could find no record for DINKINS or identifiable with RAY.

JUDY STONER, Nebraska State Patrol, advised that they have a record for one ROBERT E. DINKINS, FBI# 5042244 who was born [redacted] in Illinois. He is 5'7", 145 lbs, brown eyes and black hair. His only Nebraska arrest was for investigation by the Hastings, Nebraska PD on 7/29/49. He had a prior record of Auto Theft in Illinois, AWOL in Rawlins, Wyoming and later arrests in Ft. Worth Texas and El Paso Texas for Auto theft and vagrancy with the last arrest shown in 1957.

There appears no way in which the information furnished by DINKINS can be verified.

Re: I.O. 4182 James Earl Ray

Dear Sir:

On the night of 4-17-68, a subject using the name of Richard Wayne Himebrook, 5-10 175 lbs. brn hair, Hzl eyes, was brought to the attention of the police department as a possible intoxicated person. Upon checking with the subject no odor of alcohol was detected. Subject stated he had been without sleep for some two or three days and had taken some pills to keep him awake. He requested lodging in the city jail for the night as a sleeper as he was without funds. Upon processing the following information was obtained.

Subject was in possession of Texas Drivers License [REDACTED] giving name as Richard Wayne Himebrook, D.O.B [REDACTED], subject appeared to be 37-38 years of age. He stated he had been driving taxi in the Dallas Texas area but had decided to return to Iowa. Claimed to have worked in the Davenport area prior to going to Texas. An expired Chauffeurs license, Iowa 495872 is on file.

Subject resembles the wanted poster of James Earl Ray, 1968 photo. Is a very neat dresser, carrying well made, expensive luggage. Does not give the impression of the ordinary "down and outer" requiring sleeping quarters.

Stated he was going to Manpower Inc. 517 5th St. Des Moines, until he was well enough acquainted with the Des Moines area to gain employment as a taxi driver.

I am in hopes that this information may be of some value.

First Nebraska licenses have a county number, followed by a letter of the alphabet which is followed by a series of numbers.

Using the number 436-092 even considering that a letter may be missing it is too high a number for 1, 2 or 3 counties which are Douglas, Lancaster and Gage respectively. It is too high for 4 county which is Custer County and also too high for 43 county which is Colfax County. Any other county is out of consideration.

LORA BRICKMAN, Varsity Cleaners, 216 W. 11th St. advised that they have and use a Thermo Seal Type marking machine in their laundry.
