Re: Martin Luther KING

On 23 OCT 68, exhibits, as shown on the attached forms C-246 (Exhibit Reports #68/37 and 68/41 were handed to you for furtherance to your office in Memphis, Tennessee and were presumably entered into evidence at the trial of James Earl RAY.

It was requested that the exhibits be returned after their purpose was served, and our office in Montreal have been keeping their file open for this reason.

Additionally, our Toronto office has been holding exhibits since 1968. These exhibits are as listed on the attached letter dated 21 APR 70 to Mr. Clyde Mason, Assistant District Attorney General, Memphis, Tennessee.

The latest communication we have from Mr. Mason is a letter dated 7 JUL 72 (copy attached) which you will find self-explanatory. Please note that this letter appears to deal only with the exhibits we are holding at Toronto, and does not make any reference to the exhibits seized in Montreal which your office took possession of.

It would be appreciated if the Bureau could make enquiries with Justice officials in Memphis, Tennessee to determine:

- (a) if the Montreal exhibits sent to them through the F.B.I. are available for return, and
- (b) whether the exhibits being held by our Toronto office can now be disposed of.

Dear Sir:

While assisting in the investigation of  
the murder of Martin Luther King, this Force came into  
possession of the following exhibits:-

Three brown paper bags. One containing the name "Mac's Milk".

- 12) One Polaroid Self-Timer #192

One June 5, 1968, from Mabel M. Agnew at the Arcade Photo Studio, 137 Yonge Street, Toronto:-

Prior to doing so, however, I would appreciate confirmation that they are no longer required by your office.

Your early consideration of this matter would be appreciated.

RE: Your No. 68HQ-791-Q-60 (V 6)

Dear Superintendent McHaffie:

In reference to your letters of June 28, and April 28, 1972, this is to advise that while the Supreme Court of the State of Tennessee has affirmed the conviction and guilty plea of James Earl Ray, it is our understanding from the defense attorneys that they intend now to file further proceedings in the Federal Court system. We should know something on this within the next six (6) months.

We should like to prevail on your good offices and continued cooperation in this matter to preserve the evidence in this matter until it is finally terminated.

Thank you again for your cooperation.

Very truly yours,

CIVIL RIGHTS - CONSPIRACY

On February 20, 1973, Mr. J. Clyde Mason, Assistant District Attorney General, 15th Judicial Circuit of Tennessee, Memphis, Tennessee, advised that James Earl Ray has exhausted all remedies in the Tennessee State Courts and has now filed suit in the United States District Court for the Middle District of Tennessee at Nashville, Tennessee, in an effort to win a new trial.

Mr. Mason has stated that until such time as James Earl Ray has exhausted all remedies in the Federal Court system, the State of Tennessee must be prepared to go to trial in this case if so ordered.

Mr. Mason stated he regrets any inconvenience that this might cause the Royal Canadian Mounted Police, but he must request that they retain all evidence in their possession concerning James Earl Ray. Mr. Mason further stated that it will be necessary for him to retain all evidence now in his possession. Mr. Mason said that when this case is finally concluded, he will return to the Royal Canadian Mounted Police all evidence which they have furnished him and which they may desire to have returned to them.

On July 18, 1975, Mr. Terry Lafferty, Assistant District Attorney General, 15th Judicial Circuit of Tennessee, Memphis, Tennessee, was reminded that the Royal Canadian Mounted Police are still holding certain items of evidence which were obtained by them during their investigation of the murder of Dr. Martin Luther King, Jr.

Mr. Lafferty stated that James Earl Ray's attorneys are still actively seeking to have Ray's guilty plea voided with a view toward having the State of Tennessee try him before a jury for the murder of Dr. King. He stated he regrets any inconvenience this may be causing the Royal Canadian Mounted Police but he respectfully requests that they retain any and all evidence which might ever be of value in the event James Earl Ray is successful in obtaining a trial.

LEGAL ATTACHE - OTTAWA	

This communication is predicated upon the following:

By letter dated February 3, 1977, directed to Mr. Joseph A. Marion (Jr.), c/o United States Embassy, 100 Wellington Street, Ottawa, Ontario, R. R. L. Ostrum, Inspector, Officer in Charge, General Section, Federal Policing Branch, Royal Canadian Mounted Police (RCMP), Ottawa, Canada, requested that Mr. Terry Lafferty, Assistant District Attorney General, be contacted to determine the present status of matters before the courts in respect to James Earl Ray. Inspector Ostrum made reference to exhibits being held by the RCMP relating to this matter.

On February 24, 1977, Mr. Terry Lafferty, Assistant District Attorney General, 15th Judicial Circuit, State of Tennessee, Memphis, Tennessee, advised there is currently no litigation pending in the various courts in the State of Tennessee involving James Earl Ray. Mr. Lafferty stated he would direct John Carlisle, Chief Investigator, on the District Attorney General's Staff to discuss the disposal of exhibits being maintained by the RCMP with Mr. Hugh W. Stanton, Jr., District Attorney General, 15th Judicial Circuit, Memphis.

On February 28, 1977, John Carlisle, Chief Investigator, 15th Judicial Circuit, State of Tennessee, Memphis, Tennessee, advised that Mr. Hugh Stanton, Jr., was out of the City of Memphis but would return to his office on the morning of March 2, 1977, at which time he will discuss this matter with Mr. Stanton.

On March 2, 1977, Hugh W. Stanton, Jr., District Attorney General, 15th Judicial Circuit, State of Tennessee, advised that James Earl Ray has exhausted all of his legal remedies in the Tennessee State courts and, therefore, there is no pending litigation involving him. Mr. Stanton is of the opinion that exhibits maintained by the RCMP should be retained at this time, pointing out that the House Select Committee on Assassinations created by the United States House of Representatives in 1976 might desire to examine these exhibits in the future.

RE: JAMES EARL RAY; MARTIN LUTHER KING, JR. - VICTIM

The appropriate Canadian authorities should also consider consulting with the United States Department of Justice, Washington, D. C., before disposing of any exhibits in this matter. A copy of this communication is being furnished to the United States Department of Justice, Washington, D. C., for its information and consideration.

Re ME airtel and LHM, 3/2/77.

Info referenced LHM furnished RCMP.

For info HQ and Memphis, RCMP, Ottawa, advise that a request has been received from the House Select Committee on Assassinations for production of all pertinent RCMP records.

On 3/15/77, Legat, Ottawa, was advised that due to existing Canadian Government policy, the RCMP was unable to comply with the request of the Committee.

RCMP have been requested to be advised when the House Select Committee terminates, as a decision to dispose of evidence will be made at that time.
