SUBJECT: MURKIN

On 5/1/68 MRS. BENJAMIN SPATZ, 939 Elmwood Ave., Sharon Hill, Pa. was contacted by SA THOMAS F. LEWIS relative to a telephone call made to the telephone number 586-2060 from a public phone booth at the St. Francis Hotel, San Francisco, Calif. on 12/12/67.

MRS. SPATZ stated this phone call was from her son, RICHARD GUSTAV SPATZ, who resides in Alleghany, Calif. He is age 40, 5'9", 180#, dark hair and medium complexion, single and reportedly employed as a building manager in the vicinity of Alleghany, Calif. He formerly attended Temple University, Philadelphia, Pa. where he majored in pre-law and later worked as a building manager in New York City before moving to California. He has had very limited contact with his family during the past several years so that the exact nature of his employment is not known to them.

MRS. SPATZ said her son regularly telephones home every several months to insure the family forward to him the dividend checks which are mailed to him at the family Sharon Hill address. These dividend checks are from American Telephone and Telegraph Co. and her son has 100 shares of stock in that company. She beleives this telephone call on 12/12/67 was in connection with the forwarding of a dividend check but she could not be certain at this time.

Contact at Gulf Oil Corporation, Philadelphia,
reflects instant credit card handled by Gulf's Houston

For the benefit of Pittsburgh, the complainant,
Mr. CALVIN PLYLER, was probably referring to CHARLES STEIN,
the West Coast song writer who allegedly made a trip to
New Orleans with RAY in December, 1967.

It would appear that the complainant's information
would lack pertinence.

However, since Philadelphia is not aware of the
details of RAY's relationship with STEIN on their trip to
New Orleans, it is being left to the determination of
Houston as to whether the Pittsburgh lead has substance
and should be handled.

Re memo of SA JAMES L. O'CONNOR, 4/30/68.

On 5/9/68 a canvass of police departments within the confines of the Harrisburg Resident Agency showed that there are no unidentified latent fingerprint files maintained by any of these various departments.

On 5/9/68 SGT CARL E. SPROUL, Records and Identification, Regimental Headquarters, PSP, Harrisburg, Pa., advised that he maintains an unidentified latent file and that he would cause an appropriate search to be made of the prints of JAMES EARL RAY against the latents in his file.

SGT SPROUL advised further that each Troop HQ the BCI trooper maintains his own unidentified latent file and that the latents therein are distinct from those in the file at Regimental HQ. It is therefore necessary to cause a search to be made of each BCI file in the sixteen troops to do a complete job.

The unidentified latents at Troop H, Harrisburg, are being searched against the prints of RAY.

SGT SPROUL stated that he would immediately contact the Harrisburg FBI if an identification is made by either Regimental HQ or Troop H in this matter.

Re Houston airtel to the Director, 5/3/68, concerning toll calls made from Public Telephone Booths on Interstate Highway #10, 12/15 - 17/67.

On 5/7/68, Miss LINDA PETERS, a freshman student at Cedar Crest College, (a girls' school), Allentown, Pa., advised SA THOMAS F. HANNIGAN, that she resides in Room #336, on the third floor, Curtis Hall, at the college.

(It is noted that phone number 433-9403 is listed to Cedar Crest College, Curtis Hall, third floor, Allentown, Pa.)

PETERS advised that her boy friend, GEORGE VOLLMANN, a freshman at LAMAR Technical Institute, Beaumont, Texas, had called her on 12/12/67, from Texas. She received the call on the dormitory phone on her floor. PETERS advised that she had no knowledge of JAMES EARLY RAY. PETERS stated that her home address was 12 Feliek Terrace, Parlin, N.J.

Re Los Angeles tel to Bureau 4/29/68 concerning toll calls from phone booths in the St. Francis Hotel, Los Angeles, Calif.

On 5/1/68, Mrs. BENJAMIN SPATZ, 939 Elmwood Avenue, Sharon Hill, Pa., advised SA THOMAS F. LEWIS that the telephone #586-2060, was listed to her husband at that address.

She advised that the 12/12/67 phone call to their phone had been from her son, RICHARD GUSTAV SPATZ, who resides in Allegheny, Calif., and he is reportedly employed as a building manager in that area. His contact with the family has been limited in recent years.

However, he holds 100 shares of AT&T stock and calls every several months to ensure that the dividend checks are forwarded to him from Sharon Hill. Mrs. SPATZ is not certain, but she believes that that was the reason for the call of 12/12/67.
