JAMES EARL RAY;
DR. MARTIN LUTHER KING, JR. - VICTIM

Philadelphia news media on January 19, 1969, carried information that the Reverend JAMES BEVEL, Southern Christian Leadership Council of Philadelphia, Pa., sent a telegram to JAMES EARL RAY stating RAY did not kill Dr. MARTIN LUTHER KING and BEVEL, who was present at KING's death, offered to testify in RAY's behalf.

On January 19, 1969, BEVEL appeared on WCAU-TV, Philadelphia, special news program during the half-time of the National Football League All-Star Game, stating that he had evidence that JAMES EARL RAY did not kill MARTIN LUTHER KING, JR. BEVEL refused to divulge his evidentiary information but offered to defend RAY in court though he (BEVEL) was not a licensed attorney, but was learned in the law and had had much experience in defending cases in the courts. BEVEL said he analyzed all the facts and concluded RAY was not guilty.

BEVEL said he was speaking for his friends in SCLC including the Reverend RALPH ABERNATHY.

The television interview said that an unnamed official of the SCLC in Atlanta, Ga., had told WCAU-TV that BEVEL has been under pressure and was speaking for himself, not SCLC.

The following is a verbatim tape transcription of the KYW Television news, 11 p.m., January 19, 1969:

Eleven o'clock report in color with BERT ROSELL and the eyewitness news team.

ROSELL: Good evening. There is a bizarre twist of events today in the case of JAMES EARL RAY. RAY is accused of killing Dr. MARTIN LUTHER KING, JR., and goes on trial in Memphis, Tenn., March 3. The Reverend JAMES BEVEL is Director of Non-violent

Education and Direction Action for the Southern Christian Leadership Conference (SCLC). He was with KING when the civil rights leader was gunned down. BEVEL says that RAY is innocent and has offered to serve as RAY's attorney, free of charge. I talked to BEVEL this afternoon at his Philadelphia headquarters.

ROSELL: Reverend, how do you know that he is not guilty?

BEVEL: Well, in terms of gathering evidence, being present, studying the whole problem of men being murdered, how it is done, from all the logical conclusion and evidence that I have gathered my conclusion, based on the knowledge, in terms we built it to experience, knowledge to the sense that the five senses and even the sixth sense, my conclusion is that JAMES EARL RAY did not kill Dr. KING.

ROSELL: What evidence do you have to support your conclusions that JAMES EARL RAY is innocent?

BEVEL: Well, I would not like to get into my evidence and my information in terms of that because if he asks me to take the case, and I don't know whether he will or not, for me to give that information now would not be to his advantage.

ROSELL: Why have you held back this long in offering your services and proclaiming the innocence of JAMES EARL RAY?

BEVEL: Well, I don't know, probably because I have never (pause) I was involved in developing as I am now, because I was in a movement here in Philadelphia and I just haven't thought in terms of offering this free kind of service to him. When I started thinking about this particular predicament, then I thought about.....

JAMES EARL RAY;
DR. MARTIN LUTHER KING, JR. - VICTIM

The following is an interview of Reverend JAMES BEVEL by JAY SILVA, over television station WCAU, Philadelphia. This is the local CBS affiliate. The announcer was RON MILLER. The person interviewing BEVEL was JAY SILVA.

MILLER: Reverend JAMES BEVEL of the Southern Christian Leadership Conference (SCLC) says he will keep the evidence he has which he says would prove that JAMES EARL RAY did not assassinate Dr. MARTIN LUTHER KING, if RAY does not accept BEVEL's offer of legal representation. Reverend BEVEL sent a telegram to RAY yesterday offering to represent him in court without a fee. The telegram added, "I was present on April 4th at the Lorraine Motel when Dr. KING died. You have been accused of murdering him; of course, I know you aren't guilty." Today, newsman JAY SILVA asked Reverend BEVEL about the proof he says he has concerning RAY's innocence.

BEVEL: Number one, based on the evidence that I have in terms of the incident that took place and based on the opinion of all of my friends, I don't have a friend that I know that thinks that he did it. I thought (inaudible) that the man is not guilty and have come to my conclusions, and based on my evidence.

SILVA: What specifically is the evidence that leads you to this conclusion?

BEVEL: At this time, I don't want to tell about that because if I was going to defend him, you see, then I would have to present that information to the jury. So, I would not go into the details of my evidence at this time because I would have to deal with that with the jury.

SILVA: You say that you have specific evidence that shows JAMES EARL RAY was not the man who murdered MARTIN LUTHER KING.

BEVEL: Mhm.

SILVA: Then, do you have any idea who did, that shows JAMES EARL RAY was not the man who murdered MARTIN LUTHER KING?

JAMES EARL RAY;
DR. MARTIN LUTHER KING, JR. - VICTIM

BEVEL: Mhm.

SILVA: Well then, do you have any idea who did?

BEVEL: Now, I am not a district attorney. It is the responsibility of the district attorney to find out who killed people. And it is the responsibility of the defense attorney to prove that a particular person is not guilty. So that, in the way the courts work, it is never the responsibility of the defense attorney to prove who did kill someone. It is his job to defend the person who has been accused, that they are not guilty.

SILVA: You said you would defend JAMES EARL RAY without any fee. Are you a lawyer?

BEVEL: No, I am not a licensed lawyer. I have handled cases in court for the last few years. I have been in court quite a bit and I have handled most of my cases. The other thing is that I do know the law.

SILVA: The one thing that intrigues is, why have you held back this information for so long?

BEVEL: Well, number one, I hadn't thought about offering him my services. Now, the reason I, like I said, when you bind information together then you can come to conclusions. The first I said, he is not guilty. The next thing I said, he needs a good lawyer. He needs the best lawyer that the country can afford. And, of course, that means a lawyer who has knowledge enough in that situation and who knows the law. He needs a lawyer that can convince the jury that he is not guilty. And that's why I offered him my services, because I was interested in his having the best possible lawyer with the maximum amount of knowledge in law to defend him before the jury, because the jury and the country pretty much has resigned the motion that the man is guilty and they are just waiting to have a lynching party with him, you know. It is very difficult at this point considering the emotional attachment to Dr. KING that most people had, to have a fair trial.

SILVA: Do you speak for yourself on this issue?

JAMES EARL RAY;
DR. MARTIN LUTHER KING, JR. - VICTIM

BEVEL: For my friends? Ah, yes, my friends, RUTH BASCOMBE, BEVERLY ERIC, REVEREND SHEPPARD, DU BRADY, REVEREND ABERNATHY, MRS. ABERNATHY, MRS. KING, ANDY YOUNG.

SILVA: Do you say Reverend ABERNATHY agrees with you? You said your friends come to the same conclusion as you have.

BEVEL: I don't have any friends who ever told me that EARL RAY was guilty.

SILVA: So, inasfar as you know, Reverend ABERNATHY agrees with you.

BEVEL: Certainly, in terms of his position on him and I just talked to BERNARD LOVIER who is our Program Director and I pointed out that if RAY would give me the case, he would help me to do a lot of the research and defend him.

MILLER: In Atlanta, Georgia, a spokesman for the Southern Christian Leadership Conference said he, Reverend BEVEL, has been under a lot of pressure recently. Since Dr. KING's death he has gone into a deep depression and if he sent the telegram, he is speaking for himself.

Reverend JAMES BEVEL was interviewed for ten minutes at his residence. He stated he was extremely busy as he had appointments through 11:00 p.m. that day. While the interview was in progress, a woman asked BEVEL if he could speak to a member of the press. BEVEL told her to tell the person on the telephone he was tied up until 11:00 p.m.

BEVEL stated he had proof of the innocence of JAMES EARL RAY in connection with the murder of his good friend Reverend MARTIN LUTHER KING. BEVEL referred to KING as one of his closest and dearest friends. BEVEL stated that since the FBI was connected with the prosecution and he was involved with the defense, he felt he should not furnish this information.

It was pointed out to BEVEL that the FBI is an investigative agency and does not prosecute anyone. It was also pointed out to BEVEL that the FBI is as interested in proving a person's innocence as proving a person's guilt. BEVEL was advised the FBI was interested in obtaining and proving all facts possible during any investigation.

BEVEL stated he sent a telegram to RAY on Saturday, January 18, 1969, and as of the date of the interview, he had received no answer to his telegram. BEVEL stated in connection with this he planned to call PERCY FOREMAN, Attorney for RAY on the night of January 21, 1969, and offer his services in connection with RAY's defense.

BEVEL stated he would telephone the contacting agents on January 22, 1969, and advise if FOREMAN accepted his offer. BEVEL stated if FOREMAN does not accept his offer to aid the defense, he, BEVEL, plans to drop the entire matter as he feels he has no moral obligation towards RAY to produce his evidence of RAY's innocence if his offer of help is refused.

It was pointed out to BEVEL that if he had evidence of RAY's innocence, it should be brought to the attention of the court. BEVEL again stated he would do so only if he was allowed to be part of RAY's defense.

BEVEL stated that at the time MARTIN LUTHER KING

On January 22, 1969, Special Agent Edward M. Cole telephonically attempted to contact Reverend Bevel at approximately 2:30 p.m. The person answering stated Reverend Bevel would not return until 5:00 or 6:00 p.m.

On January 21, 1969, a source who has furnished reliable information in the past advised he with others spoke with Bevel concerning Bevel's statement on the innocence of James Earl Ray. This group, including the informant, are considered "militants" by Bevel. During the discussion with Bevel it was pointed out to Bevel that the general feeling of the militants is that Ray was guilty of shooting Reverend King and that Bevel should furnish what evidence he has or keep quiet.

Bevel told this group he has no evidence but that he feels the "system" is killing a man worth nothing while this man actually killed a greater man. Bevel stated that if he is allowed to defend Ray he, Bevel, will bring out everything that the "system" did to cause the death of King. Bevel also stated he feels this is a method to rejuvenate Southern Christian Leadership Conference (SCLC) in Philadelphia, as SCLC has fallen off to almost nothing in Philadelphia. In connection with this, Bevel stated he is to receive a check by Western Union from SCLC, Atlanta, for \$500.

BEVEL stated he had proof of the innocence of JAMES EARL RAY in connection with the murder of his good friend Reverend MARTIN LUTHER KING. BEVEL referred to KING as one of his closest and dearest friends. BEVEL stated that since the FBI was connected with the prosecution and he was involved with the defense, he felt he should not furnish this information.

It was pointed out to BEVEL that the FBI is an investigative agency and does not prosecute anyone. It was also pointed out to BEVEL that the FBI is as interested in proving a person's innocence as proving a person's guilt. BEVEL was advised the FBI was interested in obtaining and proving all facts possible during any investigation.

BEVEL stated he sent a telegram to RAY on Saturday, January 18, 1969, and as of the date of the interview, he had received no answer to his telegram. BEVEL stated in connection with this he planned to call PERCY FOREMAN, Attorney for RAY on the night of January 21, 1969, and offer his services in connection with RAY's defense.

BEVEL stated he would telephone the contacting agents on January 22, 1969, and advise if FOREMAN accepted his offer. BEVEL stated if FOREMAN does not accept his offer to aid the defense, he, BEVEL, plans to drop the entire matter as he feels he has no moral obligation towards RAY to produce his evidence of RAY's innocence if his offer of help is refused.

It was pointed out to BEVEL that if he had evidence of RAY's innocence, it should be brought to the attention of the court. BEVEL again stated he would do so only if he was allowed to be part of RAY's defense.

BEVEL stated that at the time MARTIN LUTHER KING

Rev. Bevel Plans Legal Fight To Defend Ray at His Trial

By CLAUDE LEWIS
Of The Bulletin Staff

The Rev. James L. Bevel, of the Southern Christian Leadership Conference, said today he is "more convinced than ever" that James Earl Ray is innocent of the assassination of the Rev. Dr. Martin Luther King.

Mr. Bevel, who visited Ray for an hour in the Shelby County Jail last week, said at a press conference here he intends to "seek justice" for the accused killer despite a ruling by Memphis Criminal Court Judge W. Preston Battle barring him from participation in the case.

Judge Battle ruled that according to Tennessee law, a defender not living in the state seeking to participate in a case in a Tennessee court must have a license to practice law from another bar association or the state Bar Association. In addition, Mr. Bevel, who is not a lawyer, would have to be presented to the bar by a practicing lawyer in Tennessee.

Role Outlined

Mr. Bevel has often defended himself and other rights workers in southern courtrooms. The 32-year-old director of non-violent education and direct action for SCLC said that both Ray and his attorney, Percy Foreman, have requested that he join in Ray's defense "as an advocate, not as a witness."

Mr. Bevel, a Baptist minister, talked with Foreman for more than seven hours about the case. Afterward, according to him, Foreman informed Judge Battle that Mr. Bevel "is the most prepared legal mind with a substantial amount of evidence and the ability to be an advocate of the law of justice to represent Ray."

Courts Rapped

Mr. Bevel charged that the courts of Tennessee are constitutionally illegal "because the U. S. Constitution guarantees the accused the right to choose his own counsel."

Mr. Bevel said he will attempt to get a license to defend Ray. If he is unsuccessful, he then plans to try to enjoin the courts from what he termed "their illegal activity."

"In any case," Mr. Bevel said, "before Ray goes to court in March, I do intend for him to have the counsel of his choice who is Rev. James Bevel."

Mr. Bevel who was a strong influence and close associate of Dr. King's, is an advocate of the philosophy of non-violence. He has stated that he did not come to the aid of Ray sooner because "I hadn't prepared to be responsive to him. But I thought 'here's a man sitting in jail who shouldn't be there. I couldn't be against him.'"

Conspiracy Hinted By Defendant; Gets 99-Year Jail Term

By LAWRENCE H. GELLER
OF THE TRIBUNE STAFF

James Earl Ray, the accused assassin of Dr. Martin Luther King, Jr. changed his plea from not guilty to guilty yesterday. Just a little more than 11 months after the tragic deed in Memphis, Tenn. which shocked millions around the world.

For his plea of guilty, Ray was

sentenced immediately to 99 years in prison.

However, while millions are ready to close book on the murder, an aide to Rev. James Bevel told the Tribune that "we still maintain the position that Ray is innocent."

REV. BEVEL TO COMMENT

Just six weeks ago Ray is purported to have told Rev. Bevel he was innocent of murdering Dr. King, and Bevel believed him and agreed to defend Ray in Memphis.

Rev. Bevel will be back from Atlanta this week, said his aide, Cedric Moore, "and make a statement concerning the latest events in this case."

It's been widely interpreted that Ray's attorney agreed to a guilty plea in return for a 99-year sentence, rather than plead not guilty and take the chance that his client would get the death penalty.

"If Ray's attorney wants to play political games with the 'Establishment,'" said Moore, "that's his business."

Be that as it may, mystery still continues to surround this horrendous matter, and not all of it is being produced by the eloquent Rev. James Bevel.

RAY ADDS TO MYSTERY

James Earl Ray added something to the mystery himself yesterday when he said, "I do not agree with my attorney that this was a one-man deed."

This statement, bound to confuse the millions watching this case very closely, does give some support to the conspiracy theory raised by Rev. Bevel a month ago.

Bevel charged that Ray was innocent and that "the killers of Dr. King were still walking around free."

The dynamic - speaking Bevel maintained that the five most fami-

ous political assassinations in this decade were all closely related. He referred to Medgar Evers, Malcolm X, the Kennedy brothers and Dr. King.

ABERNATHY DIFFERED

While agreeing with Rev. Bevel's decision to defend Ray, Dr. Ralph Abernathy, president of SCLC, did not feel that Ray was innocent of the crime.

Dr. King was killed instantly last April 4th on the balcony of the Lorraine Motel in Memphis as he was shot through the neck. Rev. Abernathy and Rev. Bevel were

King's close friends. Dr. King had returned to Memphis to lead striking garbage men in a march through downtown Memphis. The strikers were demanding higher wages and better working conditions.

The immediate aftermath of the assassination resulted in the largest funeral crowd ever to attend the burial of a public figure in this country. Close to 300,000 people walked through downtown Atlanta behind Dr. King's casket which was pulled by two mules.

A nation-wide manhunt went on for the murderer, and the fugitive was pointed toward James Earl Ray, who was picked up by Scotland Yard in London two months after the assassination.

While millions will now go to sleep satisfied that justice has been done, others are still wondering whether the final chapter on the assassination of one of the world's greatest leaders has finally been written.

Charges Lack of Guard

Special to The New York Times

PHILADELPHIA, March 17—

The Rev. James Bevel charged here today that police officials of Memphis had known about a plot to assassinate Dr. King but took no special precautions to guard him.

Mr. Bevel, director of non-violent education and direct action for the Southern Christian Leadership Conference, insisted that "there definitely was a conspiracy" to murder Dr. King.

He made the charges in an interview with Claude Lewis,

a reporter for The Philadelphia Evening Bulletin.

Mr. Bevel said that the conference learned about the alleged plot a couple of days before Dr. King arrived in Memphis on April 3. He said the information came about as the result of a mistake made by Memphis postal authorities.

A letter addressed to a white woman was delivered to a Negro woman of the same name who lived in another section of Memphis, Mr. Bevel said. The letter, he added, contained "the relevant and pertinent information that Dr. King was to be assassinated while in Memphis."

Mr. Bevel said the letter was immediately turned over to the Memphis police, but no special security measures were placed around the Lorraine Motel, where Dr. King was slain.

RE: JAMES EARL RAY;
Dr. MARTIN LUTHER KING, JR. - VICTIM
CR - CONSPIRACY

An article appearing in the March 18, 1969, edition of the "New York Times," a daily newspaper published at New York, New York, contained an article datelined March 17, 1969, at Philadelphia, which states that Reverend James Bevel, identified in the article as Director of Non-Violent Education and Direct Action for the Southern Christian Leadership Conference, has indicated that "there definitely was a conspiracy" to kill Dr. King. This article quotes Rev. Bevel as saying that as a result of a mistake made by Memphis Postal Authorities, a letter addressed to a white woman was delivered to a Negro woman of the same name who lived in another part of Memphis. This letter, he stated, contained the "relevant and pertinent information that Dr. King was to be assassinated while in Memphis." Rev. Bevel further states that this letter was immediately turned over to the Memphis Police but that no special security measures were placed around the Lorraine Motel, at which place Dr. King was killed.

On March 21, 1969, Inspector N. E. Zachary, Memphis Police Department, Memphis, Tennessee, who was in charge of the Homicide Bureau at the time Dr. King was killed, advised that he has never heard of such a letter and that at no time during his investigation of the King murder was it ever called to his attention that such a letter had ever existed.

On March 21, 1969, Inspector Don Smith, Memphis Police Department, Memphis, Tennessee, who was in charge of security arrangements for Dr. King's visit to Memphis on April 3, 1968, advised that when he met Dr. King and

his associates at the Memphis Airport on April 3, 1968, he inquired of Dr. King as to his plans for his stay in Memphis in order that necessary security measures might be put into effect. Inspector Smith said he was told by Rev. James Lawson, Pastor of the Centenary Methodist Church, Memphis, and who was one of Dr. King's associates, that Dr. King's plans had not been fully made and that he was unable to furnish Inspector Smith any information. Inspector Smith said that when Dr. King left the Memphis Airport, he (Inspector Smith) had no idea of the destination and that he "tagged along" to find out where they were going. He said that as soon as Dr. King arrived at the Lorraine Motel, he called for additional officers and had them posted in the vicinity of the Lorraine Motel.

Inspector Smith stated that he has never heard of a letter such as the one described by Rev. Bevel, and he doubts that such a letter ever existed.

On March 21, 1969, Mr. Louis Peele, Postal Inspector's Office, Memphis, Tennessee, advised that he has no information in his possession to indicate that such a letter as the one described by Rev. Bevel ever existed.
