Mystery Suspect Charged in Death

MEMPHIS, Tenn. (AP) — Mysterious Eric Starvo Galt, a March graduate of a bartender school, was charged Wednesday night with murder in the April 4 sniper assassination of Dr. Martin Luther King Jr., Nobel-prize winning minister and world leader of nonviolence.

A state warrant charging first degree murder was issued in Memphis five hours after the FBI announced a federal complaint charging Galt with conspiracy in the slaying.

King, 39, was shot to death on the second floor balcony of a Memphis motel the day after he returned to lead garbage workers in another march.

Murder is a capital crime in Tennessee.

The FBI complaint charges that Galt, a white man who has been hunted for a week, entered into a conspiracy about March 29 in Birmingham, Ala., with a man who Galt claimed was his brother. The FBI warrant was issued in Birmingham.

There was no indication that other persons would be charged with conspiracy, nor was the second man who Galt said was his brother identified or charged.

A Memphis witness said an FBI photo of the wanted man does not resemble the man who fled the scene after the shooting.

"Unless he was wearing a wig or had had a face lift or something, it's not the man I saw," said Charles Q. Stevens, who lives in the second floor rooming house from which the fatal bullet is thought to have been fired.

The FBI statement said Galt has given his date of birth as July 20, 1931, has brown hair, wears his hair in a brush cut, reportedly has blue eyes, a straight narrow nose, is between 5-feet-8 and 5-feet-11 and weighs between 160 and 175 pounds.

The bureau warned that "Galt should be considered armed and dangerous," and any information concerning him should be furnished immediately to the FBI.

The FBI gave no further identification of the man Galt has alleged to be his brother, would not say where it obtained the photograph.

The FBI had named Galt in a lookout bulletin last week in Florida but withdrew the bulletin four hours later, saying it had been released in error.
