SUBJECT: MURKIN

Rebutel dated 4/22/68. Re call to me from SA Kemmy on 4/22/68.

On 4/23/68 I distributed copies of WF-442A to the following persons and made sure that we have stops.

FRED TURNER, Customs Agent in Charge, Brownsville, Texas who handles all narcotic investigations in this area.

DARWIN EARLE, SPI, U. S. Border Patrol, Brownsville, Texas

CHARLES VAIL, OIC, U. S. I&NS

AT MATAMOROS, TAMPS., MEXICO

JORGE LUIS SOLAMINDE, Chief of Immigration, who will place stops with his service at both bridges, at the three 22 kilometer posts for Immigration and Customs and at the small port of entry, Nuevo Progreso.

Two newspaper reporters with El Bravo who followed me out of SOLAMINDE's office. I gave them a copy of WF442A in Spanish. They wanted permission to reproduce it in their paper, and I told them the wider distribution they gave it the better.

SA 619-C who is a guide and taxi driver.

SA 669-S who is a bar tender in a bar frequented by Americans.

SA 708-S who is an official with Customs and covers all of the small ports of entry between Reynosa and Falcon Dam.

TO : SAC, SAN ANTONIO (44-1242) (P)      DATE: 4/24/68

FROM : SA J. ROBERT PORTER

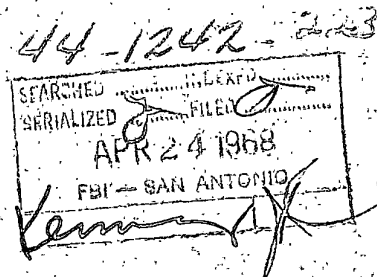

SUBJECT: MURKIN

On 4/15/68, Mr. GRANT BECHTEL, President, White Star Laundry, advised that the White Star Laundry used to employ the textile marking machine for marking clothing, but that they had changed approximately two years ago and were now using a Polymark Pinnacle which was manufactured by Production Corp., Elmsford, New York. The machine itself was manufactured in England.

Mr. FRANK GONZALEZ, Foreman, White Star Laundry and supervisor of the markers, advised that they do not use a zero as the first digit in the numbering system nor do they use a dash. He advised that the first number or numbers is the route number, that the letter is the route designation and that the last number or numbers is the bundle number. He further advised that they do not nor have they used a red tape, but that they do use a light pink tape. He stated that the tapes come from the Dallas Tailor and Laundry Supply Company, Dallas, Texas.

On the same date Mr. RAY ARNOLD, Laundry and Cleaning Machinery Company, 318 Canterbury Hill, advised that he has handled the textile marking machinery in this area in the past, but knows of no laundry in the San Antonio area that still uses them. The White Star Laundry quit using the machinery about two or three years ago.

# Memorandum

TO : FILE (44-1242)

DATE: April 25, 1968

FROM : SAC J. MYERS COLE

SUBJECT: MURKIN

This will record that on the evening of April 24, 1968, Legat NATHAN FERRIS, Mexico City, called with regard to a lead involving Deputy Sheriff ANGEL STICKELBAULT (see serials 174 and 183). Mr. FERRIS said that Mexico City is running out leads and needs additional information.

He informed that STICKELBAULT had three tickets for seats 6, 7 and 11, and that an individual by the name of G. SMITH was in seat 8.

He desired to know precisely the manner of this seating arrangement, what seat did STICKELBAULT occupy? Who were the other two passengers with STICKELBAULT? Where was the look-alike sitting with relation to STICKELBAULT?

Mr. FERRIS went on to say that STICKELBAULT took bus # 382 from Nuevo Laredo. This bus reportedly broke down and passengers were transferred to bus # 362. In Monterrey the through passengers were placed on bus # 359.

Mr. FERRIS desired to know the number of the bus and buses utilized by STICKELBAULT and when the transfer of passengers occurred in Monterrey did all passengers retain the same seats.

I told him we would endeavor to obtain this information immediately and would call this morning.
