Referenced Butel reads as follows:

During automobile trip of subject RAY and CHARLES STEIN departing Los Angeles on 12/15/67 and arriving New Orleans on 12/17/67, subject RAY made about six telephone calls from various pay stations in Texas.

They traveled via automobile on Interstate 10 through El Paso to Van Horn, Texas, and went south on Route 90 to San Antonio, then Route 90 or Interstate 10 to Houston, Texas, and to New Orleans.

Each office should check with telephone company and determine the long distance calls placed at each public telephone on the above mentioned routes during period of 12/15, 16, and 17, 1967, and have each call checked out.

On 4/30/68, Mrs. HELEN ORNELAS, Service Representative, West Texas Telephone Company, Pecos, Texas, made available duplicate bills on pay stations from Van Horn, Valentine, and Sierra Blanca, Texas.

Noted that these bills reflect the telephone numbers of the individuals receiving the telephone calls from the pay stations in the above mentioned communities. As noted above, the pertinent dates are 12/15, 16, and 17/67. The teletype codes of the respective offices have been added to these duplicate bills, indicating the telephone numbers to be checked out by the various offices receiving this airtel.

SUBJECT: MURKIN

DATE: 5/2/68

Re memo of SA KEMMY, 4/30/68.

Following investigation conducted by SA JOSEPH C. WEBB, JR.:

AT D'HANIS, TEXAS:

Telephone communications for D'Hanis, Texas, are handled by the Rocksprings-Nueces Canyon Telephone Company.

SA WEBB is contacting this company per request in memo.

AT KNIPPA, TEXAS:

On 5/1/68 Mr. ANDREW ANDERSON, Owner, Knippa Telephone Co., advised there are only two pay phones handled by that company in its entire system. One is located on US Hgwy. 90 at EDE's Cafe, Knippa, telephone number 512 93467116 and the other is at Sunny Clime Farms, approximately 7 miles southeast of Knippa, approximately one mile off US Hgwy 90, located in the jockey room at the racetrack. ANDERSON pointed out that the pay phone at Sunny Clime Farms is generally not used by the public since it is in an out-of-the-way place; well-off the main road, and generally only used by persons having race horses trained at the farm.

ANDERSON Reviewed telephone records for number 934-7116 for 12/15,16,17/67 and located only one long distant telephone call from this number:

12/17/67 to Houston, 695-0588

ANDERSON stated records on 934-7536 (Sunny Clime Farms) for 12/15,16,17/67 revealed two long distant calls made:

12/16/67 to Pharr 787-1808

12/17/67 to Pharr 787-3746

DATE: 5/2/68

FROM : SA CLAY ZACHRY, JR.

SUBJECT: MURKIN

Retelephone call from San Antonio this date stating that a call was made from a pay telephone at Sanderson, Texas at 5:43am on 12/16/67 to telephone number Li6-1059.

This telephone number belongs to GILBERTO VILLARREAL at 35 Boca Chica, Brownsville, Texas. VILLARREAL is Principal of the J. T. Canales School, and Mrs. VILLARREAL is a stenographer for Cox & Wilson, Attorneys. They own a small building in front of their residence where the Triangle Barber Shop is located. There is an extension of this telephone in the house and in the barber shop. The barber shop would not have been open or occupied before 8:00 AM.

Both Mr. and Mrs. VILLARREAL were interviewed. They never heard of JAMES EARL RAY and do not recall receiving a telephone call that would have awakened them at 5:43 am. They know no one in Sanderson. They have relatives in California who call now and then and who visit other relatives in Kingsville and in Rio Grande City. VILLARREAL and his wife were the only ones who would have answered the telephone. They recall the California relatives calling them sometime before Christmas and feel that they might have called from Sanderson en route to Texas and did not tell them where they were. The VILLARREALS took it for granted that the call came from California; however they actually do not know where it originated.

The VILLARREALS are personally known to me and are citizens of good moral character and reputation and would cooperate with the FBI. It is not likely that they would know RAY, and I think that they are telling the truth.

Re Dallas teletype to Director, 5/1/68.

The following investigation was conducted to determine to whom phone No. 865-2429, Gatesville, Texas, was listed on 12/15/67. A phone call was placed to that number at 8:22 p.m. that date from a pay telephone booth in Alpine, Texas, and investigation was conducted to determine whether there could be any connection with the party placing the call and suspect RAY.

AT GATESVILLE, TEXAS

On 5/2/68, Mr. TRUMAN GRISHAM, Manager, Gulf States-United Telephone Company, Gatesville, advised phone No. 8652429 has been listed to CURTIS LIPSEY, 201 Main Street, Gatesville, Texas, since September, 1963. He advised LIPSEY is known to him personally since 7/1/49 and LIPSEY is known to be employed by the Engineering Department, Texas State Highway Department, Gatesville, is described as approximately 50 years old, white male, 5'10"-5'11" tall, 170 lbs., has a nice family and a wife who teaches a kindergarden school. On 5/2/68, Mr. CURTIS LIPSEY, 201 West Main Street, Gatesville, Texas, advised he has had the same phone number, 865-2429, for a number of years. He stated he has a married daughter, Mrs. BARRY JONES, Fort Stockton, Texas, who teaches school in Fort Stockton and another daughter, Miss NANCY LIPSEY, who is presently a senior at Sul-Ross State College, Alpine, Texas. He advised he could not say positively, however, he feels the phone call made from a pay telephone booth at Alpine, Texas, to his home in Gatesville on the date in question must have been made by his daughter, NANCY LIPSEY, who was then a student at Sul-Ross State College, Alpine. He stated he is acquainted with no one using the name or aliases of suspect RAY and on viewing the photograph of suspect RAY he stated he has never seen this individual personally although he has seen the photograph briefly in a newspaper.

On 5/2/68, Mrs. CURTIS LIPSEY, 201 Main Street, Gatesville, Texas, advised the phone call in question more than likely was placed from a pay telephone at Alpine, Texas, to her home in Gatesville 12/15/67, by her daughter, NANCY LIPSEY who is a student at Sul-Ross State College, Alpine, Texas, and who was attending college in Alpine on that date. She stated she has never heard of an individual using the name or aliases of suspect RAY and on viewing his photograph stated she has never seen him before.

On 5/2/68 Mrs. A. M. WITTEN, 901 Dabney, Corpus Christi, Texas, advised as follows:

She was formerly employed by Liberty Mutual Insurance Company, 4th Floor, Milam Building, San Antonio, Texas. This company had in its office an album of professional insurance claimants, which she believes was compiled and maintained by Southwest Index Bureau. Recently upon seeing newspaper and television photographs of subject, it seemed to her she had observed a photograph in the album of professional insurance claimants at the Liberty Mutual Insurance Company office which was that of subject, or someone who looked very similar to him. Further, she thought possibly the name JAMES EARL RAY was included in the above index and album.

The following investigation was conducted by
SA THOMAS H. WEAVER:

AT JEFFERSON CITY, MISSOURI:

On April 29, 1968, a former inmate of the Missouri
State Penitentiary advised as follows:

He knew JAMES EARL RAY at the Missouri State
Penitentiary (MSP). From his conversations with RAY, he
learned that RAY's maximum ambition in life was to make a
"score" of about \$20 - \$30,000.00, after which he would go to Mexico
to "hide out", living simply on the loot at the favorable
Mexican exchange rate. RAY had spoken to him about his
previous trips to Mexico, following "two or three" armed
robberies, involving small scores, where he would "cool off"
and live on beer, beans and milk. RAY spoke of Campeche
Bay, near the Yucatan Peninsula, and he spoke of living with
peasants on the outskirts of the town of Campeche, Mexico.
RAY also spoke of a cheap "red light district" he favored
located in the town of Torreon or Torrejon (phonetic), which
the former MSP inmate thought was located in north central
Mexico. Cost was a factor in anything RAY did, and he
apparently lived frugally and budgeted his money carefully.

RAY did not like Negroes in general, but he
expressed no particular feeling toward MARTIN LUTHER KING,
although he has heard RAY refer to Dr. KING as "MARTIN
LUTHER COON". RAY read enthusiastically, especially the
weekly news magazines available at the MSP, and he would
react in an outspoken manner opposing H. RAP BROWN and
STOKELY CARMICHAEL when he read of their activities, as
well as in opposition to publicity Dr. KING received in
certain instances.
