SUBJECT: MURKIN

DATE: 5/10/68

At approximately 8 pm this evening I received a call from a man asking to speak to the Agent in Charge. I informed him that he was not in at the time and that I would take the message. He stated he had talked to the agent in charge during the afternoon regarding a man he ~~saw~~ saw near Pioneer Square who resembled the suspect, JAMES EARL RAY. He stated that he just saw the man again near the B & R Bar at 1st and Yesler, dressed the same as he was earlier today.

I asked the caller for his name but he stated he did not want to get involved and told me to ~~tell~~ the agent in charge that HLS called. The caller sounded quite nervous and excited. He also sounded as though he may be a negro.

SAC MILNES advised. SAs FLEIGE and KETCHAM handling.

RE: KENNETH LEE WADE  
MISSOURI STATE PENITENTIARY

Re Los Angeles airtel, 5/3/68.

Records of the San Quentin Penitentiary reflect that KENNETH LEE WADE, FBI #56 81 23 B, was received at San Quentin Penitentiary on 9/19/67 to serve a five year to life sentence for armed robbery committed in the Los Angeles, California area.

The following interview of KENNETH LEE WADE was conducted by SAs DALE F. NORTON and MICHAEL T. GEARY:

KENNETH LEE WADE advised that he served a sentence in the Missouri State Penitentiary (MSP) at Jefferson City, Missouri from 1958 through 1965, where he was confined as a result of having been convicted of a robbery charge in St. Louis, Missouri. He advised that he knew RAY from about 1960 until 1965.

WADE advised that he served about one year of his sentence and then escaped, and after being recaptured, was

returned to MSP and served from 1962 to 1965. He advised that RAY came to MSP with a man by the name of RAY PRUITT. WADE stated that he and PRUITT were fall partners. He advised that both he and PRUITT were convicted at the same time but that PRUITT fought the conviction and did not enter MSP at the same time that he, WADE, did.

WADE advised that PRUITT and RAY may have met while both were in the City Jail in St. Louis, Missouri. WADE stated PRUITT knows RAY better than he does.

He advised that when PRUITT and RAY arrived at the penitentiary, that he, PRUITT and RAY all lived in "K Hall", and that because RAY and PRUITT were friends, he and his friends accepted the two of them and that PRUITT in effect, was RAY's sponsor. WADE advised that he and RAY worked in the bakery. WADE was a pastry cook and was fairly good.

WADE examined the photographs and drawings of RAY and stated that the drawing of RAY in which his eyes were open is not a good likeness in that it completely changes the appearance of RAY's eyes which are smaller and more slanted. WADE advised that his group in the prison consisted of the following individuals:

- (1) JAMES EARL RAY
- (2) RAY PRUITT
- (3) BOBBY BURNS
- (4) GLEN SHURNICK or SHERNICK (PH)
- (5) WADE

He advised that they, the five of them, had "a little thing going for them" in that they were selling amphetamine pills and other stimulants to inmates at the prison.

He stated that while he was confined to the penitentiary, that they had a semi-riot at the jail as prison authorities sought to integrate the prison and as a result, a few Negroes were stabbed and that the jail was not integrated while he was there.

SF 173-65

MTG:bja

WADE stated, "I had a beef with a Negro over a debt about amphetamine powder. This beef was in 1962. I 'piped him', that is I hit him with a pipe a few times. He was hospitalized. This beef wasn't over RAY. This clique had a thing going for it."

He advised that he figures that they made about \$1,000 a month or more selling these pills each month. He advised they paid a guard \$100 to bring the jar in and after expenses, cleared about \$1,000 a month.

WADE stated that RAY is a very quiet individual. He stated he did not know what RAY's opinions were of Negroes.

He advised RAY had a friend who sent him some narcotics. He advised he did not know any more than this about that matter.

WADE advised that RAY was close-mouthed and never discussed anything with anyone, particularly he would not discuss any ideas or plans he had about escaping.

He described RAY as having a quick temper and a violent temper, but believed that RAY was in sufficient control of himself not to let his quick and violent temper unmask him. He said it was his opinion that if somebody got into an argument with RAY about something that RAY would control his emotions so as not to attract attention to himself, but he stated RAY was the type that would and could lay for the guy and later give him a good working over.

WADE stated, "I do not believe RAY would go to booze." He advised it was his belief that RAY liked narcotics but not hard stuff, and that he would probably just use the stimulant type. He advised that RAY could handle narcotics "real good."

He stated he did not believe that RAY at this time would engage in the sell of narcotics in view of the fact that he is an escaped convict.

WADE later stated, "RAY doesn't like Negroes. I believe

SF 173-65

MTG:bja

RAY is capable of killing KING. RAY could plan it." He added it was his speculation "he must have had help." He stated, "I don't believe RAY killed KING. I couldn't see RAY getting into that bag as he was an escapee."

WADE advised that he never met any of RAY's family or friends from the outside while they were in jail and RAY never met any of his family or friends from the outside either. He stated, "I have no idea where RAY may be. I have no knowledge of RAY's outside connections. I believe RAY could have saved about a good sum of money from his share of the profits of the sale of amphetamine." He advised in the event RAY was going to escape he believes the other people in the clique would loan or give RAY as much money as they had available to them. He advised that RAY used to read about foreign countries in his cell. He advised that PRUITT, who was a cell block mate, worked in the library and would bring the books to RAY. He advised that BURNS and SHURNICK each got 75 years so they are still in MSP. He advised he does not know where PRUITT is.

He advised that he is presently confined as a result of some robberies which he committed in the Los Angeles area with HAROLD KLEMP, DONALD BUSSMEYER and SAM MASSY.

He advised that all four of them had been in MSP at one time or another and he believed that KLEMP, BUSSMEYER and MASSY might know RAY. He advised that KLEMP is in Folsom Prison, BUSSMEYER is in Mc Neil Island and SAM MASSY went insane and is confined in some mental hospital in the State of California.

## RAY STILL SOUGHT

The Federal Bureau of Investigation released these two photographs today in Washington, identified as two additional pictures of James Earl Ray who is being sought in connection with the slaying of Dr. Martin Luther King Jr. The FBI said the picture of Ray wearing dark glasses was taken in Mexico in November, 1967, while the one of Ray in a business suit was made in California during the last part of January or the early part of February, 1968.—AP Wirephoto.

## New Photos Issued Of James Earl Ray

WASHINGTON (AP) — The FBI issued today two more photographs of James Earl Ray, who is being sought in connection with the murder of Dr. Martin Luther King Jr.

An FBI spokesman said one of the latest photos is "considered to be the best possible likeness of Ray."

So far the FBI now has issued five photos of Ray.

The one the FBI considers the best was taken in late January or early February of this year somewhere in California. It shows Ray wearing a dark checked jacket, striped tie and button-down collar shirt. There is a curtain directly in back of him and a lamp nearby.

The FBI would not say where it obtained the picture, or where precisely it was taken, or by whom.

The other new photo, which the FBI said was taken last November at an undisclosed location in Mexico, shows Ray wearing dark glasses and a light colored shirt open at the collar.

The two new photos confirm what FBI descriptions say—that his weight has been known to vary widely. The Mexican picture discloses a man with a thin face and pointed chin, much as he appeared in 1960 photos.

But the picture taken in California shows him edging up to pudginess, with a clear cleft in his chin.

TO : SAC, SEATTLE (44-371)

DATE: 5/9/68

FROM : SA, LEONARD K. STILES

SUBJECT: MURKIN

On 5/9/68, Lt. Col. EUGENE W. WHITE, USA, MATCO, building 1414, Mc Chord Air Force Base, Tacoma, Washington, telephonically contacted the writer and advised that an individual by the name of JAMES EDWARD WHITT was attempting to obtain military air passage to Korea. His military orders were not correct as he had no visa to go to Korea and he appeared "too anxious" to get out of the country. He also looked like JAMES EARL RAY, fugitive, and his description appeared to be almost identical. Col. WHITE said that he had put the man off on an excuse and would have contact with him again at 1:30 p.m., 5/9/68.

The above information was furnished to SA RICHARD DYER at Tacoma, shortly after 1:00 p.m., and it was learned later that he was able to contact Col. WHITE by 1:30 p.m.

The above information was furnished orally to SAC, J.E. MILNES.

RE: Telephone calls from

state 10, Texas.

Re Houston airtel to Director, 5/3/68.

Telephone number 206-622-4911 is public phone listed to Rocky Mt. Fire and Casualty Company, 2717-3rd Avenue, Seattle, Washington.

Mr. KARL J. JAECH, Customer Service Manager, Rocky Mt. Fire and Casualty Company, advised no record of incoming calls are kept by the Seattle Office of Rocky Mt. Company.

JAECH, in company with SA VERNON P. COYNE, personally contacted the three telephone operators and receptionists in that office, and none of these persons could recall receiving a telephone call from Texas.

Mr. JAECH and SA COYNE also checked the collect telephone calls billed to Rocky Mt. Company, Seattle Office, over December 15, 1967, and there were no collect calls from anywhere in Texas.

Mr. JAECH pointed out that Rocky Mt. does not have insurance agencies in Texas, but some possible holder who has moved to Texas, or was passing through that state, might have called Seattle on some type of claim.

Mr. JAECH pointed out that there are only two persons in the Claims Division of Rocky Mt. who handle calls on claims. Mr. JAECH personally contacted these two persons and neither could recall receiving such a telephone call from Texas, but they pointed out such a call from Houston, Texas might have been received in December and they cannot now remember such a call.

They said that if the name of the caller were known, if it pertained to a claim, the call could be verified through their Claims Index Records.

Mr. JAECH determined that this company does not have any insurance claims under the names of JAMES EARL RAY or ERIC STARVO GALT.

Mr. JAECH said that Rocky Mt. employs approximately 190 persons in their Seattle Office on an average, and it is possible one of these persons might have received this person's call from Texas. He said that since December 1967, there has been the usual turnover of personnel.

Mr. JACK HOWARD, Treasurer of Rocky Mt., and GEORGIA COUGHLIN, office employee of Rocky Mt., were unable to locate any person presently associated with Rocky Mt. in Seattle who received such a call from Texas.

No further action being taken in Seattle on this call.

FROM : SA JOHN E. CONNOR

SUBJECT: MURKIN

The following inquiry was conducted based on information furnished Seattle May 6, 1968 by WALLY MAY, Manager, Aurora-Midway Branch, People's National Bank, of Washington, indicating that a MRS. ROGER L. MILLER, aka KATHRYN MILLER, 19274 80th West, Edmonds, Washington, had issued a check on her checking account at this branch to MRS. EARL RAY which check had been cashed in the Liberty Super Market, Memphis, Tennessee, with the telephone number notation 743-9797.

Records of the Seattle Credit Bureau and the Edmonds Police Department were negative.

Records of the Credit Bureau of Snohomish County, Everett, show that the MILLERS have been listed since January, 1965, coming to the Edmonds area from Seattle. He was listed as a driver for Darigold Farms. His wife, KATHRYN, and he had previously been employed by Muffler City in Seattle, having lived in the Seattle area since at least 1958. The credit record was satisfactory.

Next door neighbor, MRS. JAMES FARMER, 19730 80th Place West, advised that MR. and MRS. MILLER and their teenage daughter live next door, that both MR. and MRS. MILLER work in Seattle, and that one is a native of the Seattle area and the other is a native of the Memphis, Tennessee area and still has relatives in that area.

On the evening of May 6, 1968, MR. and MRS. ROGER L. MILLER, 19724 80th West, advised that MRS. MILLER comes from Memphis, Tennessee originally and that her sister, MELVA, has been married to EARL RAY for the past approximately eleven years, and that they presently live at 2680 Frisco Street, in Memphis, with their two children.

RAY is approximately 38 years of age, is a white male, 5'6", height; weight 140 lbs., has coal black hair. He has lived in Memphis all of his life to the best of their knowledge and has been employed in ornamental iron work and in a battery shop there. been in prison to their knowledge. He and his wife have lived in Memphis ever since they were married and his mother still lives next door. His father died approximately a year ago. He has sisters and brothers in the same area.

MRS. MILLER stated that as soon as they read in the newspapers the identity of the suspect in the KING killing, that they thought the name of MRS. MILLER's brother-in-law, but having known of his whereabouts and activities over the past eleven years and knowing what he looked like, realized that this was only a similarity in names. They concluded that to their knowledge, MRS. MILLER's brother-in-law's relatives are all in the Memphis area and they were in no way connected with or related to the person charged in the King killing.

This RAY was reported to be the former mayor of Adgona, Washington, and to be a reputable citizen.

with a secret clearance, born July 8, 1927, and the records revealed he was presently assigned to the Research Park Center, Huntsville, Alabama.

Referenced teletype from Birmingham revealed that on April 30, 1968, WALTER HARGROVE, Security Officer for the Huntsville Division of the Boeing Company, reviewed all available personnel records and advised that there was no GERALD D.
