He Killed King

This is an artist's composite drawing of the sandy-haired, dark complexioned man who is being sought in the assassination of Dr. Martin Luther King Jr. The task of finding him apparently has settled down to the grueling police routine of sifting every clue and checking every lead. Story on page 2.

SUBJECT: MURKIN

Re XThermo-Seal Laundry Tag.

On 4/10/68 HUBERT GENTRY, Plant Manager, Normans Laundry, 145 East Decatur, Street, advised that his company used Thermo-Seal Tags, however, their recording is done as follows:

The first being a number indicating the lot.

The second being an alphabetic letter indicating the first of 52 weeks.

The third being a number indicating the bundle.

He mentioned that the first number changes to one at the beginning of each week and the same with the last number of their bundle number. He stated that they definitely do not use the code as indicated O or D 2B-6.

On 4/10/68 HOMER HESS, Office Manager and CARL GREVES, Plant Manager, Shudels and Model Paris, advised that they do not use the code system as shown. They stated that their first is an alphabetic letter, which would indicate shirts only, and the second is their lot number, however, on shorts and tee shirts, they go by numbers first, which they consider their junk lot, which go from one to one hundred.

The following investigation was conducted in reference to the name ERICK STARVO GALT:

Decatur City Directory, Macon County Directory, and Decatur Telephone Directory were checked with negative results.

The following financial institutions, credit records, sheriff's office records, and PD records were checked in Decatur, Illinois with negative results:

FEDERAL BUREAU OF INVESTIGATION

Date April 11, 1968

BILLY RAY KING was interviewed at the Rock Island, Illinois, Police Department, by ROBERT A. WICKWIRE and CHARLES E. SMITH who identified themselves as Special Agents of the FBI. KING was warned of his rights and he waived them as shown on an executed warning and waiver form.

BILLY RAY KING advised he has resided for ten years at 102 Arlington Street, Lake Providence, Louisiana. He has been employed as a deck hand on different boats in the Mississippi River since he was 18 years of age. He stated for the last three months he has been employed as a deck hand on a towboat for the K.G.W. Towing Company out of Greenville, Mississippi.

He added that he had been injured on his boat approximately twenty days ago and had been treated at the Greenville, Mississippi, General Hospital, but had been recuperating at his home in Lake Providence, Louisiana. He had recovered and arranged to catch his boat, which is the George Weathers, at Quincy, Illinois. His Personnel Director, JERRY WILSON, with the K.G.W. Towing Company in Greenville, Mississippi, had given him an airplane ticket from Greenville, Mississippi, to St. Louis, Missouri, to Quincy, Illinois, for April 5, 1968; however, he determined that all planes were full and was instructed to take a bus to Memphis, Tennessee, to catch a plane to St. Louis. He left his home by Trailway Bus around noon on April 4, 1968 and proceeded to Memphis, Tennessee, which is about 175 miles. He arrived in Memphis sometime in the afternoon probably around 4:00 p.m. While at the Trailway Bus Depot, the riots broke out due to the shooting of MARTIN LUTHER KING. He advised that the bus depot was closed. There was no busses allowed to leave or enter and the people in the bus depot were forced to remain in the depot all night long. He advised that the depot was only two or three blocks from the Lorraine Motel in Memphis, Tennessee, where KING was shot. He advised that he knows where this motel is located as he had stayed there on previous occasions. He added that it was general knowledge in all the papers that Dr. MARTIN LUTHER KING was in Memphis and staying at the Lorraine Motel.

KING stated that he did not shoot MARTIN LUTHER KING but hastily added even if he had done so, he would not tell. He also stated that MARTIN LUTHER KING got just what he deserved and that the people in the North are getting just what they deserved on this racial problem as they caused the whole thing. When asked if he was a member of the KKK, KING stated that he was not a member but also added even if he was, he would not tell.

KING then stated during the early hours before daybreak, the busses started to move and he was able to take a taxi to the airport. He recalled that the fare was somewhere around \$4.65. When he arrived at the airport, he determined that there was only one plane that he could catch to Quincy, Illinois; however, this plane was full and he was placed on stand by. When the plane left and he could not get on, he then made a long distance telephone call to his boss JERRY WILSON who then told him to catch a bus to St. Louis and a bus to Quincy where he could catch the boat. He advised that he took a cab back to the bus depot where he boarded a Trailway Bus for St. Louis, Missouri. He advised this was early in the morning and arrived in St. Louis sometime around noon.
