Re Albany airtels 4/10/68 and 4/11/68, setting forth concerns who purchased Thermo-Seal marking machines, and Bureau teletype to Memphis, 4/12/68.

The FBI Laboratory advised that pillowcase and bed sheet were found in trunk of 1966 white Mustang registered to ERIC STARVO GALT, which was located at Atlanta 4/11/68. These items contain Thermo-Seal laundry tapes of approximately same size as tapes on items previously recovered, but are yellow in color and contain code, "20R-3." In opinion of Textile Marking Machine Company, Syracuse, New York, the tapes were produced by a different machine than previous tapes since the first three characters are 15 point type and the last two characters are 18 point type.

The Textile Marking Machine Company suggests the twenty in above code would be the lot number, the R may mean that this was a return of a batch of laundry, and the three is the bundle number.
