On 4-19-68 GERALD KRUEGER, 1525 East Risser, Kankakee, Illinois, was contacted after his wife had telephonically contacted the Springfield Office and advised that an Unsub who resembled subject had contacted their residence during the late evening of 4-18-68.

KRUEGER advised that at approximately 10:45 p.m. on the night of 4-18-68 an unknown white, male, approximately 35 years of age, 5'8" - 10", stocky build, 170 - 180 lbs., normal voice but a little soft, wavy full-length hair which appeared to be medium brown in color, clear complexion, dressed in dark suit, white shirt, no tie, with collar open, came to his door at approximately 10:45 p.m. This person claimed to be representing a marketing research firm and stated "I would like to come in and ask you and your wife a few questions."

KRUEGER stated he told this individual that maybe some other time it would be more convenient, at which time the individual appeared hesitant as what to do next, said okay and left.

He stated that at the time he did not give any consideration to the fact that he resembled subject but upon receiving his "Duluth News Tribune" from Duluth, Minnesota, on 4-19-68, he saw a picture of subject on the first page and stated that the unknown individual who appeared at his door on the evening of 4-18-68 closely resembled the subject. He stated the photograph which appeared in the "Duluth News" bears a very good resemblance, however, the hairline of the individual who appeared at his door on 4-18-68 appeared to be somewhat fuller and his face was more square.

He stated that at 2:25 p.m. on 4-19-68 Channel 2 which is CBS, broadcast a news program from Chicago, Illinois which showed a photograph of subject and he stated the photo of subject as shown on TV did not resemble the individual who appeared at his apartment on the evening of 4-18-68, other than the lips were very similar.

He stated that after this individual appeared at his apartment he contacted the Kankakee Police Dept., at which time he was advised that should he received any further calls or anyone in the neighborhood, to recontact the Police Dept., as usually the "psycho cases" operate at those hours of the day.

He advised he had seen the artist's conception of the subject in the newspaper and that the individual who appeared at his apartment on the evening of 4-18-68 bears no resemblance to the artist's conception.

He further advised he had his wife contact the Chamber of Commerce at Kankakee to determine if they had anyone or knew of anyone who was conducting a survey for any marketing research firm at which time they advised they knew of none.

He advised that after this individual left their apartment his wife telephonically contacted Mrs. SHIRLY BLOOMQUIST who resides next door to advise her of subject's appearance inasmuch as Mrs. BLOOMQUIST is home evenings alone.

On 4-19-68 Mrs. SHIRLY BLOOMQUIST, 1525 East Risser, advised she had heard someone walking at approximately 10:45 p.m. on the night of 4-19-68 and the lights were off in her kitchen and she looked out at the time this unknown individual was leaving.

She stated that he was dressed in a dark suit, white shirt, open at the collar with no tie. She did not see him leave in a vehicle and after contact, stated that he did resemble subject's photograph which appeared in both the Kankakee and Chicago newspapers which she was exhibited. She stated that he was about 5'8" - 6", stout build, 170 lbs.

It is also to be noted that KRUEGER advised he did not see this individual leave in an automobile.

SUBJECT: MURKIN

DATE: 4/24/68

At 3:10 P.M., today, I received a telephone call from Inspector THOMAS E. BISHOP, SOG. He related the following:

He had just received a call from CARL STERN, Washington, D. C., NBC Office, who told him that a man, (FNU) STRADER, whom he had met on one occasion while covering a story in the South, had today called him from some place around Toledo, Ohio. STRADER told him that he was en route to his wife's folks' home in Lexington, Illinois. He then told him a "fantastic tale" about him, STRADER, overhearing a conversation on 3/29/68 in Lebanon, Tennessee, concerning the killing of KING. Apparently the people involved in the conversation knew he had overheard them, and according to STRADER, they had taken his license number and STRADER believes that he has had at least one shot fired at him since that time. STRADER feels that he has vital information concerning the KING case and called STERN for advice as to what he should do. STRADER was told to call the Springfield FBI Office and ask for either Mr. COLEMAN or Mr. SULLIVAN and that we would arrange to have somebody meet him at his convenience in Illinois. According to BISHOP, the inference BISHOP got from STERN is that STRADER is afraid to approach any office and may desire to have somebody meet him on the road or at his wife's home in Lexington. BISHOP ordered that we meet and talk to STRADER wherever he desires, provided it is in the state of Illinois and in our territory.

In view of the fact that Mr. COLEMAN and Mr. SULLIVAN are out of the office, I immediately advised JANE FARMER on the Switchboard concerning this situation and told her to be very circumspect in taking all incoming calls and attempt to politely ascertain if the caller was STRADER and if so, to make sure that I got the call until such time as Mr. SULLIVAN is back in town. I also instructed FARMER to make sure that whoever relieves her on the Switchboard, during the day and even in the evening, adhere to the same instructions.
