Bureau airtel to all SACs and Legats dated 5/7/68 in this matter instructed that the results of investigation in the Springfield Division be submitted in report form. The Chicago Division has requested we send them copies of all correspondence in this matter. Memphis is Office of Origin.

To facilitate rapid preparation of our report and to minimize the amount of stenographic work necessary in this voluminous matter all agents covering leads should dictate investigative inserts rather than office memoranda or other material which would have to be retyped at the time a report is prepared. This case is assigned to SA WILLIAM ROBERTS, III., who is also coordinating leads in this matter. Bear in mind the Bureau rule that these leads be handled within 24 hours.

On 5/7/68, ROBERT HUBER, Sheriff, Mason County, Havana, Illinois, advised that he had received a telephone call from LUCILLE WESTLAKE, RFD #1, Topeka, Illinois, who stated that she was watching Peoria, Illinois, Channel 19 Television during the 5 o'clock News at which time they showed two photographs of JAMES EARL RAY, one in sunglasses - the other in sport coat and white shirt and tie. He stated that WESTLAKE runs a food stand and rents boats on the Chautauqua Wildlife Refuge near an area locally called Goofie Ridge and she told him that the photograph of RAY was the same man who came into her food stand on 4/27/68 at approximately 6:55 PM. Unknown subject told her that he wanted some minnows and made an obscene remark to her. She told Sheriff HUBER that he acted drunk and was flippant during the time he was there which was approximately 35-40 minutes and he also tried to get her to go to his car with him.

On 5/8/68, LUCILLE WESTLAKE, R.R. #2, Havana, Illinois, advised that she runs a food stand and rents boats in the recreation area of Chautauqua Wildlife Refuge and while watching the 5 o'clock news on Peoria Television Channel 19, she saw two photographs of RAY which immediately reminded her of an unknown individual who came into her food stand at approximately 7:00 PM, 4/27/68.

She stated that this individual after entering the food stand asked her for a dozen minnows as he was hungry and then made an obscene remark to her. She told him they had some cheese sandwiches and fixed him two cheeseburgers which he was going to take to his car to eat along with a package of pig skins. She stated that he appeared to be drunk and was very smartaleck. He saw her jacket which is a man's jacket and asked her if it was her husbands jacket which she told him it was hers. He

then remarked that her husband was not there and asked her to go out to his car with him to eat his cheeseburgers. He then made derogatory remarks concerning newspapers, politicians and law enforcement officers stating they were all liars, in general. He paid her for the cheeseburgers with change from his pocket and shortly thereafter she saw the ~~tail~~lights of a car heading west and stated that he has not returned to her food stand since that time. She described him as being 6' tall, 175 pounds, medium brown hair, approximately 32-35 years of age. He claimed to be from Spring Lake, Illinois, wore a Mexican type square ring with a green stone.

She was shown numerous photographs including the photographs of JAMES EARL RAY wearing sunglasses and which was taken in Mexico in the fall of 1967 and the photograph of RAY dressed in sportcoat, white shirt and tie which was taken in 1968.

She stated that neither of these photographs resembled the individual who came into her food stand that evening as the photograph of RAY dressed in the sportcoat was not similar to the unknown subject as the hair is too dark and the face too full and much older. She went on to say that when viewing the photographs on television on 5/7/68 she was looking at them from a distance of over 20 feet and upon viewing these photographs close up today she felt that this was not the same individual who came into her food stand on 4/27/68.

On 5/8/68, FRED SCHAUB, Route 2, Havana, Illinois, was shown numerous photographs including the photographs of RAY and he stated that he has not seen anyone possibly identifiable with RAY in the Chautauqua Wildlife Refuge area.

He further advised that he rents to practically all the residents in the Buzzville and Goofie Ridge area of the wildlife refuge and he would be alert for anyone resembling RAY if he were to appear in this area.

Good Likeness Of Ray FBI Issues Two New Photos Of Assassin Suspect

WASHINGTON (UPI)—The FBI distributed Tuesday two more photographs of the accused killer of Dr. Martin Luther King—one of them “an extremely good likeness.”

Both were snapshots of James Earl Ray, alias Eric Starvo Galt, an escaped convict accused of shooting King to death in Memphis April 4.

The “extremely good likeness” is a candid photograph of Ray in a business suit and tie and shows almost his full face, taken in late January or early February somewhere in California.

The other, which the FBI said was taken last November somewhere in Mexico, shows him wearing sun glasses and what appears to be a white sports shirt. The FBI said Ray is known to wear sun glasses frequently.

The two new photographs—the FBI refused to say where or how they were obtained—will be displayed throughout the country along with three other pictures of Ray which now appear on FBI’s wanted posters.

One of the earlier photographs was taken when Ray was graduated from bartending school in Los Angeles early this year. His eyes were closed

when the shutter snapped, but they were sketched in by the FBI artist. The picture shows him wearing a white shirt and a black bow tie.

The other two photographs were made when Ray entered the Missouri State Prison in 1960 to serve a 20-year sentence for armed robbery.

Ray, who escaped from prison April 23, 1967, by hiding in a truck, is wanted by the FBI for illegal flight to avoid prosecution in Tennessee for King’s murder.

The civil rights leader was shot to death on a motel balcony, apparently by a gunman 200 feet away in a rooming house bathroom.

Thirteen days later the FBI announced it had issued a warrant for Galt, but after checking some 53,000 fingerprints, the FBI said two days afterwards that Galt and Ray were the same man.

Ray was added to the FBI’s list of 10 most wanted criminals April 20. There have been reports of the search extending to various foreign countries, including Australia, and authorities along the U.S. borders have been alerted to watch for him.

In connection with the captioned case there has been speculation that James Earl Ray concocted the alias of Eric Starvo Galt by combining the names of characters from books by Ian Fleming and from a book "Atlas Shrugged" by Ayn Rand. This speculation is based on the fact that in the James Bond books by Ian Fleming there is a character named Ernst Stavro Blofield and in "Atlas Shrugged" there is a character named John Galt, as well as one named Eric Starnes. Ernst Stavro Blofield is a formidable person, John Galt is a "social drop out" and Eric Starnes is described in the book as a "whiner" from a low-class family.

In view of the above and in order that Agents handling this investigation can be alert to the possibility of Ray's utilizing an alias based on characters in Fleming's books, there is set out as an attachment to this airtel a list of various characters in those books for your assistance.
