LINDSEY CARLETON, Webster Police Department, advised that he arrested an ELEAN LUCRETIAN GALT at 223 Maple, Kemah, Texas on March 29, 1968 and issued her a traffic ticket.

On April 19, 1968 SAs SCHWEICKHARDT, JOHN H. SCHULTE and MC CABE interviewed ELEAN L. GALT and she advised that she is employed by General Electric, Apollo Division, at Seabrook, Texas. She has never known anyone fitting suspect's description. She advised that she is from Harlingen, Texas and her father's name is JOHN GALT who she said has been already contacted by the FBI.

On April 19, 1968 ITASKA WEINSTEIN was recontacted and at that time she stated that she now recalled that a man named JAMES ELLIS also took dancing lessons from her during the period that JOHN WILLARD, another one of her students, was taking lessons. Mrs. WEINSTEIN was unable to recall if WILLARD and ELLIS had ever met. She definitely recalls that they did not at any time ever take lessons from her at the same time. Mrs. WEINSTEIN stated that as a matter of fact she now is unable to definitely state that the previous information she had furnished regarding JOHN WILLARD is correct or is perhaps descriptive data pertaining to JAMES ELLIS. She stated to the best of her recollection ELLIS is employed at NASA and resides at either League City or Webster.

Mrs. WEINSTEIN also said that her clientele is almost complete children to whom she teaches ballet type dancing. She stated that she dislikes giving ballroom dancing lessons and the only ones she could recall having taken ballroom lessons were JAMES ELLIS and JOHN WILLARD.

On April 19, 1968 JAMES M. ELLIS was interviewed at the NASA Security Office and he advised as follows:

JAMES ELLIS resides at a trailer park at 404 Third Street, Space No. 5, League City. He was born [redacted] at Atlanta, Georgia. He is employed as an experimental metalsmith, Technical Services Shop, NASA. He has been employed at NASA since August 24, 1966. ELLIS stated that he commenced dancing lessons at Itaska Dance Studio, League City, in the spring approximately March or April and continued them through approximately September, 1967. He was shown several photographs of JAMES EARL RAY; however, none were identifiable to him as anyone whom he had ever seen or had known at any time. He stated that he does not know or recall the name of JOHN WILLARD as a person he knew nor was he aware of a person by this name who was taking dance lessons from ITASKA WEINSTEIN at the Itaska Dance Studio during the spring of 1967.

ELLIS stated that he usually took his dancing lessons at the Itaska Dance Studio at approximately 6:00 PM in the evening. He stated that he usually left his employment, went to his apartment where he cleaned up, changed clothes and then went to the dance studio. He stated that during the period that he was taking dancing lessons he did date a girl who was a waitress whose name was ROSE. He recalled that he had mentioned to ITASKA WEINSTEIN that he had quit dating ROSE because she worked a late shift and expected him, ELLIS, to drop by and pick her up when she completed work. He said that this became a difficulty in that he had to get up in the morning at an early hour to get to work and he did not think she was worth it.

Records of the NASA Security Division, checked April 19, 1968 reflect that JAMES M. ELLIS was issued a Manned Spacecraft Center (MSC) decal No. 69413 on August 24, 1966. His car is described as a 1959 Chevrolet Biscayne, white over gray, Alabama license 473575. His occupation was shown to be that of a metalsmith, Technical Services Shop, NASA. He was described in these records as 6'2", 160 lbs., brown hair, blue eyes.

JOHN PUFFER, Security Division, NASA, made available records of all temporary badge permits from the period March, 1967 to date. Also made available were temporary vehicle passes from the period of March through May, 1967. A review of these records failed to reflect any registration for JAMES EARL RAY, *aka.*

On April 22, 1968 ERNIE GILLIAM, Procurement Officer, NASA, made available records of all contractors and sub-contractors who have during the year 1967 and

1968 worked on NASA projects. A review of the payroll records maintained by the Procurement Division, of all employees working for prime and sub-contractors, failed to reflect the name of JAMES EARL RAY, also known as.

3. Bartender's School Records
Houston, Texas

On April 17, 1968 DON HOWE, Manager, Bartending School of Houston, 3619 Fannin, advised his records from 1966 to the present date contain no reference to JAMES EARL RAY, also known as.

4. Alleged Employment at Ingall's Ship Yard
Pascagoula, Mississippi

ERIC STARVO GALT allegedly claimed employment in 1967 at the Ingall's Ship Yard, Pascagoula, Mississippi. An employment record was located for one INEZ COWART GALT for the period 1944 at Ingall's Ship Yard. A subsequent address for GALT was at Houston, Texas.

On April 20, 1968 records of Hughes Tool Company, Houston, Texas were reviewed and information obtained reflecting that INEZ COWART GALT was employed by that company in 1945. The address for GALT as of 1945 was 2501 Galveston Highway, Houston, Texas.

MARY RICE, Manager, Oak Court Apartments, 2501 Galveston Road, stated that she had been the manager of these apartments since 1961 and has no records as to tenants for any time prior to 1961. She stated that INEZ COWART GALT is unknown to her and that name along with the name ERIC STARVO GALT, also known as, is not contained with her records.

Mr. HASTING MEADOWS, 606 Dell Court, Houston, Texas, owner of Oak Court Apartments, since 1960, advised that the name INEZ COWART GALT and ERIC STARVO GALT, also known as, are unknown to him and he has no records for these apartments prior to 1960. MEADOWS advised that the Oak Court Apartments prior to his purchase of them had several owners, the identities of which are unknown to him at this time. He stated that it is highly improbable that any records are available dating back to 1945. Houston street, city, telephone directories, police department, sheriff's office records and credit bureau records contained no identifiable information for the name INEZ COWART GALT.

5. THOMAS JOSEPH COX

On April 17, 1968 the FBI at Birmingham received information that a person named THOMAS JOSEPH COX may have known a person who fits the description of the artist conception of the logical suspect in this investigation. THOMAS JOSEPH COX was described as a member of the Seafarers International Union working on ships out of Houston, Texas owned by the American Bulk Carriers, New York, New York. According to information received by Birmingham, COX allegedly brought an individual to a motel in Birmingham who used the name of SHAW GALT (phonetic). This occurred in September, 1967.

On April 18, 1968 THOMAS JOSEPH COX was interviewed aboard the vessel "The Hudson", an oil tanker directed to be docked at the Humble Docks, Baytown, Texas. COX was shown photographs of ERIC STARVO GALT, also known as, and COX stated that these photographs are not familiar or identifiable by him as being anyone whom he, COX, has ever known. He, COX, said that the last time he was in Birmingham, Alabama was in March, 1966 and that at that time he stayed at a rundown motel on the road towards Mobile, Alabama. He stated that the name SHAW GALT is completely unfamiliar to him. He stated the only person he could recall knowing that he could consider as having come from Birmingham was a girl he can recall only as CONNIE whom he met in Houston. He stated he dated her when he came to port at Houston. He recalled that CONNIE had a family in Birmingham. COX advised that the fact that he was not in Birmingham in September, 1967 could be verified through records of the Coast Guard, Washington, D.C. through his, COX's Z Number, Z976491-D-3.

Information received by the FBI, Phoenix, April 21, 1968 was furnished by DAVID L. WILSON alleging that JAMES EARL RAY was seen by WILSON during the summer of 1967 in an unrecalled city in Missouri. Information furnished by WILSON noted that at that time WILSON was a truck driver for the Willis Shaw Company and had with him a co-truck driver named GENE BRIZENDINE.

On April 22, 1968 CLARENCE EUGENE BRIZENDINE, truck driver for Willis Shaw, Elm Springs, Arkansas was interviewed and advised as follows: BRIZENDINE and DAVID L.

WILSON were on a cross country haul for Shaw Company enroute to the West Coast. At Lebanon, Missouri while WILSON was driving their truck was stopped by law enforcement officers. WILSON was charged and arrested for drunk driving. BRIZENDINE at the time of the arrest had been asleep in the truck bunk and was not charged by the arresting officer. He was not taken into custody. BRIZENDINE said that he remained in the truck that evening sleeping until the next morning and then because he was left without a driver to assist in the cross country run he turned the truck around and returned to the point of origin. BRIZENDINE stated that he has not seen WILSON since the time of WILSON's arrest when he was taken into custody. BRIZENDINE stated that he later heard from now unrecalled sources that WILSON had been fined \$100 for drunk driving and had attempted to contact Willis Shaw Company for money to pay the fine. Photographs of JAMES EARL RAY, also known as, were displayed to BRIZENDINE and he advised that the photographs were not familiar or recognizable to him as being identifiable with anyone whom he, BRIZENDINE has ever known.

6. WILLIAM THOMAS JACOBS

WILLIAM THOMAS JACOBS in 1965 alleged that he had been approached by an individual on February 25, 1965 and asked to kill the President (of the United States) and MARTIN LUTHER KING.

On April 30, 1968 Inspector SNELL, Beaumont Police Department, advised their records reflect WILLIAM THOMAS JACOBS was last handled at Jefferson County, Beaumont, Texas on March 25, 1965 when he was sentenced to two years, Texas Prison System, Huntsville, Texas Unit, Department of Public Safety No. 183303.

A check of Texas Department of Correction records, Huntsville, Texas May 1, 1968 reflect that WILLIAM THOMAS JACOBS, FBI No. 2530100 was released from detention, May 11, 1966 for the purpose of returning to Kansas City, Missouri to seek employment. These records reflect that JACOBS admitted being committed at least three times for mental observation at Austin, Texas prior to confinement. In addition these records reflect that he had admitted from 1946 to 1958 he was unable to remember anything due to his mental illness caused by acute alcoholism.

Records of the Texas State Mental Hospital reflected that JACOBS had a sister named THELMA POWERS allegedly residing at 8125 Lamar Drive, Houston. A check of the following records failed to reflect any information for THELMA POWERS:

Houston City Directory
Houston Cross Reference
Houston Telephone Directory
Houston Credit Bureau
Harris County Sheriff's Office
Houston Police Department

An effort to locate 8125 Lamar Drive revealed that the address is non-existent. There is in Houston a Lamar Street and West Lamar Street, however, there is no address of an 8100 block on either street.

On May 9, 1968 JACK HEARD, Assistant Director, Texas Department of Corrections (TDC) Huntsville, Texas, advised as follows:

On March 25, 1965 WILLIAM THOMAS JACOBS received a two year sentence at TDC. His minimum discharge date was June 6, 1966. JACOBS lost no time and caused no trouble. On January 12, 1966 in view of his good behavior, he was transferred to the Texas Department of Corrections Pre-Release Unit, Huntsville and was given a trustee status. As such he picked up another month which accounts for his release on May 11, 1966. On May 11, 1966 JACOBS was discharged from the TDC with no parole involved. TDC records contain no subsequent information regarding JACOBS.

Information developed by the FBI determined that ERIC STARVO GALT stayed alone at the Hotel Rio, Room 212, Merelos 86, Puerto Vallarta, Mexico during the period October 19 to November 6, 1967 and from November 7 until November 13, 1967 at the Hotel Tropicana. One of the U.S. residents who was visiting at the Hotel Rio during the time that GALT resided at this hotel was Mr. and Mrs. LU (MARY E) SCHRADER, 3126 Highway 146, LaPorte, Texas. Another was Mrs. E.N. COLLINS, JR; and Mrs. VIVIAN FRIEDBERG, 5711 LaFitte, Galveston, Texas.

The following investigation was conducted by SA FRANK M. IVEY:

On May 1, 1968 Mrs MARY E. SCHRADER, 3126 Highway 146, LaPorte, Texas advised that she and her husband stayed at the Hotel Rio in Room 206, Puerto Vallarta, Jalisco, Mexico for about four or five days in late October, 1967. She stated she did not recall anyone by the name of ERIC STARVO GALT or other aliases of this name staying there at the same time. She was unable to identify the photograph of the subject as anyone that she had seen during her stay in Mexico.

On May 1, 1968 LEWIS R. SCHRADER, 3126 Highway 146, LaPorte, Texas was interviewed at his place of employment, Ebasco Construction Company, where he is a pipe-fitter employed on the construction site of the Houston Lighting and Power Company, San Leon, Texas. Mr. SCHRADER stated that he and his wife were on a vacation trip during late October, 1967 and stayed at the Hotel Rio (room unrecalled) Puerto Vallarta, Jalisco, Mexico. He stated he did not recall anyone staying there at the time by the name of ERIC STARVO GALT and was unable to identify the photograph of the subject as anyone he had seen.

The following investigation was conducted at Houston, Texas on May 1, 1968 by SA B. PERKOWSKI, JR.:

Mrs. VIVIAN FRIEDBERG, 5711 LaFitte Avenue, advised she stayed at the Hotel Rio in Puerto Vallarta,

Mexico, sometime in about October, 1967 for a period of about four or five days. She was accompanied by her sister, Mrs. E.N. COLLINS, JR. Shown photographs of JAMES EARL RAY and told that he may have used the name of ERIC GALT, she stated she does not recall that she noticed this person at the Hotel Rio or elsewhere during her visit to Mexico. She does not recall her room number in this hotel and does not believe she held any conversation with GALT.

She stated also her sister lives in Houston, Texas at 5208 Mt. Houston Road and is employed in the office of Dr. HAROLD SCHAFFNER at 5105 San Jacinto, telephone number JA 3-9812.

Mrs. E.N. COLLINS, JR., 5208 Mount Houston Road, Houston, Texas advised that during her trip to Puerto Vallarta, Mexico in October, 1967 when she was accompanied by her sister, VIVIAN FRIEDBERG she can recall no male who looked like the pictures of JAMES EARL RAY, also known as Eric Starvo Galt. It is her recollection most of the residents at Hotel Rio were elderly people and not fit the description of RAY, also known as Galt. She was unable to recall the number of the room at the Hotel Rio in which they stayed.

8. Telephone Calls From Pay Telephones
December 15 - 17, 1967 Along Inter-
State Highway 10, Texas

CHARLES STEIN when interviewed by agents of the FBI at Los Angeles in April, 1968 alleged that while traveling by automobile in the company of JAMES EARL RAY from Los Angeles to New Orleans in mid-December, 1967 RAY made approximately six telephone calls most of which were made while traveling through Texas. He recalled that one call may have been completed as STEIN had to wait for quite a while for RAY to return to the car. In the other instances RAY was gone for such a short period of time from the car that STEIN was of the opinion that the calls were not completed. STEIN was unable to recall the exact location from which RAY made the alleged completed phone call, but he was of the opinion that it was in the area "just west of Houston" at a service station type establishment just off of U.S. Interstate Highway 10. The call was made at night, from a phone booth located on an access road paralleling the freeway near a liquor store and gas station at a point where the freeway is eight lanes wide with a fence separating

the freeway from the access road; STEIN further defined the time of the call as at approximately 9:00 PM on December 16, 1967 and was probably made to New Orleans, Louisiana.

On April 26, 1968 Everett Collier, Vice President and Editor, Houston Chronicle, a daily Houston newspaper, advised as follows:

LOUIS LOMAX and CHARLES STEIN had arrived at Houston at 4:15 PM, April 25, 1968.

LOMAX is a controversial TV personality from the Los Angeles area who had his own TV show until March, 1968. He has also authored a book entitled "The Negro Revolt".

LOMAX and STEIN, accompanied by a Chronicle reporter, searched the area west of Houston in an attempt to locate the phone booth from which JAMES EARL RAY allegedly made a call on the evening of December 16, 1967 and the search was unsuccessful. According to COLLIER, the Chronicle reporter, who accompanied LOMAX and STEIN on their search, described STEIN as being extremely vague and not at all sure of the area where the call was allegedly made.

COLLIER also advised that the North American Newspaper Alliance (NANA) has been trying to get in touch with LOMAX on April 26, 1968 for the purpose of writing a story on April 26, 1968 about STEIN's trip from Los Angeles to New Orleans with RAY.

COLLIER stated that he thought NANA was controlled by columnist DREW PEARSON.

On April 27, 1968 DON MICHAELS, Houston Chronicle, advised that he dropped LOUIS LOMAX and CHARLES STEIN at San Antonio at 4:30 PM on April 26, 1968. They intended to rent a car in San Antonio and indicated to MICHAELS that they would turn the car in at San Antonio when through.

MICHAELS made the observation that both LOMAX and STEIN appeared to be "lost" as far as their operation is concerned. MICHAELS further commented that, in his opinion, STEIN is taking LOMAX "for a ride". MICHAELS learned from comments made by STEIN that STEIN had slept most of the way on the December cross-country trip, California to Louisiana when he accompanied RAY.

On April 28, 1968 HUGH AINSWORTH, Newsweek correspondent, Houston, Texas, contacted Southwestern Bell Telephone Company, Houston, and advised that LOUIS LOMAX and CHARLES STEIN had identified a coin telephone located at an Enco Station, Route 90, Uvalde, Texas as one allegedly used by JAMES EARL RAY to make a telephone call to New Orleans between the hours of 6:00 PM and 9:00 PM, December 16, 1967. The telephone number was identified as being BR 8-9048. AINSWORTH requested that toll calls from this telephone be checked by Southwestern Bell Telephone Company to determine if any calls had been made to the New Orleans area on December 16, 1967. AINSWORTH requested that he be advised of the result of this check.

On April 26, 1968 a subpoena was issued for the records of Southwestern Bell Telephone Company, Houston, Texas to be made available before the Grand Jury, Laredo, Texas on May 20, 1968. Southwestern Bell Telephone Company made available their records, period December 15 - 17, 1967 for all coin operated telephones along Highway 90, U.S. Interstate Ten. Subsequent to a review of these records by agents of the FBI, a representative of Southwestern Bell Telephone Company was advised that the subpoena had been complied with and records need not be furnished on May 20, 1968.

On the basis of the aforementioned review of Southwestern Bell Telephone Company records the following data was obtained:

9. Associates of JAMES EARL RAY

Information developed by the Kansas City Office, FBI determined that NEAL EDGAR AEBY had been closely associated in Missouri State Penitentiary with JAMES EARL RAY while RAY was incarcerated at that institution until his escape April 23, 1967.

On April 25, 1967 NEAL EDGAR AEBY also interviewed at Ramsey Unit, Texas State Department of Corrections, Houston, Texas. AEBY advised as follows:

He and JAMES EARL RAY had been inmates at Missouri State Penitentiary for about five years. He and RAY had handled minor narcotics while in prison in order to get money for commissary items. AEBY stated that he had never known RAY to be a user of hard narcotics. AEBY has three brothers, BILL AEBY, Box 64, Segoville, Texas who also was a friend of RAY and who had served time with RAY at Missouri State Penitentiary; AUBREY AEBY, address unknown, Dallas, Texas; and JAMES AEBY who owns and operates a filling station, Dallas, Texas and who has never been arrested.

AEBY advised that he arrived at Ramsey No. 1 on April 24, 1968 after having been transferred from Missouri State Penitentiary to the TDC, Huntsville, Texas. AEBY stated that while enroute to Huntsville he was lodged in a jail in Oklahoma City for one night where he mailed a postcard to FRANK GUINAN, an inmate, Missouri State Penitentiary.

AEBY advised that his ex-wife JUDY possibly resides in the Houston area but he has not seen her for several years and does not know where she could be located.

AEBY stated that JAMES EARL RAY had very few friends while in the Missouri State Penitentiary. He described RAY as being "very deadly". He stated that RAY was not a loud rabble rousing type individual and that RAY never expressed any hatred for the Negro race but if anyone wronged him in any way RAY would immediately contrive means to get even. AEBY stated that he was a chief cook while at Missouri State Penitentiary and that RAY worked under him

as a slicer in the bread room. AEBY advised that RAY on two occasions, once in 1962 and again in 1966 attempted to escape from Missouri State Penitentiary but in each case he was unsuccessful. In one instance the ladder broke and in the other instance the rope which he was using failed to support him and he fell and fractured his arm. After serving time in solitary RAY was again returned to the bread room.

AEBY stated that RAY had mentioned to him that he, RAY, had a brother in St. Louis and that he, RAY, was from St. Louis. AEBY advised that he did not know the names of RAY's brother or where he could be located. When questioned about the escape route utilized by RAY in 1967 AEBY advised he would not divulge this escape route as the route is still good and could be used by other prisoners. AEBY advised that he hated the warden at Missouri State Penitentiary and hoped that he was receiving considerable "heat" as a result of RAY's escape. Regarding the escape of RAY, AEBY stated that it would have been the "smart thing to do" to have an outside man waiting to assist RAY in leaving the territory. AEBY would not admit that he knew of any outside man so assisting RAY in his escape. AEBY did not state whether or not RAY had had any inside help in his escape.

AEBY advised that in 1963 or 1964 RAY had a nervous breakdown while at Missouri State Penitentiary and RAY developed a bad stomach which necessitated RAY eating special foods. AEBY on numerous occasions would cook eggs for RAY because of RAY's stomach. He stated RAY was partial to eggs. He recalled that while at Missouri State Penitentiary RAY quit smoking probably because of his stomach ailment. He recalled too that RAY enjoyed tinkering with mechanical things and that RAY had built an air conditioner out of spare parts for RAY's jail cell. RAY was also handy in the repair of radios, parts for which he would obtain from the penitentiary machine shop. AEBY stated that he did not believe that RAY would go to Mexico or leave the country and he stated that he hoped that RAY would never be caught. AEBY stated he would in no way render assistance that would aid in the capture of RAY and he would furnish no further information regarding RAY.

JUDY CAROL PETERS, nee Thomas, also known as Judy Carol Aebly, 10205 W. Hardy, Houston, no telephone, interviewed on April 26, 1968 and furnished the following information:

She was married to NEAL EDGAR AEBY for approximately two years in 1960 and 1961. When he was arrested and returned to Missouri in 1961, she came to Houston and has not seen AEBY since that time. She last contacted him on April 19, 1962 advising him of the birth of their daughter. She has divorced AEBY and has not corresponded with him since that date. Subject RAY is unknown to her and she has not been contacted by any of AEBY's associates during the past six years. She stated AEBY does not know her exact address and could not locate her himself.

The only relative of AEBY who subject RAY might contact would be brother AUBREY AEBY, Dallas, Texas. She does not know the whereabouts of AEBY's relatives and never was closely associated with them.
