Re Birmingham tel to Bureau, Memphis, and SL, 11-20-68, concerning registration card 9022 located at Granada Hotel for JOHN L. RAYNES for 8-26-67, giving home address of 1825 Lafayette St., SLMO.

Enclosed to Memphis are 15 copies of FD-302 of interview with SARAH M. HALE, 1825 Lafayette, SLMO, 11-21-68.

Review of SL file failed to identify 1825 Lafayette with any known activities of RAY.

It was noted, however, JOHN EUGENE GAWRON stated 4-29 and 5-1-68, he and RAY frequented a bar, believed to be Ruby's Bar, later known as The Haven Bar, on Lafayette just west of 18th St. during 1959. (See SL report of SA HAROLD R. DOBSON, 5-10-68, cover pages R & S.) GAWRON subsequently advised on 5-14-68, the correct name of the bar was Opal's Bar, later known as The Haven Bar. (See SL report of SA DOBSON, 6-25-68, cover page Y).

OPAL HIGHLY advised on 5-15-68, she had operated Opal's Bar at 1805 Lafayette from 1947 to 1961. She was unable to recall RAY as having been a patron but recalled JACK (LNU), whose description fitted GAWRON, as a frequent customer. (See 6-25-68 SL report, page 84)

From the foregoing it would appear RAY was probably generally familiar with the 18th and Lafayette area in SL.

The current SL City Directory lists SARAH M. HALE as the resident at 1825 Lafayette, SLMO.

This address was observed by SA DOBSON on 11-21-68, to be a two-story single-family brick dwelling. Mrs. HALE advised him on the same date she had resided there for the past 22 years. She has never rented any portion of the premises to other persons during this period. She was unable to identify the names utilized by RAY or photographs of him as pertaining to any person she has ever known. She was likewise unable to recall ever having been acquainted with any member of RAY's family.

FEDERAL BUREAU OF INVESTIGATION

Date November 22, 1968

Mr. CHARLIE TRONCALE, owner-manager, Granada Hotel, 2230 Fourth Avenue, North, made available the guest registration cards for his hotel during the period August 22 - 28, 1967, inclusive. A review of these cards resulted in the location of guest registration No. 9022 for one JOHN L. RAYNS, residence 1825 Lafayette St., St. Louis, Mo., who checked in at 9:05 a.m. on Saturday, August 26, 1967, and was assigned to Room 210 by Desk Clerk ADRIAN M. KOONCE at a rate of \$4.50. No record was maintained as to the time of checkout or method of travel. The card reflected the guest had luggage. The original of this card has been forwarded to the FBI Laboratory at Washington, D. C., for appropriate handwriting comparison.

A record was obtained of the names and addresses (where recorded) of the approximately 150 guests, other than permanent residents, during the period for which the cards were reviewed and two copies of the list are being transmitted to the Memphis FBI Office. No guest card was observed for any "RAOUL" or similar name during the period involved.

Upon observing the guest registration card of RAYNS, Mr. ADRIAN M. KOONCE identified his initials as having roomed RAYNS, but stated that due to the elapsed time he had no independent recollection of him. He stated he had previously been exhibited a photograph of JAMES EARL RAY and was unable to identify that individual.

No further information was obtainable from Mr. KOONCE or other personnel of the Granada Hotel.

Date December 13, 1968

GEORGE SEYMOUR HELLER, 1337 West Fargo, Chicago, Illinois, phone 262-4854, was interviewed at his place of employment, the Bernard Harwich branch of the Jewish Community Centers of Chicago, 3003 West Touhy, Chicago, Illinois, phone RO 1-9100, where he is employed as a social group worker. Mr. HELLER advised that some time in the summer of 1967, he ran an ad in the "Chicago Tribune" for the sale of a 1959 Chrysler, green over white. He said that the manager of the Sunoco Station, Lunt and Western Avenue, Chicago, Illinois, named MAURICE (LNU), acted as his agent. After the ad had been run in the paper, he received a call from MAURICE (LNU), telling him that a party had called about the car and would be at the gas station. HELLER went to the gas station and waited for the purchaser to arrive. He first observed the purchaser alone walking into the gas station. This individual was dressed in a green jacket, dressed almost as in a government issued fatigue jacket and green pants. He was neat and clean and had no unusual characteristics. Mr. HELLER was exhibited a group of nine photographs, three of which were photographs taken at different times of JAMES EARL RAY. Mr. HELLER picked out photo number 00416 dated January 4, 1966, and stated that this photograph would be the closest resemblance to the purchaser of his car; however, he could not state definitely that the individual represented by this photograph was identical to the purchaser. He also advised that he has seen numerous photographs of JAMES EARL RAY in the news media and has never once associated him with the purchaser of his Chrysler. He was shown additional photographs of RAY and stated that he could not say that RAY was identical to the purchaser.

He said that his overall impression of RAY was that he was "lanky" and of the "hillbilly type". He commented that RAY was extremely quiet and said no more than a dozen words during their conversation, which was completely about the Chrysler. RAY made no comment as to his residence, employment, or any other matters of a personal nature. RAY also made no comment concerning the reason for the purchase of the car and in fact seemed to have very little interest

at HELLER's comments concerning the vehicle. RAY made no mention of utilizing the car for a long trip and asked no questions as to the roadability of the car. He appeared to be purchasing it merely for transportation. RAY also did not argue about the price and paid in cash the \$200, which was HELLER's asking price. HELLER further related that there was nothing unusual about the money, that he did not believe it was new currency, and he could not recall the specific denominations of the bills.

HELLER advised that the only thing that stuck in his mind concerning RAY was that he was very quiet. HELLER took the Illinois license plates off of the car and RAY drove it away. HELLER had no further contact with him.

Ray's Biographer Talks of King Plot

By MANUEL CHAFF
Of the Post-Dispatch Staff

There is little likelihood of the public ever learning the identity of any conspirators in the assassination of the Rev. Dr. Martin Luther King, writer William Bradford Huie said here yesterday.

"I think I know of at least three men who were personally involved in Dr. King's death, but unless James Earl Ray is persuaded to become a government witness and discloses these names, there is virtually no prospect that they will be revealed," Huie said.

Huie, who has contracted with Ray for the rights to his life story, said that despite the prosecution of Attorney General Ramsey Clark that Ray acted alone in the killing, "the Federal Bureau of Investigation has agents running around the country checking my leads, looking for other persons involved in the plot and trying to make a case against them."

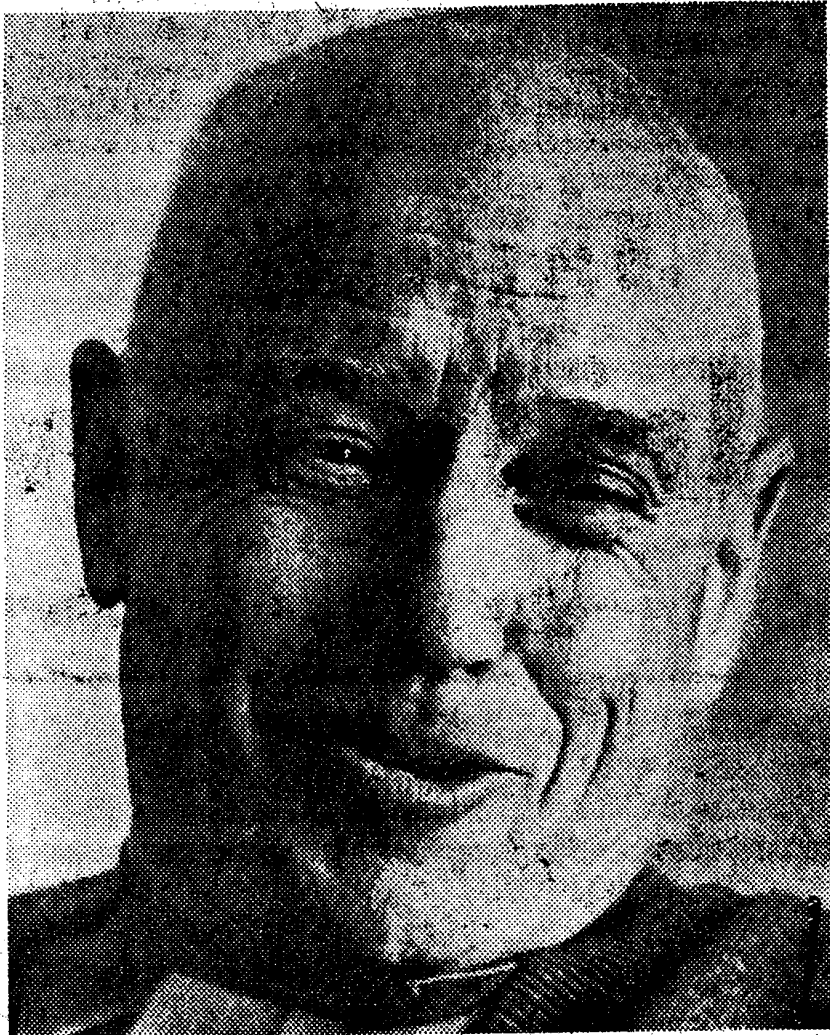

Difficult to Prove

But under our system of justice, Huie observed, a conspiracy is difficult to prove without the defendant speaking out. "Indeed, I undertook the writing of Ray's life for the primary purpose of persuading him to become a government witness, an informant in the case, naming others who took part."

"While Arthur Hanes was his attorney, I had high hopes this would be done, because Hanes holds the same view of Ray's role in the affair as myself."

"Now that Percy Foreman has taken over from Hanes as Ray's attorney, the question of whether Ray testifies becomes another kettle of fish. Foreman has a reputation for winning to think about."

Huie, who is preparing a book on the life of Ray, was interviewed in his motel room, where he was waiting for the weather to clear to permit his departure from the Lambert-St. Louis Field. He was bound for New York, to discuss the details of the book with Dell publishers.

He arrived here Thursday and spent the first day in the Alton area talking with persons who knew the Ray family when they lived there. Huie spent Friday talking with officials at the Missouri Penitentiary at Jefferson City and the State Hospital at Fulton.

Escape From Prison

"Ray's account of how he escaped from the prison on April 23, 1967—by going over the wall—was fanciful and probably a damned lie," Huie said. "After checking with Warden Harold Swenson and others at the prison I am pretty well convinced that he got out as they say he did—by hiding in a large bread box on a truck taking out bakery products."

Huie said that he intended to insert the authorities' account of Ray's escape in the third installment of a series of articles on Ray that he is writing for Look Magazine. The third article will appear in February. Ray's version of the escape appeared in the first article.

Huie was not visibly disturbed by Ray's falsehood. "It's not the first time that I've caught him in a lie. Ray has practiced deception since the day he was

born. It's highly unnatural for him to tell the truth. He is not only a loner by nature, he is a born fabricator."

Strangely enough, Huie said, most of the information that Ray has related in the 30,000 handwritten words he has provided Huie from his jail cell in Memphis have checked out to be true.

To support the statement, Huie displayed several maps drawn by Ray of locales in Canada, Mexico and the United States where he had stayed for periods after his escape from the Missouri prison. "In almost all instances, I have been able to verify every detail with landladies, bartenders, prostitutes and other persons with whom he came in contact at those places," Huie said.

Huie has paid \$30,000 to Ray for the exclusive rights to his life story. The money was subsequently turned over to Hanes for legal fees. Huie said whether he pays additional money to Ray will depend on whether Foreman permits Ray to continue supplying material to Huie.

Huie said that he decided against talking to Ray's two brothers who live in St. Louis, John Larry Ray and Jerry Ray. "They are part of James Ray's miserable existence that preceded April 1967—the start of the period that I am most interested in," Huie said.

Huie said he has logged about 25,000 miles the last few months tracing Ray's odyssey that ended with his arrest in London last June 8. "I believe I know where Ray spent every night in those 15 months," he said.

The experience has convinced Huie that Ray was a dupe in a complex scheme to kill Dr. King, perpetrated by a bitter white group that hopes to achieve a violent racial conflict in the United States.

As Huie described it in one article, "Dr. King was to be murdered for effect. His murder was planned, not by impulsive men who hated him personally, though they probably did hate him, but by calculating men

about \$25,000 and came from New Orleans.

He dismissed the argument that Ray's bumbling career as a petty holdup man and burglar indicated a general lack of intelligence. "Ray has a sharp criminal mind. He has done some self-educating in prison and is far from being a stupid man."

Ray's trial was postponed last month to March 3 to give Foreman time to prepare his defense. The trial will be held in Shelby County Criminal Court at Memphis, where Dr. King was shot to death by a sniper when standing on a motel balcony.

Huie said that the book on the assassination, which will be called, "They Slew the Dreamer," will be his last nonfiction work. He has written 17 books, including "Three Lives for Mississippi," based on the murder of three civil rights workers in Neshoba county, Mississippi.

His present assignment, he remarked, has been particularly demanding. "I've passed my fifty-eighth birthday, but today, snowbound and with a bad cold, I feel more like 100."

"When I finish this book, I plan to go back home to Hartselle (Ala.) and relax and play golf every day. I've got a home down there and even though I have to keep my old riot gun handy in case some of the neighbors act up it's still a nice place to live."

who wanted to use his murder to trigger violent conflicts between white and Negro citizens."

Huie said that the money paid for Dr. King's death totaled

RE: CLIFFORD GREEVES - SUSPECT
11057 Margate Hall
Bridgeton, Missouri

Re airtel referenced Detroit TT to the Bureau, 1-25-69, and advised EARL DOWDY, "DETROIT NEWS", received an anonymous telephone call from a female who said CLIFFORD GREEVES, 11057 Margate Hall, Bridgeton, Mo., employed by PEPSI COLA CO., SLMO, bears a strong resemblance to RAY and was the person who killed KING.

This matter was resolved early in MURKIN.

On 4-21-68, MRS. MARGIE COOKSEY, Box 300A, Route 2, Imperial, Mo., advised SA DONALD S. DE FONCE, SL, her daughter, whose name she declined to divulge, had observed a photo of RAY in a local newspaper, and had identified her landlord, CLIFFORD GREEVES, 11057 Margate Hall, Bridgeton, Mo., a driver for the PEPSI COLA BOTTLING CO., SLMO, as being identical to RAY.

She described GREEVES as: White male, 30-31 years, 5'11-6" tall, medium build, long light brown hair with $\frac{1}{2}$ " scar on right side of forehead. GREEVES purchased the residence where MRS. COOKSEY's daughter lived, 6452 Alamo, Clayton, St. Louis Co., Mo., approximately one month prior to the date of interview.

On the same date MR. THOMAS KILCELLIN, Assistant Sales Manager, PEPSI COLA BOTTLING CO., SLMO, advised SA DE FONCE, CLIFFORD GREEVES, residence - 11057 Margate Hall, Bridgeton, Mo., had been employed as a driver by the Co. since 4-10-59. His route area covers University City, Mo. Co. records, confirmed by GREEVES' supervisor, showed GREEVES was on duty 3-28 and 29, and 4-3, 4, 5-68. KILCELLIN described GREEVES as: White male, 32 years of age, 5'9", 160 #, with light brown hair. KILCELLIN observed a photo of RAY and stated GREEVES bore no resemblance to him.

In view of plans being laid throughout the country for the observance of 4/4/69 as a memorial observance for MARTIN LUTHER KING, it is suggested that the Bureau consider requesting all offices to advise Memphis of any information they may receive which would indicate that militant groups or individuals plan to come to Memphis on 4/4/69 and who may remain to demonstrate or otherwise disrupt subject's trial on 4/7/69.

Ray Pleads Guilty; 99-Year Sentence

MEMPHIS, Tenn. (UPI)—James Earl Ray, indicating he was part of an assassination conspiracy, pleaded guilty today to the murder of Dr. Martin Luther King Jr. and a jury, by prearrangement, sentenced him to 99 years in prison.

The state presented a handful of witnesses and, an hour and 55 minutes after the sudden trial started, Ray was convict-

James Earl Ray

ed. He made the guilty plea in return for the 99-year sentence, rather than take the chance of being sentenced to die had he gone on with his scheduled April 7 trial.

A jury must try all cases in Tennessee—even in guilty pleas—since the jury sets the penalty. All 12 jurors—two of them Negroes—agreed to the deal of a 99-year sentence before they were sworn in.

The jury simply voted by hand in their seats, never leaving the courtroom.

Ray's attorney, famed trial lawyer Percy Foreman, and today wearing the same dark told the jury that they were convinced Ray alone killed King with a rifle shot last April 4, and there was no conspiracy.

At that point Ray stood up.

"Your honor, I'd like to say something. I agree with all these stipulations, but I don't agree with these theories on the conspiracy."

Judge W. Preston Battle asked Ray if he was trying to change his guilty plea. Ray said "no sir," and spoke no more about the conspiracy.

Ray waived all rights for appeal, for a new trial or for any other legal maneuvers in exchange for the 99-year sentence—which he said was all that had been promised him.

Foreman asked Friday for a hearing, and rumors that Ray would switch his plea to guilty had been prevalent since then. Ray entered the courtroom today wearing the same dark blue checked suit and light blue shirt which he wore at earlier hearings.

The white-haired Foreman—who claims to have lost only one client to the electric chair—arose and announced "Your honor, we have a petition for a waiver of trial and a change of plea to guilty."

Battle told Ray that "this is a compromise and settlement on a plea of guilty to murder in the first degree and 99 years in the penitentiary."

"Is this what you want to do?" Battle asked.

"Yes, I do," Ray replied.

The jury was led in for a trial expected to last no more than a few days. The state must make a brief case against Ray before it can rest.

By airtel dated 5/7/68, copies of which were not furnished the Bureau, the Jackson Office set out leads for those offices to whom copies of this communication are designated. These offices have been requested to interview several hundred persons who spent the night in motels at Corinth, Miss., on or about 4/2/68.

In view of the fact that more than a year has passed since these persons stayed over night at Corinth, and since similar investigation of this type in this case has previously been unproductive, and since HUIE has admitted that RAY frequently is untruthful in statements to him, and further since it is not believed that it is of any particular importance to establish whether or not JAMES EARL RAY stayed over night at Corinth on 4/2/68, all offices will disregard the leads set out in Jackson airtel dated 5/7/68, unless specifically advised by the Bureau to cover same.
