In view of recent developments in this matter in
Canada, and to conserve manpower urgently needed for other

On 5/9/68, WFO received information that RAY, as ERIC S. GALT, as early as December, 1967, was inquiring as to procedures to enter Rhodesia. In view of this, WFO recommended that plans be effected with the Passport Office, United States Department of State, to arrange for a systematic review of all passport applications received since RAY's prison escape in April, 1967.

This project was commenced and over 700,000 of a total of about 2,100,000 applications were reviewed before the project was halted on 6/4/68, as a result of investigative developments from a similar project in Canada.

As many as 36 Agents a day were used in this review which in some instances consisted of round-the-clock work. Miss FRANCES G. KNIGHT, Director, Passport Office, and Mr. ROBERT D. JOHNSON, Deputy Director, Passport Office, were most cooperative in arranging for this review.

Miss KNIGHT unhesitatingly made available the full facilities of the Passport Office and Mr. JOHNSON made arrangements for passport employees to be on duty in order that WFO's search could be continued during other than normal working hours. He also arranged for Agent personnel to use the garage facilities of the Passport Office in view of the absence of public transportation available to Agent personnel arriving for work or departing from work at the Passport Office at midnight.

It is recommended that the Director send a letter to Miss KNIGHT expressing appreciation for her warm and whole-

ReWFOtelcall today.

Miss FRANCES KNIGHT, Director, Passport Office, United States Department of State, today furnished the following information to SA KENNETH J. HASER, WFO:

She commented that she had been contacted by PAUL SCOTT of Publishers-Hall Syndicate. SCOTT, according to Miss KNIGHT, is a reliable and reputable free lance writer.

SCOTT inquired if the FBI was checking passport files in connection with captioned matter and Miss KNIGHT replied that the FBI would be able to check files if a specific name were known, pointing out that the passport records contained over 25 million index cards. SCOTT's questions then centered on whether a United States citizen needed a passport to visit Canada and Miss KNIGHT received the impression SCOTT was interested in JAMES EARL RAY in respect to his possibly being in Canada. Miss KNIGHT advised SCOTT that any citizen could visit Canada without a passport.

Allen-Scott Report

Study King Talk For New Clues

By ROBERT S. ALLEN
and PAUL SCOTT

The Federal Bureau of Investigation's massive probe of the assassination of Dr. Martin Luther King is taking a possibly sensational turn.

With James Earl Ray, the suspected assassin, apparently either outside the U. S. or now dead, FBI agents have increased their surveillance of several American Communists known to have been closely associated with King, including one who wrote speeches for him in the past.

This new development was triggered by evidence gathered by the more than 1,000 agents who have worked on the mysterious King shooting and by several "tips" and letters sent to the FBI.

One of the most interesting of these "tips" came from an alert TV viewer and concerns the now famous "Mountain Top" speech King made on April 3, the night before his slaying, showing a premonition of his impending death.

"If the speech was truly made in Memphis on April 3 as reported," the letter pointed out, "then how can one account for King stating his age as 36 (instead of 39) and why does he speak of demonstrating in Alabama twice during the speech?"

After checking out the time and location of King's final speech, several of the crack FBI agents assigned to the case decided to begin seeking answers to a number of their own questions, including:

"If King had personally written that speech, why would he make mistakes like those contained in it — especially the one involving his age?"

"If the speech was written by someone other than King, who was the author and when was it written?"

The answers to these questions are considered highly important to the investigation, since, if another person was concerned in the preparation of that speech, the writer might be able to shed new light on it — especially those mistakes.

Also, if King had received help with the speech, the passages dealing with the civil rights leader's premonition of death would probably have been fully discussed. King's request to the Detroit police department for protection when he visited that city a few weeks before his

death indicated he feared for his life then.

Information gathered by the FBI on King, prior to his assassination, showed that a secret member of the Communist Party's executive committee was one of King's closest advisers and speech writers.

This ghost writer for King prepared many of his most famous speeches, according to testimony given by FBI Director J. Edgar Hoover during a closed door meeting of a House Appropriations subcommittee.

Since Ray during his trips prior to King's assassination visited the same city in which this ghost writer lives, the FBI is now investigating to determine if the two met covertly.

Recent evidence fathered by FBI agents in one of the most massive probes in the nation's history has forced serious investigation of these possibilities:

- That somebody close to King or within his own organization tipped off his assassin as to the civil rights leader's route on the day of his slaying.

- That Ray was hired directly by certain black nationalists who paid him with money made available by foreign sources.

- That an international Communist "assassin squad" was involved in the slaying.

Because of Ray's mysterious trips to Mexico and Canada shortly before the assassination, the entire U. S. intelligence operation, ranging from the Central Intelligence Agency to the Defense Intelligence Agency, has been pressed into the hunt for King's killer.

One CIA report indicated that Ray, who is linked to the murder weapon by fingerprints and ballistic data, may have visited Cuba during his Mexican trip, according to information furnished by a Mexican airline official.

The FBI assumption is that, if there was a conspiracy to kill King, those involved made arrangements to spirit their hired killer out of the U. S. to Cuba via either Mexico or Canada.

Probably the greatest irony of the probe of King's assassination is that FBI Director J. Edgar Hoover, one of the civil rights leader's severest critics when he was alive, is doing everything in his power to solve the case.

Bu Supervisor BATES advised he had received a telephone call from MR. MARSHALL STANSELL, Resident Manager, Hillside Terrace Apartments, 1818 23rd. Street, S.E., WDC., concerning a tenant who resembled JAMES EARL RAY, STANSELL desiring that an FBI agent personally contact him at 11:00 A.M., 4/24/68.

On 4/24/68 MR. STANSELL advised SA'S SIDNEY H. ROCHE and WALTER B. SAVAGE as follows:

STANSELL said a former tenant, RAY THORNTON, had lived with MARGARET L. RAE at 1909 23rd. Street, S.E., Apt. 141B, until 1/31/68 when they moved out owing back rent. He said that RAE had a child by THORNTON and that both were known at Herby's Restaurant, Alabama Avenue, S.E., WDC. STANSELL said that he judged THORNTON'S age as mid-thirties, approximately five eight to ten, stocky build, with black hair that appeared to be dyed. He said THORNTON did not appear to have a job and he was seen so often about the apartment complex, that his sudden disappearance on 1/31/68 aroused his suspicions concerning THORNTON. He said that THORNTON was known to the proprietor of Herby's Restaurant.

On 4/24/68 HERB AIKEN, proprietor of Herby's Restaurant advised that MARGARET RAE had a child by GARY THORNTON with whom he was acquainted. He said that THORNTON was in the U.S. Air Force until about one year ago and that he was stationed at Bolling Air Force Base. AIKEN and his waitresses, all of whom know

THORNTON as a former customer, stated he is definitely not identical to JAMES EARL RAY. They further agreed that THORNTON is in his early twenties, that he is at least six feet three or more in height and very thin. HERB AIKEN stated that his part-time bartender, Master Sergeant LEE AYERS, of Bolling AFB was also an associate of THORNTONS.

On 4/24/68 M/Sgt. AYERS advised that THORNTON was definitely not identical to RAY, adding that THORNTON was stationed at Bolling AFB until about one year ago. AYERS stated that he believed that THORNTON was about twenty two years of age and six feet four inches tall. He stated he did not know the whereabouts of THORNTON and that he had seen a photo of JAMES EARL RAY and that THORNTON in no way, resembles RAY.

Mrs. JOSEPH E. JORDAN said, she took the phone call at this point and the caller said, "Hello, Miss. Are you JOE JORDAN's wife?" Mrs. JORDAN said "Yes". The caller, a man believed by Mrs. JORDAN to be a Negro without a southern accent said "I want to speak to JOE." Mrs. JORDAN said he was not home. The caller said "We have to get in touch with him, Mrs JORDAN, we were the ones who killed MARTIN LUTHER KING." The caller also said, "Your husband is the payoff man and is holding the cash. Mr. KEN TOWSEY, Information Officer, Information Office of the Rhodesian Government, 2852 Mc Gill Terrace, N. W., was interviewed at his residence, 6807 Bradley Boulevard, Bethesda, Maryland.

Mr. TOWSEY advised that JOHN ACORD had visited Rhodesian Information Office earlier on May 9, 1968, and had given Mr. JOHN HOOPER of that office a copy of a letter dated December 28, 1967, from ERIC S. GALT, 1535 North Serrano, Los Angeles, California, in which GALT had expressed an interest in travel to Rhodesia and asked to be furnished with information on that subject. He said that ACORD had told HOOPER that he, ACORD, had come across the letter in the files of his Office, the American-Southern Africa Council on this date.

Mr. TOWSEY stated that his interest in this matter was to offer on behalf of his Government all assistance possible, however, he asked that a formal request be made to his Government for such assistance. He stated that a written or oral request in any form would be honored.

Mr. TOWSEY requested that any request made of his Government and any information or assistance furnished by his Government not be made public in view of implications of exploiting the existing situation of his Government and of possibly expanding hostility toward his Government.

TOWSEY stated that if such request were presented to him he would not use open telegraph to pass the request on to his Government but would use the mails which are assumed secure. He stated that this method would require considerable time. He suggested that the United States Government might wish to present a request through the American Consulate at Salisbury, Rhodesia.

Mr. TOWSEY stated he wished to be advised concerning

At 4:45 pm, 6/1/68, Detective CHASE, Intelligence Division, MPD (Phone 175-2684), telephonically advised the writer that he had just received a phone call from STEVE ISAACS (sp), City Editor for the Washington Post (Phone 223-6000 Ext. 426). CHASE advised that ISAACS reported that he had a female reporter who covered a meeting this afternoon where RALPH ABERNATHY from the Poor People's Campaign was supposed to speak. For some reason, Mr. ABERNATHY was relaced by Mr. (ANDY?) YOUNG. This female reporter mentioned to ISAACS that there was a "red neck" in the crowd who closely resembled ERIC STARVO GALT (JAMES EARL RAY). This reporter noticed that this "red neck" left abruptly when it was learned that ABERNATHY would not speak. ISAACS then indicated that ~~he~~ another reporter covering this meeting who also thought that this "red neck" resembled GALT.

CHASE advised ISAACS that he was going to notify the FBI immediately, which he did. CHASE also mentioned that ISAACS would be expecting a call from the FBI.

Above information submitted to case agent ROBERT W. DAWSON.

The following interviews were conducted at Washington, D. C., on April 8, 1968, by Special Agents JOSEPH C. KELLY and SIDNEY H. ROCHE:

Dr. DAVID MARK ROSENBAUM, Expert, National Resources Analysis Center, Systems Evaluation Division, Federal Deposit Insurance Corporation building, 550 17th Street, Northwest, advised that he is acquainted with one RUSSELL YOUNG, Executive Assistant to the Vice President, Government Communications Division, American Telephone and Telegraph Company, and while in company with Mr. YOUNG sometime during the first, several days of April, 1968, YOUNG remarked to ROSENBAUM that Reverend MARTIN LUTHER KING was possibly going to be killed in Memphis, Tennessee.

Dr. ROSENBAUM said that since the statement had been proven true, in as much as Dr. KING was killed, he felt that he should notify the Federal Bureau of Investigation of this information. He added that he could not suggest the source of YOUNG's information, and that he intended to call Mr. YOUNG and advise him that he had furnished the information to the Federal Bureau of Investigation.

Mr. WILLIAM RUSSELL YOUNG, Executive Assistant to the Vice President, Government Communications Division, American Telephone and Telegraph Corporation, Room 1104, 1730 K Street, Northwest, telephone 392-5196, stated that he commented earlier in the month of April, 1968, while in the presence of one Dr. DAVID ROSENBAUM, that in view of the feelings and opinions expressed by the Reverend MARTIN LUTHER KING, he predicted that someone would kill
